Chapter 35

“War against Saints” Rev 13:5-7 & Rev 6:9-11 (Revealed June 2013)

Rev 13:5-7 And he (*1st Beast from the sea*) was given a mouth speaking great things and blasphemies, and he was given **authority to continue for forty two months**. Then he opened his mouth in blasphemy against God, to blaspheme His name, His tabernacle, and those who dwell in heaven. It was granted to him to make **war with the saints** and to overcome them. And authority was given him over every tribe, tongue, and nation. (NKJV)

"And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations" Revelation 13:7

The Hatred of the World

John 15:18 "If the world hates you, you know that it hated Me (*Jesus*) before it hated you. If you were of the world, the world would love its own. Yet because you are not of the world, but I chose you out of the world, therefore the world hates you. Remember the word that I said to you, 'A servant is not greater than his master.' If they persecuted Me, they will also persecute you. If they kept My word, they will keep yours also. But all these things they will do to you for My name's sake, because they do not know Him who sent Me.

If I had not come and spoken to them, they would have no sin, but now they have no excuse for their sin. He who hates Me hates My Father also. If I had not done among them the works which no one else did, they would have no sin; but now they have seen and also hated both Me and My Father. But this happened that the word might be fulfilled which is written in their law, 'THEY HATED ME WITHOUT A CAUSE.' (NKJV)

Mat 24:9 "Then they will deliver you up to tribulation and kill you, and you will be hated by all nations for My name's sake. (NKJV)

The term “war against the saints” comes from Rev 13:5-7, Dan 7:21, Dan 9:27, Dan 8:12-14, Dan 8:23-26 and Dan 12:11. Historically this war followed on the heels of Obama’s election and presidency that began in 2009, the Euphrates River drying up (*6th Bowl*) that began in 2009, then the “3 horns ripped up” by the king of the north (*beast*) in the “Arab Spring “ (*3 horns Egypt, Libya, Yemen/Ethiopia*) of 2010-2011, Dan 11:42-43, Dan 7:8 all under the man of sin the beast from the sea of Rev 13:1-10. The term “man of sin” comes from 2 Thess 2:3, the term “Beast from the sea” comes from Rev 13:1. The term “King of the North” comes from Dan 11:21-49. The term “Gog of Magog” comes from Ez 38 & 39. The term “Antichrist” comes from 1 Jn

Chapter 35

2:18, 1 Jn 2:22, 1 Jn 4:3 and 2 Jn 1:7. All of these events are interconnected with each other in prophecy they self-interpret themselves through scripture.

This “**War against the Saints**” was prophesied about in Rev 13:5-7, it occurs under the beast from the sea, there are also several scriptures referring to this same event further describing the actions of the end time’s beast, as above in the book of Daniel. This war is a specific time period found in the 6th Trumpet and 6th bowl outpourings a time of 42 months unfolding around certain Biblical events in the Book of Revelations. There are a few specifics about this war against the saints, this is not the entire world with every Christian on Earth being overwhelmed by this “**beast from the sea**” “**Man of Sin**” from Rev 13:1-10, nor is this a 3rd of mankind being killed in the world as many theologians would like one to think so.

This” war **against the saints**” is prophesied about occurring in a specific region (*Euphrates River*) of the 6th bowl. The beast and false prophet are mentioned to be on world scene when the Euphrates dries up with deceiving spirits coming out their mouths. The Euphrates River began drying up in 2009 the same year Obama became President. You find the four evil angels bound at the Euphrates released in the 6th Trumpet to bring war and conflict to kill a third of men in the region of the Euphrates River (*Middle East conflict war finishing with Armageddon Ez 38 and 39 war*) This is also where Christian persecution increased dramatically for a period of 42 months under the Rev 13:1-10 man of sin “beast” Obama’s administration (*see Revelation Unsealed chapters*).

This is also the region of the first 42 month end times “**Tribulation against the saints**” against spiritual Israel those saved in Christ (*Middle East mainly consists of Orthodox Christians*). The second 42-month tribulation is the “**Great Tribulation**” found in Mathew 24:21 against natural Israel itself in the Middle East, the two are not the same 42 months war joined together as some preach, the Rev 14:14-16 harvest is in between them, prophecy teachers try to place them together.

The Rev 17:12-14 ten horn economic, political, medical, technological hybrid war the lamb overcomes (*through worldwide harvest Glory*) is also between these two 42-month tribulations “The war against the saints “and “The Great Tribulation war against Israel”. In both these tribulation periods you find the same “**abomination of desolation**” is set up in the Holy place “**Islamic**” one is set up in Christian Churches, the other is in Israel in Jerusalem at the Wailing Wall, the place of prayers to God by the Jews. The root of Abomination in the Hebrew/Greek is idolatry, the worship of idols is the abomination before God hence the sun and moon of Islam.

In June 2013 Hezbollah (*terrorists*) sent in 2000- 4000 Troops from Lebanon into the Syrian conflict The Lord at that time prompted this author through all the end times studies, stating “**This is the beginning of the war against the saints**” the first 42-month time frame had begun historically. This author had to then wait 42 months until Jan 2017 to see what God would do to answer Dan 7: 21-28 (*Verse 22*), that at the end of this specific war God sits down in the courts of heaven and gives favor to His saints to overcome the antichrist kingdom over nations on earth prior to His return.

Chapter 35

See: <https://southfront.org/harakat-hezbollah-al-nujaba-sends-2000-fighters-to-assist-syrian-army-in-aleppo/>

After Hezbollah troops were sent into the Syrian conflict from the Arab Spring (2010-2011) a new group was formed (*empowered by US and Obama*) as Isis went into Iraq January 2014 slaughtering and enslaving Christians (*war against saints 2.4 million lost from Iraq and Syria*) as their primary target, Christian martyrs accelerated dramatically in 42 months.

See: <https://www.axios.com/timeline-the-rise-and-fall-of-isis-in-iraq-and-syria-1513303977-89d37ceb-f243-4c30-9a44-7c0c2fdc5f34.html>

From June 2013 to Jan 2017 an estimated 2.3 million Christians altogether were destroyed from the region either killed (*Genocide*) or turned into refugees, today only number (*19th century was 2.5 million Christians in Syria and Iraq in the 21st century well less than 500 thousand are left in both Syria and Iraq*). Hundreds of Christian Churches were either destroyed or turned into mosques setting up Islam’s “**Abomination of Desolation**” the Star and Moon of Islam on flag poles over those churches bringing with them desolation and destruction to entire cities and systems. In 2003 there were 1.5 million Christians in Iraq today as of 2019 there are less than 150 thousand left. Out of Syria’s 1.2-7 million Christians more than 700-900 thousand were killed or displaced by Isis in 42 months, no more than 250 thousand remain.

There were 1.5 million Christians in Iraq before 2003, but by mid-2019 that figure had fallen to well below 150,000; by some estimates the number of Christians there may have fallen as low as 120,000 a decline of more than 90 percent within a single generation. In Syria, the size of the Christian population has fallen by two-thirds since the country’s civil war began in 2011, when Christians still numbered more than 2 million.

There was then a waiting period of 42 months until Jan 2017 to see what God would do at the end of the 42 months. God states in Daniel 7:22 at the end of the saints Tribulation war He sits down in the courts of heaven and gives them favor to overcome their enemies to inherit the kingdom on Earth (*worldwide harvest Rev 14:14-16, Joel 3:9-13*). At the end of that 42 months Jan 2017 God placed president Donald J Trump into power by a miracle in the USA ending for a time Obama's deceptive policies. A real sense of favor had come to the Middle East Christians persecuted by Isis war policies were overturned the UN defunded and relief came to Iraq and Syrian Christians from Isis persecution, Isis was then defeated in the region by Oct 2017.

War against the Saints continued:

There is a prophecy in Isaiah 10:22-27 referring to latter times when Israel's descendants are as the sand of the sea. The time period of warring against the saints that God refers to the Rev 13:1-10 under the “**man of sin**” seen here as the Assyrian. It is also the end times prophetic time frame where Israel is attacked in the Ezekiel 38 and 39 war where the “**Great Tribulation**” (*Math 24:21*) against natural Israel occurs the 2nd 42 month tribulation as found in Math 24:15-31, Rev 11:1-3, Zech 14:2. The first “**Tribulation against the saints**” happens then harvest Rev 14:14-16 times. At the end of the harvest the “**Great Tribulation**” happens along with the two witnesses being empowered the two events the two witnesses and Israel's tribulation are loosed at the same time.

Isaiah 10:22-27

For though your people, O Israel, be as the sand of the sea, A remnant of them will return; The destruction decreed shall overflow with righteousness. For the Lord GOD of hosts Will make a determined end In the midst of all the land. Therefore thus says the Lord GOD of hosts: "O My people, who dwell in Zion, do not be afraid of the Assyrian. He shall strike you with a rod and lift up his staff against you, in the manner of Egypt.

For yet a very little while and the indignation will cease, as will My anger in their destruction." And the LORD of hosts will stir up a scourge for him like the slaughter of Midian at the rock of Oreb; as His rod was on the sea, so will He lift it up in the manner of Egypt. It shall come to pass in that day That his burden will be taken away from your shoulder, And his yoke from your neck, And the yoke will be destroyed because of the anointing oil. (NKJV)

A scourge (*Islam/Isis*) is stirred up for the Assyrian (*antichrist*) for a slaughter for a little while (*42 months*) then the indignation and destruction ceases in the region of determined affliction. An Assyrian is from Syria, Isis came into Iraq from Syria empowered by Obama whose roots are Africa Kenya a neighbor to Syria. This is after Israel was established as a nation (*1948*) in the

“THE BOOK OF REVELATION UNSEALED”

Chapter 35

Earth once again. This is in the end times where God makes a determined end of the Assyrian (*antichrist*) that comes against those who dwell in *Zion* (*Christians dwell in Zion in heavenly realms while alive on Earth*). This destruction decreed shall overflow with righteousness and the yoke of the Assyrian will be destroyed because of the anointing oil (*Worldwide Revival*).

This is a worldwide move of His Glory released after the 42 months persecution of His people (*Dan 8 6.5 years from 42 month saints Tribulation beginning*), blood is spilt crying out to God to move. Daniel 7:22 is Gods favor coming at the end of this first 42 month tribulation under the beast, favor for His saints to overcome the antichrist rule on Earth.

This moves us into the Revelation 14:14-16 worldwide harvest of billions of souls coming to Gods Kingdom the greatest Glory release ever to be seen on Earth to herald in His return. Then at the end of this harvest a short time of another 42 months destruction comes, known as the **Great Tribulation**. At the end of this second 42 months tribulation against natural Israel and the two witness's final testimony period the **Great and dreadful day of the Lord** happens at the 7th Trumpet blast, His wrath and return.

These end times scriptures line up with the 9/11 scripture in Isaiah 30:25 -26 when God comes to **“Heal the bruise of His people”** the **“saints warred against”** because of 9/11 that led to the 5th Trumpet “2003” and 6th Trumpet “2011” with Islamic terrorism on the rise (*recovery of 1st Trumpet WW1 Rev 13:3 Wounded head “Islam”*) in the Middle East.

Isaiah 30:25-26

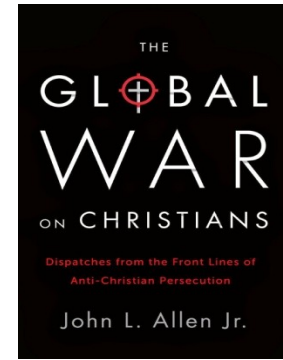

There will be on every high mountain And on every high hill Rivers and streams of waters worldwide revival coming for Rev 14:14-16 harvest, In the day of the great slaughter England foot and mouth cattle slaughter 2000 see chapter 19, When the towers fall 9/11 2001. Moreover the light of the moon will be as the light of the sun, And the light of the sun will be sevenfold Ozone radiation 1999 see chapter 19, As the light of seven days, In the day that the LORD binds up the bruise war against the saints 2013-2017 of His people And heals the stroke of their wound revival outpouring and harvest. (NKJV)

As mentioned the war against the saints is a period of 42 months, God then moves bringing His favor to the saints to overcome him that came against them the antichrist spirit in man. The scripture means what it says and says what it means no adding to it or fear mongering. In **Dan 11:31** it says **“forces shall be mustered by him”** (*Islamic terrorists*) by the King of the North whom is the one and same Rev 13:1-10 beast from the sea an antichrist influenced **“man of sin”** described as such in 2 Thessalonians 2:3. These forces mustered by this man in power have a specific purpose to kill the saints as we shall see. Obama the beast of Rev 13 is directly responsible for the **“War against the saints”** from June 2013 to Jan 2017 following on from George Bush (*Iraq 2003 5th Trumpet war*) foreign policies. The Rev 13:1-10 first beast Obama has his Rev 13:5-7 saint war.

“THE BOOK OF REVELATION UNSEALED”

Chapter 35

The worst Christian massacre complete with mass graves, tortured to death women and children, and destroyed churches recently took place in Syria, at the hands of the U.S. supported jihadi "rebels"; the U.S. government and its "mainstream media" mouthpieces are, as usual, silent.

(This is just one 2013 report of USA Obama supported trained and armed Jihad Rebels horrible massacre of Christians).

See: <https://www.christianpost.com/news/largest-massacre-of-christians-in-syria-ignored.html>

The world media is increasingly losing interest in the foreign-fueled war still raging in Syria between the Assad regime and an assortment of Islamist rebel groups backed by the Obama administration, Sunni Arab dictators, and European powers. For embattled Syrian Christians, though most of whom tried to stay out of the conflict reports suggest the situation is deteriorating quickly, with over 1,200 documented murders so far, and almost 500,000 forced to flee their homes to escape the escalating violence and ruthless persecution.

The real numbers are probably even worse. Experts say the end goal of many jihadist rebel groups is to eradicate Christianity in Syria as part of the effort to create a fundamentalist Islamic state. Even factions of the Obama-backed "Free Syrian Army," receiving vast amounts of Western aid under the guise of supporting supposed "moderates," have been implicated in the anti-Christian atrocities by refugees cited in media reports. Like in Iraq following the U.S. government's "regime change" operation, the Christian minority in Syria about 10 percent of the population could face potential extinction as Western powers continue to shower arms and support on Islamic rebels. (2013 report).

See: <https://thenewamerican.com/world-turns-away-as-rebel-massacres-of-syrian-christians-intensify/>

Many of the Christians being persecuted in Syria previously fled atrocities in Iraq unleashed after the U.S. government invasion. In perhaps the most widely published account of the Islamist atrocities in Saddam, analyst Raymond Ibrahim, author of Crucified Again: Exposing Islam's New War on Christians, pointed out that "the U.S. government and its 'mainstream media' mouthpiece are, as usual, silent" about the massacre. Incredibly, the silence from the establishment press persists months later, despite the fact that much of the horror was captured on video by the "Allahu Akbar"-shrieking rebels and posted online.

“THE BOOK OF REVELATION UNSEALED”

Chapter 35

The Obama administration-backed opposition forces that perpetrated the gruesome slaughter in Saddam, Ibrahim and other sources reported, invaded and occupied the town until being ousted by government troops after about a week. “While the archbishop is correct that this is the ‘largest massacre of Christians in Syria,’” continued Ibrahim, “it is but the tip of the iceberg of the persecution the nation’s Christian minority has suffered including beheadings, church bombings, kidnappings, rapes, and dislocation of hundreds of thousands of Christians since the war broke out.” (2015 report)

See: <https://thenewamerican.com/world-turns-away-as-rebel-massacres-of-syrian-christians-intensify/>

But in fact, the Obama administration has abandoned Middle Eastern Christians and other minorities during years of violent assaults. The Obama refugee program has simply ignored the plight of such religious minorities, treating them no better than Muslims despite the obvious fact that their own situation is far worse. Why is it worse? Because Muslims can find easier and safer refuge in neighboring Muslim-majority countries such as Jordan and Turkey. Because the UN’s refugee camps, run by the high commissioner for refugees, are almost entirely Muslim and Christians do not feel safe in them. Because the U.S. refugee program accepts refugees mostly from those camps, where Christian refugees fear to live. Because there are no efforts to eliminate Muslims in the Middle East, while there are efforts to demonize, penalize, and convert Christians—and (according to the U.S. Holocaust Museum) there are genocidal attacks on the Yezidi minority. Obama and Co. Middle East Policies Aiding Genocide of Christians

By Alex Newman August 5, 2015

Christianity is on the verge of extinction across much of the Middle East the land of its birth as establishment-spawned savages such as the self-styled “Islamic State” (ISIS) butcher, torture, and enslave ancient Christian communities, especially in Syria and Iraq. The ongoing genocide against Christians has accelerated in recent years, [thanks in large measure to the “foreign policy” machinations of the U.S. government](#) and its allies in the region. But the brutal slaughter has remained largely out of sight as the establishment press ignores the phenomenon and especially the role of the Obama administration in all of it.

Last month, the New York Times Magazine broke the silence, somewhat, by running [a major exposé on the extermination campaign](#) on its cover. The piece told the tragic story of ancient Christian communities that have been part of the region for some 2,000 years, but that are now facing mass-murder, forced conversions, crucifixions, being sold into slavery, and other horrors at the hands of Islamists. The article notes that Christians, “who often serve as stand-ins for the West,” have been targeted by “extremists” for more than a decade particularly in Iraq following the U.S. invasion. But it does not tell the whole story about why.

“THE BOOK OF REVELATION UNSEALED”

Chapter 35

The Times article, written by Eliza Griswold, notes that the invasion caused hundreds of thousands of Christians to flee Iraq. “Since 2003, we’ve lost priests, bishops and more than 60 churches were bombed,” Bashar Warda, the Chaldean Catholic archbishop of the Iraqi city of Erbil, was quoted as saying. Numerous other Christian leaders have spoken out, too, as The New American has been [reporting for years](#). The Times report cites estimates suggesting that the population of Christians in Iraq went from around 1.5 million in 2003 to less than 500,000 today. Other estimates suggest the ethnic cleansing has been even more thorough.

Instead of highlighting the U.S. government’s role in the horror, the Times quoted one expert who simply dismisses it as a “blind spot” in the Bush administration’s foreign policy. “One of the blind spots of the Bush administration was the inability to grapple with this as a direct byproduct of the invasion,” said Timothy Shah, associate director of Georgetown University’s Religious Freedom Project. Whether it really was a blind spot, though, remains unclear, as then-President Bush [had clear warnings from his own advisors](#) about what would happen and ultimately did happen to Iraqi Christians.

Some Christian leaders in Iraq quoted in the story, though, did touch on the topic. “Americans and the West were telling us they came to bring democracy, freedom and prosperity,” Chaldean Catholic Patriarch of Babylon (in Iraq) Louis Sako was quoted as telling the reporter. “What we are living is anarchy, war, death and the plight of three million refugees.” Among those refugees are Muslims, Christians, Yazidis, Shia Turkmen, Shabak, Kaka’I, and the Mandeans, the Times reported.

Reverend Emanuel Youkhana, who leads the Christian Aid Program Northern Iraq, explained the urgency of the situation for Christians there. “We don’t have time to wait for solutions,” he told the magazine. “For the first time in 2,000 years, there are no church services in Mosul. The West comes up with one solution by granting visas to a few hundred people. What about a few hundred thousand?” Tragically, many Iraqi Christians fled to Syria after the U.S. invasion of Iraq, where they now [face genocide yet again at the hands of Islamists armed and trained by the Obama administration and its allies](#).

Other accounts out of Iraq from the article also paint a picture of tragedy. The Christian city of Qaraqosh, for example, was first disarmed by the Kurdish “peshmerga” forces, who were armed by the Obama administration under the guise of fighting ISIS, the Times reported. The Iraqi government had charged the Peshmerga with protecting the city, and it was not immediately clear how disarming its residents would help protect them. Then, the Kurds retreated, leaving the disarmed Christian residents to flee, or face off against ISIS with sticks and stones. Tens of thousands piled into cars and fled.

Also described in the article is a string of Christian towns on the Nineveh plain that now stand empty in a region that “for thousands of years, was Assyrian, Chaldean and Syriac [different Christian denominations] land.” One of the towns, Telskuf, which had 7,000 residents, was conquered by ISIS last year. Now it has three residents, elderly women who refuse to leave their homes. It remains unclear whether the Christians will ever return to their homes there or if they would return even if they could. The Obama-backed “Arab Spring,” in which Islamists of various

“THE BOOK OF REVELATION UNSEALED”

Chapter 35

varieties with support from Western powers and Islamic autocracies ousted longstanding U.S. allies known for protecting minorities, “made things worse,” the Times reported, without explaining the origin of the phenomenon. “Now, ISIS is looking to eradicate Christians and other minorities altogether,” the report said, again without giving readers any insight into the *admitted role of Obama’s “anti-ISIS” coalition in spawning ISIS.*

“The group twists the early history of Christians in the region their subjugation by the sword — to legitimize its millenarian enterprise,” the Times continued. “Recently, ISIS posted videos delineating the second-class status of Christians in the caliphate [Islamic empire]. Those unwilling to pay the jizya tax or to convert would be destroyed, the narrator warned, as the videos culminated in the now-infamous scenes of Egyptian and Ethiopian Christians in Libya being marched onto the beach and beheaded, their blood running into the surf.” “The future of Christianity in the region of its birth is now uncertain,” the report added. But as usual, the Times told only part of the story, entirely omitting any discussion on the key role of the Obama administration and its Islamist allies in the mushrooming slaughter that could end up wiping Christianity off the map completely in the Middle East a process that is well underway and is now accelerating as Obama continues to shower U.S. support on jihadist “rebels.” In early 2012, just as the war in Syria was getting started, The New American magazine *featured a cover story outlining how U.S. foreign policy was contributing to the extermination of Christians from Iraq and Pakistan to Afghanistan, the Ivory Coast, and Libya.* The report also warned about the possibility that Obama’s actions would produce precisely what is now occurring in Syria: Western-backed jihadists butchering Christians with U.S. weapons. Syria was then one of the final refuges for believers in Christ in the region. Today, thanks to globalist machinations aimed at ousting Syrian dictator Bashar al-Assad by backing Islamists, and at *building a “Middle East Union,”* it is a slaughterhouse for Christians, as the Times report makes clear.

The end of days “**King of the North**” from Dan 11:21-49 is the same individual as the “**Beast from the Sea**” of Rev 13:1-10 and the “**Man of sin**” in 2 Thess 2: 3. This figure is quoted as the end time’s “antichrist” in the apostasy, the great falling away of end times as found in 2 Thess 2:3-4. This scripture is quoted from Dan 11:36-37 the apostles knew Dan 11:21-49 was an end of day’s prophecy about the antichrist to come as John the revelator prophesied about in Rev 13:1-10 years later. This book was attributed to written by Paul the apostle who was the greatest learned teacher of them all he had studied under Rabban Gamaliel 1, a leading authority in the Sanhedrin in the early 1st century AD. He was the son of Simeon Ben Hillel, and grandson of the great Jewish teacher Hillel the Elder. Paul would not miss quote truth in his epistles he was charged by Christ to write most of the New Testament.

2 Thess 2:3-4

Let no one deceive you by any means; for that Day will not come unless the falling away comes first, and the man of sin is revealed, the son of perdition, who opposes and exalts himself above all

“THE BOOK OF REVELATION UNSEALED”

Chapter 35

that is called God or that is worshiped, so that he sits as God in the temple of God, showing himself that he is God. (NKJV)

These mustered forces of Dan 11:31 defile the “**sanctuary fortress**” (*Gods church is His fortress on Earth*) and “**take away the daily sacrifices**” (*Christian prayer and worship*). They then place there the “**abomination of desolation**” in this manifestation it’s the Islamic star and moon of Islam which is actually Baal or satanic blood sacrifice worship.

Dan 11:31 And forces shall be mustered by him (End of days King of North), and they shall defile the sanctuary fortress; then they shall take away the daily sacrifices, and place there the abomination of desolation. (NKJV)

This is exactly what Isis and Hezbollah have done in Iraq and Syria where ever they occupied land. Desolation and destruction came like a flood Christians were targeted, tortured, enslaved, raped, killed and driven out after 2000 years of worshipping in the region. The eastern Syrian Orthodox churches and Iraq Orthodox churches were virtually annihilated; hundreds of Churches have been burnt down or turned into Islamic mosques. This “**War against the Saints**” came to the Biblical lands of Abraham the birth place of the modern protestant Christian church, the Orthodox Church split from the Vatican in mid 400 A.D in disagreement with Catholic doctrines they went back to their true Christian roots. Certain regions where Gods saints /Orthodox Christians and Pentecostal Christians became targets in both Iraq and Syria by terrorists were dramatically destroyed turned to rubble, the work of force empowered and mustered from Dan 11:31 through the Rev 13:1-10 “man of sin”. This was truly an army under the influence of the antichrist principality. This army mustered by the Rev 13:1-10 beast from the sea is of the same religious system and belief as this beast.

President Obama (*Rev 13:1-10*) reigned in the USA from 2009-2016 an 8 year period as a Muslim. In the book of Daniel it says in Dan 9: 26-27 that the “**prince**” (*spiritual Beast/Satanic influence*) cuts off the Messiah/Jesus whom was crucified by the “**antichrist**” influenced Pharisees (*John 11:45-54. Luke 23:21*). This same evil spiritual “**prince**” 70 years later in 70 A.D then “**destroys the city and the sanctuary**” the city of Jerusalem and Gods temple using Roman soldiers, just as Christ had prophesied about (*Math 24:1-8, Luke 21:5-6*).

In Rev 12:3 it tells us: “**And another sign appeared in heaven: behold, a great, fiery red dragon having seven heads and ten horns, and seven diadems on his heads**”. Then in it says Rev 12:17: “**And the dragon was enraged with the woman, and he went to make war with the**

rest of her offspring, who keep the commandments of God and have the testimony of Jesus Christ”. This lets us know this same antichrist spirit of Satan the seven headed Dragon beast with ten horns has persecuted the saints throughout our generations since Christ. This same beast evolves establishing itself out of the fourth kingdom of Dan 2:40- 44 & Dan 7:23-27 (*Rome*) against the saints it is again found in Rev 17 (*Vatican & Holy Roman Empire*) and Rev 13:1-10 with a little horn (*President Obama*) coming fourth having eyes like a man in Dan 7:7-8 arising out of the ten horns where 3 were ripped up (*Arab spring 2011*). This is further explained in Dan 7:23-27 cross referencing this scripture with Rev 13:1-10 as the same spiritual antichrist beast.

Dan 7:23-27

The fourth beast shall be A fourth kingdom on earth, Which shall be different from all other kingdoms, And shall devour the whole earth, Trample it and break it in pieces. The ten horns are ten kings from Rev 17:12-14 Who shall arise from this kingdom. And another shall rise after them; He shall be different from the first ones, And shall subdue three kings Arab spring uprising 2011. He shall speak pompous words Islamic blasphemy against the Most High, Shall persecute the saints of the Most High Rev 13:7, And shall intend to change times and law. Then the kingdom and dominion, And the greatness of the kingdoms under the whole heaven, Shall be given to the people, the saints of the Most High. In scripture it says in latter times about this antichrist **“Man of sin”**: 2 Thessalonians 2:3 **“Let no one deceive you by any means; for that Day will not come unless the falling away comes first, and the man of sin is revealed through historic scriptural fulfillments such as the war against the saints and 3 horns ripped up, the son of perdition”**. It says in Daniel 9:26-27 this **“antichrist prince”** continues **“till the end of desolations are determined”** meaning this same **“prince”** or antichrist principality will be at work from then on into future events leading up to the prophecies of the Book of Revelations. This same antichrist **“prince”** influence over the world was operating through President Obama and through Islamic terrorists empowered killing the saints and others. This antichrist **“prince”** (*Eph 6:12*) is an evil principality from another dimension the spiritual realms it has persecuted and martyred the saints since the times of Christ. **In Daniel 10:13** we find a reference to a spiritual prince that resisted the ark angel Michael; **“But the prince of the Persian kingdom resisted me twenty-one days”**.

This antichrist principality persecuted the saints firstly using Rome off and on for 283 years (*till Edict of Milan in 313AD*) then the Vatican for 1260 years (*last emperor of Holy Roman Empire resigned in 1806 arrested by Napoleon*) and Islam for 1500 years (*since 610 A.D*) throughout history killing millions. This persecution has come again in another wave to the Middle East in the end times generation for 42 months under the Rev 13:1-10 beast. President Obama had 6 Muslim brotherhood members placed in congress overseeing US foreign policy. In 2011 withdrew all US troops from Iraq creating a terrorist vacuum through his actions he was warned by Bush about this. His administration then implemented US foreign policy in the region with

weapons supply and funding to Sunni Muslim terrorists groups, the Salafist, Muslim Brotherhood and Al-Qaeda were major players in the region whom eventually formed Isis by 2013. This loosed the platform for the “War against the saints” in the region. See article:

Sunni Islam (/ˈsuːni, ˈsʊni/) is the largest denomination of Islam. Its name comes from the word Sunnah, referring to the exemplary behavior of the Islamic prophet Muhammad. The differences between Sunni and Shia Muslims arose from a disagreement over the choice of Muhammad's successor and subsequently acquired broader political significance, as well as theological and juridical dimensions.

Pentagon report predicted West’s support for Islamist rebels would create ISIS. Anti-ISIS coalition knowingly sponsored violent extremists to ‘isolate’ Assad, rollback ‘Shia expansion’

A declassified secret US government document obtained by the conservative public interest law firm, Judicial Watch, shows that Western governments deliberately allied with al-Qaeda and other Islamist extremist groups to topple Syrian dictator Bashir al-Assad. The document reveals that in coordination with the Gulf states and Turkey, the West intentionally sponsored violent Islamist groups to destabilize Assad, and that these “supporting powers” desired the emergence of a “Salafist Principality” in Syria to “isolate the Syrian regime.”

According to the newly declassified US document, the Pentagon foresaw the likely rise of the ‘Islamic State’ as a direct consequence of this strategy, and warned that it could destabilize Iraq. Despite anticipating that Western, Gulf state and Turkish support for the “Syrian opposition”—which included al-Qaeda in Iraq—could lead to the emergence of an ‘Islamic State’ in Iraq and Syria (ISIS), the document provides no indication of any decision to reverse the policy of support to the Syrian rebels. On the contrary, the emergence of an al-Qaeda affiliated “Salafist Principality” as a result is described as a strategic opportunity to isolate Assad.

Hypocrisy

“THE BOOK OF REVELATION UNSEALED”

Chapter 35

The revelations contradict the official line of Western governments on their policies in Syria, and raise disturbing questions about secret Western support for violent extremists abroad, while using the burgeoning threat of terror to justify excessive mass surveillance and crackdowns on civil liberties at home. Among the batch of documents obtained by Judicial Watch through a federal lawsuit, released earlier this week, is a **US Defense Intelligence Agency (DIA) document** then classified as “secret,” dated 12th August 2012. The DIA provides military intelligence in support of planners, policymakers and operations for the US Department of Defense and intelligence community. So far, media reporting has focused on the evidence that the Obama administration knew of arms supplies from a Libyan terrorist stronghold to rebels in Syria. Some outlets have reported the US intelligence community’s internal prediction of the rise of ISIS. Yet none have accurately acknowledged the disturbing details exposing how the West knowingly fostered a sectarian, al-Qaeda-driven rebellion in Syria. Charles Shoebridge, a former British Army and Metropolitan Police counter-terrorism intelligence officer, said: “Given the political leanings of the organisation that obtained these documents, it’s unsurprising that the main emphasis given to them thus far has been an attempt to embarrass Hilary Clinton regarding what was known about the attack on the US consulate in Benghazi in 2012. However, the documents also contain far less publicized revelations that raise vitally important questions of the West’s governments and media in their support of Syria’s rebellion.”

The West’s Islamists

The newly declassified DIA document from 2012 confirms that the main component of the anti-Assad rebel forces by this time comprised Islamist insurgents affiliated to groups that would lead to the emergence of ISIS. Despite this, these groups were to continue receiving support from Western militaries and their regional allies. Noting that “the Salafist, the Muslim Brotherhood, and AQI [al-Qaeda in Iraq] are the major forces driving the insurgency in Syria,” the document states that “the West, Gulf countries, and Turkey support the opposition,” while Russia, China and Iran “support the [Assad] regime.”

The 7-page DIA document states that al-Qaeda in Iraq (AQI), the precursor to the ‘Islamic State in Iraq,’ (Isis) which became the ‘Islamic State in Iraq and Syria,’ “supported the Syrian opposition from the beginning, both ideologically and through the media.” The formerly secret Pentagon report notes that the “rise of the insurgency in Syria” has increasingly taken a “sectarian direction,” attracting diverse support from Sunni “religious and tribal powers” across the region. In a section titled ‘The Future Assumptions of the Crisis,’ the DIA report predicts that while Assad’s regime will survive, retaining control over Syrian territory, the crisis will continue to escalate “into proxy war.” The document also recommends the creation of “safe havens under international sheltering, similar to what transpired in Libya when Benghazi was chosen as the command centre for the temporary government.” In Libya, anti-Gaddafi rebels, most of whom were al-Qaeda affiliated militias, were protected by NATO ‘safe havens’ (aka ‘no fly zones’).

‘Supporting powers want’ ISIS entity

In a strikingly prescient prediction, the Pentagon document explicitly forecasts the probable declaration of “an Islamic State through its union with other terrorist organizations in Iraq and Syria.” Nevertheless, “Western countries, the Gulf states and Turkey are supporting these efforts” by Syrian “opposition forces” fighting to “control the eastern areas (Hasaka and Der Zor), adjacent to Western Iraqi provinces (Mosul and Anbar)”: “... there is the possibility of establishing a declared or undeclared Salafist Principality in eastern Syria (Hasaka and Der Zor), and this is exactly what the supporting powers to the opposition want, in order to isolate

“THE BOOK OF REVELATION UNSEALED”

Chapter 35

the Syrian regime, which is considered the strategic depth of the Shia expansion (Iraq and Iran).”

The secret Pentagon document thus provides extraordinary confirmation that the US-led coalition currently fighting ISIS, had three years ago (2012) welcomed the emergence of an extremist “Salafist Principality” in the region as a way to undermine Assad, and block off the strategic expansion of Iran. Crucially, Iraq is labeled as an integral part of this “Shia expansion.”

The establishment of such a “Salafist Principality” in eastern Syria, the DIA document asserts, is “exactly” what the “supporting powers to the [Syrian] opposition want.” Earlier on, the document repeatedly describes those “supporting powers” as “the West, Gulf countries, and Turkey.” Further on, the document reveals that Pentagon analysts were acutely aware of the dire risks of this strategy, yet ploughed ahead anyway. The establishment of such a “Salafist Principality” in eastern Syria, it says, would create “the ideal atmosphere for AQI to return to its old pockets in Mosul and Ramadi.” Last summer, ISIS conquered Mosul in Iraq, and just this month has also taken control of Ramadi.

Such a quasi-state entity will provide:

“... a renewed momentum under the presumption of unifying the jihad among Sunni Iraq and Syria, and the rest of the Sunnis in the Arab world against what it considers one enemy. Isis could also declare an Islamic State through its union with other terrorist organizations in Iraq and Syria, which will create grave danger in regards to unifying Iraq and the protection of territory.”

The 2012 DIA document is an Intelligence Information Report (IIR), not a “finally evaluated intelligence” assessment, but its contents are vetted before distribution. The report was circulated throughout the US intelligence community, including to the State Department, Central Command, the Department of Homeland Security, the CIA, FBI, among other agencies. In response to my questions about the strategy, the British government simply denied the Pentagon report’s startling revelations of deliberate Western sponsorship of violent extremists in Syria. A British Foreign Office spokesperson said: “AQ and ISIL are proscribed terrorist organizations. The UK opposes all forms of terrorism. AQ, ISIL, and their affiliates pose a direct threat to the UK’s national security. We are part of a military and political coalition to defeat ISIL in Iraq and Syria, and are working with international partners to counter the threat from AQ and other terrorist groups in that region. In Syria we have always supported those moderate opposition groups who oppose the tyranny of Assad and the brutality of the extremists.” The DIA did not respond to request for comment.

Strategic asset for regime-change

Security analyst Shoebridge, however, who has tracked Western support for Islamist terrorists in Syria since the beginning of the war, pointed out that the secret Pentagon intelligence report exposes fatal contradictions at the heart of official pronouncements:

“Throughout the early years of the Syria crisis, the US and UK governments, and almost universally the West’s mainstream media, promoted Syria’s rebels as moderate, liberal, secular, democratic, and therefore deserving of the West’s support. Given that these documents wholly undermine this assessment, it’s significant that the West’s media has now, despite their immense significance, almost entirely ignored them.” According to Brad Hoff, a former US Marine who served during the early years of the Iraq War and as a 9/11 first responder at the Marine Corps Headquarters

“THE BOOK OF REVELATION UNSEALED”

Chapter 35

Battalion in Quantico from 2000 to 2004, the just released Pentagon report for the first time provides stunning affirmation that:

“US intelligence predicted the rise of the Islamic State in Iraq and the Levant (ISIL or ISIS), but instead of clearly delineating the group as an enemy, the report envisions the terror group as a US strategic asset.” Hoff, who broke the story via Levant Report—an online publication run by Texas-based educators who have direct experience of the Middle East—points out that the DIA document “matter-of-factly” states that the rise of such an extremist Salafist political entity in the region offers a “tool for regime change in Syria.

” The DIA intelligence report shows, he wrote, that the rise of ISIS only became possible in the context of the Syrian insurgency—“there is no mention of US troop withdrawal from Iraq as a catalyst for Islamic State’s rise, which is the contention of innumerable politicians and pundits.”

The report demonstrates that: “The establishment of a ‘Salafist Principality’ in Eastern Syria is ‘exactly’ what the external powers supporting the opposition want (identified as ‘the West, Gulf Countries, and Turkey’) in order to weaken the Assad government.” The rise of a Salafist quasi-state entity that might expand into Iraq, and fracture that country, was therefore clearly foreseen by US intelligence as likely but nevertheless strategically useful—blowback from the West’s commitment to “isolating Syria.”

Complicity

Critics of the US-led strategy in the region have repeatedly raised questions about the role of coalition allies in intentionally providing extensive support to Islamist terrorist groups in the drive to destabilize the Assad regime in Syria. The conventional wisdom is that the US government did not retain sufficient oversight on the funding to anti-Assad rebel groups, which was supposed to be monitored and vetted to ensure that only ‘moderate’ groups were supported. However, the newly declassified Pentagon report proves unambiguously that years before ISIS launched its concerted offensive against Iraq, the US intelligence community was fully aware that Islamist militants constituted the core of Syria’s sectarian insurgency. Despite that, the Pentagon continued to support the Islamist insurgency, even while anticipating the probability that doing so would establish an extremist Salafi stronghold in Syria and Iraq. As Shoebridge told me, “The documents show that not only did the US government at the latest by August 2012 know the true extremist nature and likely outcome of Syria’s rebellion” namely, the emergence of ISIS “but that this was considered an advantage for US foreign policy. This also suggests a decision to spend years in an effort to deliberately mislead the West’s public, via a compliant media, into believing that Syria’s rebellion was overwhelmingly ‘moderate.’” Annie Machon, a former MI5 intelligence officer who blew the whistle in the 1990s on MI6 funding of al-Qaeda to assassinate Libya’s former leader Colonel Gaddafi, similarly said of the revelations:

“This is no surprise to me. Within individual countries there are always multiple intelligence agencies with competing agendas.” She explained that MI6’s Libya operation in 1996, which resulted in the deaths of innocent people, “happened at precisely the time when MI5 was setting up a new section to investigate al-Qaeda.” This strategy was repeated on a grand scale in the 2011 NATO intervention in Libya (Arab Spring uprising), said Machon, where the CIA and MI6 were: “ ... supporting the very same Libyan groups, resulting in a failed state, mass murder, displacement and anarchy. So the idea that elements of the American military-security complex have enabled the development of ISIS after their failed attempt to get NATO to once again

“THE BOOK OF REVELATION UNSEALED”

Chapter 35

‘intervene’ is part of an established pattern. And they remain indifferent to the sheer scale of human suffering that is unleashed as a result of such game-playing.”

Divide and rule

Several US government officials have conceded that their closest allies in the anti-ISIS coalition were funding violent extremist Islamist groups that became integral to ISIS. US Vice President Joe Biden, for instance, admitted last year that Saudi Arabia, the UAE, Qatar and Turkey had funneled hundreds of millions of dollars to Islamist rebels in Syria that metamorphosed into ISIS. But he did not admit what this internal Pentagon document demonstrates that the entire covert strategy was sanctioned and supervised by the US, Britain, France, Israel and other Western powers. The strategy appears to fit a policy scenario identified by a recent US Army-commissioned RAND Corp report. The report, published four years before the DIA document, called for the US “to capitalise on the Shia-Sunni conflict by taking the side of the conservative Sunni regimes in a decisive fashion and working with them against all Shiite empowerment movements in the Muslim world.” The US would need to contain “Iranian power and influence” in the Gulf by “shoring up the traditional Sunni regimes in Saudi Arabia, Egypt, and Pakistan.” Simultaneously, the US must maintain “a strong strategic relationship with the Iraqi Shiite government” despite its Iran alliance. The RAND report confirmed that the “divide and rule” strategy was already being deployed “to create divisions in the jihadist camp. Today in Iraq such a strategy is being used at the tactical level.” The report observed that the US was forming “temporary alliances” with al-Qaeda affiliated “nationalist insurgent groups” that have fought the US for four years in the form of “weapons and cash.” Although these nationalists “have cooperated with al-Qaeda against US forces,” they are now being supported to exploit “the common threat that al-Qaeda now poses to both parties.”

The 2012 DIA document, however, further shows that while sponsoring purportedly former al-Qaeda insurgents in Iraq to counter al-Qaeda, Western governments were simultaneously arming al-Qaeda insurgents in Syria. The revelation from an internal US intelligence document that the very US-led coalition supposedly fighting ‘Islamic State’ today, knowingly created ISIS in the first place, raises troubling questions about recent government efforts to justify the expansion of state anti-terror powers. In the wake of the rise of ISIS, intrusive new measures to combat extremism including mass surveillance, the Orwellian ‘prevent duty’ and even plans to enable government censorship of broadcasters, are being pursued on both sides of the Atlantic, much of which disproportionately targets activists, journalists and ethnic minorities, especially Muslims. Yet the new Pentagon report reveals that, contrary to Western government claims, the primary cause of the threat comes from their own deeply misguided policies of secretly sponsoring Islamist terrorism for dubious geopolitical purposes.

As you can see from this article exposing the truth Pentagon documents released Iraq and Syria have been a false flag war under President Obama deceiving the public. That’s why Obama restricted US bombing campaigns against Isis he warned them before bombing them so they could escape he was actually helping them empowering them in their destruction and killing spree. There have been other reports emerge from the Iraqi army of planes dropping weapons and supplies to Isis on the battle fields they shot some down stopping supplies getting through and had identified them as US and British planes. Isis leaders captured testified to the US paying funds to recruiters for

new recruits obtained for the Isis ranks, some shady agendas were at play. It has been said one of the reasons to stop Assad was to assist Israel against Iran’s nuclear ambitions this was found in Clinton emails declassified by the US State Department.

Clinton Email We Must Destroy Syria For Israel

April 7, 2017 Sean Adl-Tabatabai News, US 253

A leaked Hillary Clinton email confirms that the Obama administration, with Hillary at the helm, orchestrated a civil war in Syria to benefit Israel. The new Wikileaks release shows the then Secretary of State ordering a war in Syria in order to overthrow the government and oust President Assad, claiming it was the “best way to help Israel”.

Newobserveronline.com reports:

The document was one of many unclassified by the US Department of State under case number F-2014-20439, Doc No. C05794498, following the uproar over Clinton’s private email server kept at her house while she served as Secretary of State from 2009 to 2013. Although the Wiki leaks transcript dates the email as December 31, 2000, this is an error on their part, as the contents of the email (in particular the reference to May 2012 talks between Iran and the west over its nuclear program in Istanbul) show that the email was in fact sent on December 31, 2012.

Chapter 35

The same year the 2011 US withdrawal of troops from Iraq happened you had from the Arab Spring uprising in 2010 a cross over into 2011 where the 3 leaders “horns” Dan 7:8 were ripped up under Obama. Then by mid 2013 Hezbollah entered into the Syrian conflict the “war against the saints” “in the Middle east region had started. The newly formed Isis then came in early 2014 into Iraq doubling Christian martyrs worldwide to 160 – 200 thousand annually **“he shall bring an end to sacrifice and offering” Dan 9:27 and Dan 12:11.** From mid 2013 over the next 42 months an estimated 2.3 million Christians have now disappeared from Iraq and Syria through persecution accelerated with Hezbollah and Isis.

President Obama also opened up US borders to hundreds of thousands of un-vetted immigrants from these war torn regions threatening US society. Interestingly Christians were refused entry into the US or found it next to impossible instead Obama favored Muslims. This also happened in the Middle East and surrounding countries where refugee camps were set up predominantly Muslim. The sacrifice and offering taken away according to scripture is prayer and worship by the saints **Heb 13:15 Therefore by Him let us continually offer the sacrifice of praise to God, that is, the fruit of our lips, giving thanks to His name.,** this happened under President Obama’s watch in the Middle East. This was due to his deceptive foreign policy with the advancement of Islamic causes

Dan 11:38: “Thus he shall act against the strongest fortresses with a foreign god, which he shall acknowledge, and advance its glory; and he shall cause them to rule over many, and divide the land for gain” causing the loosing of the **“War against the Saints”** (Rev 13:7, Dan 7:21) as prophesied in Daniel and Revelations. President Obama as a Muslim held Muslim prayer in the White House he had six Muslim Brotherhood members overseeing US foreign policy he was affiliated with the Sunni Muslim Brotherhood, Isis is Sunni Muslim connect the dots.

It then says in Dan 9:27 **“on the wing of abominations shall be one (antichrist principality of destruction) who makes desolate”** this is an antichrist spirit in modern times its Islam manifesting against Gods people. Hezbollah, Isis and other Muslim terrorist groups operate under an antichrist (*against Christ*) demonic influence. These groups received secret US administration empowerment through President Obama **“through his policy”** and hidden agendas causing

“deceit/craft to prosper” (*Dan 8:25*). President Obama made a nuclear deal with Iran an Israel and US arch enemy releasing billions (*estimated at 56 billion*) in frozen Iranian funds back to Iran then paid out 1.7 billion in US dollars to this known terrorist supporting nation.

Donald Trump says Iran got \$150 billion and \$1.8 billion in cash. That's Half True

By Jon Greenberg on Friday, April 27th, 2018 at 10:49 a.m.

In July 2015, U.S. Treasury Secretary Jack Lew told lawmakers Iran would gain access to \$56 billion. It's important to know that little of that money was under the control of the United States or any U.S. bank. Most of it, Habibi said, was in central and commercial banks overseas. Furthermore, it was Iran's money to begin with, not a payment from any government to buy Iran's cooperation. Service, the nonpartisan analytic arm of Congress, reviewed this cash transfer in a 2018 report. It gave a total of \$1.7 billion. That was the amount that U.S. and Iranian negotiators settled on to resolve an arms contract between the United States and Iran that predated the Iranian revolution in 1979. Iran had paid for military equipment, and it was never delivered.

See: <http://www.politifact.com/truth-o-meter/statements/2018/apr/27/donald-trump/donald-trump-iran-150-billion-and-18-billion-c/>

President Obama won the Nobel peace prize in 2009 he” came **in peaceably**” (*Dan 11:21*) but caused much destruction with war, deceit, foreign policy, predator drones and financial re-distribution. President Obama spent 10.2 trillion US dollars during his Presidency more than any US President single handed ever “**He dispersed among them the spoil plunder and riches**” he re-distributed wealth. (*Dan 11:24*) giving billions to terrorist nations and groups.

(As mentioned Isis is well documented as having US made weapons captured Isis leaders reported as saying they were US funded. Iraq military forces have identified US aircraft and shot down British aircraft dropping military weapons to Isis. It is known the US under President Obama's administration trained and supplied weapons to funded Muslim rebel terrorist groups in Syria and Iraq that were Isis fighters or defected to Isis.)

Since 9/11 took place an escalation of this Middle East conflict has brought desolation to hundreds of thousands of Christians and other ethnic groups their families their homes their Churches in Iraq, Syria and in other countries such as Egypt ,Sudan and Somalia by Isis, Hezbollah and other terrorists. Millions have been displaced across the Middle East because of this terrorism led war (*Rev 13:4*) “**who is able to make war with Him?**” the “**beast**“. Millions are migrating into Europe and around the world a Biblical scale event, terrorist attacks in western nations has sky rocketed. The mass removal of prayer and worship by Christians in occupied areas with churches being desolated and turned into antichrist Mosques has happened under President Obama.

To be warred against to be overcome to prevail against or to be swept away is both the Christians physical and spiritual power being removed and swept away in the region of occupation (*Rev*

Chapter 35

13:7, Dan 7:21, Dan 9:27, Dan 12:11) even **“the prince of the covenant”** (*Jesus*) His regional influence is swept away (*Dan 11:22*). The saints during this time are refined and purified (*Dan 11:35*) and do receive **“some aid”** (*Dan 11:34*). This was such with the 40’000 people trapped on Mount Sinjar west of Mosul in August 2014. Iraq Christians were included in this exodus trapped by Isis on Mount Sinjar, Obama hesitated to help but the UN eventually came in and rescued them from the mountain after many had perished.

Most Christians in the Middle East are Orthodox they love Jesus but worship and kiss idols God dislikes idolatry (*Lev 26:1, Deut 4:28*) the Eastern Christians originally had an alliance with the Vatican but broke away in mid 400 A.D due to doctrinal issues. In this conflict region of the Middle East refinement has happened to Christians in their relationship with God as these idols are removed God becomes the focus in relationship not an idol of Him. I believe this is what the scripture indicates when it says during the 42 month war against the saints (*Dan 11:35, Dan 12:10*) **“many shall be purified/refined”** who believe.

There is very powerful reason why this **“war against the saints”** (*Dan 7:21*) occurs to bring about a response from God His favor (*Dan 7:22*) towards the saints, **“the saints shed blood cries out to God”** in Rev 6:10 we find. **“When He opened the fifth seal, I saw under the altar the souls of those who had been slain for the word of God and for the testimony which they held. And they cried with a loud voice, saying, “How long, O Lord, holy and true, until You judge and avenge our blood on those who dwell on the earth?”** (NKJV). The blood crying out over generations causes God to move upon the saints still alive on the Earth in one final harvest move of Glory Rev 14:14 -16.

Dan 7:21-22

"I was watching; and the same horn was making war against the saints, and prevailing against them, until the Ancient of Days came, and a judgment was made in favor of the saints of the Most High, and the time came for the saints to possess the kingdom. (NKJV)

From June 2013 when Hezbollah entered into the Syrian conflict, Christian martyrs worldwide began to double we count 42 months this brings us to Jan 2017. Donald J Trump became President defying social media the Liberals and the biased elites it stunned the USA elections. This was a supernatural event of Gods favor putting a Christian President back into the White House after 8 years of having a Muslim President “Obama” the “man of sin” (*2 Thessalonians 2:3*) and his deceptive agendas. This was truly a sign post to the body of Christ of Gods divine favor. This was also prophesied about by Christian prophets Kim Clement in 2007 and Mark Taylor in 2011.

God responds to His saints shed blood (*Rev 6:9-11, Rev 17:6 “Cry of the Martyrs”*) with spiritual authority, a move of His Spirit through the saints around the world to bring in a harvest of souls worldwide (*Rev 14:14-16, Joel 3*). This harvest includes Islam/Ishmael the half brother of Jacob

the bloodlines scripturally, to take back kingdoms from the antichrist sprit and herald in His return.

In Genesis Abel’s blood cried out for justice (*Gen 4:10*) and God responded with a curse marking Cain’s forehead (*Gen 4:11-16*). In the New Testament Jesus shed blood cried out also for a response from God (*Heb 12:24*) for action when mercy met truth. Because of this 42 month time period of shed blood Jesus will respond with reconciliation/forgiveness and salvation. He will move on the perpetrators as he did with Saul at Damascus (*Acts 9*) a mighty harvest is to come (*Rev 14:14-16*) in response. Those that don’t respond to His final salvation call will receive His wrath at His second coming when the seventh Trumpet sounds *Rev 11:15*. See below a testimony of the “**blood crying out**” that brings harvest of souls.

“Jesus Converts 900 Muslims to Christianity in One Night”

This testimony came recently on a U Tube video in Oct 2017 it was posted March 31st 2017. A woman was sharing how she had been with a group praying for Shiite Muslims to receive dreams from God for salvation. She then one day met another woman who she mentioned what they had been praying for. This woman then turned around and shared a true testimony that had happened recently in a Muslim dominated region. God had asked a Pastor to move to a certain village to start up a church in the midst of the Muslims so he went and moved there. One night he had a knock on the door he opened the door and three Muslim men with balaclavas on grabbed him and shot him killing him.

A little while later God spoke to another Pastor, God told him to go to this same village so he went he moved into the same flat/house to start a church. A short time later he too received a knock on the door he opened the door and three Muslim men with balaclavas on grabbed him and put a hood over his head and threw him into the back of a car. They then drove for awhile to a location and took him into a building then removed the hood over his head. He stood there in front of 900 Muslim men that man who removed the mask then said I killed the last pasta in that house. This second Pasta then thought I am getting a public execution in front of all these men.

The man speaking to him who had murdered the last Pasta then said the night we killed that Pasta all of us here in this room had the same dream we dreamt that the blood of that man was on our hands. God said He was going to send another man along to help us cleanse that blood from our hands and you are him. That night 900 Muslim leaders and men gave their hearts to Jesus and their families followed suit.

The **“whole world marvels”** at this occurrence of this **“mortal wound being healed”** (*Rev 13:3*), this happened on social media in the news with Isis and its atrocities with the massive Islamic immigration happening across Europe. This *Rev 13:1-10* symbolic seven headed beast has ten crowns on its ten horns all represented by this **“man of sin”** (*President Obama*) the **“little horn”** (*Dan 7:8*) **“causing desolation”** that **“Wars against the Saints”**.

In *Dan 7:20* we find an interesting description saying **“the ten horns that were on its head”** laying all ten horns on the one head, instead of the seven heads in *Rev 13:1-10* this is the same beast from the sea with one head wounded and recovered. This is letting us know the one horn coming up in the midst of the ten horns is this “Man of Sin” who puts ten crowns found in *Rev 13:1* from ten leaders onto the ten horns taking their power for one hour to rule with him. This is the ten nation/leader TPPA deal negotiated solely with congress veto powers given President Obama this has never happened before in US history. None of the other generational symbolic ten horned seven headed beasts described in *Dan 7*, *Rev 12* (*has 7 diadems on its heads not horns*) and *Rev 17* have gold crowns on the horns only *Rev 13:1* revealing to us who this beast from the sea is.

Dan 7:20

And the ten horns that were on its head, and the other horn which came up, before which three fell, namely, that horn which had eyes and a mouth which spoke pompous words, whose appearance was greater than his fellows. (NKJV)

Dan 7:24

The ten horns are ten kings who shall arise from this kingdom. Last kingdom (NKJV)

Rev 17:12-13

The ten horns which you saw are ten kings who have received no kingdom as yet, but they receive authority for one hour as kings with the beast. These are of one mind, and they will give their power and authority to the beast. These will make war with the Lamb, and the Lamb will overcome them. USA and coalition forces under Obama created Isis who warred against the saints. (NKJV)

Rev 13:1

Then I stood on the sand of the sea. And I saw a beast rising up out of the sea, having seven heads and ten horns, and on his horns ten crowns, and on his heads a blasphemous name. (NKJV)

“THE BOOK OF REVELATION UNSEALED”

Chapter 35

The symbolic seven heads of this Rev 13:1-10 “**beast**” can now be identified due to President Obama fulfilling prophecy. President Obama was a member of the G7 consisting of 7 of the most powerful military and economic leaders in the world, the “7 heads” of 7 nations. The ten horns can have manifold meaning on the 7 heads. The WEU “Western European Union” has ten permanent member states of Europe who are NATO members heavily influenced by the USA.

These WEU/NATO members are interesting they all come from the “Holy Roman Empire” they are part of the EU nations and the UN. You have the main ten horns identified under NAFTA (*US/Obama*) which broke the world up into ten economic regions in 1996 for instance the Middle east is region 10, Africa is region 8, New Zealand and Australia are region 4. NAFTA also has the FCA Free carrier that has a plan leveraging the resources of a Global company maximizing its power base economically.

See PDF site: file:///C:/Users/Brian/Desktop/NAFTA_Region.pdf

It states in Rev 17:16 that “**the ten horns which you saw on the beast, these will hate the harlot, make her desolate and naked, eat her flesh and burn her with fire**”. God puts this plan into the ten king’s hearts (*Rev 17:17*) to do so these ten kings are the ten CEO/leader elites over the ten Trade unions over the ten Club of Rome, NAFTA, UN ten economic regions assigned by these organizations. According to scripture this Rev 17 harlot sits over kings over nations (*Rev 17:18*) of the entire world so a major war (*WW3*) is coming with chaos and destruction.

In Rev 18:23 a passage about Babylon also states in the end of days these rich merchants (*elites club*) deceive the nations through their sorcery in Hebrew/Greek this means Pharmacia (*petroleum-based drugs, Oligarchs, Covid 19 vaccines, World Healthcare Organization*). Only member state nations such as the EU, UN, WEU, US with NATO could have the power to do such a thing. In regards to the seven heads of the beast (*G7*) of Rev 13:1-10 the organization Obama is a head influence in as a Muslim, what’s not known to Westerners is what Muslims call Islam, “the seven headed serpent” made up of “**Isis, Hezbollah, Boko Haram, Al-Qaida, Hamas, Taliban and the Muslim Brotherhood**” a very interesting symbolism.

As seen the ten symbolic horns of the Rev 13:1-10 “**beast**” are ten geographical economic regions, (*the WEU 10 state nations are included in this zoning*) we may not fully see who or what this actually is due to its secrecy to create war from behind the scenes but God knows. It was first in 1973 the Club of Rome then in 1996 that NAFTA broke up the geographical world into ten economic and military regions (*horns*), this is the ten horns (*land masses of the world’s nations*) of this particular beasts influence worldwide identified. The TPPA (*10 crowns/leaders*) came out from these ten regions (*10 Horns/10 horns hybrid war Rev 12:12-14*) formed by the US and Elite corporate businesses the “Holy Roman Empire” TPPA was solely negotiated by Obama with US fast track authority (NAFTA Trade authority).

The Arab Spring uprising that happened under President Obama caused the ripping up of three horns/leaders fulfilling Dan 7:8 this was “**Egypt, Libya and Yemen (Ethiopia)**” all in Africa in NAFTA region 8. Yemen has always been a part of Ethiopia from ancient times until today. Only a dominant military world power has the ability to effect to remove or rip up 3 leaders from 3

“THE BOOK OF REVELATION UNSEALED”

Chapter 35

other nations fulfilling scriptural prophecy. President Obama with his US administration was heavily involved in the Arab Spring uprising.

He bombed Libya’s war ships he helped kill Kernel Kaddafi he forced Egypt’s leader to resign and replaced him with another leader from the Muslim Brotherhood in agreement with Erdogan of Turkey. He encouraged Yemen’s regime change, all 3 countries had long term leaders now gone they all headed towards Muslim Brotherhood influence. In Dan 11: 42-43 we find prophesied 2500 years ago that “**Egypt, Libya and the Ethiopians**” of Africa will be at the “**king of the north**” the “**man of sins**” feet revealing they are the one and same person in prophecy.

President Obama was empowered by the dragon (*Rev 13:4-7*) which is the Illuminati/Vatican powers Elite bankers the media, the Federal reserve banks/World bank’s the WUE/UN/EU the Bilderberg Group of the US and Europe, these are all one and the same Elitist owned groups (*Rev 17*). The 1st *Rev 12:3* “**beast**” has 7 diadems/jeweled crowns on its seven heads it has ten horns with no crowns on the horns this beast came directly against Jesus birth (*Math 2:16-18*) and was a antichrist prince.

As covered in this chapter the term prince is found in Dan 10:13 namely the demonic “**Prince of Persia**” as the ark angel Michael told Daniel had resisted him 21 days in bringing through an answer to Daniels prayers. The 2nd *Rev 17* seven headed beast the harlot rides is one of three (*Rev 12:3, Rev 13:1, Rev 17:3*) in the book of revelations this also has no crowns on its horns yet is the same antichrist dragon influence.

The 3rd seven headed beast of *Rev 13:1-10* is the only one that has ten crowns on its ten horns (*Rev 13:1*). This *Rev 13:1-10* “**beast**” is directly tied into the fourth and last empire of Nebuchadnezzars statue as found in Dan 2:40-45 the feet and toes of the “Holy Roman Empire” beast of *Rev 17*. The ten crowns upon this beast now identified with Obama, became the TPPA trade deal negotiated solely by President Obama (*Dan 7:7, Rev 13:1, Rev 17:13*) to rule with him for “**one hour**” which seems to be year as Trump (*Dan 7:22*) got in (*Rev 17:12-14*). President Obama also was in negotiations with the European Union’s TTIP trade deal (*WEU nations*). One year later (*1 hour?*) Trump gets in and pulls out of the TPPA and TTIP.

The TPPA (*40% of worlds GDP*) was signed in New Zealand by 12 Pacific Rim nations which are actually ten New Zealand and Australia are classed as one the USA and Canada as one. This agreement was signed on Feb 4th 2016 “**giving authority and power to this beast for one hour**”. I had a Christian intercessor friend come up to me that same morning Feb 4th 2016 and said she felt sick all of a sudden that it was spiritual. I said that’s the antichrist Spirit that just got released through the signing of the TPPA here in New Zealand. I then rebuked the antichrist Spirit from her and she made an instant recovery I felt this was another conformation form the Lord.

Even though President Obama could only do two terms 8 years in the White House we have not seen the last of him yet he has fulfilled parts of Dan 11: 21-45 the “**king of the North**” and fulfilled *Rev 13:1-10* the “**man of sin**” 7 year prophecy from 2009-2016. Now ex President Obama is yet to lead the armies as “**Gog of Magog**” against Israel (*maybe 10-15 years away*) with the false

prophet from Rev 13:10-18 in the battle of Armageddon (Rev 16:14-16) the Ezekiel 38 and 39 war.

In past centuries there have been millions of Christians martyred in the 19th century Christian Genocides have taken place killing millions more. This particular “**War against the saints**” is identified and tied into specific prophecies that are historical events on Gods time line now occurring fulfilling scriptural prophecy around this “**man of sin**” beast of Rev 13:1-10. This “**man of sin**” has been identified on the world scene through factual events that have happened, identifying what certain things are in scripture revolving around this figure in the end times.

God has given many Christians dreams about Obama being the Rev 13:1-10 “**beast**” you can find them on the internet. One such case is a young 15 year old Jewish boy Natan who died for 11-15 minutes he came before God he saw WW3 and the two witnesses he asked God “**Who is Gog of Magog ?**, the antichrist that comes against Israel in the last days ? God said to him “**That’s Obama**” God then raised him from the dead to testify about his encounter this happened on 28.9.15.

Rev 13:5-7

And he was given a mouth speaking great things and blasphemies, and he was given authority to continue for forty-two months. Then he opened his mouth in blasphemy against God, to blaspheme His name, His tabernacle, and those who dwell in heaven. **It was granted to him to make war with the saints and to overcome them.** And authority was given him over every tribe, tongue, and nation. (NKJV)

Dan 11:31-36

And forces shall be mustered by him, and they shall defile the sanctuary fortress; then they shall take away the daily sacrifices, and place there the abomination of desolation. Those who do wickedly against the covenant he shall corrupt with flattery; **but the people who know their God shall be strong, and carry out great exploits. And those of the people who understand shall instruct many; yet for many days they shall fall by sword and flame, by captivity and plundering.**

Now when they fall, they shall be aided with a little help; but many shall join with them by intrigue. **And some of those of understanding shall fall, to refine them, purify them, and make them white, until the time of the end; because it is still for the appointed time.** "Then the king shall do according to his own will: he shall exalt and magnify himself above every god, shall speak

Dan 12:9-11

Then I heard the man clothed in linen, who was above the waters of the river, when he held up his right hand and his left hand to heaven, and swore by Him who lives forever, that it shall be **for a time, times, and half a time; and when the power of the holy people has been completely shattered, all these things shall be finished.** Although I heard, I did not understand. Then I said, "My lord, what shall be the end of these things?"

And he said, "Go your way, Daniel, for the words are closed up and sealed till the **time of the end. Many shall be purified, made white, and refined, but the wicked shall do wickedly; and none of the wicked shall understand, but the wise shall understand.** "And from the time that the daily sacrifice is taken away, and the abomination of desolation is set up, there shall be one thousand two hundred and ninety days. (NKJV)

Dan 7:22

And the ten horns that were on its head, and the other horn which came up, before which three fell, namely, that horn which had eyes and a mouth which spoke pompous words, whose appearance was greater than his fellows. **"I was watching; and the same horn was making war against the saints, and prevailing against them, until the Ancient of Days came, and a judgment was made in favor of the saints of the Most High, and the time came for the saints to possess the kingdom.** (NKJV)

Dan 7:24-27

The ten horns are ten kings Who shall arise from this kingdom. And another shall rise after them; He shall be different from the first ones, **And shall subdue three kings.** He shall speak pompous words against the Most High, **Shall persecute the saints of the Most High, And shall intend to change times and law.** (NKJV)

Then the saints shall be given into his hand For a time and times and half a time. But the court shall be seated, And they shall take away his dominion, To consume and destroy it forever. Then the kingdom and dominion, And the greatness of the kingdoms under the whole heaven, Shall be given to the people, the saints of the Most High. (NKJV)

Rev 7:9-14 A Multitude from the Great Tribulation

After these things I looked, and behold, a great multitude which no one could number, of all nations, tribes, peoples, and tongues, standing before the throne and before the Lamb, clothed with white robes, with palm branches in their hands, and crying out with a loud voice, saying, "Salvation belongs to our God who sits on the throne, and to the Lamb!"

Chapter 35

All the angels stood around the throne and the elders and the four living creatures, and fell on their faces before the throne and worshiped God, saying: "Amen! Blessing and glory and wisdom, Thanksgiving and honor and power and might, Be to our God forever and ever. Amen."

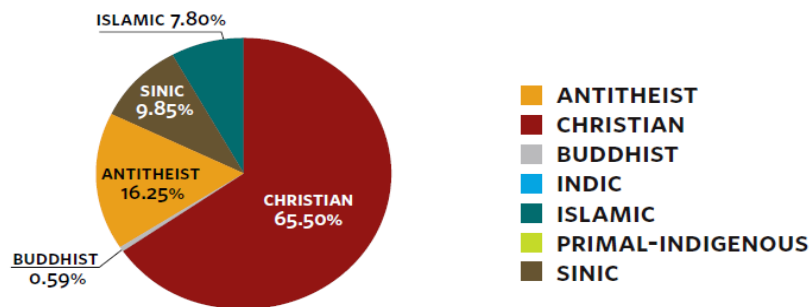

Then one of the elders answered, saying to me, "Who are these arrayed in white robes, and where did they come from?" And I said to him, "Sir, you know." So he said to me, "**These are the ones who come out of the great tribulation, and washed their robes and made them white in the blood of the Lamb.** (NKJV)

Rev 6:9-11 Fifth Seal: The Cry of the Martyrs

When He opened the fifth seal, **I saw under the altar the souls of those who had been slain for the word of God and for the testimony which they held.** And they cried with a loud voice, saying, "How long, O Lord, holy and true, until You judge and avenge our blood on those who dwell on the earth?" Then a white robe was given to each of them; and it was said to them that they should rest a little while longer, until both the number of their fellow servants and their brethren, who would be killed as they were, was completed. (NKJV)

The “**War against the Saints**” in reality has been ongoing since the days Christ walked the Earth. In the Old Testament before Christ came certain godly priests and prophets were targets some were killed such as Jezebel’s killing spree of many (*I Kings 18:4*) there was Saul’s jailing and murder Christians (*Acts 8:1,8:3, Acts 9:1, Acts 26:10, Gal 1:23*) even Jesus said (*Math 23:37, Luke 13:34*) “**Jerusalem the city that kills Gods prophets**” The priests and people came against Jesus Himself killing Him by crucifixion (*Math 27*). The last two recorded Christian martyrs scripturally of the end times are found in Rev 11 the two witnesses killed 3 days before Christ’s return.

“THE BOOK OF REVELATION UNSEALED”

Chapter 35

Since Christ’s death and resurrection 2000 years ago millions of Christians over the centuries have been tortured, burned alive, torn in two, butchered, raped and murdered (*estimations could be as much as 1 billion over 2000 years*). The two main contenders for Christian persecution and murder have been the Roman Catholic Church the Vatican (*Rev 17*) for a 1260-year period killing nearly 50 million Christians and up to 120 million people in total (*See chapter 4 The Vatican and Islam*).

Then there’s Islam for a period of 1500 years that has tortured, raped and murdered an estimated 669 million people of various ethnic groups Hindu’s and Christians included. Islam’s number one enemy is the Christian untold numbers have been murdered. Then there is the 19th century “Armenian Genocide’, Armenia was an independent entity as a nation of people, from the 4th century A.D they were the first nation in the world to make Christianity its official religion.

The Armenian lived in the Caucasus region of Eurasia as their home for around 3,000 years . By the 15th century Armenia had been absorbed into the Ottoman Empire. The Muslims there always treated the Christians in the region as underdogs as Infidels the Christians had to pay heavy taxes to the Ottomans yet they thrived under such oppressive rule.

The Armenian Genocide took place at the turn of the 19th century it erupted from ongoing pressure and persecution by Ottoman Muslims against Christians and other ethnics in the region an overflow from the 1894-1896 intended first Armenian Christian massacres by the Turks such as the 1895 Christian massacre in the Erzurum region. The Armenian genocide included other Christian ethnics such as Assyrians (*Assyrian Genocide*) and Ottoman Greeks (*Ottoman Greek Genocide*) who were also killed from 1915-1923.

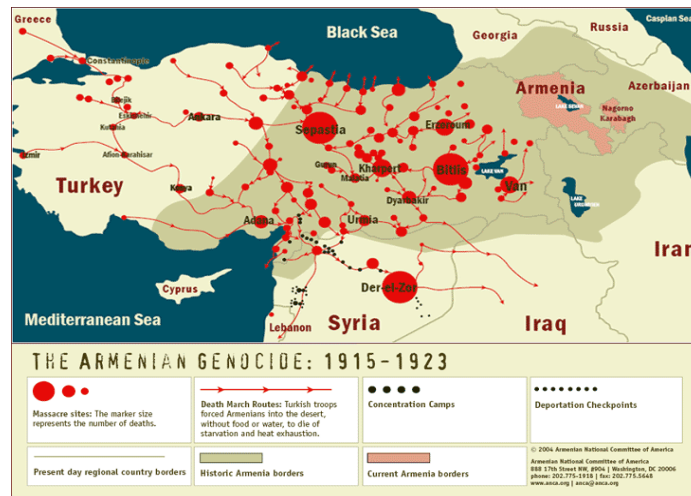

At the beginning of the rapes, starvations, torture and killings there were an estimated 2 million Armenians. By the end of this genocide 1.5 million were killed by the ruling Ottoman Empire. This was considered one of the first mass Genocide ethnic cleansing of a people group in modern history.

Article 1: Persecution of Christians - From Wikipedia, the free encyclopedia

Since the time of the Austro-Turkish war (1683-1699) relations between Muslims and Christians in the European provinces of the Ottoman Empire were radicalized, gradually taking more extreme forms and resulting in occasional calls by some Muslim religious leaders for the expulsion or extermination of local Christians, and also Jews.

As a result of Turkish oppression, the destruction of Churches and Monasteries and violence against the non-Muslim civilian population, Serbian Christians and their church leaders headed by Serbian Patriarch Arsenije III sided with the Austrians in 1689 and again in 1737 under Serbian Patriarch Arsenije IV. In the following punitive campaigns, Turkish forces conducted systematic atrocities against the Christian population in the Serbian regions, resulting in the Great Migrations of the Serbs.^[109]

Similar persecutions and forced migrations of Christian populations were induced by Turkish forces during the 18th and 19th centuries in the European and Asian provinces of the Ottoman Empire. In 1842 Assyrian Christians living in the mountains of Hakkari in south east Anatolia faced a massive unprovoked attack from Ottoman forces and Kurdish irregulars, which resulted in the death of tens of thousands of unarmed Christian Assyrians.

“THE BOOK OF REVELATION UNSEALED”

Chapter 35

During the Bulgarian Uprising (1876) and the Russo-Turkish War (1877-78), the persecution of the Bulgarian Christian population was conducted by Turkish soldiers who massacred civilians, the principal places being Panagurishte, Perushtitza, Bratzigovo, and Batak (see Batak massacre).^[111] During the war, whole cities including the largest Bulgarian one (Stara Zagora) were destroyed and most of their inhabitants were massacred, the rest being expelled or enslaved.

The atrocities included impaling and grilling people alive. Similar attacks were undertaken by Turkish troops against Serbian Christians during the Serbian-Turkish War (1876-1878). Greek-Orthodox metropolises in Asia Minor, ca. 1880. Since 1923 only the Metropolis of Chalcedon retains a small community.

A major massacre of Assyrian and Armenian Christian communities in the Ottoman Empire occurred between 1894 and 1897 AD and it was committed by Turkish troops and their Kurdish supporters during the rule of Sultan Abdul Hamid II (the Hamidian massacres). The motives for these massacres were an attempt to reassert Pan-Islamism in the Ottoman Empire, resentment of the comparative wealth of the ancient indigenous Christian communities, and a fear that they would attempt to secede from the tottering Ottoman Empire.

Assyrians and Armenians were massacred in Diyarbakir, Hasankeyef, Sivas and other parts of Anatolia and northern Mesopotamia, by Sultan Abdul Hamid II. These attacks caused the death of tens of thousands of Assyrians and Armenians and the forced "Ottomanisation" of the inhabitants of 245 villages. The Turkish troops looted the remains of settlements and these were later stolen and occupied by Muslim Kurds. Unarmed Christian women and children were raped, tortured and murdered.

See: https://en.wikipedia.org/wiki/Persecution_of_Christians

Then came another mass genocide by Muslims against Bangladesh Hindu's, Buddhists and Christians in Pakistan in 1971 this killed 3 million plus people taking the Christian population down to well below its previous 1971 numbers the genocide lasted about 9 months. Minority groups such as Christians, Buddhists and Hindus made up 15% of the local population prior to the 1971 division that came.

This genocide occurred when East Pakistan became independent of Bangladesh causing the expelling and murder of millions by West Pakistan Muslims of the PK army. The total number of Christians in Pakistan estimated in 2005 was 2.5 million or 1.6% of the total population of Pakistan is 180 million. Half of the 1.6% are Roman Catholic and half Protestant.

Recap:

To re iterate what's been said already in this chapter. In the latest ongoing Christian Genocide acceleration and persecution starting June 2013 when Hezbollah entered the Syrian conflict, you have had 1 million Christians disappear from Iraq and 1 million from Syria loosed by Hezbollah and Isis. This latest persecution of the saints was loosed under President Obama's administration

“THE BOOK OF REVELATION UNSEALED”

Chapter 35

(2009-2016) empowering Isis with training, funds and weapons to rise up and commit such genocide in Iraq and Syria.

This marks this particular Christian war by the Islamic terrorism as the end times “**War against the saints**” for 42 months released by the beast of Rev 13:1-10 a historical scriptural fulfillment. Prior to 2013 there were an estimated 1.5 million Christians in Iraq and 1.5 million in Syria by 2017 this number had decreased by 2.3 million Syria is said now to have less than 300 thousand Christians left. No one truly knows what’s happened to 2.3 million Christians in these nations or how many have been martyred by Muslims its Genocide. Many of the men and woman have been killed tortured, raped then sold into Islamic sexual slavery across the region.

As mentioned Christian killing in Syria started mid (*June*) 2013 when Hezbollah entered into the Syrian conflict doubling Christian martyrs to an estimated 160-200 thousand per year worldwide. Most official sites on Christian persecution seem to underestimate the amount of martyrs per year. Open Doors USA say only 322 Christians per month are killed that’s under 4000 per year ? a non realistic number Sudan, Nigeria and Somalia alone would produce that number. The Voice of the Martyrs gives a more realistic number from a video made in 2007 of 160’000 per year that is 450 per day that’s one every 3-5 minutes by June 2013 an expediential increase happened.

See U Tube Link: <https://www.youtube.com/watch?v=OXjlkaM-ikY>

Isis increased Christian killings by targeting them where ever Isis went broadcasting this fact on worldwide media causing the world to marvel at the atrocities. There were reports of burning them alive, sexual slavery, torture, selling victim’s blood on the Muslim black market and cannibalism of the victims in slaughter houses.

For the first time in over 1800 years in the regions where Christians had worshipped God such as the Iraq city of Mosul since Christ was crucified the sacrifice of worship in Christian churches had ceased. Muslims had burned to the ground many Christians churches then turned many more into Mosques with raising up the Islamic star and moon flag and symbol of Islam. They planted their abomination of desolation the symbol of Satan/Baal in the Holy place of sacrificial worship to God by Christians murdering many of Christ’s followers. The good news is at the end of this 42 months persecution we are moved into the next phase of prophesy the world wide harvest of souls Rev 14:124-16 at the end of this harvest comes the Math 24 Great Tribulation against Israel.

Dan 12:11. (Math 24:15, Mark 13, 14)

And he said, "Go your way, Daniel, **for the words are closed up and sealed till the time of the end.** ¹⁰ Many shall be purified, made white, and refined, but the wicked shall do wickedly; and none of the wicked shall understand, but the wise shall understand. "**And from the time that the daily sacrifice is taken away, and the abomination of desolation is set up, there shall be one thousand two hundred and ninety days.** (NKJV)

Unrealistic Christian martyr estimates do not account for 2 million Christians disappearing under heavy persecution form Iraq and Syria alone in the last 4 years. With further research there are

reports of 160'000 and up to 200'000 thousand worldwide annually. Many of the fleeing Christians couldn't go to Muslim dominated refugee camps due to being persecuted there also. Most Christians were denied refugee entrance into other nations due to being Christian a sad situation. In North Korea alone it is estimated at 100'000 Christians in prison labor camps the highest persecuted nation in the world.

Christianity is the most hate targeted religion existing in our modern world today with 215 million in 105 countries out of 190 under major persecution hitting record highs. There is an estimated 800 million protestant Christians worldwide with nearly 30% of those under heavy persecution that's a huge number of people. Islamic extremism remains the global dominant driver of this persecution revealing to us the region of the **“War against the saints”** the lands given to Abraham (*Gen 12:1-4,12:7, Gen 13:14-17, Gen 15:17-18, Gen 28:10-14*) the birth ground of the church. The Arab people in prophecy make up most of Islam originating from the **“12 princes”** of Ishmael (*Gen 17:20*) then God said **“his hand will be against every man”** (*Gen 16:10-13*).

It is reported at the turn of the 19th century there were an estimated 20% Christians living in the Middle East populations, currently as of 2017 it sits at just 4% or below an absolute Genocide. The main persecution in our modern times against Christians has been centered in Muslim dominated nations of the Middle East with the exception of China and North Korea.

The prophesied 42 month of the “War against the saints “ period from June 2013 symbolically came to an end on January 18th 2017 when President Donald J Trump was inaugurated in the USA, Dan 7:22 then became a reality. Gods hand has moved and favor has begun for the saints to take back dominion of the Earth (*see article 4 of this chapter*). There will still be ongoing persecution worldwide but the seasons in Christ now have changed. Islam’s (*see my dreams and visions of the book of Revelations chapter*) days are numbered Ishmael will be saved the saints are to enter into the Rev 14:14-16 worldwide harvest of nations under a major move of Gods spirit the Joel 2 army is to arise.

"I was watching; and the same horn was making war against the saints, and prevailing against them, ²² until the Ancient of Days came, and a judgment was made in favor of the saints of the Most High, and the time came for the saints to possess the kingdom. (NKJV)

Vision given beginning of Oct 2017 “The Season has changed in the realms of God get ready”

Two weeks ago I was taken into a vision while in Church at a worship night. In this vision I saw a single tree in the middle of a circular clearing with a vast forest surrounding it as far as the eye could see. I saw the last single leaf fall off a branch to the ground leaving only branches then acceleration took place. This tree started to bud all over with pink flowers coming forth covering the tree. As this happened a strong fragrance from the flowers erupted of seasonal change from

the tree. Then a supernatural shock wave boomed out from the tree into the surrounding forest. This pulse of power from the tree shook the entire forest waking up millions of different species of birds from their sleep. These birds all then began to rise up from the trees where they had been asleep they migrated swirling towards this single tree in the center of the circular clearing.

Rev 14:14-16 “Reaping the Earth's Harvest”

Then I looked, and behold, a white cloud, and on the cloud sat One like the Son of Man, having on His head a golden crown, and in His hand a sharp sickle. And another angel came out of the temple, crying with a loud voice to Him who sat on the cloud, "Thrust in Your sickle and reap, for the time has come for You to reap, for the harvest of the earth is ripe." So He who sat on the cloud thrust in His sickle on the earth, and the earth was reaped. (NKJV)

A week later another vision came in the middle of a worship meeting similar to the first. I saw a tent glowing gold with the ark of the covenant in it lightning's flashing around it it was in a circular field this time surrounded by millions of people. The people were all black no life to them unsaved then an odd one would approach this tent and be touched by it and turn gold, then go back into the crowd slowly changing the color from black to gold of those standing around them it was a work in progress.

Then the time came and the hand of God removed the tent from over the ark waves of power and glory then pulsed out from the ark into the surrounding multitudes line upon line of people hit the deck they fell to their knees it went back into the crowd as the waves hit like a Mexican wave bam bam bam down they all went yielding to Gods Glory millions were saved in an accelerated break out of Glory, God is going to begin to move very soon and it will accelerate into the multitudes. He will accelerate and clean up His bride first the church His government on Earth from top to bottom repentance, deliverance healing restoration and consecration into His Glory He will transform her and unveil her fully to the world Joel 2.

Northern Iraq in June 2014. According to US diplomat Alberto M. Fernandez, "While the majority of victims in the conflict raging in Syria and Iraq have been Muslims, Christians have borne a heavy burden given their small numbers."

On February 3, 2016, the European Union recognized the persecution of Christians by Islamic State of Iraq and the Levant as genocide. The vote was unanimous. The United States followed suit on March 15, 2016, declaring these atrocities as genocide. The vote was unanimous. On April 20, 2016, British Parliament voted unanimously to denounce the actions as genocide. A similar motion however failed in Canada when it was opposed by the majority of MP's in Justin Trudeau's Liberal government.

Persecution of Christians -From Wikipedia, the free encyclopedia

Persecution of Christians can be traced historically based on the biblical account of Jesus from the first century of the Christian era to the present day. Early Christians were persecuted for their faith at the hands of both Jews from whose religion Christianity arose and the Romans who controlled many of the land across which early Christianity was distributed. Early in the fourth century, the religion was legalized by the Edict of Milan, and it eventually became the State church of the Roman Empire. Christian missionaries as well as converts to Christianity have been the targets of persecution ever since the emergence of Christianity, sometimes to the point of being martyred for their faith.

Schisms of the middle Ages and especially the Protestant Reformation, sometimes provoked severe conflicts between Christian denominations to the point of persecuting each other. In the 20th century, Christians have been persecuted by various groups, including the Islamic Ottoman Empire in the form of the Armenian Genocide, the Assyrian Genocide and the Greek Genocide, as well as atheistic states such as the Soviet Union and North Korea. During World War II members of some Christian churches were persecuted in Nazi Germany for resisting Nazi ideology. In more recent times the persecution of Christians has increased in India according to International Christian Concern. The Christian missionary organization Open Doors (UK) estimates 100 million Christians face persecution, particularly in Muslim-majority countries such as Pakistan and Saudi Arabia.

Pence Tells Persecuted Christians Help is on the Way: 'God Will 'Breathe New Life' Into the Middle East'

10-25-2017 CBNNews.com

Vice President Mike Pence delivered the keynote address Wednesday night at the In Defense of Christians (IDC) annual summit, and brought a message of solidarity and hope for the persecuted Christians of the Middle East.

"The Bible tells us that all who desire to live a godly life through Christ Jesus will be persecuted," Pence said. "Sadly, today, Christianity is under unprecedented assault in the ancient land where it first grew." "Tonight, I came to tell you help is on the way. President Trump and I and our entire administration are working tirelessly to protect these ancient communities," he added.

Calling Evil by Name

Christians and religious minorities have endured ongoing torture in the Middle East, actions the Trump administration calls by name: 'genocide'. "They are genocide. They are crimes against humanity and we will call them what they are," Pence said. The vice president also didn't shy away calling the force behind the violence by name. "President Trump and I see these crimes for what they are: vile acts of persecution animated by hatred for Christians and the gospel of Christ. And so too does this president know who and what has perpetrated these crimes and he calls them by name: radical Islamic terrorism," Pence said.

Defeating the Caliphate

Pence also brought some good news, saying ISIS has troubled days ahead.

"Thanks to the courage of the American armed forces and the resolve of the Commander in Chief, I'm pleased to report that ISIS is on the run," he said. "Three years ago those barbarians celebrated in the streets in their self-declared capital of Raqqa. They proclaimed the start of a thousand year caliphate and they raised their black flags against the region. But those black flags no longer fly in Raqqa."

Last week U.S. forces helped liberate Raqqa, taking back one of the last strongholds of the crumbling caliphate.

A New Path to Rebuild

While many applaud the near destruction of the Islamic State, Pence says it is time to help the victims of genocide rebuild.

"As we begin to see the tides of terror recede, I can assure you that President Trump is committed to help persecuted peoples reclaim their land, return to their homes, rebuild the lives, and replant the

roots in their ancient home," he said. However, the vice president said this administration isn't helping persecuted Christians the same way the Obama administration did.

"The last administration devoted well over a billion dollars in humanitarian aid to the Middle East, but routed the lion's share through programs run by the United Nations. Yet the U.N. has too often failed to help the most vulnerable communities -- especially religious minorities," Pence explained. "And while faith-based groups with proven track records and deep roots in the region are more than willing to assist, the United Nations continues to deny their funding requests."

"Tonight, it is my privilege to announce the President Trump has ordered the State Department to stop funding the ineffective relief efforts of the United Nations and from this day forward, America will provide support directly to persecuted communities through USAID," he said.

Faith in God

While the road towards safety and security may seem like a far way off, Pence has faith that God will do a great miracle in the Middle East.

"I have faith because I am a believer," he told the audience. "And I believe that He who said, 'that when you pass through the waters I will be with you.' That He who said, 'I will never leave you nor forsake you' never will." "He will stand with his people wherever they are in this country and in all the countries that are in our hearts this night, the vice president said. "He himself will breathe new life in the community of Christ in that corner of the world where it all began."
