

Looking to the Future

Only one part of Daniel's prophecy remains unfulfilled.

The stone (*Jesus first appearance on earth*) described in Dan 2 strikes the statue on the feet (*Jesus second coming return*) grinding it to powder, to then become a great mountain which fills the whole earth (*Millennial Reign of 1000 years*).

Dan 2: 34-35

You watched while a stone was cut out without hands, which struck the image on its feet of iron and clay and broke them in pieces. Then the iron, the clay, the bronze, the silver, and the gold were crushed together, and became like chaff from the summer threshing floors; the wind carried them away so that no trace of them was found. And the stone that struck the image became a great mountain and filled the whole earth....

Dan 2: 44 -45

And in the days of these kings (Babylon, Medo Persia, Greece, Rome/Holy Roman Empire/ Modern nations of Western Europe, EU, UN, Vatican) the God of heaven will set up a kingdom (Begins at the Cross in 31 AD) which shall never be destroyed; and the kingdom shall not be left to other people; it shall break in pieces and consume all these kingdoms, and it shall stand forever. Inasmuch as you saw that the stone was cut out of the mountain without hands, and that it broke in pieces the iron, the bronze, the clay, the silver, and the gold the great God has made known to the king what will come to pass after this. The dream is certain, and its interpretation is sure."

Daniel 2:44, 45

And in the days of "These kings" refers to "These kings" systems and demonic influences generationally throughout history. "These kings" are connected in history down to the feet and toes of the statue to the time of Christ and His birth in 3 BC on earth. At the time of Christ's arrival Augustus (*ruled from 27 BC – 14 AD*) only 24 years previous in 27 BC set up "The Principate" dividing Rome into ten regions during the first period of the Roman Empire. "The Principate" consisted of 5 governors chosen by the Caesar and 5 elected by the people (*voted in by the people, just as we do in modern times voting for our leaders*). "The principate" gave the Caesars ultimate ruling power all 10 governors were answerable to the Caesar alone. The ten toes of Daniel's statue in the natural realms in history were set in place by Augustus 24 years (27 BC) prior to Christ's birth in 3

BC. Jesus the Dan 2 **“Rock”** then destroyed the Dan 2 statue in the Spirit realm on the cross spiritually in 31 AD. Jesus defeated all authority of the four Dan 2 empires and their demonic strongholds upon the earth on the cross, birthing His Kingdom through His saints into the earth. 2000 years later at the end of the age **“These kings”** empires and demonic influences from Dan 2 have a spiritual generational connection (*Babylon Rev 18*) through the Holy Roman Empire to the **“Ten kings”** of Rev 17. The end of the age **“Ten Kings”** then manifest in form, also referred to as the **“Ten Horns”** meaning authorities/leaders over nations. These ten **“Kings”** are in position in the natural prior to Christ's second coming return. These **“Ten Kings”** are ruler authorities over nations (*New World Order*) that come forth through the UN/EU/Vatican as part of the Holy Roman Empire and its connected organisations.

In Rev 17:12 there are ten horns meaning ten kings, that war against the Lamb through the Holy Roman Empire Babylonian system of world governance (*UN, EU, Vatican*) in the last days, yet He overcomes them. This end of the age war is a hybrid economic, trade, political, Pharmacia, media driven Luciferian occult war. So, there has been a 2000-year historic time span, from the ten toes Principate provinces/kings of Augustus Caesar at the time of Christ to the ten kings of the Holy Roman Empire. The antichrist ten kings and their war against Christ comes towards the close of the end of the age, leading to their ultimate destruction at His second coming. Jesus destroys the Kingdoms of this world, the wicked and Spiritual Babylon with fire at His second coming.

The conclusion is inescapable. **“In the time of these kings”** from past - history to our present day. Our modern world stands on the threshold of the greatest event of all time. Soon Jesus will descend from heaven to set up **“His kingdom on Earth”** a kingdom of love and peace. The stone the rock of **“Christ”** strikes the statue to completely break it into pieces spiritually first and then in the natural. Jesus' kingdom will fill the whole earth at the end of the age beginning at His second coming wrath. **“Christ”** the Rock of Ages and the King of kings will rule the world from that time onwards forever.

The climax of Daniel's prophecy is where everything leads to this cosmic event. The accuracy of prophecy is unfailing through the stages of history, this builds up hope in the second Coming of Jesus Christ. Everything in the prediction of Daniel 2 has come to pass except the final act, the striking of the natural corrupted kingdoms of this world by the **“Rock”**. According to God's timetable, we are now approaching the grand climax, Christ's return to our world. Jesus Christ, the Son of God, is about to end the long bloody struggle of human history to establish His eternal empire of love and grace.

The visions of Daniel and world history

Daniel was primarily looking forward to the first coming of Christ. He predicted both the historical setting (in chapters 2, 7, 8, 11 and 12) and the date (in chapter 9) of the first coming of the Messiah the Christ. The 'four kingdoms' of Daniel 2 and 7 are identified in history as Babylon, Media Persia, Greece and Rome. The Greek empire is described in special detail as it immediately preceded the kingdom of heaven. Christ was born around 3 BC, very soon after the final obliteration of the Greek empire in 27 BC, when Egypt was made a Roman province. The destruction of the Greek empire was the first step in the process of setting up the kingdom of heaven, it began in the time of Antiochus Epiphanes. In fact, the special sign that God had begun to destroy the fourth kingdom and so begun the process of establishing the kingdom of heaven, was probably the death of Antiochus Epiphanes himself.

As mentioned above in further prophecy when it speaks about Ten Kings, this time these are future kings of the Holy Roman Empire world power of politics and finances. These ten kings are represented on the world scene at the time of the Rev 13:1-10 antichrist beast from the sea.

Dan. 7:23 -24 “Thus he said: ‘The fourth beast will be a fourth kingdom on the earth, which will be different from all the other kingdoms and will devour the whole earth and tread it down and crush it. ‘As for the ten horns, out of this kingdom ten kings will arise; and another will arise after them, and he will be different from the previous ones and will subdue three kings.

Rev. 13:1-4 And the dragon stood on the sand of the seashore. Then I saw a beast coming up out of the sea, having ten horns and seven heads, and on his horns were ten crowns, and on his heads were blasphemous names. And the beast which I saw was like a leopard, and his feet were like those of a bear, and his mouth like the mouth of a lion. And the dragon gave him his power and his throne and great authority. I saw one of his heads as if it had been slain, and his fatal wound was healed. And the whole earth was amazed and followed after the beast. they worshiped the dragon because he gave his authority to the beast; and they worshiped the beast, saying, “Who is like the beast, and who is able to wage war with him?”

Later in Revelation we read:

Rev. 17:12-14 “The ten horns which you saw are ten kings who have received no kingdom as yet, but they receive authority for one hour as kings with the beast. These are of one mind, and they will give their power and authority to the beast. These will make war with the Lamb, and the Lamb will overcome them.

Rev. 17:17 “For God has put it in their hearts to execute His purpose by having a common purpose, and by giving their kingdom to the beast, until the words of God will be fulfilled.

26.8.2014 (*Excerpt from 2014 Diary*)

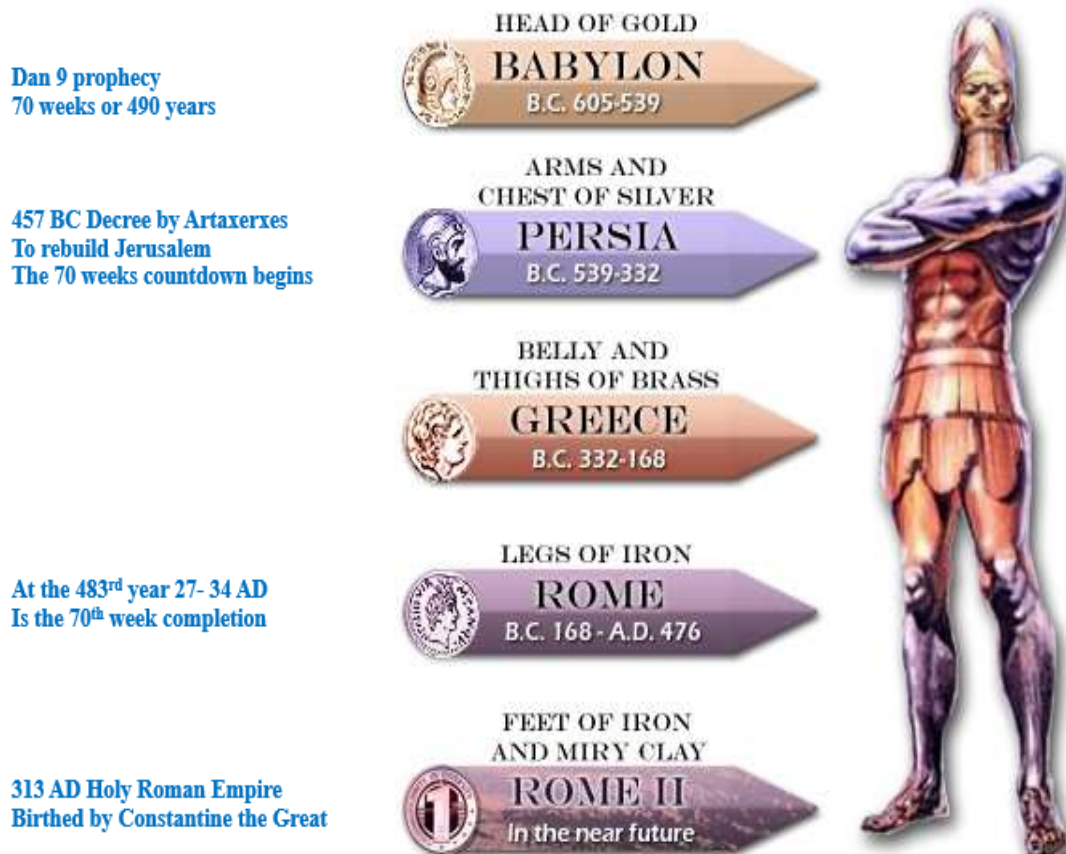

I ran into a friend today from my Church at a food shop in Tauranga, New Zealand. This turned out to be a divine appointment. My friend told me she recently had a dream but didn't understand the meaning of it. **The dream was of a water well with four old roman type pillars surrounding it. She saw three pillars (empires of gold, silver and bronze) around this well had crumbled and gone, only one pillar remained. The fourth and last pillar (iron/Rome) had crumbled down to about halfway, it was sitting over the well entrance.**

As my friend shared her prophetic dream, I felt that this was a vision of the four kingdoms found in Nebuchadnezzars vision of the Daniel 2:31-45 statue, each had its own historic timeline as allotted by God. The well represents Gods kingdom age Glory to come, the millennial reign of 1000 years on earth. The fourth pillar (*Babylon/Holy Roman Empire*) crumbling currently blocks the way (*Rev 18*) to this well (*Gods Kingdom*) this final pillar is to be completely removed, smashed by the rock Christ.

We are in the days of the crumbling and falling apart of the final Roman kingdom of iron and clay (*Holy Roman Empire; see chapter 20*) the ten toes/Kings/Horns. The last Kingdom empire according to Daniel 2:44-45 is smashed and overtaken by the rock, which is Jesus Christ and His government filling the Earth at His return (*Dan 7:21-27*). We are now so far advanced in the book of Revelation with this last generational antichrist kingdom on earth, it's about to crumble to implode just as the early Roman Empire did due to its internal corruption. Christ's supernatural Glory is going to prepare the way, to begin the complete takeover of the earth a final cosmic shift in realms (*Dan 8 cleanse the sanctuary, Eph 5:27 a Holy bride, Dan 7:22 favour of the saints and Rev 14:14-16 worldwide harvests*).

In Rev 17:14 it says in the last days **"Ten Kings"** give their power to the Rev 13 first beast to make war against the Lamb, but He overcomes them. At Christ's return the complete smashing of the dominion of the antichrist spirit and kingdoms happens Rev 7:23-27. Satan is bound for 1000 years (*Rev 20:1-2*). Since 9/11 occurred in 2001 (*Isaiah 30:25, 33:18 see chapter 19*) the book of **"Revelations"** has accelerated historically unsealed through fulfilments due to the **"man of sin"** (*Rev 13:1-10*) and his arrival on the world scene. In 2009 the Euphrates River began drying up, we are now in the 5th seal, 6th bowl, and 6th Trumpet.

Conclusion:

As said in 27 BC the **"Principate"** of ten toes was formed by Augustus Cesar laying the full platform of the Dan 2 statue for Christ to come. From Genesis on through the four empires down to the statue's feet & toes **"Principate"** came the **"fullness of time"** where Christ was then birthed into the world in 3 BC. Daniels 70 week or 490-year prophecy started in Medo Persia rule in 457 BC until Jesus was crucified in 31 AD followed by Stephen's death in 34 AD, completing the 490 years. At Jesus

resurrection in 31 AD we were taken from the **“fullness of time”** into the **“end times”** where **“time became short”** Rev 12 heading into completion. At Jesus 2nd coming return the Babylonian Kingdoms and corrupted systems of this world are finally destroyed forever burned up like stubble.
