## Chapter 24

### Rev 16:10-11 “The fifth bowl” Darkness and pain

And the fifth angel poured out his vial upon the seat of the beast; and his kingdom was full of darkness; and they gnawed their tongues for pain, And blasphemed the God of heaven because of their pains and their sores, and repented not of their deeds. (NKJV)

The original “**Seat of the Beast**” in the bible was in the Middle East in “**Pergamum Turkey**” called the “**Throne of Satan**” as referred to in scripture “**The seat of Satan**”, built in the 2<sup>nd</sup> century BC during the reign of ancient Greek King Eumenes II.

In modern times according to biblical prophetic historic fulfillment this seat of Satan still exists in the spirit realm it has moved through time generationally in the region in the unseen realm. As an example, in the book of Daniel 10:13 the prince of Persia (*fallen angel principality*) resisted Michael the Ark angel 21 days hindering Gods answer to Daniels prayer, Persia is now known as Iran (*Islamic nation*) the Prince of Persia was never destroyed but still operates today 3000 years later over that region spiritually (*beast*)

## Chapter 24

*nature*). Modern day Turkey is a Muslim nation under the Islamic religion and influence an antichrist religion of the nature of the beast. Iran and Iraq both sit next to Saudi Arabia and Mecca all Islamic nations influenced by the Prince of Persia principality that resists God Himself. In modern times Muslims through Jihad have murdered, killed and beheaded the saints of Christ in the Middle East without repentance, just as the bible states Rev 20:4. Recently 2013-2017 (*the war against the saints Rev 13:5-7*) in Iraq and in Syria, Isis a Jihadist Muslim group rampaged across these nations stealing, killing, murdering, enslaving, destroying people and lively hoods (*sinful deeds unrepented of*), especially targeting Christians. Even Jesus Himself said Satan the beast is a thief that comes to steal destroy and kill Jn 10:10, you can tell a tree by its fruit good or rotten Mk 12:33. Muslims like all people need to repent to be saved in and through Christ.

It is by no coincidence that persecution has been going on in the Middle East against the saints, currently 200 million Christians in 60 nations are under persecution most of those nations are Islamic apart from China and North Korea. The beast/Satan spiritually in this prophecy is on the move in this region his seat of power still rages on as a spiritual influence (*Prince of Persia included*) over men blinded by a false religion that kills the saints. The whole situation with Isis in Iraq and Syria by 2013 came into fruition through Americas war policies in the region implemented by the last three presidents in their seat of position, influence and power. In the natural realm the dragon's beast spirit also operates through the Rev 13:1-10 “**Beast**” himself, in these chapters you will see the Rev 13:1-10 “**beast from the sea**” has proven to be President Obama 2009-2017. Obama is a known Muslim from 3 generations of Muslim Brotherhood family members, he admits this himself on live TV, he speaks Arabic names fluently he recites verses from the Koran praising Islam, advancing its cause (*see chapters around the Rev 13 beast*).

*Retired 4-Star U.S. Navy Admiral James A. “Ace” Lyons, speaking at the National Press Club in January (2015), says that under Obama’s guidance, the Obama Regime has been infiltrated by the Muslim Brotherhood terrorism front group, saying that the radical anti-freedom organization has penetrated every U.S. security agency. Admiral Lyons said that “the transformation of America has been in full swing ever since 2008,” the year Obama was elected based upon his campaign promise to “fundamentally transform America.”*

## Chapter 24

The US seat of power has been the beast’s power and authority given by the Dragon Rev 13:4 to influence world rulership for 8 years (2009-2017) to change times and seasons. This brought about certain Rev 13:1-10 beast fulfillments from scriptural prophesy. So, you have had the beast spirit operating through Obama empowering Islam in the Middle East against primarily Christian’s killing them and dispersing them. You have the Prince of Persia operating resisting God influencing Islamic nations, then you have Islam a false religion operating under the spirit of the beast. In the natural from 2013 – 2017 under Obama we have had conflicts with Isis (*Islam*) in Iraq and Syria, this has culminated with a loss of 2.3 million Christians in these nations (*killed, enslaved or dispersed as refugees*) in a few short years, a Christian genocide loosed under the Satanic beast spirit.

So, the actual seat where this 5<sup>th</sup> bowl is poured out is onto the spiritual “**seat of the beast**” and his “**kingdom (Islam) full of darkness**”, the beast’s stronghold in the spiritual realm in the Middle East, upon the spiritual kingdom of the antichrist upon his armies in the region of “**Satan’s Throne**”. This 5<sup>th</sup> bowl flows into the 6<sup>th</sup> bowl both are connected to the 6<sup>th</sup> Trumpet along the Euphrates River region in the Middle East according to prophecy. The 5<sup>th</sup> bowl is loosed upon those that are “**antichrist**” of the beast killing the saints in the “**war against the saints**” Rev 13:5-7 empowered by the beast Obama.

This “**Leishmaniasis (painful sores) disease**” hit Isis and Hezbollah whom are all muslims involved in killing the saints (*antichrist against Christ*) in the Euphrates River region, this disease came as a huge outbreak. “**Leishmaniasis disease**” of “**pains and sores**” does have cases of individuals that can be found across Asia and in the Middle East. The spread is caused by the bites of certain types of sand flies in un sanitized conditions. So as Isis fighters killed and beheaded people everywhere leaving bodies to rot and flesh out in the open for flies to inhabit, it festered this disease that then infected them. Leishmaniasis is mostly a disease of the third world nations or the developing world, it is rarely known in the developed world. Small cases of this disease were contracted by US marines in the Gulf war of 1990. Kabul of Iraq is estimated to be the largest center of leishmaniasis in the world, with around 67,500 cases as of 2004. By 2015 alone 100’000 plus cases were reported in Iraq with Isis fighters and locals, see article:

***ISIS militants reportedly being attacked by serious skin disease (painful flesh eating sores) Jihadi fighters are refusing medical treatment which has led to more outbreaks.***

*By JPOST.COM STAFF April 6, 2015 19:48*

*Islamic State fighters are being attacked by a debilitating skin disease called leishmaniasis. The disease, which is spread by sand flies, is quickly spreading thanks to pollution and poor hygiene conditions and there have been more than 100,000 cases reported, British media outlets reported earlier*

*this week. The jihadi fighters are refusing medical treatment which has led to more outbreaks, according to the reports. Medical centers have closed since medical staff have fled the violence making the spread of the disease more acute, according to the reports.*

### ***Leishmaniasis skin disease examples that has broken out amongst Isis militants***

*Dubbed “Rose of Jericho,” the disease is caused by protozoan parasites that belong to the genus Leishmania and is transmitted by the bite of female sand fly that bite infected rodents called rock hyraxes. Cutaneous leishmaniasis is the most common form of leishmaniasis, while visceral leishmaniasis is a severe form in which the parasites have migrated to the vital organs. The infection appears as red sores (hence its nickname) on the skin a few weeks or months after being bitten by the sand fly that erupt weeks to months after the person affected is bitten by sand flies. The infection can also damage the liver and spleen and cause anemia. The sores can cause permanent, ugly scars if untreated.*

Isis also had dramatic outbreaks of HIV AIDS (*sores*) in their ranks which also causes painful sores and lesions on the skin due to their unclean sexual practices (*sodomy was reported amongst Isis ranks*) as in Bowl 1 loosed by 1987, this has been a sowing and reaping upon the beasts antichrist Islamic fighters.

The beast’s spiritual kingdom is full of darkness (*evil*) worldwide with the unsaved (*salvation is in Christ alone*) including all false religions around the world. This is the antichrist Spirit that has gone out into the whole Earth. There has been an ongoing manifestation of the nature of this beast’s influence in the Middle East through Islamic terrorists. The descriptions of the three beasts with 7 heads and ten horns in Rev 12 , 13, 17 are all the same antichrist spiritual beast that persecutes and kills the saints, it morphs through the generations changing its form from one to another (*Rome, Holy Roman Empire, Islam*). In Dan 2 this beast is mentioned as a red dragon with 7 heads and ten horns the fourth and final kingdom that first started persecuting the saints in Rev 12, this came after the birth of Christ immediately hundreds of infant children were murdered trying to get to Jesus Math 2:16. Then persecution came again after Christ’s death against His saints by Rome the beginning of the martyrs had started.

In Dan 7:19-25 this end times beast is mentioned again in a detailed description of the beast from the sea found in Rev 13:1-10 (*7 heads and ten horns*) this time it singles it out describing a single beast head/leader with ten horns (*from ten nations*) involved with ten leaders found in Rev 17:12-14 these ten leaders/horns also make war with the lamb (*Jesus and the saints*). The Rev 13:1-10 beast in scripture

## Chapter 24

described to have bears feet a leopard’s body and a lion’s mouth is an actual man “Obama” whom is actually a “Muslim” who came out from the sea (*“Humanity” Obama also grew up in Hawaii an Island of the sea*) whom was given power to influence (*USA/TPPA/Coalition forces*). Two of the spiritual prophecy fulfillments of this antichrist beast was the ripping up of “**3 horns ripped up**” in the “**Arab Spring**” of 2010 whom were Egypt, Libya and Yemen (*Ethiopian decent*) Dan 11: 43, Dan 7:8. This then led us into the “**War against the saints**” Rev 13:5-7 Obama as the beast had to fulfill this prophecy, he did this through deceptive foreign policies Dan 8:25. Obama empowered Islamic terrorists through his foreign policies through Hezbollah and Isis in Iraq and Syria, advancing the cause of his god (*Islam*) Dan 11:39.

President Obama worked in enabling Isis to rise up and war against the Christians, he withdrew all US troops in 2011 creating a terrorist vacuum. These terrorists rose up in the region destroying 2.3 million Christians from Iraq and Syria in a 42-month period from mid-2013 to Jan 2017. President Obama according to recent information surfacing during his administration assisted Hezbollah growth through drug trafficking and financial gain by blocking US interference from the FBI and CIA against that organization, they knew too well what was going on and could have stopped it this was done due to the Iran nuclear deal whom supports terrorism. According to new CIA documents released President Obama also assisted Isis through training of terrorists, weapons supplies and funds he also restricted bombing against the organization holding back the US military from taking Isis out, until President Trump got in reversing President Obama’s policies on war against Isis. Obama would drop leaflets over Isis fighters warning them to flee before bombs were about to come, a crazy war tactic indeed actually idiotic unless you were helping your enemies.

Isis committed many atrocities causing the literal disappearance of 1 million Christians in Iraq and 1.2-3 million in Syria, this is not counting other countries such as Egypt, Turkey, Sudan and Somalia. Due to the terrible spiritual darkness Isis operated under these atrocities were committed creating unhygienic practices opening them up to disease and sickness the 5<sup>th</sup> bowl judgement of God upon them. By April of 2015 it was reported on world news that the Islamic State fighters (*antichrist inspired Isis fighters*) were falling ill in mass to the debilitating skin disease called leishmaniasis (*painful sores on the skin*). As mentioned in this scripture above Rev 16:10-11, a curse was placed upon the antichrist kingdom of darkness due to the lack of repentance for what they had done (*killing Gods children and blaspheming him*). This disease, was spread by sand flies spread quickly thanks to pollution and poor hygiene conditions, there have been more than 100,000 cases as reported by British media outlets. The jihad fighters refused medical treatment which led to more outbreaks, according to the reports. It was reported as a very severe painful flesh eating condition by Isis fighters who brutalized many people. Truly the antichrist kingdom and those operating under it (*Islamic terrorists*) were being tormented with pains and sores just as it says in scripture, the fifth vile being poured out on the beast’s kingdom of darkness (*upon those killing Christians and others*).

## Chapter 24

President Obama is well known to be a practicing Muslim with ties to the Muslim brotherhood he had 6 known members overseeing US foreign policy, he turned the Presidential seat and house into a place of worship to Allah (*President Trump cleaned out the White House getting Christians to cleanse it from the idolatry that took place there under Obama*). There are records of his Islamic training even from when he was a child in Indonesia and Hawaii under the name of Barry Soetoro who's nationality was Indonesian but now known as Barack Hussein Obama from the US. Obama has funded Islamic nations with money, training and weapons since being in power from 2009 onwards he formed relations with Islamic leaders of Arab nations especially the Muslim brotherhood and Turkey. President Obama held meetings with these Islamic groups in the White House. Obama's father was from Kenya with many family members being Muslim with Muslim Brotherhood connections. The true nature of the Islamic religion is to deny Christ as God making it antichrist in spirit to be against Christians, exactly what Satan has used to fulfill the prophecy of this chapter above.

As mentioned above the end time's antichrist spiritual kingdom is worldwide, all whom are not saved automatically receive the mark of the beast. Islamic fighters from Isis taken prisoner, testified of how many Isis members practiced forced homosexual sex between themselves especially leaders with new recruits. This practice coincides also in description with the first bowl of Rev 16:1 where loathsome sores came upon those that had the mark of the beast (*unsaved worldwide*) who worshiped his image (*the perversion of idolatry*): see chapter 17 Bowl 1. In Rev 16:1 Bowl 1 was poured out on the perverted worship and idolatry of the image of unsaved man through homosexuality, this curse manifested as “loathsome sores” the plague of aids.

Aids was first recognized on the world stage around 1987 with 25 million known aids deaths so far and many more tens of millions infected worldwide in 199 nations. Aids death sores can cover the entire body of the victim inside and out depleting the immune causing terrible pain to the individuals eventually killing its victims. The beast's kingdom of darkness (*since 2009 onwards with Obama the Rev 13:1-10 first beast on the world scene these things began happening*) has surely received these bowls of judgments of pains and sores in our end times generation.

Obama created a CIA agency tool project Scorecard and Hammer technology that was used from behind the scenes in the 2020 democrat takeover of the USA, in an elaborate election steal from President Donald Trump as many would argue. Many affidavits and evidence came forward of this election steal yet due to American corruption social media censoring etc by the left, no high courts were willing to take on the case of election fraud. Trumps legal team did win most of their court cases in the lower courts, surely greater darkness has now come over America through Obama's actions and deceptions as the beast including the onset of Covid 19.

As a senator in 2005 Obama was involved in setting up and funding Bio weapons labs in the Ukraine he also helped to fund the China Wuhan lab a coincidence ? I think not, the world has changed since Obama came into power.
