Truly a compromised house

Both these religions have killed millions of saints over a millennium of time and continue to wage war at leadership level spiritually, financially, physically, politically and religiously against the true Spirit filled believers around the world. They operate in the same antichrist spirit and have done for generations. God loves the people but not the religious systems they are under. Currently as of 2021 there are an estimated 3.1 billion people under these two religions of compromise teaching doctrines of men and demons. That alone should get one interested in investigating these two religions to see where they are in scripture in the last days and why ?, as you will find out through these chapters.

Chapter 4

Early Rome a brief history

The history of ancient Rome is marked by three periods of development in its creation. From 753-509 B.C the area of central ancient Rome developed from villages to a city ruled by kings. In the period from 509-527 B.C the Romans expelled the kings and established the Roman Republic. The first ever Emperor of ancient Rome was Octavian Augustus Ceaser whom rose to power in 27 BC after the assassination of Julius Ceaser. Octavian Augustus Ceaser ruled from 27 BC until 14 AD (*died age 75 yrs*) he also established the “Principate” of Rome creating an imperial cult of government and rulership until the 3rd century AD. The principate consolidated complete power to the emperor over all of Rome while giving the illusion to the people of Rome that they had some say in the matter.

The “Principate” was where Augustus divided Rome into 10 provinces with ten leaders of those provinces, 5 leaders were chosen by the emperor directly to rule and 5 were voted in by the people the beginnings of so-called democracy by vote. Yet all ten leaders/governors of the ten provinces had to answer to the Ceaser of Rome Octavian Augustus sound familiar? (*New World Order and UN/Nations*). This division of Rome into ten provinces laid the final foundation to the Dan 2 statue of the feet and ten toes of Rome. This took place just 24 years before Jesus was born in Bethlehem in 3 BC. Jesus was born at the “Fullness of time” Gal 4:4-7 he grew in stature and began ministry in 27 AD dying on the cross in 30 AD. On the cross Jesus smashed that statue and it’s powers in the Spirit first establishing the Kingdom of God on earth spiritually through His saints from then forward. At the end of the church age, He will then smash that statue in the natural realms, establishing His Kingdom in both the physical realm and Spiritual realm on earth for His 1000-year reign in the millennial Kingdom of Christ.

Chapter 4

From 527 B.C-A.D 476 (313 A.D Constantine signed the edict of Milan birthing the beginnings of the second “Holy Roman Empire” to eventually take over at Rome’s collapse in 476 A.D). Rome flourished as the Roman Empire, stretching its domination from England to North Africa also from the Atlantic Ocean to Arabia. Rome itself flourished until its collapse approximately for 1000 years surrounding the Mediterranean Sea then as the Holy Roman Empire for another 1500 years on into our modern age.

The two pillars on which the roman society relied on for centuries were family and religion. They both deeply influenced life in Rome, social and political. Romans held strong moral values that held them together as a group because of this they considered themselves superior to other peoples. The later new “Holy Roman Empire” was also situated in the same geographical region.

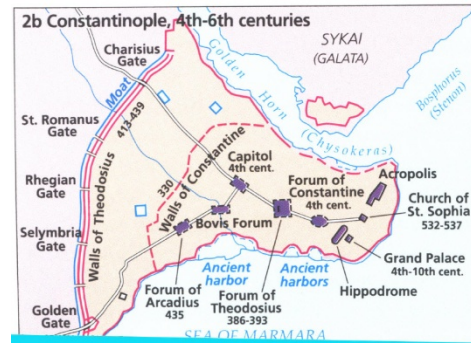

Since the very beginning, slaves played an important role in the Roman Empire and continued to do so through out Roman history. Romans inherited many practices and gods from Etruscan and Greek beliefs. The rulers of Roman society had to ensure that the community remained at peace with the gods. In the belief that gods responded to their offerings, Romans had cultivated their devotion though prayers, festivals, sacrifices, sacred groups and erecting many religious temples (similar pagan practices entered into Roman Catholicism as well).

Chapter 4

Rome as a world power collapsed around 476 A.D but intermingled strongly in the creation of the “Holy Roman Empire” a mix of Church and state (*Dan 2 statue of feet and toes*). This started with the Roman Emperor Constantine (306 A.D. to 337 A.D.) with his “Edict of Milan” in 313 A.D., this established legalization of religions stopping the persecution of Christians. Constantine founded a new capital, Constantinople, on the site of the ancient Greek city of Byzantium, he then established Christianity as the favored religion of the empire mixing paganism with Christian beliefs. This new found mixture created what we know today as the Roman Catholic Church.

Theodosius I (379 A.D.-395 A.D.) became the last ruler of the old united Roman Empire. War broke out in 410 A.D., when the Goths sacked Rome. Then by 476 A.D. the Western Roman Empire began to crumble and fall Roman society began to diminish. Rome became fragmented as a society it imploded with other skirmishes from surrounding enemies. By the 5th century onwards the new papal powers (*Holy Roman Empire*) began to emerge in strength as the old Western Roman Empire populations dwindled down to almost nothing. By the late 5th century Papal Roman Catholic church powers had been signed into being starting with Pope Gregory the 1st, his papacy marked the foundation of medieval Rome (*The Middle ages also known as the Dark ages*) see Pope Gregory below:

In In the 6th century the city of Rome (*in Italy*) was still being disputed by Goths and Byzantines. By the 7th century Rome came under the temporary protection of the popes increasing influence and power, who then ruled the city up until the 19th century. When Pope Stephen III was threatened by the Lombard's, he appealed for help to Pepin, king of the Franks. Pepin defeated the Lombard's and granted the Pope a portion of the Lombard territory in 754 A.D. this then marked the beginning of temporary power by the popes over the States of the Church. Then on the 25th of December 800 A.D. King Pepin's son, King

Charlemagne, was crowned by Leo III in Saint Peter's Church as Emperor this birthed the “Holy Roman Empire” onto the world stage as a religion and state rule influenced from the old Roman rule. The Holy Roman Empire survived until the abdication and resignation of Francis II of Austria in 1806 after the Napoleonic wars he was arrested by Napoleons general. See Pope Leo 111 crowning Charlemagne below.

The Creation of the Roman Catholic Church “its birth”

NOTE: From Chapter 48 “Book of Revelation (Dreams 1999 - 2017)”

I had a dream in early October 2014 after watching a Roman Catholic service on satellite TV. In the dream I saw Satan as a red skinned Devil with a pontiffs hat on to cover his horns to give himself a human look, this demonic creature had goats feet (*Baphomet*). This creature was walking through the bush like a wild man it then spotted a beautiful woman (*Christians of Rome*) standing on the sand on the beach in an early history dressed in an early type history dress with high heels on.

This red skinned devil then came over deceived and seduced her (*Constantine in 313A.D brought forth the “Edict of Milan” ending Christian persecution in Rome and corrupting the church with wealth and paganism*) the red skinned beast lay with her it had sexual intercourse with her impregnating her. The red skinned beast consummated with this beautiful woman and joined itself to her.

“THE BOOK OF REVELATION UNSEALED”

Chapter 4

Church of God in Rome + Beast Constantine of Rome = Creation of Roman Catholic Church 313 A.D

This was the birthing and joining together of the Roman system and beliefs and the Christians in Rome forming the beginnings of what we know as today as the “Roman Catholic Church”. Rome’s pagan beliefs and rituals merged (*intercourse with the beast*) with the Roman Christians forming a new doctrine and system of beliefs that was pleasing to all at the time in Rome it corrupted and compromised the true word of God this religion is now 1800 years old. This is the whore of Babylon the woman riding the scarlet beast in Rev 17 a city that actually sits on 7 hills that has prostituted herself with the nations. Interestingly there’s a missing key to history I believe as revealed by a high up ex Jesuit priest trained in the Vatican ”Roberto Rivera” who converted to Christianity then went on to write a book (*the woman’s pregnancy by the beast*). Roberto explains and testifies how historically he learnt the Vatican actually gave birth to the “Islamic” religion 300 years after Constantine came along through training up Muhammad (*started preaching Islam in 610 AD*) chosen by catholic priests in early 600AD.

The purpose was to unite warring Arab tribes to raise an army in the east to take out Jerusalem; the Vatican wanted it as a prize jewel in their crown (*it’s still the same today in modern times the Vatican acknowledges Palestine not Israel as a nation*). Things turned bad over the years as Islam grew strongly forming an army they (*Islam*) then called the pope an Infidel they started Jihad across Europe. This caused the Vatican to raise up its own army from peasants and nobles (*knights Templar*) the war ended up being called the “crusades” against Islam the Vatican’s own creation. This would make “Islam” if true (*cannot be proven historical records are hidden in Vatican catacombs*) the spiritual children of the Vatican a bad tree with bad fruit under the same antichrist spirit system. Islam (*killed estimated over 669 million people since its conception*) and the Vatican (*killed estimated 70 million people since its conception*) has for centuries tortured and killed true Christians as their number one target along with many other ethnics. In the birthing of the Roman Catholic Church Constantine in 313 A.D began forming the two main secular and religious populations of Rome into one (*a marriage the two became one*) as mentioned above through his “Edict of Milan” in 313 A.D.

This new creation of religion and state was made up of Roman religious paganism and politics merging with the agreement of the Rome’s Christian Bishops and the Christian religion. Constantine had given Christianity legal protection with the edict of Milan to become the number one religion in Rome. He legalized this religion into a new form of Christianity and Roman paganism. A mixing of the two began to please both the Romans and Roman Christians. Half of Rome was pagan and the other half were Christian so over time this merger pleased the whole population. The Beast (*Rome*) consummated with the woman (*Church*) this marked the

beginnings of papal Vatican powers to eventually become the new “Pontius Maximus” high priest or Caesar of Rome. The papal (*Popes*) overlords’ title was held in conjunction with the rule of the Kingdom of Germany and the Kingdom of Italy, manifesting in Rome and Europe.

From the time of Constantine the 1st and on into the fourth century A.D, the Roman emperors had, with very few exceptions, taken on a role as promoters and defenders of Christianity and its new mixture. From the very first Roman Catholic Pope till 2015 A.D there have been 266 popes in ruler ship. For over 1700 years the Vatican has claimed Saint Peter (*Christ’s Peter*) as the very first Pope of Rome. The title of Emperor became defunct in Western Europe after the deposition of Romulus Augustulus in 476 A.D. The title and connection between Emperor and Church only continued in the Eastern Roman Empire until 1453 A.D, when it fell to the forces of the Ottoman Empire (*Islam had a 700 year rule in the region until it was defeated in WW1 1914 – 1918, the first Trumpet blast of Revelations*). In the west, the title of Emperor (*Latin: "Imperator"*) was revived in 800 A.D with King Charlemagne, which also renewed ideas of imperial papal cooperation. As the papacy's power grew during the Middle Ages, popes and emperors came into conflict over church administration.

Replicas of the crown jewels of the “Holy Roman Empire”

The papacy as a system of power “The Holy Roman Empire” became the ruling power throughout the “Middle ages” the terrible “Dark Ages” that lasted for 1300 years until 1806 A.D. This great counterfeit religion “Roman Catholicism” of paganism, religion, state and politics is referred to as “Mystery Babylon the Great, the Mother of Harlots and Abominations of the Earth” in Rev 17:5. This religion system was raised up by Satan to block the gospel, to slaughter the Jews and the true believers (*Protestants*) in Christ, creating wars and making the nations drunk with the wine of her “Mystery Babylon” fornication. As estimated the has Vatican murdered 70 million people in the infamous Catholic inquisitions over a 1260 year period not to mention its holy crusades and wars it had funded throughout history. On one occasion in 1492 A.D in the Spanish inquisition Jews were forced to convert to Roman Catholicism or be tortured and killed up to 400 thousand fled Spain. The Jews that remained were then still persecuted and tortured by the Vatican regardless of their conversion to Catholicism.

The Bibles of Eastern and Western believers

Throughout the Roman Catholic “Dark Ages” the Vatican blocked the Bible it was prohibited for the people to read it or have it in their houses stopped from getting into the hands of the general population. This was done through the Vatican holding the Gospels back from the European western world. The Popes became known as the vicegerent of God on Earth endowed with authority over church and state it was false prestige at its best. G C 51.3 (*GC: The great Controversy*). The Vatican stated that only the clergy had the right to interpret and understand the word of God it kept millions ignorant for many centuries. Here’s what the Catholic Church says:

CCC 100. “The task of interpreting the Word of God authentically has been entrusted solely to the Magisterium of the Church, that is, to the Pope and to the bishops in communion with him”.

It was Martin Luther (*10th November 1483 – 18th February 1546 AD*) with his ninety five thesis in 1517 A.D. that started the protestant reformation challenging the Vatican and its practices against gospel truths. Then came William Tyndale in 1525 A.D. who created and translated the New Testament into English for the general population again challenging the Vatican.

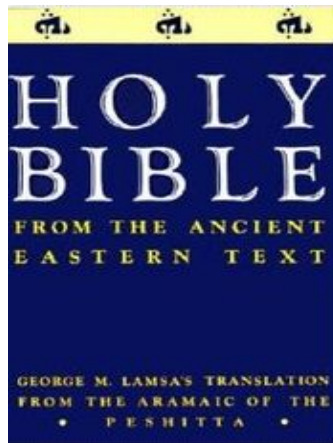

Then in Europe by 1611 A.D., the “King James Bible” came through King James VI it was then released into the public domain. The KJV was created over a number of years with some of the best scholars of the day from both the Vatican and the puritan’s ranks under fear of death to produce an accurate interpretation for the masses all at the order of King James VI. This was after hundreds of years of suppression by the ruling powers of the Vatican in Europe (*Holy Roman Empire*). In addition most western believers don’t

realize that a full Old and New Testament Bible called the “Peshitta” the eastern Bible written in the original Old Aramaic language has been in circulation since 100 A.D. in Gods church of the Middle East. The “Peshitta” is both Old and New Testaments virtually worded exactly as the Old King James Version but with Eastern interpretation on the verses. The NKJV Western interpretation is a wonderful comparison with the “Peshitta” Eastern interpretation of the “Written Word”.

The eastern Bible has been circulating amongst the Middle Eastern Christ believers unchanged for 1900 years (*originally in scroll form*). The “Peshitta” Eastern Church Bible appeared 1511 years before the Old King James version appeared in 1611 A.D. The KJV was translated into old English from the Greek and Hebrew scrolls with western thinking. The “Peshitta” was written in the original language spoken in the days of Christ in the entire region of its day “old Aramaic” also referred to as old Aramaic Syriac. The “Peshitta” has now been translated into English from the ancient old Aramaic since 1933 by the prominent George L Lamsa, who spoke fluent Old Aramaic other versions have also emerged in the 19th century.

There is also another Bible Translation (*Old Testament from the ancient Hebrew Torah*) a well known translation called the “Septuagint LXX” translated from ancient Greek scrolls legend has its origins going back to the Egyptian king Pharaoh Ptolemy 2nd. The Septuagint LXX is estimated to have been created around 300 B.C. making it 2300 years old. The modern version translation now contains both the Old and New Testaments.

NOTE:

The Septuagint (from the Latin septuaginta, "seventy"), also known as the LXX, is a Koine Greek translation of a Hebrew textual tradition that included certain texts which were later included in the canonical Hebrew Bible and other related texts which were not. As the primary Greek translation of the Old Testament, it is also called the Greek Old Testament. This translation is quoted a number of times in the New Testament,^{[1][2]} particularly in Pauline epistles,^[3] and also by the Apostolic Fathers and later Greek Church Fathers.

The Greek title Ἡ μετάφρασις τῶν ἑβδομήκοντα, lit. "The Translation of the Seventy", and its abbreviation "LXX", derive from the legend of seventy-two Jewish scholars (6 from each of the 12 tribes

of Israel, who worked independently to translate the whole and ultimately produced identical versions) in the court of Ptolemy II in seventy-two days (see Aristeas, Letter of, below), who translated the Five Books of Moses into Koine Greek as early as the 3rd century BCE.^{[4][5]} Separated from the Hebrew canon of the Jewish Bible in Rabbinic Judaism, translations of the Torah into Koine Greek by early Jewish Rabbis have survived as rare fragments only.

“ The creation of Islam the untold story the suppressed missing key ?”

It was in early 600 A.D. that the Vatican is testified to by Alberto Rivera (*an ex Jesuit Catholic priest*) to have created and given birth to a new religion for its own evil purposes. This became known as Islam first preached by Muhammad Ibn Abdullah (*Born 570 A.D. - 632 A.D.*) in 610 A.D. It was in Mecca that Muhammad first preached about his new Islamic belief. This was also the year of Muhammad’s first revelation of the “Quran” by God to him, through the supposed Angel Gabriel. Roman Catholics and Christians both encountered Muhammad in his life time. The “Quran” the Muslim Holy Book is filled with Old testament scriptures referring to “Abraham” and also New testament references referring to “Jesus” having done miracles, Jesus is mentioned 25 times this is more than “Allah” in the “Quran”.

It was also well known even in Islam that Muhammad’s first wife was a wealthy Roman Catholic woman before her conversion to Islam so Roman Catholic influence was in the Muhammad household during this time of the testified Islamic creation. It makes a strong case to Islam’s creation considering Muslims also worship Mary as a divine virgin and flock to apparitions of her as do the Catholics. In our modern times the Papacy want union with Islam saying they worship the same God and have begun creating a new place of worship for Muslims, Jews and Catholics called “Chrislam” in European nations beginning in Germany. Pope Francis 2nd goes to Muslim mosques bowing down praying to Allah this is no mere coincidence he says the contention in the world is the Christians fault not the Muslims.

These altered teachings of Islam all seem to have come from the Old Aramaic and Hebrew scrolls of the day. Muhammad was illiterate and memorized all he knew of his supposed revelations and Biblical texts. The only Biblical teachings at the time in the Middle East available to Muhammad and local people would have been through Eastern Christians living there or the Roman Catholics Priests. True Christians would not have taught him a false religion this came through Roman Catholic priests the “Quran” has Old Testament references from scripture that have been altered and modified by Muhammad and his followers throughout their generations.

The “Quran” of “Koran” and its Old Testament scriptures is nothing but ancient scripture falsely corrupted and misinterpreted to fit Muslim guidelines and beliefs. It is well known that the Quran has been altered several times to suit by high ranking Muslim leaders down through Muslim generations. In Islam itself, it is well known amongst worldwide historians that there is absolutely no evidence in archeology or ancient manuscripts of how Islam was created except the Quran itself and those that believe in it’s stories.

“THE BOOK OF REVELATION UNSEALED”

Chapter 4

This makes a strong case for Alberto Rivera’s testimony about Islam’s creation through the Vatican. All historical secret documents and evidence of the Vatican’s dealings from the past including Islam are held in the Vatican’s catacombs and not released to the public making it hard to prove this testimony of Alberto Rivera. Converting to Christianity Alberto had no reason at all to lie as this would be against Christian core values and beliefs unlike Islamic ideals who are told by Allah to lie to protect Islam.

So getting back to the Vatican creating Islam (*to be fully proven*) this would make Islam the spiritual children of the Vatican (*Rev 17*) the woman that rides the beast (*The Kingdom of the Beast*). The Kingdom of the Beast’s religion spiritually has always been the mixed Roman Catholic Church since its formation in 313 A.D. that has persecuted tortured and murdered Christians and also Islam since early 600 A.D. It is estimated since Christ walked upon the Earth that 70 million Christians have been martyred with 40 million in the first 1900 years then 30 million in the last 100 years that’s an exponential increase in the 19th – 20th century alone.

It has also been estimated that Islam has killed 669 million people through Jihad over 1500 years the greatest killing machine on earth since its inception and continues to kill in the 20th century unchanged for 1500 years in its evil practices. Roman Catholics are estimated at 1.2 billion with the Vatican being the 2nd wealthiest organization apart from the Rothschild’s who run their accounts.

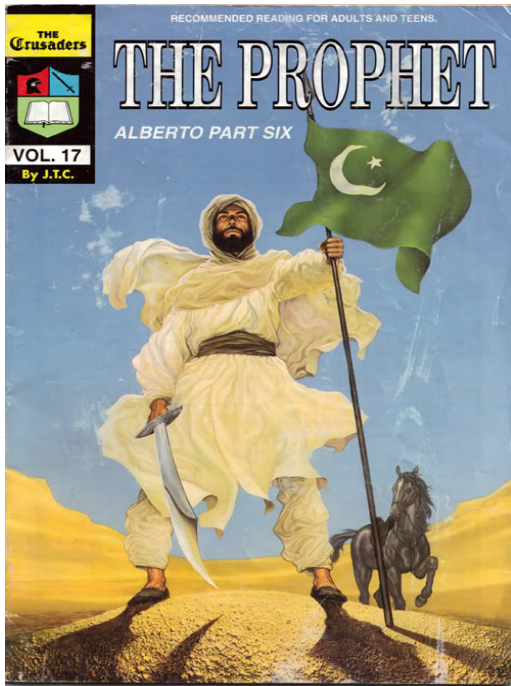

It is interesting that the two main religions that persecute target and kill true Christians has been the Vatican and Islam they have the same murderous deceiving antichrist spirit. Islamic laws and governance sits over and effects currently (2016) 84 nations on Earth with 1.7 billion believers and makes up one 3rd of the UN nation members. The OIC (*Organization of Islamic Unity*) is in Unity with the G7 in agreement to reform the Muslim caliphate in the Middle East. The OIC is made up of 57 Islamic state nations in the Middle East with Erdogan of Turkey now being its present representative handed to him by Egypt in 2016. Islamic or Sharia law influences the legal code in most Islamic nations/countries.

The astonishing testimony from ex-Jesuit priest, Alberto Rivera has been recorded after he converted to protestant Christianity (*giving him no reason to lie*). Several magazines are written and labeled under the brand “The Crusaders” one in particular was called “The Prophet,” published by the Chick Publications a Christian organization. Chick Publications is best known for Chick cartoon tracts and gospel tracts in over 100 languages. Websites have been set up and books written about this revelation and relationship between Islam and the Vatican. This “Prophet” magazine brings forth the information based upon the true

story as testified by Dr Alberto Rivera. In secret briefings in the Vatican when Dr Rivera was a Jesuit priest, under oath and induction he was taught the secret truth behind Islam’s creation. According to the Vatican the Roman Catholics wanted Jerusalem at the end of the third century because of its religious history and its strategic location, the Holy City was considered a priceless treasure. A plan by the Vatican was developed at that time to make Jerusalem a Roman Catholic city and was instigated by early 600 A.D. through Muhammad’s training.

Exert taken from “The Prophet” written by Dr Alberto Rivera.

"In a tribal contention over a well (Zamzam) the treasure of the Kaaba and the offerings that pilgrims had given were dumped down the well and it was filled with sand - it disappeared. Many years later Adb Al-Muttalib was given visions telling him where to find the well and its treasure. He became the hero of Mecca, and he was destined to become the grandfather of Muhammad. Before this time, Augustine became the bishop of North Africa and was effective in winning Arabs to Roman Catholicism, including whole tribes. It was among these Arab converts to Catholicism that the concept of looking for an Arab prophet developed.

"Muhammad's father died from illness and sons born to great Arab families in places like Mecca were sent into the desert to be suckled and weaned and spend some of their childhood with Bedouin tribes for training and to avoid the plagues in the cities.

"After his mother and grandfather also died, Muhammad was with his uncle when a Roman Catholic monk learned of his identity and said, "Take your brother's son back to his country and guard him against the Jews, for by god, if they see him and know of him that which I know, they will construe evil against him. Great things are in store for this brother's son of yours."

“THE BOOK OF REVELATION UNSEALED”

Chapter 4

"The Roman Catholic monk had fanned the flames for future Jewish persecutions at the hands of the followers of Muhammad. The Vatican desperately wanted Jerusalem because of its religious significance, but was blocked by the Jews.

"Another problem was the true Christians in North Africa who preached the gospel. Roman Catholicism was growing in power, but would not tolerate opposition. Somehow the Vatican had to create a weapon to eliminate both the Jews and the true Christian believers who refused to accept Roman Catholicism. Looking to North Africa, they saw the multitudes of Arabs as a source of manpower to do their dirty work. Some Arabs had become Roman Catholic, and could be used in reporting information to leaders in Rome.

Others were used in an underground spy network to carry out Rome's master plan to control the great multitudes of Arabs who rejected Catholicism. When 'St Augustine' appeared on the scene, he knew what was going on. His monasteries served as bases to seek out and destroy Bible manuscripts owned by the true Christians.

"The Vatican wanted to create a messiah for the Arabs, someone they could raise up as a great leader, a man with charisma whom they could train, and eventually unite all the non-Catholic Arabs behind him, creating a mighty army that would ultimately capture Jerusalem for the pope. In the Vatican briefing, Cardinal Bea told us this story:

'A wealthy Arabian lady who was a faithful follower of the pope played a tremendous part in this drama. She was a widow named Khadijah. She gave her wealth to the church and retired to a convent, but was given an assignment. She was to find a brilliant young man who could be used by the Vatican to create a new religion and become the messiah for the children of Ishmael. Khadijah had a cousin named Waraquah,, who was also a very faithful Roman Catholic and the Vatican placed him in a critical role as Muhammad's advisor. He had tremendous influence on Muhammad.

'Teachers were sent to young Muhammad and he had intensive training. Muhammad studied the works of St. Augustine which prepared him for his "great calling." The Vatican had Catholic Arabs across North Africa spread the story of a great one who was about to rise up among the people and be the chosen one of their God.

'While Muhammad was being prepared, he was told that his enemies were the Jews and that the only true Christians were Roman Catholic. He was taught that others calling themselves Christians were actually wicked impostors and should be destroyed. Many Muslims believe this.

'Muhammad began receiving "divine revelations" and his wife's Catholic cousin Waraquah helped interpret them. From this came the Koran. In the fifth year of Muhammad's mission, persecution came against his followers because they refused to worship the idols in the Kaaba.

'Muhammad instructed some of them to flee to Abyssinia where Negus, the Roman Catholic king accepted them because Muhammad's views on the virgin Mary were so close to Roman Catholic doctrine. These Muslims received protection from Catholic kings because of Muhammad's revelations.

'Muhammad later conquered Mecca and the Kaaba was cleared of idols. History proves that before Islam came into existence, the Sabians in Arabia worshiped the moon-god who was married to the sun-god. They gave birth to three goddesses who were worshipped throughout the Arab world as "Daughters of

“THE BOOK OF REVELATION UNSEALED”

Chapter 4

Allah" An idol excavated at Hazor in Palestine in 1950's shows Allah sitting on a throne with the crescent moon on his chest.

'Muhammad claimed he had a vision from Allah and was told, "You are the messenger of Allah." This began his career as a prophet and he received many messages. By the time Muhammad died, the religion of Islam was exploding. The nomadic Arab tribes were joining forces in the name of Allah and his prophet, Muhammad.

'Some of Muhammad's writings were placed in the Koran, others were never published. They are now in the hands of high ranking holy men (Ayatollahs) in the Islamic faith.'

"When Cardinal Bea shared with us in the Vatican, he said, these writings are guarded because they contain information that links the Vatican to the creation of Islam. Both sides have so much information on each other, that if exposed, it could create such a scandal that it would be a disaster for both religions.

"In their "holy" book, the Koran, Christ is regarded as only a prophet. If the pope was His representative on earth, then he also must be a prophet of God. This caused the followers of Muhammad to fear and respect the pope as another "holy man."

"The pope moved quickly and issued bulls granting the Arab generals permission to invade and conquer the nations of North Africa. The Vatican helped to finance the building of these massive Islamic armies in exchange for three favors:

- 1. Eliminate the Jews and Christians (true believers, which they called infidels).*
- 2. Protect the Augustinian Monks and Roman Catholics.*
- 3. Conquer Jerusalem for "His Holiness" in the Vatican.*

"As time went by, the power of Islam became tremendous - Jews and true Christians were slaughtered, and Jerusalem fell into their hands. Roman Catholics were never attacked, nor were their shrines, during this time. But when the pope asked for Jerusalem, he was surprised at their denial! The Arab generals had such military success that they could not be intimidated by the pope - nothing could stand in the way of their own plan.

"Under Waraquah's direction, Muhammad wrote that Abraham offered Ishmael as a sacrifice. The Bible says that Isaac was the sacrifice, but Muhammad removed Isaac's name and inserted Ishmael's name. As a result of this and Muhammad's vision, the faithful Muslims built a mosque, the Dome of the Rock, in Ishmael's honor on the site of the Jewish temple that was destroyed in 70 AD. This made Jerusalem the 2nd most holy place in the Islam faith. How could they give such a sacred shrine to the pope without causing a revolt?

"The Pope realized what they had created was out of control when he heard they were calling "His Holiness" an infidel. The Muslim generals were determined to conquer the world for Allah and now they turned toward Europe. Islamic ambassadors approached the pope and asked for papal bulls to give them permission to invade European countries.

“THE BOOK OF REVELATION UNSEALED”

Chapter 4

"The Vatican was outraged; war was inevitable. Temporal power and control of the world was considered the basic right of the pope. He wouldn't think of sharing it with those whom he considered heathens.

"The Pope raised up his armies and called them crusades to hold back the children of Ishmael from grabbing Catholic Europe. The crusades lasted centuries and Jerusalem slipped out of the pope's hands.

"Turkey fell and Spain and Portugal were invaded by Islamic forces. In Portugal, they called a mountain village "Fatima" in honor of Muhammad's daughter, never dreaming it would become world famous.

"Years later when the Muslim armies were poised on the islands of Sardinia and Corsica, to invade Italy, there was a serious problem. The Islamic generals realized they were too far extended. It was time for peace talks. One of the negotiators was Francis of Assisi.

"As a result, the Muslims were allowed to occupy Turkey in a "Christian" world, and the Catholics were allowed to occupy Lebanon in the Arab world. It was also agreed that the Muslims could build mosques in Catholic countries without interference as long as Roman Catholicism could flourish Arab countries.

"Cardinal Bea told us in Vatican briefings that both the Muslims and Roman Catholics agreed to block and destroy the efforts of their common enemy, Bible-believing Christian missionaries. Through these concordats, Satan blocked the children of Ishmael from knowledge of Scripture and the truth.

"A light control was kept on Muslims from the Ayatollah down through the Islamic priests, nuns and monks. The Vatican also engineers a campaign of hatred between the Muslim Arabs and the Jews. Before this, they had co-existed peacefully.

"The Islamic community looks on the Bible-believing missionary as a devil who brings poison to the children of Allah. This explains years of ministry in those countries with little results.

"The next plan was to control Islam. In 1910, Portugal was going Socialistic. Red flags were appearing and the Catholic Church was facing a major problem. Increasing numbers were against the church.

"The Jesuits wanted Russia involved, and the location of this vision at Fatima could play a key part in pulling Islam to the Mother Church.

"In 1917, the Virgin appeared in Fatima. "The Mother of God" was a smashing success, playing to overflow crowds. As a result, the Socialists of Portugal suffered a major defeat.

"Roman Catholics world-wide began praying for the conversion of Russia and the Jesuits invented the Novenas to Fatima which they could perform throughout North Africa, spreading good public relations to the Muslim world. The Arabs thought they were honoring the daughter of Muhammad, which is what the Jesuits wanted them to believe.

"As a result of the vision of Fatima, Pope Pius XII ordered his Nazi army to crush Russia and the Orthodox religion and make Russia Roman Catholic." A few years after he lost World War II, Pope Pius XII startled the world with his phony dancing sun vision to keep Fatima in the news. It was great religious show biz and the world swallowed it.

"Not surprisingly, Pope Pius was the only one to see this vision. As a result, a group of followers has grown into a Blue Army world-wide, totaling millions of faithful Roman Catholics ready to die for the blessed virgin.

"But we haven't seen anything yet. The Jesuits have their Virgin Mary scheduled to appear four or five times in China, Russia, and major appearance in the U.S.

"What has this got to do with Islam? Note Bishop Sheen's statement: "Our Lady's appearances at Fatima marked the turning point in the history of the world's 350 million Muslims. After the death of his daughter, Muhammad wrote that she "is the most holy of all women in Paradise, next to Mary."

"He believed that the Virgin Mary chose to be known as Our Lady of Fatima as a sign and a pledge that the Muslims who believe in Christ's virgin birth, will come to believe in His divinity.

"Bishop Sheen pointed out that the pilgrim virgin statues of Our Lady of Fatima were enthusiastically received by Muslims in Africa, India, and elsewhere, and that many Muslims are now coming into the Roman Catholic Church."

Article from: http://www.cloakanddagger.de/lenny/alberto_rivera.htm

According to the Alberto Rivera testimony and book the creation of Islam involved the Vatican training up Muhammad chosen from a high ranking Arab family, by Roman Catholic priests to form a new religion for Vatican purposes in the Middle East. The purpose was to raise up an Arab army to kill Christians and Jews who weren't submitting to the Vatican who were resisting the Vatican over Jerusalem.

The main goal was for this new army to take out Jerusalem in Israel for the Vatican as a jewel in its crown. The Vatican still even today has this hidden desire and agenda to see this fulfilled as seen in its support of recognizing Palestine as a state nation as recently as 2015. The Vatican has been freshly involved in partnering with Islamic leaders since 2001 (*since the 9/11 terrorist attack*) wanting to form relations between their religions.

Modern times

In our modern day we now see a push from the Vatican with Islam to declare they are worshipping the one and same God, this has been accelerated in the last 10 years since 9/11 took place in 2001 (*1.2 Billion Catholics and 1.7 Billion Muslims = 2.9 Billion*). The Vatican in mid 2015 signed a treaty agreement recognizing "Palestine as a state" this in turn means the Vatican agrees with Palestine and it's ideals against Israel as a state and desires to see Jerusalem over taken as it did at Islam's creation.

“THE BOOK OF REVELATION UNSEALED”

Chapter 4

Palestinian Foreign Minister Riad al-Malki, standing, at a treaty-signing ceremony at the Vatican on Friday June 26th 2015.

In 2000, speaking in a mosque in Palestinian-held Ramallah, Yasser Arafat declared, “No one will succeed in removing us from our land, including Jerusalem, and the Palestinian flag will fly from the Temple Mount and from the churches in Jerusalem.” Arafat could say that because he had won the Vatican's support for his terroristic strategy. On June 26th, 2015, the Vatican signed its first treaty with the “State of Palestine”. It is the logical conclusion of a long path. When the pontiff John Paul II ascended to the Temple Mount in 2000, Judaism’s most holy site, he wasn’t welcomed by Israeli officials, but by representatives of the Palestinian Authority, and the holy complex was bedecked in Arab flags. It was the Pope's implicit recognition of Islamic hegemony. It was taken to mean that Islam and Christianity superseded Judaism and have the right to “inherit” its holy places.

The Vatican-PLO agreements have been signed to enable the eviction of the Jews from Jerusalem. This follows a memorandum signed by Palestinian and Vatican officials in 2000 which repeated the Vatican call for an international mandate to preserve “the proper identity and sacred character” of Jerusalem. It means a return to a time when half of Israel’s capital was under Islamic control, the Old City was closed to Jews, the synagogues were desecrated, and walls, barbed wire, and snipers divided the city by force. The Vatican is consistent. In 1964, when Pope Paul VI made the first papal visit to Jerusalem, Jews and Christians with Israeli passports were barred from entering the Old City. And no Vatican official complained about that.

There seems to be ongoing spiritual evidence of the long standing relationship between Islam and the Vatican of the known truths by high ranking Jesuit priest’s (*the Papal hierarchy*) and the Grand Mufti’s (*High ranking Muslim leaders*). They all know about Islam’s creation (*children of the Vatican*) and how Islam was formed originally through the Vatican in early 600 A.D, this is kept secret generally from the public domain. They both know they have a spiritual relationship in common over the centuries even though it’s demonic and inspired by paganism idol worship and Satan himself. Many historical researches say there is no true evidence in Islam no documents of Islam’s creation apart from the Quran/Koran itself that has been added to and altered many times since its conception by Islamic Mufti’s or Imam’s (*Sunni Muslim*) or a Caliph.

“THE BOOK OF REVELATION UNSEALED”

Chapter 4

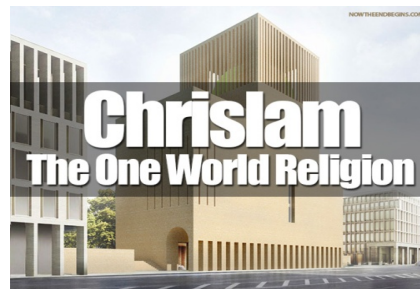

In our 20th century time of revelation fulfillments the Vatican is leading as a negotiator with Islamic Mufti leaders wanting to consolidate Islam and Roman Catholics into a one religious worship of the same God saying they actually worship the same God (*The woman rides the Beast Rev 17*). Plans for Churches in Germany and in Europe called “Chrislam” are being constructed to house 3 religions as places of worship with Jews, Islam and Roman Catholic Christianity.

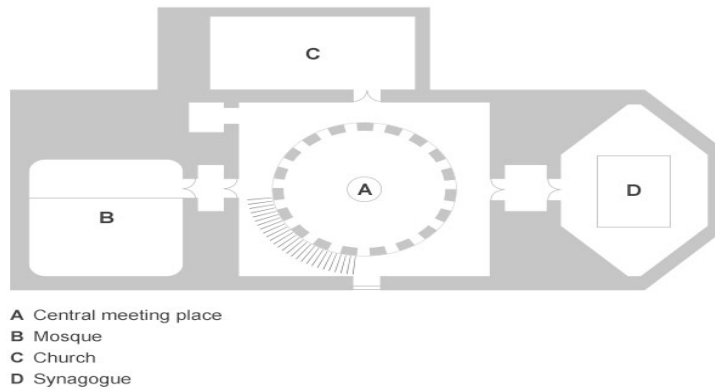

This is not by chance it is spiritual and flows from the original creation of the Roman Catholic religion by paganistic Rome in 313 A.D, then the birthing of Islamic Muslim came in 610 A.D. through Muhammad. Both the Vatican (*70 million murdered*) and Islamic (*669 million murdered*) religions, have persecuted tortured and killed both Jews and true Christian believers, for over fifteen hundred years.

The new Chrislam worship centers in Europe being proposed by the Vatican are a mixture of these two religions Islam and Catholicism with the inclusion of the Jews to create a religious oneness. No true Christ followers are involved in this deception as Jesus is the only way, truth and life not mixtures or false religions and paganism. There is no compromise in Christ His truth His way His word and His holiness is all there is backed up on Earth by His presence the Holy Spirit, all else is demonically defiled deception.

A re-emergence of Islamic ideals and Sharia law has been manifesting on the world scene in the last 30-40 years this is evidence of a worldwide spiritual decline. This demonic antichrist presence emerging worldwide is the end times time of “Jacobs Trouble” manifesting. The antichrist spirit denies the desire of woman to be honored respected and loved (*Dan 11:37*) this is manifesting strongly in Islam but is a worldwide issue a lack of love in mankind. Acceleration of Islamic movements has taken place since 9/11 the Arab Spring uprising of 2011 the inauguration of President Obama from 2009 - 2017 a Muslim who advanced Islamic ideals through training, funds, US foreign policy and weapons supply.

2 Timothy 3:2-9

3 But know this, that in the last days perilous times will come: ² For men will be lovers of themselves, lovers of money, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, ³ unloving, unforgiving, slanderers, without self-control, brutal, despisers of good, ⁴ traitors, headstrong, haughty, lovers of pleasure rather than lovers of God, ⁵ having a form of godliness but denying its power. And from such people turn away!

⁶ For of this sort are those who creep into households and make captives of gullible women loaded down with sins, led away by various lusts, ⁷ always learning and never able to come to the knowledge of the truth. ⁸ Now as Jannes and Jambres resisted Moses, so do these also resist the truth: men of corrupt minds, disapproved concerning the faith; ⁹ but they will progress no further, for their folly will be manifest to all, as theirs also was. *(This is the antichrist spirit moving worldwide in the last days in the time of the manifesting of the Rev 13:1-10 “man of sin” the antichrist)*

As mentioned in other chapters the manifestation of the warring against the saints in Daniel 7:25-27 and Rev 13:7-8 in the 20th century has now taken place in the Middle East since June - July 2013 this was when Hezbollah entered into the Syrian conflict. The 42 months ran till Jan 2017 when Trump a Christian won the US election then came against Isis stopping the 42 months persecution loosed under Obama a Muslim the “man of sin”.

This war was manifested by Islamic believers, there are no extremist’s ideals it is pure Islam we are not to be fooled by the deceptions put out there by Islam who is told to lie by “Allah” to promote Islam’s cause to kill the infidels. Islam is Islam under an antichrist evil lying murderous satanic spirit there are no moderates .The same as a Christian is a Christian under Christ and the Spirit of truth no mixture.

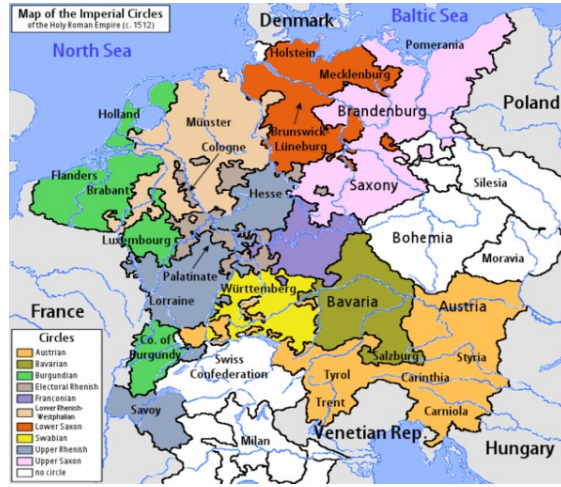

This all goes back to Abraham’s two sons Ishmael and Isaac and the jealousy *(the statue of Jealousy stands at the North door entrance to Gods Temple of Glory Ezekiel 8:2-5)* of Ishmael *(Genesis 17:20 Ishmaels 12 Arab princes)* whom started persecuting Isaac from birth through Hagar the Egyptian woman and has been ongoing ever since. In the last days God is going to move on Ishmaels descendants “Arabs in Middle East” and Islam with supernatural salvation bringing Isaac’s half brother *(descendants)* back into the family.

God will also move on the Roman Catholic masses as it’s His grace and love to do so it’s not the people under Catholicism or Islam or any other false religion it’s the demonic system they are deceived by and submitted to that they need salvation from. The manifestations of Islam *(The beasts spiritual army)* is ordained it is to be fulfilled as the book of Revelations and Daniel declares its Gods ultimate plane. The revealing of the two great mysteries of Satan and of God is to give the world a choice in the words of Joshua and Elijah **“Choose whom you shall follow?”** *(Joshua 24:15, 1 Kings 18:21)* it’s truly harvest time Rev 14:14-16.

The Holy Roman Empire

Map of the Holy Roman Empire in 1512

As mentioned, the Holy Roman Empire of “Church and State” was officially first recognized on the world scene in 800 A.D. when Pope Leo 111 crowned King Charlemagne as the first Roman Catholic Emperor. Then there were ongoing emperors that ruled until 6th August 1806 by this time the population under this banner was around 26’265’000 people. The religion of the Holy Roman Empire was Roman Catholicism and Protestantism. As mentioned above the “Holy Roman Empire” went into seclusion in 1806 A.D. after the Napoleonic wars when the last Holy Roman Emperor resigned Francis 11 of Austria. In our modern times the Holy Roman Empire has been coming forth once again as a world power. The Holy Roman Empire through European leadership in 1945 under the famous Winston Churchill of Great Brittan began to rise again today to be known as the European Union.

After WW2 ended in 1945 Churchill knew if Europe didn't unite the US and Russia whom were up and coming super powers would dominate the world as Europe was in financial and physical ruins after

WW2. The “Treaty of Rome” was then created and signed by 1958 then it was re amended to the “Maastricht Treaty” in 1993 also known as the “European Union Treaty” and was amended again as the “Lisbon Treaty” on Nov 3rd 2009. This “Lisbon Treaty” was signed by 27 member nations (*all from original Holy Roman Empire*) of the now established European Union (*EU of the “Holy Roman Empire”*) who by this time has become a world economic and political power.

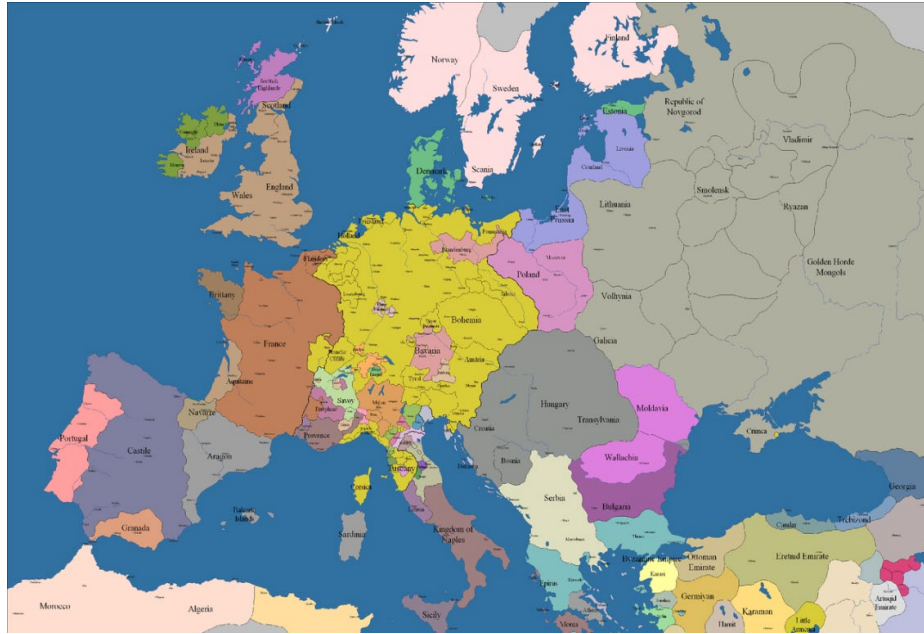

The designers of the EU flag in 1955 were two men Arsene Heitz and Paul M. G. Levy, who were both devout Roman Catholic’s indicating the Vatican’s involvement in the EU. The EU flag was designed around the “Virgin Mother Mary” taken from Rev 12, it is a circle of 12 five pointed gold (*yellow*) stars on a blue field (*The five pointed star known as an occult star of the satanic goats head*). In 1985 the EU, which was then the European Economic Community (*EEC*), adopted it as its own flag. Then by 1st Jan 1999 the Euro dollar as the official EU currency also came into being like a fiery phoenix rising up out of the dust.

The Lateran Treaty of 1929 established the Vatican as kingdom then the “Lisbon Treaty” seems to have become the official re birth as a world power of the “Holy Roman Empire” since 1806 A.D. on the international scene. “The beasts” religious, economic and political power bases have now emerged as world powers once again. In 2009 Nov 3rd, the new president Belgian Prime Minister Herman Van Rompuy of the EU then announced “2009” as the first year of global governance (*The New World Order had begun*).

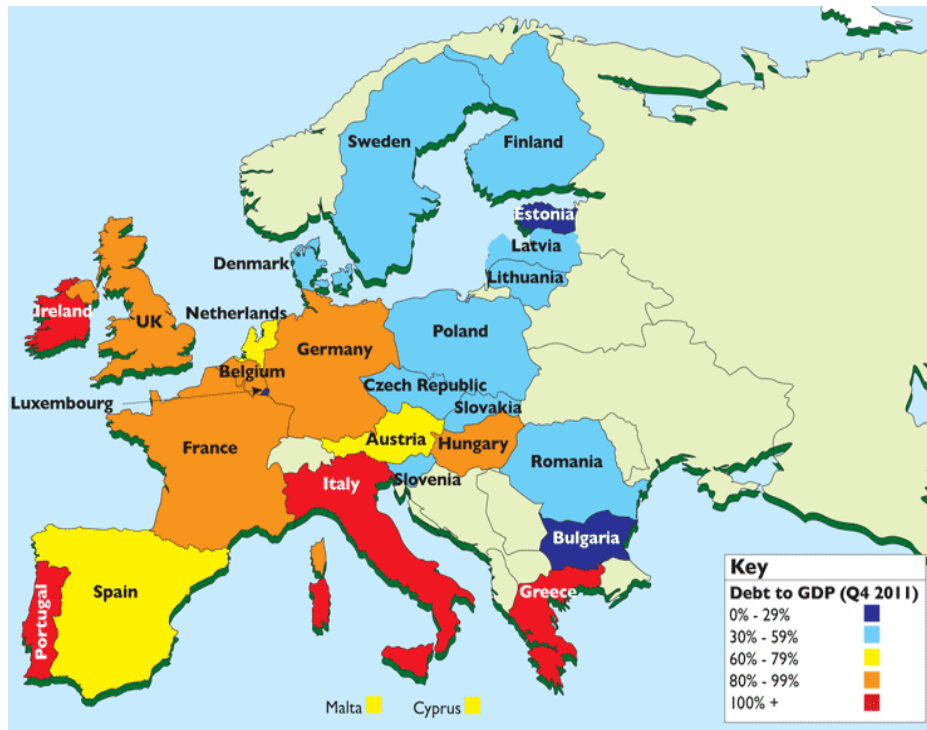

The 28 state nations of the modern day “Holy Roman Empire” are made up of Germany, France, United Kingdom, Italy, Spain, Poland, Romania, Netherlands, Belgium, Czech Republic, Greece, Hungary, Portugal, Sweden, Austria, Bulgaria, Finland, Denmark, Slovakia, Ireland, Lithuania, Latvia, Slovenia, Cyprus, Estonia, Luxembourg and Malta. These nations mostly encompass the old Holy Roman Empire nations and territories right up until the last Holy Roman emperor of 1806.

Hungary, Portugal, Sweden, Austria, Bulgaria, Finland, Denmark, Slovakia, Ireland, Lithuania, Latvia, Slovenia, Cyprus, Estonia, Luxembourg and Malta. These nations all encompass the old Holy Roman Empire nations with greater territories.

Currently from the book of Revelations and Daniel on the world scene all at the same time are the **“Dragon”** (*illuminati/freemason banker elites federal reserve’s and world banks under Satan’s rule*), the **“Beast from the sea”** (*Barak Hussein Obama the “man of sin” Rev 13:1-10*), the **“Beast from the land”** (*Recep Tayyip Erdogan the “false prophet” from Turkey involved in the UN, OIC and the Arab league of nations*) Rev 13:11-18, the **“8th King”** (*Whore of Babylon” the Vatican Pope Francis 2nd*) Rev 17:1-18 and the **“Holy Roman Empire”** or 4th kingdom (*US & NATO, Europe & EU, Bilderberg group, UN, Elite bankers, G7, G20, 5+1 and the Vatican*) Dan 2:40-44.

These are all world leaders of economic, military, political and religious powers interconnected and influenced by the New World Order of the last “Holy Roman Empire” before Christ returns. This last 4th Empire as found in Dan 2 the vision of empires from Nebucanezzers statue he reined from 604-539 B.C.

The beast of Rev 13:1-10 is a political leader a known “Muslim”, Obama was elected as US President in 2009 he comes out of the “Holy Roman Empire” of western nations. Obama’s family and Father came from Kenya which from 1920 to 1963 was a British Empire colony (*Holy Roman Empire*) Obama was born in 1961. No one knows exactly what country Obama was born in as his US birth certificate has been proven as a fake in the US court and reported as such. President Obama solely negotiated the TPPA with US congress veto powers he’s been involved in world economic union under one umbrella a consolidation of wealth and power he was also involved in the TTIP.

The false prophet is a religious leader a “Muslim” the desired head of the desired re formation of an Islamic Caliphate in the Middle East this is President Erdogan of Turkey. President Recep Tayyip Erdogan has already set up the false image of the beast (*Ottoman Empire defeated in WW1*) June 15th 2017 at the commemoration of the 2016 cue against him , he called allegiance to his 150 feet high statue declaring he will be head all his enemies. Recep Tayyip Erdogan was in partnership and support with Obama for the

Muslim brotherhood. Erdogan stood before Obama in political friendship and power both being Muslims, Erdogan helped Isis he is now proclaiming the restoration revival of the Ottoman Empire and its caliphate.

Abu Bakr al-Baghdadi who was born a Sunni Muslim in the Middle East was declaring the caliphate as leader of Isis promoting himself wanting to be Caliph as a direct descendant of Muhammad. He has been defeated along with Isis since President Trump got in eliminating his Islamic cause by the end of 2017. Abu was said to have been released out of Bucca prison in Iraq by the Obama administration in 2009 he then came to power as head of Isis in 2010 after several Muslim leaders were killed. The main warring against the saints took place under his forces and Hezbollah empowered through Obama and Erdagon's foreign policy decisions within Iraq and Syria both losing 1 million Christians each. Since the beginning of the conflict in Syria alone 5 million people have been killed and millions more scattered as refugees.

The original (*Wounded head of Rev 13:1-10*) Islamic state the “Ottoman Empire” ruled for 700 years in the Middle East it was defeated in the First World War 1914 -1918 then by 1924 it had been divided up by the League of Nations. This was after the occupation of Constantinople by British and French troops in November 1918. The Ottoman government collapsed completely it then signed the Treaty of Sevres in 1920.

The British were awarded three mandated territories, with one of Sheriff Hussein's sons, Faisal who was installed as King of Iraq and Transjordan providing a throne for another of Hussein's sons, Abdullah. Palestine was placed under direct British administration, and the Jewish population was allowed to increase under British protection. Great Britain and Turkey disputed control of the former Ottoman province of Mosul in Iraq in the 1920s.

Under the 1923 Treaty of Lausanne Mosul in Iraq fell under the British Mandate of Mesopotamia, but the new Turkish republic claimed the province as part of its historic heartland. A three person League of Nations committee went to the region in 1924 to study the case, in 1925 they recommended the region remain connected to Iraq and the UK should hold the mandate for another 25 years, to assure the rights of the Kurdish population.

Turkey rejected this decision (*Turkey committed the Armenian Christian genocide killing 25 million at turn of 19th century*). Eventually Britain, Iraq and Turkey made a treaty on 5 June 1926 that mostly followed the decision of the League Council. Mosul stayed under the British Mandate of Mesopotamia until Iraq was granted independence in 1932 by the urging of King Faisal. The British retained military bases and transit rights for their forces in the country.

This false prophet comes out of the Holy Roman Empire last day power and influence as the beast does. Obama has empowered Islam to rise again through US foreign policy in the Middle East through money, weapons and training of Islamic terrorists referred to as rebels, the CIA called it the “Hornets nest”. This was with the support of the coalition connected to the US and European powers all part of the “Holy Roman Empire”.

“THE BOOK OF REVELATION UNSEALED”

Chapter 4

Isis was raised up out of the nation of Iraq that was under the “Holy Roman Empire” rule for 14 years up until 1932 where the desired caliphate (*wounded head healed, Rev 13:1-10*) was declared from 2013 empowered by “Holy Roman Empire” nations through the “Beast” of Rev 13:1-10. Islam is said to have been created out of the early old “Holy Roman Empire”, by the Vatican’s orders through her priests of the time this, is the woman that rides the beast of Rev 17.

There are three modern day mandates that come out of the last day book of Revelations/Daniel last empire “Beast” the “New World Order/Unity” and the “Holy Roman Empire” kingdom. What manifests is a Political Union, a religious union and an economic union. All three manifested on the world scene during Obama’s 8 years in office 2009-2016 they are the TPPA & TTIP (*economic Union with the EU and Pacific nations negotiated by Obama established in 2016*), Chrislam (*religious Union of Islam, Jews and the Catholics with Pope Francis the 8th King pope or Rev 17 from 2013*) and the New World Order banking corporate elite (*Political Union with Vatican influences established and announced from 2009*).
