Chapter 36

Rev 6: 9-11 the 5th Seal “Cry of the Martyrs”

When He opened the fifth seal, I saw under the altar the souls of those who had been slain for the word of God and for the testimony which they held. And they cried with a loud voice, saying, "How long, O Lord, holy and true, until You judge and avenge our blood on those who dwell on the earth?" Then a white robe was given to each of them; and it was said to them that they should rest a little while longer, until both the number of their fellow servants and their brethren, who would be killed as they were, was completed. (NKJV)

Christians are known to be the most persecuted people group around the world in modern times. In a book called "The New Persecuted" by Author "I Nuovi Perseguitati" published in Rome in 2002, historic research has found then estimated 70 million Christians have been killed (*This is of course a lot more than imagined Rome, The Vatican, Islam, India, China, Russia, Japan, Iraq, Iran, Syria, Jordan, Turkey, Egypt, Libya, Yemen, Tunisia, Saudi Arabia, Cambodia, Germany, North Korea and across Asia minor they have all killed millions over generations as well. Over 60 nations mainly Muslim now persecute 200 million Christians worldwide*) This estimation was up until 2002 since Steven's death (Acts 7:54-59) Steven was the first Martyr killed in 34 A.D (*this authors guess is it could be u to a billion killed only God truly knows the cost over 2000 years*). Nauvi determines that 24.5 million Christians have been martyred over 2000 years from Steven's death in 34 AD (*other authors estimate it at 50 million plus: see chapter 19B "The martyrs of the Vatican"*).

Then 45.5 million Christians have been martyred in the last 100 years that's 65% of all Christian murders throughout history taking place in the 19th century alone revealing an exponential increase in Christian martyrs. In the last few years since 2013-2017 Christian martyrdom doubled with 160 to 200 thousand annually around the world an increased accelerated pace tied into the end time's time line. There is now up to 200 million Christians under persecution worldwide in 64 nations, it is estimated that 800-900 million Spirit filled protestant Christians exist in 200 nations as of 2019, 20% are under fearful persecution coming mainly from Muslims. Islam over 1400 years had killed an estimated 669 million people targeting Jews and Christians. The Vatican over 1700 years has killed 70 million people also targeting Protestants.

The “Cry of the Martyrs” has been heard beneath Gods throne since the first martyr Steven after Christ Himself died as seen in Acts 7:54-59, 8:1-2 Steven was Holy Spirit filled. Over the centuries millions of Christians have been martyred in terrible ways drawn and quartered, sawn in two, tortured, burnt alive, boiled in oil, beheaded, drowned and torn apart by animals to name a few. You had the Pharisees for the first few years then the Romans killing Christians up until 313 A.D when Constantine brought in the “Treaty of Milan” ending persecution for a time. Then for a period of 1260 years (*see chapter 3 “The 1260 years persecution of the saints”*) starting with Pope Vigilis in 538 A.D then ending with Napoleon in 1798 A.D the Roman Catholic Church tortured persecuted and murdered the majority of an estimated 24.5 million Christians along many other ethnic groups with up to 120 million people altogether conservative estimates are at 70 million. The Vatican targeted heretics calling them Protestant reformers after the 95 thesis Martin Luther protest of 1517. These were people that would not bow down to the Vatican Papal powers as true Christians they only worshiped Christ not the reigning Papacy.

Another religion Islam with its Muslim followers for centuries since its creation in 610 AD has been murdering people groups that don’t confess to be Muslim that don’t bow down to Allah referred to as infidel’s non believers in Allah. The Islamic generational killing machine has tortured raped and murdered an estimated 669 million people over a 1500 year period targeting Christians and Jews as their number one enemy. It’s unknown just how many millions of Christian lives have been taken by Islam so it goes unrecorded. We know in the 19th century the Ottoman Turks killed 2.5 -3 million Armenian, Greek and Assyrian Christians. During WW2 from 1939-1945, Hitler tortured, starved and murdered 6 million Jews along with untold numbers of Christians in concentration camps this was a Muslim policy of ethnic cleansing that Hitler adopted from Islam.

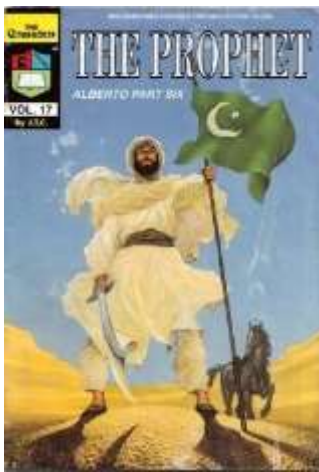

Then in 1971 another 3 million Bangladesh people were murdered and raped by the Pakistani Muslim army an ethnic cleansing many were Christians this was only stopped at India’s uprising against this genocide. Then 2 million Christians have been both destroyed and displaced in Iraq and Syria alone in less than 4 years from 2013 – 2017. In Russia (1917- 1991 until the Berlin wall fell) millions of Orthodox Christian were put to death under regimes such as Stalin, Mao in China was another mass murderer targeting Christians as well. Islam is the biggest generational killing machine on earth within continues committing terrorism, genocide, murder, stealing and raping in mass and it continues in countries such as Somalia, Egypt, Tunisia, Libya, Syria, Turkey, Sudan, Yemen, Afghanistan, Russia, Britain, France, Nigeria, Germany, Iraq, Iran, Saudi Arabia, Pakistan, Palestine, Israel and the list goes on. Between these two spiritual beast religions the Vatican and Islam hundreds of millions (800 million) of people have been killed over a 1700 year period, they have both been under the same antichrist spirit persecuting Jesus as we see in John 15:20:

“THE BOOK OF REVELATION UNSEALED”

Chapter 36

“Remember the word that I said to you, A servant is not greater than his master. If they persecuted Me, they will also persecute you” the dragons armies. In Rev 12: 13, 17 we find it’s the Dragon (Satan) that persecutes the saints through his vessels on the Earth as a seven headed ten horned beast throughout Scripture: “Now when the dragon saw that he had been cast to the earth, he persecuted the woman who gave birth to the male Child.” ”And the dragon was enraged with the woman, and he went to make war with the rest of her offspring, who keep the commandments of God and have the testimony of Jesus Christ.” (NKJV)

It has been suggested that Islam is the offspring creation of the Vatican (*see chapter 0 “My dreams from book of revelation” page 20-22*) as testified to by ex Jesuit priest turned Christian Alberto Rivera (*see chapter 4 “The Vatican and Islam”*). Alberto testified about this then wrote several magazine type booklets about the secrets and knowledge held by the Vatican. The particular booklet (32 pages) called “The Prophet” was about Islam’s creation and why, it was published by “Chick Publications” a Christian organization, Alberto was killed for his testimony. Historians admit Islam itself has no proven historic documents around its actual creation; the Quran has been altered added to and changed by Islamic religious leaders down their generations.

The culmination of the “Cry of the martyrs” comes in a time period after the end of the” warring against the saints” of 42 months (*see Chapter 35 “Warring against the saint’s”*). The two witnesses become the last two martyrs killed in Revelation 11 before Christs actual return completing this Rev 6:9-11 company of martyrs (*see chapter 44 “The two witnesses”*) as found in Rev 12:13-19, Rev 6:9-11, Rev 13:7-10, Rev 14:12-13, Rev 17:5-6,12-14, Rev 7:13-17, Dan 11:31-36, Dan 12:7-13 and Dan 7:8-27.

“THE BOOK OF REVELATION UNSEALED”

Chapter 36

After the 42 months of the “war against the saints” under the beast from the sea of Rev 13:1-10 (*Obama 2009 - 2017*) the crushing of the power (*effectiveness/authority*) of the Holy people is accomplished, in the region of the war. This period of 42 months as prophesied prophetically symbolically came to an end Friday January 20th 2017 when President Trump was inaugurated, bringing us to Dan 7:22 as a sign to the body of Christ Gods favor is coming. Where He will heal the wound of the sword of war against His in the region.

Is 30:25 There will be on every high mountain And on every high hill Rivers and streams of waters (*Revival worldwide Rev 14:14-16 harvest coming*), **In the day of the great slaughter** (*foot and mouth went across the UK and Europe killing millions of animals in 2001. God stated as a warning if my people turn away from my word, I will strike the cattle of their land in the book of Deuteronomy, the British symbolled by the Lion, brought out the King James Bible in 1611 to the world*), **When the towers fall** (*Twin Towers fell Sept 11th 2001 in the USA symbolled by the Eagle*). **Moreover the light of the moon will be as the light of the sun, And the light of the sun will be sevenfold** (*This is light not global warming light is radiation it's the Ozone layer damage fluctuating, skin cancers have increased around the world since 1987 research it*), **As the light of seven days, In the day that the LORD binds up the bruise** (*war against the saints 2013-2017*) **of His people And heals the stroke of their wound** (*from war in the Middle East under Obama and his beast Muslim armies, the Twin Towers falling Under George W Bush then led us into the 5th and 6th Trumpets in Asia Minor*). (NKJV)

The 42-month period of “war against the saints” started June 2013 when Hezbollah entered into Aleppo officially entering the Syrian conflict with Hezbollah 2000-4000 troops. Christian martyrs began doubling in 2013 worldwide as a beast spirit was accelerated into nations, from with estimates of up to 100 -200 thousand Christians being killed per year (*could be up to 200 thousand per year from 2013-2017*) conservatively it's very hard to get accurate numbers. One Christian on average is killed every 5 minutes this is a dramatic increase. Muslims have destroyed eliminated and removed up to 2.3 million Christians in 4 years alone from Iraq and Syria from 2013-2017 many were killed as hundreds of thousands became refugees, no one truly knows what's happened to these ones this blows up the numbers dramatically.

Chapter 36

By December 2024 Erdogan backed Muslim Brotherhood terrorist rebels defeated Assad in Syria. Then almost immediately after this Muslim victory the rebels began a systematic genocidal wave of killing against tens of thousands of Christians that were left in Syrian towns. Erdogan of Turkey now has huge influence and political military control over Syria that border 700 miles of Israel through the Golan Heights. This places Erdogan (*False prophet of Rev 13:11-18*) into a position of entrance into Israel at any time with troops for war Ex 38 & 39, Armageddon Rev 16:16.

The persecution of Christians by the Islamic State involves the systematic mass murder of Christian minorities, within the regions of Iraq, Syria, Egypt, Libya, Democratic Republic of the Congo, Mozambique and Nigeria controlled by the Islamic extremist group Islamic State. Persecution of Christian minorities climaxed following the Syrian civil war and later by its spillover but has since intensified further. Christians have been subjected to massacres, forced conversions, rape, sexual slavery, and the systematic destruction of their historical sites, churches and other places of worship.

Christians in Iraq number around 120,000 today, according to the U.S. State Department (since 2011) a huge fall in two decades from 1.2 million. Their population is expected to decline even further. In Syria, the Christian population has been reduced to 300,000. Before 2011, there were 1.5 million Christians living there, according to several human rights organizations. Most Christians in these countries are ethnic Assyrians/Syriacs/Chaldeans and Armenians. The decline in these Christian populations is due to religious persecution by terrorists.

Isis destroyed hundreds of churches and Christian Holy sites in Iraq and Syria during their tyranny and rampage of destruction and murder. This type of Islamic destruction against the church has continued in Sudan, Nigeria, Turkey, Syria and many other Islamic dominated nations year after year.

Countries of Christian persecution and martyrdom

The WWL data is compiled from reports spanning November 1, 2015, to October 31, 2016. The annual list is audited by the International Institute for Religious Freedom. Open Doors defines persecution as “any hostility experienced as a result of identification with Christ.” “Christians remain one of the most persecuted religious groups in the world,” it stated. “Christians throughout the world continue to risk imprisonment, loss of home and assets, torture, beheadings, rape and even death as a result of their faith.”

Vision 28.5.2015: From “My dreams of Book of Revelation” Chapter 0.

Saints (God)

Islam (Satan)

I saw the Lord in a vision bring judgment against Islam I saw the sands of time in an hour glass run out for Islam the Lord then flipped the hour glass over and favor and victory was then given to the saints to overcome the persecution they had endured (**August 16th 2014 dream of Isis defeat then Trump becomes President Jan 2017 “Daniel 7:22” at end of 42 months warring against the saints turns heavenly against Isis as a Christian President**). I saw riders on white horses of fire ride across the land burning everything in their path with “Holy Fire” (**Joel 2 army**). The enemy had to flee and run from this onslaught of grace mercy and love as millions came running to God and salvation (**Rev 14:14-16 worldwide harvests coming**). A great victory the blood of the saints had cried out to God and he answered and God was satisfied with the cry.

This was a very clear vision of an egg timer type of hour glass with sand in it came. On the top of the timer was written "Islam" (*warring against the saints*) and its sand (**time**) had nearly run out. I saw the Lord turn it over and this time it had "Saints" written on the portion now at the top of the timer (**Daniel 7:22, 25-27, Dan 8:9-14**) that was full of sand. God is about to give judgment in favor of the saints (**to posses the kingdom on Earth**) against what the enemy has being doing “warring against the saints” for a long time. I also felt Lord say He was going to destroy Isis from Iraq to push them right out.

Daniel 7:21: 22 "I kept looking, and that horn (*Antichrist*) was waging war with the saints and overpowering them until the Ancient of Days came and judgment was passed in favor of the saints of the Highest One, and the time arrived when the saints took possession of the kingdom.

(**November 8th 2016 Trump wins presidential race against great odds Dan 7:22, he is a Christian surrounded by evangelicals such as James Dobson (whom testifies he was there when Trump was reborn again), Jenetzin Franklin, Paula White and David Jeremiah the antichrist kingdom got toppled in the USA it's now time for Rev 14:14-16 harvest**)

“THE BOOK OF REVELATION UNSEALED”

Chapter 36

NOTE:

The interesting part about modern futurist theology is they predict a future 7 year period of Tribulation that comes from the last week or 7 years of Daniels 70 week prediction ($70 \times 7 = 490$ years). In the book of revelations and new testament there is no mention of a 7 year tribulation period at all only a 42 month tribulation period against the saints, the "warring against the saints" by the Rev 13:7-10 beast is cross referenced in Rev 12:13-19, Rev 6:9-11, Rev 14:12-13, Rev 17:5-6,12-14, Rev 7:13-17, Dan 11:31-36, Dan 12:7-13 and Dan 7:8-27. Prior to the C.I. Scofield Bible that came out at the turn of the 19th century, for hundreds of years the believers focused on 3 and one half years or 42 months as the main tribulation period as found several times in scripture. There was also a belief going right back of believers saying the tribulation period was 30 minutes tied into the half hour silence in heaven of the 7th seal prior to Gods Christ's being loosed at His coming. The 7 year tribulation period seems to be pure theology from one man's popular belief and teaching that spread originally from the Jesuits to counter the protestant reformation of the 1500's, then by the C.I. Scofield Bible, this 7 year tribulation period is not accurate scriptural prophecy of end times. The actual tribulation period against the saints is a 42 month time span released under the Rev 13:1-10 beast "man of sin" influenced by the antichrist spirit for a short season.

Article:

Cyrus Ingerson Scofield (August 19, 1843 – July 24, 1921) was an American theologian, minister, and writer whose best-selling annotated Bible popularized futurism and dispensationalism among fundamentalist Christians. Although, in theory, Scofield returned to his Dallas pastorate in 1903, his projected reference Bible consumed much of his energy, and for much of the time before its publication, he was either unwell or in Europe. When the Scofield Reference Bible was published in 1909, it quickly became the most influential statement of dispensational premillennialism, and Scofield's popularity as Bible conference speaker increased as his health continued to decline.

This is not some theorized ultimate worldwide dominating last day single international ruler antichrist but it is an end time's antichrist Spirit over all nations as a spiritual principality. The confusion comes when scripture is taken out of the scriptural narrative (*a series of connected events telling a story*) and used in futurism with man's theology man's interpretation of future events not God's prophetic time line of connecting scriptures. The scripture used to explain the Daniels 70 week gap theory is as below which is actually about Jesus Christ not the antichrist.

It says In Daniel 9:27: **“Then he shall confirm a covenant with many for one week; But in the middle of the week He shall bring an end to sacrifice and offering And on the wing of abominations shall be**

one who makes desolate. Even until the consummation, which is determined, Is poured out on the desolate." (NKJV)

President Obama was on the world scene for an 8 year period 2009 – 2016 in the last part of his presidency the “42 month warring against the saints took place”. The false prophet (*see chapter 41 “The False Prophet”*) comes at the time of the beast of Rev 13:1-10. The false prophet rises up during and after this time period the first thing he does is call down fire in the site of men (*2015 Russian jet shot down*) then he is to erect a statue image to the wounded head of the beast of Rev 13:1-10 (happened June 2017). The false prophet calls many to give allegiance to him and says he will kill his enemies (*happened June 2017*). This took place on June 15th 2017 in Turkey President Erdogan erected a 150 foot high statue of the Ottoman empire (*wounded head WW1 see chapter 9 the first Trumpet*) commemorating the 2016 cue against him.

President Erdogan called allegiance to himself and the empire swearing he will be- head all his enemies just as it states in Rev 13:14-15 : **And he deceives those who dwell on the earth by those signs which he was granted to do in the sight of the beast, telling those who dwell on the earth to make an image (“statue or Idol” a representation of the external form of a person or thing in art.) to the beast who was wounded by the sword and lived (Ottoman Empire WW1). He was granted power to give breath to the image of the beast, that the image of the beast should both speak and cause as many as would not worship the image of the beast to be killed. (NKJV)**

After the 42 months of the warring against the saints tribulation God then brings judgment and favor for the saints to inherit the Kingdom on earth (*see chapter 43 Rev 14:14-16 “worldwide harvest”*) to take back the dominion of the antichrist spirit that’s been around for generations. As mentioned the time frame of the warring against the saints started under President Obama. On June 2nd, 2013 Hezbollah officially entered into Aleppo with 2000 troops the largest Syrian city of 4.6 million. Hezbollah first started with a very small force in May 2013 entering the Syrian war. According to estimates Christian martyrs doubled to 160 - 200 thousand a year in 2013 that’s one every 3 minutes killed.

May 4th 2017, Hezbollah’s Ibrahim Amin al-Sayyed says Hezbollah will not intervene in Syrian conflict but would act to prevent Israel and the United States from intervening.

May 25th 2013, Hezbollah Secretary-General Hassan Nasrallah admits Hezbollah has been fighting on behalf of Bashar al-Assad in the Syrian Civil War. Hezbollah’s regional popularity begins to plummet.

May 29th 2013, Hezbollah bolsters forces in the Syrian town of Qusayr, sending 1,700 fighters to support Assad’s forces in retaking the strategic town.

“THE BOOK OF REVELATION UNSEALED”

Chapter 36

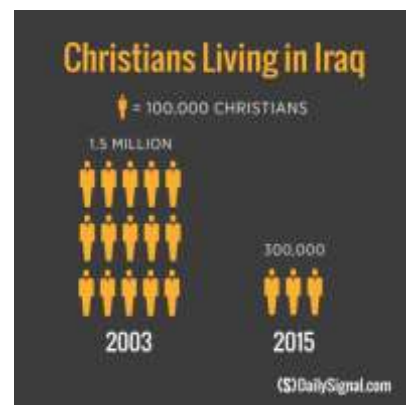

June 2nd 2013, Hezbollah deploys 2,000 fighters around Aleppo in support of Bashar al-Assad's forces. A Hezbollah commander announces that the group had deployed “no more than 10,000” fighters in Syria, 3,000 of them in Qusayr alone.

See: <https://en.wikipedia.org/wiki/Aleppo>

In one news report seen in 2017 on PNW (www.prophecynewswatch.com) they reported 200 thousand Christian Martyrs annually it's very hard to estimate numbers accurately with so many being killed. Isis was supported by Erdogan of Turkey and the Muslim Brotherhood supporters from the US. Turkey then entered into Iraq in early 2014 with secret US/allied support. Training and funding set up by President Obama of certain terrorist groups by the CIA in both Iraq and Syria was stopped by president Trump mid 2017. The 42 month period of the “**war against the saints**”, ran from July 2013 through to Jan 2017 the end of President Obama's second term. The Muslim Brotherhood for instance in August 2013 attacked and destroyed 80 churches in Egypt after Mohamed Morsi of the Muslim Brotherhood was forced to step down in June 2013. Morsi had been put into power by President Obama and President Erdogan in June 2012 after the Arab spring uprising of 2011 he immediately went about crucifying and killing Christians in Egypt. Morsi was then overthrown by the Egyptian army one year later amidst protests due to his radical Islamic actions with giving himself dictatorship powers loosing terrible Christian persecution in Egypt.

At the turn of the century the Middle East consisted to be 20% Christian now it has fallen to just 4% it's been genocide today's population as of 2017 in the Middle East is 411 million people. In March of 2016 the Chaldean Bishop of Aleppo reported that in a few short years of conflict mainly in the last 3-5 years, the Christian population of Syria has been reduced by two thirds from 1.5-7 million to just 450,000. No one really knows fully what's happened to the 2.3 million Christians how many are dead or how many are refugees, it's all estimates of those who have disappeared from Syria and Iraq alone or how many are left alive in other Islamic nations in the region. Christian cities and towns have become ghost towns with very few returning after the Isis defeat of 2017. It was reported in Iraq by mid 2019 the Christian population had gone from 1.5 million to below 150 thousand in a few short years.

There were 1.5 million Christians in Iraq before 2003, but by mid-2019 that figure had fallen to well below 150,000; by some estimates the number of Christians there may have fallen as low as 120,000 a decline of more than 90 percent within a single generation. In Syria, the size of the Christian population

“THE BOOK OF REVELATION UNSEALED”

Chapter 36

has fallen by two-thirds since the country's civil war began in 2011, when Christians still numbered more than 2 million.

See: <https://www.churchinneed.org/christians-disappearing-from-syria-iraq-a-call-for-global-intervention/>

Before the war began, Christians made up 7.3% of the Syrian population, or 1.7 million among a total population of 23 million. But today, Christians make up an estimated 1.9% to 2.5% of the population, she said, which is fewer than 450,000 people. (2019 report)

See: <https://www.christianpost.com/news/over-120-churches-attacked-since-start-of-syrias-civil-war-report.html>

Now in its 10th year, the Syrian conflict has led to more than 500,000 deaths and displaced an estimated 13 million, over half of Syria's pre-war population. Over 6.2 million Syrians are internally displaced, and 5.6 million are refugees, predominantly in Lebanon, Jordan, and Turkey.

On November the 8th 2016 Donald John Trump a brand-new Christian won the USA election he overturned the antichrist (*Obama*) agenda in the USA. Gods sign post of favor as prophesied in Dan 7:22 has come to the saints against badly biased odds. This has come bang on time to the letter of the “42 months of persecution” against the Middle East Christians. This victory came through terrible violent demonstrations and corrupt media bias against Trump backed up by Hillary Clinton and George Soros whom spent millions on corruption, media, voter fraud along with Hollywood and Obama's endorsement of Hillary. The odds were so against Trump yet he won defying the odds Gods people spoke Gods favor now begins for the saints, its harvest season time. For months after Trumps won and his inauguration riots still raged and media disrespected Trump as president with false media reports a truly demonic manifestation against Gods hand.

President Trump has surrounded himself with evangelical leaders of the Christian faith and received many prophecies from the Lord and much prayer through men and women of God leading up to the election. There are prophecies going as far back as 2007 about Trump coming into power by well known prophet Kim Clement. Another very clear prophecy came in April of 2011 to retired Florida firefighter Mark Taylor who received a word from the Lord about the future of America involving Trump. See Articles below:

The following is Kim Clement prophecy from 2007:

Kim Clement a well known and respected prophet in 2007 prophesied, he said Trump would become God's Trumpet, and would be placed in the highest office in the land. This was two years before Obama's first term began in 2009 and 10 years before Trump even came into power! Who was thinking about Donald Trump being President back then? No one, except the Lord.

“Trump shall become a trumpet, says the Lord. Trump shall become a trumpet. I will raise up the Trump to become a trumpet and Bill Gates to open up the gate of a financial realm for the Church, says the Lord.”

“For God said, ‘I will not forget 9/11. I will not forget what took place that day, and I will not forget the gatekeeper that watched over New York, who will once again stand and watch over this nation, says the Spirit of God.’”

“It shall come to pass that the man that I place in the highest office shall go in whispering my Name. But God said, when he enters into the office, he will be shouting out by the power of the Spirit,”

“There will be a praying President, not a religious one. For I will fool the people, says the Lord. I will fool the people, yes I will. God says, the one that is chosen shall go in and they shall say, ‘He has hot blood.’” “For the Spirit of God says, Yes, he may have hot blood, but he will bring the walls of protection on this country in a greater way and the economy of this country shall change rapidly, says the Lord of Hosts.”

“Listen to the Word of the Lord. God says, ‘I will put at your helm for two terms a President that will pray, but he not be a praying President when he starts.’”

“I will put him in office and then I will baptize him with the Holy Spirit and my power, says the Lord of Hosts.”

The following is Mark Taylor's original prophecy from 2011:

The Spirit of God says, I have chosen this man, Donald Trump, for such a time as this. For as Benjamin Netanyahu is to Israel, so shall this man be to the United States of America! For I will use this man to bring honor, respect and restoration to America. America will be respected once again as the most powerful and prosperous nation on Earth, (other than Israel). The dollar will be the strongest it has ever been in the history of the United States, and will once again be the currency by which all others are judged.

The Spirit of God says, the enemy will quake and shake and fear this man I have anointed. They will even quake and shake when he announces he is running for president, it will be like the shot heard across the world. The enemy will say what shall we do now? This man knows all our tricks and schemes. We have been robbing America for decades, what shall we do to stop this? The Spirit says HA! No one shall stop this that I have started! For the enemy has stolen from America for decades and it stops now! For I will use this man to reap the harvest that the United States has sown for and plunder from the enemy what he has stolen and return it seven-fold back to the United States.

The enemy will say Israel, Israel, what about Israel? For Israel will be protected by America once again. The spirit says yes! America will once again stand hand and hand with Israel, and the two shall be as one. For the ties between Israel and America will be stronger than ever, and Israel will flourish like never before. The Spirit of God says, I will protect America and Israel, for this next president will be a man of his word, when he speaks the world will listen and know that there is something greater in him than all the others before him. This man's word is his bond and the world and America will know this and the enemy will fear this, for this man will be fearless. The Spirit says, when the financial harvest begins so shall it parallel in the spiritual for America.

The Spirit of God says, in this next election they will spend billions to keep this president in; it will be like flushing their money down the toilet. Let them waste their money, for it comes from and it is being used by evil forces at work, but they will not succeed, for this next election will be a clean sweep for the man I have chosen. They will say things about this man (the enemy), but it will not affect him, and they shall say it rolls off of him like the duck, for as the feathers of a duck protect it, so shall My feathers protect this next president. Even mainstream news media will be captivated by this man and the abilities that I have gifted him with, and they will even begin to agree with him says the Spirit of God.

“THE BOOK OF REVELATION UNSEALED”

Chapter 36

When “Obama” of Rev 13:1-10 Satan’s antichrist man got in, the US and the world celebrated calling him the messiah, God the savior, a spiritual war then raged over his two terms against God and the saints. Under Obama the war against the saints was loosed through his actions and foreign policies. Then the toppling began of the demonic antichrist Kingdom of men, this began to crumble with President Trump coming into power in 2017. The favor Dan 7:22 of God had come after a 42 month stint of atrocities against the saints in the Middle East. Many saints were martyred this was from many years of satanic agendas and corrupt leaders a true swamp. The kingdom of darkness is exposed against Trump in the US, absolute hatred towards him by Hollywood, liberals, elite and elite false media a swamp of demons.

As we came towards the end of the 42 months of the **“war against the saints”** as prophesied about in Rev 13:7 God moved with Trump some say he’s a Cyrus “Isaiah 45” to navigate through chaos supernaturally in the USA to build a wall to protect the USA. President Trump in his first 18 months in office was used to prosper the USA through trade and employment to defeat Isis and to halt Chinas trade war. His hard line tactics brought reconciliation between North and South Korea after decades of declared war between the two, many never saw that coming. In regards to Islam it’s time is actually over spiritually we have now entered into the Dan 7:22 favor of the saints (*Trump is the sign post*) and the Rev 14:14-16 worldwide harvests, an outpouring worldwide of Gods Glory to herald in His return.

The harvest could last for a decade plus it’s up to God normally a harvest is quick and short lasting yet billions will come to Christ even Ishmael/ Islam. The revelation 11 two witnesses are the last two prominent martyrs to die completing the “Cry of the martyrs” they die for Israel just prior to Christ’s return. The two witnesses testify at the same time frame of 42 months half of Jerusalem is trampled by the gentiles (*non-Jews*). The two witness’s lives are laid down at the end of this final 42 months for the sake of Israel (*Judah*) itself to be saved the last Rev 14:14-16 harvest nation, to come into salvation. God then within one hour of witnesses being raised to life is hallowed in the sight of the nations at the defeat of Gog of Magog (*Beast and False prophet of Islamic religion*) and his armies (*Islamic*) at the battle of “Armageddon” Ezekiel 38-39, Rev 9:13-21, Rev 6:7-12, Rev 16:12-16 war.

Christian martyrdoms have been increasing; from 35,000 per year in 1900 to an estimated 100 thousand plus a year by mid 2013 onwards (*start of warring against the saints of 42 months ends January 2017*). Christian martyrs started with Pharisee and Roman persecution at the birth of Christ's church from Pentecost onwards. The true church of Christ then came into massive persecution under the Roman Empire preceded by the Vatican "The Holy Roman Empire" in the middle ages lasting a further 1260 years. Christians were persecuted by Islam from early 600 AD onwards. Christian persecutions emerged through the "Dark Ages" of Roman Catholic inquisitions against protestants. Islamic Jihadists targeted Christians and Jews across the Middle East. The persecution and killing of Christians has been going on for over 2000 years through the Vatican and Islamic systems, the beast's kingdom Rev 17.

In our modern day the "Holy Roman Empire" (*EU Lisbon Treaty of 2009*) has emerged again on the world scene as a world economic power and influence. With the US President Obama "the beast" having great influence he headed up US influence with the TPP, TTIP, G7, EU, NATO, UN and Coalition forces from the EU, UN NATO and G7 up to 60 nations were drawn into the Middle East conflict where Islamic terrorists concentrated on ethnic and Christian genocide throughout Iraq and Syria. A war platform was plotted and laid then escalated in the Middle East. Turkey also is on the rise once again (*Turkish Armenian genocide of early 19th century 2.5 million at Islamic Ottoman hands*) from 2015 with Christian persecution under Erdogan resorting back to Ottoman ideals confiscating Christian lands, churches and assets placing many christians in jail.

The government of Turkey is now confiscating Christian property (over 50 plus properties) and prohibiting Christians (Armenian, Kurds and Chaldeans) worshipping in their churches (for last 3

years), which have also been confiscated. This is happening in certain areas of Turkey, but soon it will be widespread.

Tensions of war have been stirred between Russia (*Invaded Ukraine 2022*), China (*wants to invade Taiwan*), Ukraine, Iran (*wants to invade Israel*), Israel, Saudi Arabia, Islam and the west with the US/UN foreign policy over Ukraine and terrorism. The Revelation 13:1-10 beast, False prophet the Dragon (*UN/Elites*) and the end times “Holy Roman Empire” the Rev 17, 8th King beast, are all positioned as chess piece’s on the world stage. There is a final show down between the super powers coming (*Rev 17 “ten horn” economic political war then the “Great tribulation” Math 24*) along with supernatural powers all positioned for the final confrontation leading to the return of Christ at Armageddon. The cry of the martyrs comes from the Rev 17 woman riding the beast drunk on the martyrs blood for generations, is about to be heard and answered by God Himself. Gods Justice is to save, heal, deliver and restore many before His wrath hits against the wicked.

The below article is a very conservative estimate from the Catholic Church not taking into account the thousands of true Christians martyred on a daily basis in various Muslim dominated countries. This includes the unaccounted North Korea where no one truly knows the numbers of Christian deaths taking place (*estimated 100'000 in jail as state slaves*). The number of martyrs is much higher at twice what’s being reported no one can truly measure the losses each year it’s basically unaccounted for and only based on estimates. North Korea has up to 150 thousand Christians in hard labor camps as slaves to the state they are expendable.

As many as 80 people were publicly executed in North Korea this month (report from Jan 1st 2018) for minor offenses such as owning a Bible.

See: <https://exclusive103.com/2018/01/01/north-korea-publicly-executes-80-for-possessing-bibles/>

80 Christians were publically martyred in North Korea by machine gun in front of ten thousand forced spectators in 2017 for owning Bibles.

Christians Most Persecuted Religious Group in the World, Study Says

by Nick Hallett 28 Dec 2016

Christians are the most persecuted religious group in the world, with around 90,000 killed for their faith in 2016, the director of a leading religious study group has said.

Massimo Introvigne, Director of the Centre for Studies on New Religions (Cesnur), told Vatican Radio that around half a billion Christians in the world are unable to express their faith completely freely, while around 90,000 (*estimations from other groups place this figure at 160'000 to 200'000*) – one every six minutes – died for their faith in the past year alone.

Referring to statistics from the Centre for the Study of Global Christianity, Mr Introvigne said around 70 per cent of Christians murdered in 2016 died in tribal conflicts in Africa. These deaths were included, he said, because very often they involved Christians who refuse to take up arms for reasons of conscience.

“The other 30 per cent, or 27,000, were killed in terror attacks, the destruction of Christian villages, or government persecution,” he added.

He told Vatican Radio that the Catholic Church is currently considering possible sainthood for individual Christians killed in territories controlled by the Islamic State terror group. Some Christians, he said, had risked almost certain death by staying in these territories to give testament to their faith.

The statistics, due to be released next month, do offer some hope, however, as the number of Christians killed is down from 105,000 in 2015 – although, Mr Introvigne points out, they remain the most persecuted religious group on the planet.

In March, the Chaldean Bishop of Aleppo reported that in just five years of conflict, the Christian population of Syria has been reduced by two thirds from 1.5 million to just 500,000.

The majority of those who remain, he added, live in areas controlled by the secular government of Bashar Assad as they flee Islamist rebels. The city of Aleppo finally fell to government forces earlier this month, but much of the city, including its three cathedrals, is in ruins.

The acceleration of Christian persecution has taken place exponentially since the Arab Spring of 2010-2011, this has doubled in numbers to 380 million in 76 nations worldwide by 2025, especially in Muslim dominated countries, China and North Korea.

1 in 7 global Christians faces 'high-level' persecution: Open Doors report

(RNS) — Christians around the world are being attacked and killed, forced to flee and driven underground, the annual report finds.

Chapter 36

(RNS) — Driven by Islamic extremism, authoritarian regimes and war, high-level persecution and discrimination impacted 380 million Christians around the world in 2024, according to the annual World Watch List report by the evangelical nonprofit Open Doors released Wednesday (Jan. 15).

The World Watch List ranks the 50 countries where Christians experienced the most persecution and discrimination. The 2025 report draws concerns about escalating violence in sub-Saharan countries, authoritarian regimes targeting Christians, conflicts forcing Christians to flee their homes and churches forced underground. North Korea topped the list for the 23rd year, followed by Somalia, Yemen, Libya, Sudan, Eritrea, Nigeria, Pakistan, Iran and Afghanistan.

The report also counted 209,771 Christians displaced because of their faith and 54,780 Christians physically or mentally abused, 10,000 of whom lived in Pakistan. In total, 1 in 7 Christians faced “high-level” persecution.

“While the numbers and rankings only partially tell the story, they do help draw the world’s attention to the 380 million believers who are suffering for their faith. This presents an opportunity for us to communicate the rest of the story,” said the CEO of Open Doors US, Ryan Brown, in a press release announcing the report’s publication.

Since it debuted in 1993, the Open Doors’ World Watch List relies on data provided by on-the-ground local researchers and attributes a persecution score to countries based on the evidence collected. Countries in the “extreme” category scored between 81 and 100 points. Scores between 61 and 80 points are associated with a “very high” level of persecution, and scores between 41 and 60 with a “high” level.

The report defines persecution as “any hostile action towards a person or community motivated by their identification with the person of Jesus Christ.” It takes into consideration insults, abuse and workplace discrimination. It also distinguishes “smashes” — cases of physical violence, bombings, shootings and sexual violence — from “squeezes” — policies and laws forcing Christians into isolation and underground practices.

Chapter 36

Several countries have pushed more Christians to worship underground, the report found, including Afghanistan, ranked 10th, and China, ranked 15th. World Watch List researchers found that more Christians in China feared online and real-life surveillance than in previous years. The report also mentions cases of churches facing ideological pressures and new laws enrolling pastors into indoctrination sessions.

In Eritrea, called the North Korea of Africa for its internet and phone surveillance of citizens, Christians were arrested en masse in house-to-house raids. Only certain denominations are allowed, excluding evangelicals and Christians from a Muslim background.

Algeria, which is ranked 19th, has forced its Protestant churches to close or operate secretly. This caused its score to decrease by 2 points, as it lowered the number of persecuted churches to observe. The report also notes that the number of Christians awaiting trials and sentencing for faith-related allegations in Algeria is at an all-time high.

The persecution score of Kyrgyzstan increased by 7 points, pushing its rank on the list to 47th, the most dramatic increase of all countries. The government there has taken an authoritarian turn and used laws against public criticism to target Christian minorities, explained the report.

In Kazakhstan, which is ranked 38th and gained 3 points on its persecution score, churches have been attacked by police and security services, and Christian women have been forced to marry Muslim men. Like in past years, the report reiterates that Islamic terrorism remains the main threat to Christian communities worldwide. In sub-Saharan countries, jihadist militants have benefited from unstable governments to seize control of specific areas. All 15 countries of the sub-Saharan region were among the top 50 list, and 13 had “extremely high” persecution scores.

With over 106 million Christians, Nigeria, ranked seventh, remains “among the most urgently dangerous places for Christians on earth,” according to the report, primarily because of violent attacks by Islamic, ethnic Fulani militias in the country’s northern states. The attacks are meant to drive Christian communities off the land they farm.

According to the Observatory for Religious Freedom in Africa, quoted in the report, 30,880 civilians have been killed in Nigeria from 2020 to 2023, including 22,360 Christians and 8,315 Muslims. Groups such as Boko Haram and the Islamic State West Africa Province also remain influential and have tightened their control over certain areas. The report also flagged the emergence of a new armed jihadist group, Lakurawa, affiliated with the al-Qaida splinter group Jama’at Nusrat al-Islam wal-Muslimin, which operates on the Nigeria-Niger border.

In Burkina Faso, where armed groups control about 40% of the territory, a local Open Doors researcher identified as Pastor Soré described repetitive attacks against farming communities by jihadist groups that led him and his family to flee to a refugee camp.

The Sudanese civil war has dashed hopes for religious freedom and caused the world’s largest hunger and displacement crisis. Out of a population of 49 million people, more than 7.7 million had fled in mid-2024. Islamic extremists have taken the opportunity to destroy over a hundred churches and abduct and kill Christians, the report’s researchers found.

“THE BOOK OF REVELATION UNSEALED”

Chapter 36

Violence in India’s northeastern state of Manipur has caused tens of thousands of Christians to flee their homes. India was ranked 11th for the increasing popularity of Hindu nationalism and laws that discriminate against Christians.

In Yemen, the conflict that has raged between the government and Houthi rebels since 2015 also left Christian communities more vulnerable to attacks. In Houthi-controlled areas, Christians face numerous persecutions and are also targeted by Yemeni laws outlawing non-Muslim practices. Since their involvement in the Israel-Gaza war, Houthi rebels have gained more power in Yemen and tightened their restrictions on churches, impeding dozens of assemblies from gathering.

The persecution of the countries ranked closer to 50th echoes much of the same occurring in the first 10. In Chad, also located in the Sahel region, Christians are caught in the middle of a conflict opposing jihadist groups and military power. They are targeted on allegations of being affiliated with the opposing party. Chad is ranked 49th on this year’s list.

While Gaza and the West Bank were not ranked, the report collected stories from there too. Since the beginning of the Israel-Hamas war, Christian communities in Gaza are on the brink of extinction, with nearly all their houses destroyed. Christians in the West Bank, who represent about 1% of the population, have also been affected by stricter travel limitations imposed by the Israeli government.
