Chapter 6

“Seal 2” Conflict on Earth

Revelation 6:3-4

Second Seal: Conflict on Earth/Peace removed

When He opened the second seal, I heard the second living creature saying, "Come and see." Another horse, fiery red, went out. And it was granted to the one who sat on it to take peace from the earth, and that people should kill one another; and there was given to him a great sword. (NKJV)

In real historical terms peace has been stolen on earth by Satan for generations due to wars, revolutions international and national conflicts between nation's countries and tribes. Conflicts and ongoing wars have increased since the turn of the 19th century with the technological advance of modern weaponry. To take away worldwide peace from many nations is another level again this has only occurred recently in history. Yet between worldwide war and conflicts there has been a certain level of peace for many nations. As of 2017 there were 40 wars around the world in constant conflict between nations and tribes with also many nations at peace a mixture of both. The 7 Trumpets the 7 seals and 7 bowls started being released at the beginning of the 19th century (*last 100 years*) as a time line of historical fulfillments.

With encompassing prophetic end times events such as: WW1, WW2, nuclear bombs, defeat of the Ottoman Empire, genocides, Israel becoming a nation, world trade and industrial increase, advanced technology and travel, Chernobyl, Kuwait invasion, mass oil field fires, 9/11 twin towers, Iraq invasion, Euphrates River drying up, Obama's America, Fukushima nuclear disaster, the Arab Spring Islamic uprising, Isis desolation in Iraq, war in Syria and Damascus, increase of saints being killed beheaded, corruption against Trump, false media, big tech censorship, earthquakes, natural disasters, waters turning blood red, severe droughts, mass locust invasions, Covid 19, Ebola, swine flu, Islamic nations wanting to destroy Israel, worldwide shut down of churches and the shutdown of nations economies. We are so far into the book of Revelations and Daniel along with other end times prophecy there's no turning back. The red horse fullness of conflict and removal of peace has been reserved for our generation in these last days to herald in the return of Christ according to the words found in scripture.

Mathew 24:4-31 “The Tribulation”

Mark 13:4-23; Luke 21:5-24

⁴ And Jesus answered and said to them: "Take heed that no one deceives you. ⁵ For many will come in My name, saying, I am the Christ, and will deceive many (many have come from generation to generation and are here now). ⁶ And you will hear of wars and rumors of wars. (this has accelerated at the turn of the 19th century then again since 9/11 on the Earth) See that you are not troubled; for all these things must come to pass, but the end is not yet. ⁷ For nation will rise against nation, and kingdom against kingdom. (WW1, WW2, Islam and terrorism, Cabal elites against the world) And there will be famines, pestilences, and earthquakes in various places. (an expediential increase of this has occurred in last 100 years especially since 9/11 in 2001) ⁸ All these are the beginning of sorrows. ⁹ "Then they will deliver you up to tribulation and kill you (generational since Christ), and you will be hated by all nations for My name's sake.

For 1260 years 70-150 million died at Vatican's hands through inquisitions. For 1400 years and in modern times targeting Christians Islamic Jihad has killed an estimated 669 million according to historians. At the turn of 19th century 2nd seal release you had genocides Armenian, Rwanda, Russia, Cambodia, Viet Nam, China you had the Pakistan Bangladesh genocide of Christians in the 70's.

With peace being removed in the 19th century 2nd seal release you had WW1, 20 million killed then WW2, 70 million killed not to mention Holocaust of 6 million Jews. Then the Turkish Muslim genocide of 1.5 million Armenian Christians out of 2 million killed from early 1915-1923 this started in 1915 in an attempt to start a new Turkish “Ottoman” styled empire but they failed, there are 200 Armenian memorials in 32 countries except Turkey. You had the Pakistan genocide of 3 million Christians in 70's by peaceful Muslims. You had the Cambodian killing fields under Pol Pot where 1.7 million were killed 1975-1979, 21% of the population. You had the Vietnam 20 year war from 1955-1975 with 300 thousand killed, the Chinese Mao massacres killing 45 million in four years 1958-1962, the Russian Stalin massacres of 20 million people 1921-1953.

There has been over 110 million killed in wars from 1900 -2019 with an estimated 1 billion since mans beginnings. From mid 2013-2017 you had a 42 month period with 2.3 million Christians were destroyed from Iraq and Syria combined the “war against the saints“ tribulation period with unknown numbers killed others turned into refuges. There has been up to 100 million people massacred by corrupt

dictatorships in the last 100 years bringing a death toll of 210 million people murdered through war and massacres in the last 100 years alone that's peace removed the red horse.

¹⁰ **And then many will be offended, will betray one another, and will hate one another.** (*Known examples of this hatred of one another you find in Islamic beliefs such as Sunni verses Shiite, Taliban, Isis, Hezbollah, Boko Haram, Hamas, Al-Qaeda, Muslim brotherhood. In Western nations you have the KKK, Neo Nazism, Zionism, Communism/Marxism, Irish people liberation Organization, shadow government, Illuminati elites, Satanism occults, white supremacists, UN, EU, state verses church and the list goes on*)

¹¹ **Then many false prophets will rise up and deceive many.** (*In the 19th century many have died through false prophet occult leaders such as Islamic ideals from leaders, false Christian cults such as the false prophet James Warren Jones who committed a mass murder-suicide of 918 of his followers in Jonestown, Guyana USA. Nearly three hundred children were murdered, almost all of them by cyanide poisoning.*)

¹² **And because lawlessness will abound, the love of many will grow cold.** (*This is the case over and over again in the 19th century through new age cults and liberal politics of socialism etc. Proven to be so with protests all over USA since President Trump was elected, with liberal left violence and hatred against the democrats spurred on by fake news media owned by the establishment elites. Protests that have been ongoing all over the world since the 2008 stock market crash and the Islamic immigrant invasion of European nations a spirit of lawlessness abounding.*) ¹³ **But he who endures to the end shall be saved.** ¹⁴ **And this gospel of the kingdom will be preached in all the world as a witness to all the nations** (*already happening through evangelists worldwide, media, Radio and satellite TV*), **and then the end will come.**

¹⁵ **"Therefore when you see the abomination of desolation** (*The first Abomination of desolation has already happened under the "warring against the saints" the symbol of Islam set up in Christian churches converted to mosques, Christians are the only Holy place on Earth with Gods indwelling Spirit the Holy Spirit with prayer and worship. This abomination of desolation in this scripture is the same Islamic Abomination that you find in the warring against the saints the star and moon of Islam. This time it's set up in Jerusalem's Holy place the Western Wailing Wall the place of prayer and worship of God for the Jews and Christians. It comes in the Great Tribulation of the last 42 months before Christ's return. This is at the invasion of Jerusalem by Islamic armies Ez 38 and 39, Zach 14:2 and Rev 11:1 -3*), **spoken of by Daniel the prophet, standing in the holy place"** (*whoever reads, let him understand*),

¹⁶ **"then let those who are in Judea flee to the mountains.** (*A picture of this happened in Mosul in August 2014, 40 thousand of Yazidi Iraqi Christians were trapped on the mount Zijar tops before being rescued by helicopters. Again 42 months before Christ returns half of Jerusalem is trampled underfoot by gentiles non Jews as found in Rev 11 and Zech 14:2 end time's prophecy. In this case in this portion of scripture this is an invasion of Israel in Jerusalem according to prophecy Zech 14:2 and Rev 11:2 at the same time the two witnesses are empowered. The invasion obviously comes through the West Bank Palestine where Jerusalem sits in the Centre of its boundaries.*) ¹⁷ **Let him who is on the housetop not go down to take anything out of his house.** ¹⁸ **And let him who is in the field not go back to get his clothes.** ¹⁹ **But woe to those who are pregnant and to those who are nursing babies in those days!**

²⁰ **And pray that your flight may not be in winter or on the Sabbath.** (*This scripture is talking about Judea Israel/Jerusalem and the attack to come against it in the Zach 14:2, Ez 38 and 39 war. In the same*

region recently with the “war against the saints” there were 200 thousand Christians fleeing from towns and cities taken by Isis near Mosul in 2014 at any one time with 50 thousand alone fleeing from one town Qaraqosh, south-east of Mosul. Other Christian towns near Mosul, including Tel Askof, Tel Keif and Qaramless, have also largely been emptied. Those who remained behind were reportedly given the same stark choice given to other minorities, including Yazidis: flee, convert to Islam or be killed.

In 4 years since 2013 1.1 million Christians have disappeared from Iraq and another 1.2 from Syria no one knows what’s become of them as those that did make it to refugee camps were also persecuted by the Muslim majority encamped there. Odd small Christian camps were set up for a Christian left over minority)

²¹ **For then there will be great tribulation** (6th Trumpet WW3 economic war Babylon’s fall, worldwide economic collapse culminating in Ezekiel 38,39 war against Israel Armageddon), **such as has not been since the beginning of the world until this time, no, nor ever shall be.** ²² **And unless those days were shortened, no flesh would be saved** (nuclear war); **but for the elect’s sake** (Christians Gods people) **those days will be shortened.**

²³ **“Then if anyone says to you, Look, here is the Christ! or There! do not believe it.** ²⁴ **For false christs and false prophets will rise and show great signs and wonders to deceive, if possible, even the elect.** ²⁵ **See, I have told you before hand.** ²⁶ **“Therefore if they say to you, Look, He is in the desert! do not go out; or Look, He is in the inner rooms! do not believe it. (NKJV)**

The Second Coming

Mark 13:24-27; Luke 21:25-28

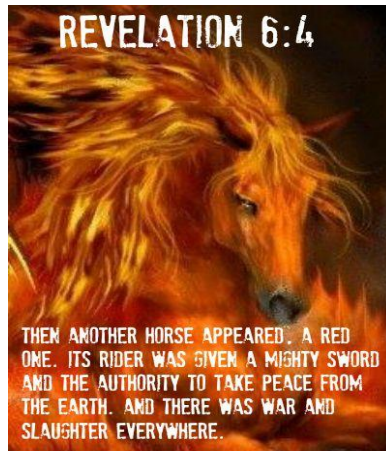

²⁷ **For as the lightning comes from the east and flashes to the west, so also will the coming of the Son of Man be.** ²⁸ **For wherever the carcass is, there the eagles will be gathered together.**

²⁹ **“Immediately after the tribulation of those days** (Armageddon comes and two witnesses die within the hour) **the sun will be darkened, and the moon will not give its light; the stars will fall from heaven, and the powers of the heavens will be shaken.** (6th Trumpet completed 2nd woe completed and Rev 14:14-16 worldwide harvest completed then the 7th Trumpet blown) ³⁰ **Then the sign of the Son of Man will appear in heaven, and then all the tribes of the earth will mourn, and they will see the Son of Man coming on the clouds of heaven with power and great glory** (3rd woe begins the destruction of the wicked at His return).

³¹ **And He will send His angels with a great sound of a trumpet** (7th Trumpet), **and they will gather together His elect from the four winds, from one end of heaven to the other. (NKJV)** (Translation into the Millennial reign of Christ on Earth, we are changed in the blink of an eye into a body that will live through the millennial Kingdom of Christ on Earth in Israel for 1000 years. This is not a false pre trib, mid trib, post trib 150 year old rapture theory it is a transformation translation into Christ for those that are His on the Earth at His return He covers and protects those that are His from His wrath against the wicked the unsaved at the time.)

Worldwide Conflict WW1, 1914 -1918 *(1st Trumpet blast peace removed)*

The First World War started on June 28th, 1914 till November 11th, 1918 a four year war involving the entire known world. Over twenty-seven Allied and Associated nations and four Central Powers fought in WW1. Eight million soldiers, including more than 50,000 Americans died. An estimated 12 million civilians died. German's losses 1,700,000 killed and over 4,200,000 wounded. France had 1,300,000 deaths and over 4,200,000 wounded. The estimated total number of people killed during WW1 *(including civilians)* was 20 million.

Yet there was also another 50-100 million die from the un-sanitized trench war conditions through a disease that broke out called the “Spanish Flue”, so WW1 actually killed up to 120 million. From the turn of the century you had WW1, 1914-1918 then there was relative peace in the world for 19 years until WW2 in 1938, from mid 1929 through to 1939 came the great depression with a loss of 70 trillion worldwide a 15% loss of world GDP occurring from 1929 to late 1930's *(This was equivalent to the monetary loss of the 2008 worldwide stock market crash)*, then came the start of WW2 by 1939 that lasted six years.

Worldwide Conflict WW2, 1939-1945 *(2nd Trumpet blew peace removed)*

The Second World War was from September 1939 to September 2nd, 1945 a six year war. There were 104 countries either involved in or affected by World War II. World War II was the deadliest military conflict in the world's history. There were between an estimated 50 to 70 million people killed in this war this was over 2.5% of the world's population. Virtually every country was involved in one form or another. Even the neutral countries were harmed economically by their neighbors being at war and unable to trade as in the past.

Chernobyl nuclear disaster April 26, 1986 *(3rd Trumpet blew)*

Conflict Gulf war “Iraq war” 1990 – 1991 *(4th Trumpet blew peace removed)*

“THE BOOK OF REVELATION UNSEALED”

Chapter 6

The Gulf War started on August 2nd 1990 through to 28th February 1991 it was codenamed Operation Desert Shield. From 2nd August 1990 through to 17th January 1991 operations leading to the buildup of troops and defense of Saudi Arabia took place, and Operation Desert Storm (17th, January 1991 – 28th February 1991) went into its combat phase. This war was a war waged by coalition forces from 34 nations led by the United States against Iraq in response to Iraq's invasion and annexation of Kuwait. The war is also known under other names, such as the Persian Gulf War, First Gulf War, Gulf War I, Kuwait War, First Iraq War, or Iraq War before the term "Iraq War" became identified later on with the 2003 Iraq War.

9/11 September 11th 2001 onwards (*5th Trumpet blown peace removed*)

It had been 58 years of relative world peace since the Second World War ended in 1945. Yet there have always been wars on Earth just not a world war involving all nations like WW1 and WW2. With WW1 came advancements in technology increasing wars and rumors of wars. In 2001 the attack on the twin towers took place on September 11th 2001 in New York, the whole world knew at the time something had changed with this attack people everywhere felt it. This was prophesied about in Isaiah 30:25-26 this was the 2nd seal red horse operating from the USA. 9/11 took us into the 2003 Iraq war the 5th Trumpet with war and conflict the removal of world peace once again. There were a total of 4'486 USA service men killed in Iraq war between 2003 – 2012, 250 coalition forces and 500 thousand Iraqi deaths.

The conflict lasted from 2003 – 2011 when all US troops were withdrawn in 2011 by Obama. More than 90 countries lost citizens in the attacks on the World Trade centre with 2999 lives killed due to the attacks. There were four major nations involved in the initial 2003 Iraq invasion and with the USA, Australia, Poland and the United Kingdom then by 2006, 27 Coalition countries were involved with troops on the ground in Iraq and Afghanistan fighting with the USA. When president Obama intentionally withdrew all US troops from Iraq in 2011 it created a vacuum for terrorists to rise up such as Hezbollah in Syria and Isis in Iraq bringing further destruction and war to the Middle East region. This vacuum was warned about by President George W Bush at the time.

Conflict Iraq war 2003 - 2011 (*5th Trumpet peace removed*)

The invasion of Iraq by the US began on March 20th 2003 involving 5 coalition countries and ended in 2011 by then 40 coalition nations were involved in the war over its duration. The US joined by the United Kingdom and several coalition allies, launched a "shock and awe" surprise attack without declaring war against Iraq. Iraqi forces were quickly overwhelmed as US forces swept through the country. The invasion led to the collapse of the Ba'athist government; Saddam was captured 3 years later in December of 2003 and executed by a military court. However, the power vacuum following Saddam's demise and the mismanagement of the occupation led to widespread sectarian violence between Shias and Sunnis as well as a lengthy insurgency against US and coalition forces. A total of 25'286 coalition forces were killed with an estimated 37'344 Iraq military and Iraqi population killed.

Conflict 2013 onwards with WW3 on the Horizon (*6th Trumpet blown peace removed*)

Starting in August 2014, the United States assembled a coalition of partner countries to combat ISIS/ISIL. On February 1st 2015, Iraq's Prime Minister declared that the War on ISIS/ISIL as effectively "World War III", due to ISIS/ISIL's declaration of a Worldwide Caliphate. ISIS/ISIL for the cause of Islam dreams to conquer the world, with its success in spreading the conflict to multiple countries outside of the Levant

region. Since the Iraq war Christian martyrs around the world have increased Islam have been stirred to kill and murder through Jihad in Muslim nations. There was a doubling of Christian killings worldwide in 2013 with 160 thousand Christians murdered and the nations of the world being stirred into war in the Middle East against Muslim terrorists.

Conflicts and wars are going on all across the Middle East since the Iraq conflict began with the withdrawal of US troops in 2011. There has been conflict and fighting in Syria, Nigeria, Israel, Palestine, Iraq, Iran, Turkey, Lebanon Libya, Tunisia, Sudan, Somalia and Egypt all being involved in drawing in other nations such as Russia, United Kingdom, USA, Australia, New Zealand, Germany and France by 2014. A huge stirring is taking place in the Middle East with Islam and the rest of the world WW3 is on the horizon. This coming build up to this final WW3 conflict has all been prophesied about in Revelations 9:12-21, Rev 16:12-16, Rev 6:7-8, Rev 6:9-11 and Rev 13:7-10 the last war before Christ's return. In one scripture in Isaiah 3 major world events all started to happen in a 3 year time frame 1999 - 2001.

The good news !! (see chapter 19 9/11 twin towers)

Found in scripture is a prophecy surrounding the 9/11 twin towers event and what's to come. In **Isaiah 30:25-26** it states *after the towers fall an event is to come then rivers and springs opening up in desserts Revival is coming in the days of great slaughter Foot and mouth disease in Europe in 1999 millions of Cattle and live stock killed mass slaughter, the KJV to western peoples came out of England book of Deuteronomy says "if you turn away from my word I will smite the cattle of your land" a warning curse when the towers fall September 11 2001, 9/11 world trade towers in US fall and the light of sun 7 is fold Heat waves with radiation increase cancer increase from depletion of ozone layer, the largest ever ozone hole recorded was in 2000, effecting global warming in last 10 years it was ozone depletion of 70 million square miles. then He will come and heal the wound of His people (NKJV)*

The wound to be healed was the killing of Gods saints by Islam through the recent conflict in the region of the Middle East Gods Biblical lands He gave to Abraham the churches birthing grounds. Islam started killing Christians loosing the “warring against the saints” majorly since June 2013 when Hezbollah entered the Syrian conflict then Isis into Iraq early 2014 under Obama's administration. This Islamic uprising was stirred up by the US with Islam from the 2003 Iraq war, then Obama withdrawing troops in 2011 creating a terrorist vacuum. Christian martyrs doubled in 2013 alone to 160 thousand killed the “warring against the saints” under the dominion influence of the 1st beast of Rev 13:1=10 President Obama. Obama is a Muslim as he has stated on video himself to be so. This 42 month war on the saints loosed came to an end 42 months later in Jan 2017 when President Donald Trump came to power. President Trump in a few short months by Oct 2017 virtually eliminated most of Isis from Iraq with Russia dealing to them in Syria halting the Christian genocide by Isis.

Isaiah prophesied the twin tower scripture 2700 years ago only to be fulfilled and accelerated since 9/11. This was a hinge to the quickening of the end times the Biblical historical fulfillments of the book of Revelations have been unfolding for nearly 100 years on Earth. We live in this time of bringing us into the unsealing of the book of Daniel and the Apocalypse of Revelations revealed that has now been unveiled. We have journeyed through the 7 Trumpets in the 19th and 20th century of Rev 8 & 9 we have entering into to the 6th trumpet, 6th bowl, 5th and 6th seal fulfillment manifestation on Earth. This positions us for the world wide harvest of Rev 14:14-16 the two witnesses of Rev 11 and the final conflict of Armageddon. There are 70 ongoing conflicts and wars in the world today as of 2021 with 16 major wars and conflicts that continue around the world from 2017 onwards in many countries see articles.

Major ongoing Wars and Conflicts in the World Today 2020 - 2021

It is sad to say, but there are currently ongoing wars or minor conflicts in around three dozen countries, most of them in the Middle East, North West Asia and Sub-Saharan Africa, and a major ongoing drug-war in Mexico. Wikipedia lists around 40 ongoing wars and conflicts with over 100 combat deaths in 2020 or 2021. NB [Wikipedia](#) is a useful starting point for this topic as it provides us with a statistical and historical overview which is relatively easy to understand, but keep in mind that you’ll need to verify sources and check up on how valid the data is!.

Map of Conflicts in the world today

Wiki categorizes ongoing conflicts as follows:

Major wars, with over 10 000 direct conflict deaths in the current or previous year, there are three of these: in Afghanistan, Yemen and the Tigray conflict in Sudan/ Ethiopia. Minor wars, with 1000 to 9999 deaths in the current or past year there are around 12 of these. Minor Conflicts, with 100 to 999 deaths in the current or past year around a further two dozen fall into this category. They also list ‘minor skirmishes’ which have resulted in 1 to 99 deaths.

Yemeni Civil War	233,000+	2014–present	Yemen’s Supreme Political Council vs. Hadi Government and Saudi-led Coalition	Yemen

A point of note is that the Mexican Drug War actually had the highest death toll in 2020 – with over 50 000 deaths, but it’s not classified as a ‘major war’ because most of those deaths are murders rather than as a result of direct armed conflict between the drugs gangs and the Mexican armed forces.

Examples of recent and ongoing conflicts (list taken from Wiki)

It would be worth spending some time exploring some of these conflicts to get a feel for their differences and similarities. But even if you don’t do any ‘deeper digging’ just a quick skim through Wiki’s list of ongoing conflicts can be informative – it shows you that MOST contemporary high death toll conflicts occur in developing countries, mostly in the middle east and Sub-Saharan Africa, and it also shows you just you that some countries have suffered ongoing or successive conflicts for several years – we see this in the Congo, and in Iraq and Syria. Wikipedia also looks at conflict deaths by country from 2016 to 2020 – Mexico tops the list in 2020, and this along with Syria, Yemen, Afghanistan and Nigeria have had particularly high levels of conflict deaths over the past 5 years.

How Many Wars Are Going on in the World Right Now?

By Staff Writer Last Updated Apr 1, 2020 1:37:31 PM ET

Chris Clor/Blend Images/Getty Images

There are 10 official wars and 8 active military conflicts recognized by the United States. There are also other violent conflicts involving 64 countries and 576 militias and separatist groups.

The four ongoing conflicts with the highest number of casualties (at least 10,000 deaths per year) are the Syrian Civil War, the civil war in South Sudan, the war in Afghanistan, and the Mexican Drug War. Those with more than 1,000 deaths include the Yemeni Civil War, the Somali Civil War, the Kurdish-Turkish conflict, conflicts in Nigeria, the war in Darfur, the Boko Haram insurgency, the Libyan crisis, the Sinai insurgency, the South Kordofan conflict, and the South Sudanese Civil War. Beyond this is the ever complex war with terrorists throughout the world like ISIL and Al-Qaeda.
