

Looking to the Future

Only one part of Daniel's prophecy remains unfulfilled.

The stone (*Jesus first appearance on earth*) described in Dan 2 strikes the statue on the feet (*Jesus second coming return*) grinding it to powder, to then become a great mountain which fills the whole earth (*Millennial Reign of 1000 years*).

(Verse 34-35) You watched while a stone was cut out without hands, which struck the image on its feet of iron and clay and broke them in pieces. Then the iron, the clay, the bronze, the silver, and the gold were crushed together, and became like chaff from the summer threshing floors; the wind carried them away so that no trace of them was found. And the stone that struck the image became a great mountain and filled the whole earth.

(Verse 44 -45) And in the days of these kings (Modern nations of Western Europe, EU, UN, Vatican) the God of heaven will set up a kingdom which shall never be destroyed; and the kingdom shall not be left to other people; it shall break in pieces and consume all these kingdoms, and it shall stand forever. Inasmuch as you saw that the stone was cut out of the mountain without hands, and that it broke in pieces the iron, the bronze, the clay, the silver, and the gold the great God has made known to the king what will come to pass after this. The dream is certain, and its interpretation is sure."

Daniel 2:44, 45

And in the days of “**These kings**” refers to “**These kings**” systems and influences generationally throughout history. “**These kings**” are also connected in history as symbolized by the feet and toes of the statue to the time of Christ and His arrival on earth. At the time of Christ's arrival Augustus (*ruled from 27 BC – 14 AD*), only a few years previous in 27 AD had set up “**The Principate of ten regions**” in the first period of the Roman Empire, 5 were governors chosen by the Caesar and 5 for the people (*governors voted in by the people, just as in modern times we vote for our leaders*). “The principate” gave the Caesars ultimate ruling power, as all ruling governors were answerable to him alone. Effectively the ten toes of Daniel's statue were set in place just prior to Christ's arrival. “**These kings**” then went on down through generational history, through to the rulers of modern Europe and the continued Holy Roman Empire.

In Rev 17:12 there are ten horns meaning ten kings, that war against the Lamb through the Holy Roman Empire Babylonian system of world governance (*UN, EU, Vatican*) in the last days,

yet He overcomes them. So there has been a 2000 year historic time span, from the ten toes provinces/kings of Augustus Caesar at the time of Christ. Then into the final antichrist ten kings and their ten-king war against Christ, leading to their ultimate destruction at His second coming.

The conclusion is inescapable. **“In the time of these kings”** is from past - history to our present day. Our modern world stands on the threshold of the greatest event of all time.

Soon Jesus will descend from heaven to set up **“His kingdom on earth,”** a kingdom of love and peace. The stone the rock of **“Christ”** strikes the statue to completely break it into pieces spiritually and in the natural. Jesus’ kingdom will fill the whole earth at the end of the age beginning at His second coming wrath. **“Christ”** the Rock of Ages and the King of kings, will rule the world from that time onwards forever.

The climax of Daniel’s prophecy is where everything leads to this cosmic event. The accuracy of prophecy is unailing through the stages of history, this builds up hope in the second Coming of Jesus Christ. Everything in the prediction of Daniel 2 has come to pass except the final act, the striking of the statue by the stone. According to God’s timetable, we are now approaching the grand climax, Christ’s return to our world. Jesus Christ, the Son of God, is about to end the long, bloody struggle of human history and establish His eternal empire of love and grace.

The visions of Daniel and world history

Daniel was primarily looking forward to the first coming of Christ. He predicted both the historical setting (*in chapters 2, 7, 8, 11 and 12*) and the date (*in chapter 9*) of the first advent. The ‘four kingdoms’ of Daniel 2 and 7 are to be identified with Babylon, Media Persia, Greece and Rome. The Greek empire is described in special detail because it immediately preceded the kingdom of heaven. Christ was born around 3 BC, very soon after the final obliteration of the Greek empire in 27 BC, when Egypt was made a Roman province. The destruction of the Greek empire was the first step in the process of setting up the kingdom of heaven, it began in the time of Antiochus Epiphanes. In fact, the special sign that God had begun to destroy the fourth kingdom and so begun the process of establishing the kingdom of heaven, was probably the death of Antiochus Epiphanes himself.

In further prophecy when it speaks about ten Kings, this time these are future kings of the Holy Roman Empire world power of politics and finances. These ten kings are represented on the world scene, at the time of the Rev 13:1-10 antichrist beast from the sea.

Dan. 7:23 -24 “Thus he said: ‘The fourth beast will be a fourth kingdom on the earth, which will be different from all the other kingdoms and will devour the whole earth and tread it down and crush it. ‘As for the ten horns, out of this kingdom ten kings will arise; and another will arise after them, and he will be different from the previous ones and will subdue three kings.

Rev. 13:1-4 And the dragon stood on the sand of the seashore. Then I saw a beast coming up out of the sea, having ten horns and seven heads, and on his horns were ten crowns, and on his heads were blasphemous names. And the beast which I saw was like a leopard, and his feet were like those of a bear, and his mouth like the mouth of a lion. And the dragon gave him his power and his throne and great authority. I saw one of his heads as if it had been slain, and his fatal wound was healed. And the whole earth was amazed and followed after the beast. they worshiped the dragon because he gave his authority to the beast; and they worshiped the beast, saying, “Who is like the beast, and who is able to wage war with him?”

Later in Revelation we read:

Rev. 17:12-14 “The ten horns which you saw are ten kings who have received no kingdom as yet, but they receive authority for one hour as kings with the beast. 13These are of one mind,

and they will give their power and authority to the beast. 14These will make war with the Lamb, and the Lamb will overcome them.

Rev. 17:17 “For God has put it in their hearts to execute His purpose by having a common purpose, and by giving their kingdom to the beast, until the words of God will be fulfilled.

26.8.2014 (*Excerpt from 2014 Diary*)

I ran into a friend today from my Church at a food shop in Tauranga, New Zealand. This turned out to be a divine appointment. My friend told me she recently had a dream but didn't understand the meaning of it. **The dream was of a well with four old roman type pillars surrounding it. She saw three pillars (empires of gold, silver and bronze) around this well had crumbled and gone, only one pillar remained. The fourth and last pillar (iron) had crumbled down to about halfway, it was sitting over the well entrance.**

As my friend shared her prophetic dream, I felt that this was a vision of the four kingdoms found in Nebuchadnezzars vision of the Daniel 2:31-45 statue, each had its own historic timeline as allotted by God. The well represents Gods kingdom age Glory to come, the millennial reign of 1000 years on earth. The fourth pillar (*Babylon/Holy Roman Empire*) crumbling blocks the way Rev 18, to this well (*feet and ten toes*) this is to be completely removed, smashed by the rock Christ.

We are in the days of the crumbling and falling apart of the final roman kingdom of iron and clay (*Holy Roman Empire; see chapter 20*) the ten toes. The last Kingdom empire according to Daniel 2:44-45, is smashed and overtaken by the rock, which is Jesus Christ and His government, filling the Earth at His return (Dan 7:21-27). We are now so far advanced in the book of Revelation with this last generational antichrist kingdom on earth, it's about to crumble to implode just as the early roman empire did due to its internal corruption. Christ's supernatural Glory is going to prepare the way, to begin the complete takeover of the earth a cosmic shift in realms (*Dan 8 cleanse the sanctuary, Eph 5:27 a Holy bride, Dan 7:22 favour of the saints and Rev 14:14-16 worldwide harvests*).

In Rev 17:14 it says in the last days ten kings give their power to the Rev 13 first beast to make war against the Lamb, but He overcomes them. At Christ's return the complete smashing of the dominion of the antichrist spirit and kingdom happens Rev 7:23-27. Satan is bound for 1000 years (*Rev 20:1-2*). Since 9/11 occurred in 2001 (*Isaiah 30:25, 33:18 see chapter 19*) the book of "Revelations" has accelerated to be historically unsealed through fulfilments due to the "man of sin" (*Rev 13:1-10*) and his arrival on the world scene. In 2009 the Euphrates River began drying up, we are now in the 5th seal, 6th bowl, and 6th Trumpet.

Dan 9 prophecy
70 weeks or 490 years

457 BC Decree by Artaxerxes
To rebuild Jerusalem
The 70 weeks countdown begins

At the 483rd year 27- 34 AD
Is the 70th week completion

313 AD Holy Roman Empire
Birthed by Constantine the Great

In 27 BC the **“Principate”** of ten toes was formed by Augustus Cesar laying the full platform of the Dan 2 statue, for Christ to come. From Genesis on through the four empires, down to the statue’s feet & toes comes to the **“fullness of time”**, as Christ was birthed into the world. Daniels 70 week or 490-year prophecy runs through all four empires, until Jesus was crucified in 31 AD, followed by Stephens death in 34 AD. At Jesus resurrection in 31 AD, He took us from the **“fullness of time”** into the **“end times”**.
