Chapter 37

Abomination of Desolation

It's important to understand the majority of ancient nations (*ancestral*) named in the book of Revelation, Ezekiel and Daniel are geographical Middle East nations with new names in modern times. These are the lands given to Abraham in a land covenant by God that bordered the Nile River of Egypt in Africa to the Euphrates River. These lands were populated before the Hebrews arrived known as the land of Canaan populated by 7 nation people groups all descendants Canaan son of Ham. Ham was Noah's cursed son these were known as the Amorites, Hittites, Girgasites, Canaanites, Perizzites, Hivites and the Jebusites.

These were all Idol worshipping nations that passed their children (*infanticide*) through the fires of Molech they also worshipped Baal (*Satan*) the son of Dagon (*Philistine God*) and Ashtaroht. So it was a land of Abominations to the Lord of Idolatry and demon worship the land where the watchers came down on Mount Hermon (*Book of Enoch and Bible*) to mate with human woman creating the giants of old the men of renown that's why God sent Noah's flood to rid the Earth of that evil. The root word to "abomination" in the Hebrew/Greek is idolatry the worship of an "idol or thing" instead of God Himself. Even today in modern times our nations are now filled idols (*Islamic Star and moon of Baal*) such as sex, drugs, the image of men male and female with a beast nature, LGBT, rock and roll, sports, money. Hollywood stars, even Holy sites in Israel. Even the Orthodox Christians kiss and worship pictures of Jesus influenced by the same idolatry. All the nations in Israel's day worshipped foreign gods and statues.

Deuteronomy 7:1-2: When the LORD your God brings you into the land where you go to possess it, and casts out many nations before you, the Hittite, the Girgashite, the Amorite, the Canaanite, the Perizzite, the Hivite, and the Jebusite, seven nations greater and mightier than you; and when the LORD your God delivers them up before you, and you strike them; then you shall utterly destroy them. You shall make no covenant with them, nor show mercy to them. (NKJV)

The ancient Philistines were a sea traveling tribe from the nation of Crete that went out to conquer lands like the Vikings. The Philistines came to Israel as invaders originally then settled there. The Philistines were around in the times of the book of Judges of the Bible. Samson fought them in the Bible over the centuries they then disappeared from history with no traceable ancestry in modern Palestine.

Genesis 15:18-21: On the same day the LORD made a covenant with Abram, saying: “To your descendants I have given this land, from the river of Egypt to the great river, the River Euphrates, **the Kenites** (*Blood lines of Cain and Ham, a Canaanite tribe, Jethro Moses father was a Kenite from Ur who settled with the tribe of Judah*) **the Kenezites** (*Canaanite tribe*), **the Kadmonites** (*a Canaanite tribe now in Palestine*), **the Hittites** (*a Canaanite tribe that fled to Syria and migrated to South Dakota USA known as Sioux Chatti Indians*), **the Perizzites** (*a Canaanite tribe*), **the Rephaim** (*a Canaanite tribe related to Giants of old the Nehalem*), **the Amorites** (*a Canaanite tribe of modern Syria and Asia minor*),

the Canaanites (*said to be modern day Palestine descendants also of Lebanon, Syria and Jordan*), **the Gergashites** (*a Canaanite tribe now in Gurgestan Georgia north part of Russia*), **and the Jebusites** (*a Canaanite tribe that dwelt with who intermingled with tribe of Benjamin*).” This promise still stands today as chosen by God from out of all the nations and will be restored fully at His return, even though current Israel is on a tiny piece of the original promise. These lands were also the birthing ground of Christ’s church over 2000 years ago (*Syria/Israel/Palestine*) with the eastern Christians (*the Eastern Peshitta Bible in ancient Aramaic Syriac is 1900 years old*) whom are still living their today, the gospel then went out into all the world. All of the “ites” (7 nations) were descendants of Noah’s cursed son Ham.

Christianity was brought to Iraq in the 1st century by Thomas the Apostle and Mar Addai (Thaddeus of Edessa) and his pupils Aggai and Mari. Thomas and Thaddeus belonged to the twelve Apostles. Iraq's Eastern Aramaic-speaking Assyrian communities are believed to be among the oldest in the world. The Assyrian people adopted Christianity in the 1st century and Assyria in northern Iraq became the centre of Eastern Rite Christianity and Syriac literature (*Peshitta Bible*) from the 1st century until the Middle Ages. Christianity initially lived alongside Mesopotamian religion among the Assyrians, until the latter began to die out during the 4th century.

The main fulfillments of scripture in the end time's, focus in on the Middle Eastern region as found in Daniel, Zechariah, Isaiah, Ezekiel 38 & 39 and Revelations. The word "**abomination**" in Greek means something that is disgusting, defiling and idolatrous. In the Hebrew, the meaning is the same and is associated with pagan idols the root is idolatry, as found under false religions and beliefs. The word "**desolation**" means to be in a condition that is destroyed uninhabitable and devastated, the beast nature is to destroy. In biblical terms this is understood as the "**abomination causing desolation**" this is directly tied to the antichrist beast nature and spirit, all around the world in fallen man "idolatry".

Abomination (from Latin *abominare*, "to deprecate as an ill omen") is an English term used to translate the Biblical Hebrew terms *shiqquts* שִׁקְצוּת and *sheqets* שֶׁקֶץ, which are derived from *shâqats*, or the terms

“THE BOOK OF REVELATION UNSEALED”

Chapter 37

תועבה, *tō'ēḇā* or *to'e'va* (noun) or *ta'ev* (verb). An abomination in English is that which is exceptionally loathsome, hateful, sinful, wicked, or vile. The common but slightly different Hebrew term, *tō'ēḇā*, is also translated as abomination in the Authorized King James Version, and sometimes in the NASB. Many modern versions of the Bible (including the NIV and NET) translate it detestable; the NAB translates it loathsome. **It is mainly used to denote idolatry**; and in many other cases it refers to inherently evil things such as illicit sex, lying, murder, deceit, etc.; and for unclean foods.

See: [https://en.wikipedia.org/wiki/Abomination_\(Bible\)](https://en.wikipedia.org/wiki/Abomination_(Bible))

In Dan 12:11 the “**Abomination of desolation**” here (also found to in Dan 9:27, Dan 11:31, Dan 12:11, Math 24:15 and Mark 13:14) comes forth from the religion of the 1st “**beast from the sea**” and the false prophet, the second beast of Rev 13:11-18, influenced by the antichrist spirit as seen in Revelation 13:1-18. This antichrist spirit has operated historically through a false religion that the end of days Rev 13 beast and false prophet are connected to, in modern historic prophetic times this has turned out to be “**Islam**” a religion founded in 610 A D by Muhammad (See *Revelation Unsealed* chapters 16, 28, 29, 30, 31, 32, 33, 35, 37 and 41A). Idolatry is the worship of anything accept the one true God, idolatry comes through deception in men’s hearts.

Is 2:7-8. “Their land is also full of idols; They worship the work of their own hands, that which their own fingers have made”. (NKJV)

2Ti 4:3-4 For the time will come when they will not endure sound doctrine, but according to their own desires, because they have itching ears, they will heap up for themselves teachers; and they will turn their ears away from the truth, and be turned aside to fables. (NKJV)

Exo 20:4 -5 “You shall not make for yourself a carved image any likeness of anything that is in heaven above, or that is in the earth beneath, or that is in the water under the earth; you shall not bow down to them nor serve them. For I, the LORD your God, am a jealous God, visiting the iniquity of the fathers upon the children to the third and fourth generations of those who hate Me (Antichrist Spirit). (NKJV)

Idolatry is the root that opens the doors to the antichrist spirit behind the “**Abomination of desolation**” that brings desolation and destruction in the end of days, fulfilling prophecy. Idolatry in form is a manmade image becoming a demonic doorway used in the worship of a deity or God (*Ezekiel 8*), this leads to deceiving spirits with all sorts of evil abomination murder, rape, infanticide, pedophilia, stealing, lying etc. This is why God in the Bible detested anything manmade for his altar of sacrifice in the Old Testament, He called manmade things an “**Abomination**”.

With the Catholic religion and Islam and several other religions idolatry can be seen as part of their religious rituals (*Catholics worship relics, Mary, the dead and statues. Muslims venerate Mary they worship around the Kaaba stone “House of God” as the Qibla a direction of unity for all Muslims. The Kaaba is an Islamic relic according to tradition that dates back to Adam and Eve. They kiss the black stone because it was said Muhammad had kissed it.*) Muslims worship “Allah” in Arabic this means God, they cry out “Allah is the one true God”. The Allah they refer to is now connected to the prominent manmade star and crescent moon symbol of the Ottoman Empire; this image is now recognized as the symbol of Islam. In past history the star and crescent moon as an occult image was an ancient symbol of Baal/Lucifer (*Baal means owner Lord associated as the moon God of storms & fertility*). When you do

the research into ancient Middle Eastern and Arab tribal Gods before pre-Islam’s creation of 610 AD, you will find this pagan star and moon.

These symbols also represented the false God of Baal whom was worshiped by ancient middle eastern communities the Canaanites (*Palestine*) and Phoenicians, the Jews and certain Arabic Bedouin tribes in the region. The sun/star carried by the crescent moon is also an occultic Egyptian religious symbol image of the Goddess Isis, these things are not a coincidence.

The crescent moon of Islam the symbol of Baal/Satan an image of the beast. This is idolatry at its best the root to the abomination of desolation Dan 9:27, Math 24:15-16, Mark 13:14.

Chapter 37

Idolatry is the root cause of the “abomination of desolation” spiritually before God He deals with over and over again it then comes forth again in the end times portrayed as the “Image/idol of the beast”. You also find an idol of jealousy stands before the doors of His temple at the north Gate and entrance to the temple of His Glory to bring contention and self-idolatry. But even worse are the ones who worship the sun in the east (*Baal, Islam/Satan the beast of the east*), this vision was 1200 years before Islam even existed. In modern times this sun type worship still continues with the star and moon of Islam in the east. God knew the land would be filled with violence in the Greek/Hebrew violence is the word Hamas.

Ezekiel 8 :1-18 “Abominations in the Temple”

8 And it came to pass in the sixth year, in the sixth month, on the fifth day of the month, as I sat in my house with the elders of Judah sitting before me, that the hand of the Lord GOD fell upon me there. ² Then I looked, and there was a likeness, like the appearance of fire—from the appearance of His waist and downward, fire; and from His waist and upward, like the appearance of brightness, like the colour of amber. ³ was, which provokes to jealousy. ⁴ **And behold, the glory of the God of Israel was there He stretched out the form of a hand, and took me by a lock of my hair; and the Spirit lifted me up between earth and heaven, and brought me in visions of God to Jerusalem, to the door of the north gate of the inner court, where the seat of the image of jealousy, like the vision that I saw in the plain.**

⁵ Then He said to me, “Son of man, lift your eyes now toward the north.” **So I lifted my eyes toward the north, and there, north of the altar gate, was this image of jealousy in the entrance.** ⁶ Furthermore He said to me, “Son of man, do you see what they are doing, the great abominations that the house of Israel commits here, to make Me go far away from My sanctuary? Now turn again, you will see greater abominations.” ⁷ So He brought me to the door of the court; and when I looked, there was a hole in the wall. ⁸ Then He said to me, “Son of man, dig into the wall”; and when I dug into the wall, there was a door.

⁹ And He said to me, “Go in, and see the wicked abominations which they are doing there.” ¹⁰ **So I went in and saw, and there every sort of creeping thing, abominable beasts, and all the idols of the house of Israel, portrayed all around on the walls.** ¹¹ And there stood before them seventy men of the elders of the house of Israel, and in their midst stood Jaazaniah the son of Shaphan. Each man had a censer in his hand, and a thick cloud of incense went up. ¹² Then He said to me, “Son of man, have you seen what the elders of the house of Israel do in the dark, every man in the room of his idols? For they say, ‘The LORD does not see us, the LORD has forsaken the land.’ ” ¹³ And He said to me, “**Turn again, and you will see greater abominations that they are doing.**” ¹⁴ So He brought me to the door of the north gate of the LORD’s house; and to my dismay, women were sitting there weeping for Tammuz.

¹⁵ Then He said to me, “Have you seen this, O son of man? **Turn again, you will see greater abominations than these.**” ¹⁶ So He brought me into the inner court of the LORD’s house; and there, at the door of the temple of the LORD, between the porch and the altar, were about twenty-five men **with their backs toward the temple of the LORD and their faces toward the east, and they were worshiping the sun toward the east.** ¹⁷ And He said to me, “Have you seen this, O son of man? Is it a trivial thing to the house of Judah to commit the abominations which they commit here? **For they have filled the land with violence; then they have returned to provoke Me to anger.** Indeed they put the branch to their nose. ¹⁸ Therefore I also will act in fury. My eye will not spare nor will I have pity; and though they cry in My ears with a loud voice, I will not hear them.” (NKJV)

More Depictions of Isis, holding the Sun carried by the Crescent moon, the Crescent Moon is the Symbol of Islam

In Scriptural prophecy the Rev 13:1-10 beast Obama is proven to be an idol worshipper (*1st beast, King of North, Gog of Magog, Antichrist, son of perdition*) this beast gathers forces as seen in scripture to come against Gods saints Dan 11:31 (*It's now a known fact Obama's administration had covert operations training Jihadists in Syria and Iraq to fight Assad of Syria*). The spiritual background to idolatry is that in your heart of hearts you hate God, without repentance you have an antichrist Spirit, you're a seed of Satan. As seen on the next page Obama definitely has these traits with a mixture of idolatry as part of who he is, and what he represents.

“THE BOOK OF REVELATION UNSEALED”

Dan 11:31 And forces (*Islamic militants*) shall be mustered by him, and they shall defile the sanctuary fortress (*Christian Churches*); then they shall take away the daily sacrifices (*prayer and worship to God*), and place there the abomination of desolation (*Star and moon of Islam an Idol an image of the beast*). (NKJV)

This first beast Obama is a real mixture, hes an idol worshipping Muslim (*and freemason*) in Rev 13:5-7 he **“wars against the saint’s”** (*Rev 13:5-7, Rev 11:2, Dan 12:7, Dan 7:25, Rev 20:1-15, see chapter 35*) the saints are spiritual Israel. This war is for a 42-month period in the region of the conflict/war of bowl 6 and Trumpet 6 the **“tribulation of the saints”** that takes place with the forces mustered by the beast of Rev 13:1-10 also known as the king of the north in Dan 11:21-45 (*Obama*) and his religion Dan 11:31-35, Dan 8:9-14, Dan 8:21-25, Dan 7:15-28, Rev 13:5-7. Many of these Muslim Jihad forces were trained and armed by the US under Obama to create chaos a continuation from Bush senior, Clinton and Bush junior policies. Many of these local forces Obama supplied weapons to whom he mustered and trained in both Syria and Iraq these then defected to become Isis fighters, they also joined other Jihad groups such as Lebanon’s Hezbollah creating chaos in the region.

Obama had 6 Muslim brotherhood members overseeing White House foreign policies for 8 years (*Fact*). Obama held the outlawed terrorist organization “CAIR” Muslim brotherhood meetings in the White House many times over 8 years as President (*Fact*). Obama’s first US foreign phone call oversees to a head of state in his first 30 minutes as US President, was to Malmoud Abbas, leader of Hamas terrorists in Palestine a Muslim nation (*Fact*). Obama was against Israel as a nation signing the UN 2334 resolution opposing Israel and then negotiating the Iran Nuclear deal (*Fact*).

Reports have come in that some fighters that were mustered across borders were recruited under Obama’s administration and paid via agencies in US dollars as testified to by Isis fighters who were taken prisoner. US and British planes were shot down that supplied Isis troops with weapons by Iraqi fighters as questioned and reported by the Iraqi government. Hezbollah first entered into Syria June 2013 with 2000-

Hezbollah entered into the Syrian conflict in June 2013 with reports of 2000-4000 troops, after the 3 horns were ripped up in the Arab Spring of 2010-2011 (*Egypt, Libya and Yemen (Ethiopia)*). By early 2014 Isis went into Iraq in January with up to 60'000 fighters. From June 2013 this began the **“War against the saints”** in the region for the next 3.5 years (*42 months Rev 13:5-7*) as seen in the 6th Trumpet, with the four evil angels released along the Euphrates to kill a third of men there that eventually culminates with Armageddon against Israel Ex 38 and 39, Rev 11:1-3, Zech 14:2, Math 24:21 Great Tribulation or Jacob's Trouble of the last 42 months leading to Jesus second coming.

In early June 2013, Hezbollah committed some 2,000 fighters to the battle in Aleppo, reportedly putting strain on the organization. Hezbollah changed the rotation policy for its fighters from 7 days fighting followed by 7 days leave, to 20 days fighting followed by 7 days leave.

From June 2013 to Jan 2017 an estimated 2.3 million Christians altogether were destroyed from the region either killed (*Genocide*) or turned into refugees, today only number (*19th century was 2.5 million Christians in Syria and Iraq in the 21st century well less than 500 thousand are left in both Syria and Iraq*). Hundreds of Christian Churches were either destroyed or turned into mosques setting up Islam's **“Abomination of Desolation”** the Star and Moon of Islam on flag poles over those churches bringing with them desolation and destruction to entire cities and systems. In 2003 there were 1.5 million Christians in Iraq today (2019) there are less than 150 thousand left. Out of Syria's 1.5-7 million Christians more than 900 thousand were killed or displaced by Isis in 42 months, less than 450 thousand remain by 2019.

There were 1.5 million Christians in Iraq before 2003, but by mid-2019 that figure had fallen to well below 150,000; by some estimates the number of Christians there may have fallen as low as 120,000 a decline of more than 90 percent within a single generation. In Syria, the size of the Christian population has fallen by two-thirds since the country's civil war began in 2011, when Christians still numbered more than 2 million.

Before the war began, Christians made up 7.3% of the Syrian population, or 1.7 million among a total population of 23 million. But today, Christians make up an estimated 1.9% to 2.5% of the population, she said, which is fewer than 450,000 people. (2019 report)

Now in its 10th year, the Syrian conflict has led to more than 500,000 deaths and displaced an estimated 13 million, over half of Syria's pre-war population. Over 6.2 million Syrians are internally displaced, and 5.6 million are refugees, predominantly in Lebanon, Jordan, and Turkey.

Christian's martyrs around the world accelerated and doubled in numbers from that time forward. It was only when Donald Trump came into power Jan 2017 (*Dan 7:22*) 42 months later from the June 2013 invasion by Hezbollah that the **“war against the saints”** began to be halted, as Trump overturned Obama's ludicrous war policies then Isis began to be defeated in the region. Isis began to be routed and defeated in Syria and Iraq. As said Obama would warn Isis fighters before bombing them in Syria and Iraq on live TV then by pamphlet drops 45 minutes before US strikes as part of his war strategy; he limited military boots on the ground against Isis.

The leaflets, which fluttered to the ground about 45 minutes before the strikes, simply said: “Get out of your trucks now, and run away from them. Warning: airstrikes are coming. Oil trucks will be destroyed. Get away from your oil trucks immediately. Do not risk your life.”

*When American warplanes began hitting Islamic State in Iraq and Syria (ISIS) targets on Monday night, no one was exactly surprised. In Obama's September 10 speech outlining America's strategy to “**destroy and defeat**” ISIS, he made it very, very clear that the American air war against ISIS was going to expand from Iraq into Syria. But was that such a good idea? It seems, intuitively, that telegraphing your punches isn't the smartest military strategy, and some critics are already suggesting as much. Yet, there's also a strong case that, as the leader of a democratic nation, Obama needed to publicly announce a military campaign in a new country despite the risk. Which argument is right? Here's a brief case for each side of the argument.*

This argument is purely military, and pretty easy to understand: if Obama wanted to deal a punishing blow to ISIS, he wouldn't give them any time to prepare for US airstrikes. It's not like the Emperor of Japan sent the US a telegram before Pearl Harbor. Unsurprisingly, it looks like ISIS took advantage of the advance warning in Obama's speech. US warplanes bombed a number of targets in Raqqa, the sole Syrian province that ISIS controls in full, which ISIS seems to have been ready for. The Wall Street Journal's Maria Abi-Habib, citing testimony from Raqqa residents, reported that ISIS “had also been preparing for the airstrikes, moving its top leadership and most sophisticated weapons from Raqqa.”

With Obama’s war policy Isis just kept growing and moving Hezbollah and Isis fighters killed Christians and destroyed churches in Syria. Isis attacked Iraq and destroyed hundreds of churches turning many into mosques and killing Christians. This stopped worship and prayer sacrifices of Gods people in churches in Gods sanctuary His Holy places on earth in the regions of Syria and Iraq while enslaving many woman as sexual slaves. In these churches they set up the star and moon symbol of Allah (*Satan/Baal*) of Islam the “**Abomination of desolation**” everywhere Jihad troops went destruction and defilement followed.

Dan 11:31 *(to war against the saints)* **And forces shall be mustered by him, and they shall defile the sanctuary fortress** *(Dan 12:7 The power of the Holy people the saints is crushed at end of 42 months in*

the region of this conflict war. Then as Dan 7:22 states Gods favor to the saints comes at the end of the 42nd month Trump became President Jan 2017); then they shall take away the daily sacrifices (worship and prayer), and place there the abomination (Baal sun worship Islamic flag pole) of desolation. (NKJV)

More information around this war is in Dan 11:32-35 where God refines some Christians through the conflict, Christians in the Middle East are mainly Orthodox they kiss pictures God hates idolatry.

We find in **Dan 11:32-35: Those (Muslims/unsaved) who do wickedly against the covenant he (Rev 13:1-10 the beast from the sea) shall corrupt with flattery; but the people (Christians) who know their God shall be strong, and carry out great exploits. And those of the people who understand shall instruct many; yet for many days (42 months tribulation) they shall fall by sword (war/conflict) and flame, by captivity and plundering (Trampled by Isis Dan 8:13). Now when they fall, they shall be aided with a little help (Mount Mosul in Iraq rescue by UN, refugee camps and migration); but many shall join with them by intrigue. And some of those of understanding shall fall, to refine them, purify them (from Idolatry etc), and make them white, until the time of the end (Christ's return); because it is still for the appointed time. (NKJV)**

The beast from the sea Rev 13:1-10 Obama ends sacrifice and offering (*prayer and worship*) where ever his mustered forces operate (*Muslim terrorists such as Isis and Hezbollah*), these forces abide under the same antichrist spiritual influence (*Islam*). Scripture here refers to the “**warring against the saints**” under this Rev 13:7 beast at the same time this “**Abomination of desolation**” is manifested in Gods sanctuary fortress (*Christian churches*) identifying the end times we are now in. This antichrist spirit brings an end to sacrifice and offering everywhere under its influence, bringing an end of worship (*sacrifice*) to God by Christians to God in their churches in the region of the conflict (*Euphrates River area 6th bowl, 6th Trumpet*). This is the stopping of offerings it covers worship, fellowship, service and finances given to God in a Christian's normal life. They will come the “**forces of the beast**” and profane the Holy places of God until judgment comes upon this desolator the “**Antichrist Beast**” and its kingdom, yet God also purifies His saints through this conflict.

Dan 12:10-12 Many shall be purified (42 month war against saints in region of the war), made white, and refined, but the wicked shall do wickedly; and none of the wicked shall understand, but the wise shall understand. "And from the time that the daily sacrifice is taken away (June 2013 Hezbollah enters Syrian conflict killing Christians), and the abomination of desolation is set up (in churches), there shall be one thousand two hundred and ninety days (1290 divided by 365 = 3.5 years or 42 months). Blessed is he who waits, and comes to the one thousand three hundred and thirty-five days (45 extra days from Jan 2017 to implement war plan against Isis under Trump Dan 7:22 favor to the saints overturning the beast Obamas war plans). (NKJV)

In Dan 12:10-12 you have an extra 45 days past the 42 months tribulation against the saints. Donald Trump came into power Jan 20th 2017, on the 42nd month of this “**war against the saints**” tribulation. It then took Trump 30 days one month from Jan 28th 2017 to work a plan to defeat Isis through the Pentagon (*historical fact*). Then Trump began to implement his plan against Isis into March 2017 overturning all of Obama's war policy in the Middle East in Iraq and Syria to defeat Isis. Trump brought relief to those Christians left in Iraq and Syria after an estimated 2.3 million had been destroyed or turned into refugees from the region in 42 months. Trump went on to defeat Isis in both nations by the end of Nov 2017.

The order, signed the afternoon of January 28th 2017, calls for the Joint Chiefs of Staff to present the new president with a plan to defeat the terrorist organization in 30 days. "I am directing my Administration to develop a comprehensive plan to defeat ISIS... The Plan shall include... identification of new coalition partners in the fight against ISIS and policies to empower coalition partners to fight ISIS and its affiliates," Trump said in a memorandum.

Between the first 42 month “**Tribulation against Gods saints**” and the second “**Great tribulation**” of 42 months against Israel itself, you have the Rev 17 ten horn war which is a hybrid war of economics, medical and politics (*began with acceleration Dec 2019 with Covid 19 outbreak*) Then you have the Rev 14:14-16 worldwide Glory outpouring to bring in Gods harvest of souls where God overcomes the ten horns war as the Lamb by a worldwide move of His spirit revival harvest.. Many end times teachers put the two tribulations (*saints war 42 months and great tribulation 42 months*) into one time frame they are wrong. The saints blood in the end times is spilt for a reason the spilt blood cries out for God to move in justice by His spirit, just as Abel’s blood cried out. As prophecy fulfillment has unfolded in end times through historic events, it is two separate clear situations. T

he first 42-month period is against Gods saints by the beast alone and his mustered forces the second 42 month period is against God’s land the nation Israel by the false prophet and the beast their armies and all the nations (*UN Dragons seat*) Rev 19:19-20 (*both get the Abomination of Desolation of Islam*). At the end of the harvest period the last 42 month period happens prior to Christ’s return with Jerusalem being invaded Ez 38 and 39 , Zech 14:2 at the same time the two witnesses are empowered for the last 3.5 years Rev 11:1-3. This is a war with the beast and false prophet along with their armies from several nations (*Ez 38 and 39*) the Kings of the East (*6th bowl*) who come against Israel.

Further evidence is found in Zech 14:2, Rev 11:1-3, Ez 38 and 39 of this final battle “**Armageddon**” in Rev 16:16 taking place in Jerusalem itself. Jesus mentions in Math 24:15-21 the “**Abomination of desolation**” (*coming to the Temple Mount*) as Daniel spoke about, telling those in Jerusalem to flee to the Judean Mountains. This is the only Holy place in Israel where Jewish prayers/worship can be stopped (*2000 years of prayer*) the place of sacrifice at the “**Wailing wall**” right below the Al-Aqsa Mosque. This abomination will sit there prior to Jesus second coming return (*Islam’s 3rd Holiest site*) in Jerusalem. The Al-Aqsa Mosque sits on top of the original 1st and 2nd temple mount site Satan has had his counterfeit temple where Gods temple once was the 2nd most Holy place for Islam and the first for the Jews. In scripture Zech 14:2 states half of Jerusalem is invaded (*Ez 38 and 39, Math 24:21, Rev 11:1-3*) Jerusalem sits smack in the middle of the West Bank/Palestine not far from the Judean Mountains.

In Rev 11:1-3 for 42 months Jerusalem will be trampled once again by gentiles/non Jews, at the same time of this invasion the two witnesses are empowered to testify for that final 42 months. Armageddon in Hebrew is a symbolic name this battle is not at Megiddo as Megiddo is a plain 70 miles from Jerusalem for Jesus is returning on the Mount of Olives right near the East Gate of Jerusalem see pics. The valley of Jehoshaphat (*referred to as the Valley of Decision or Kidron Valley the Hebrew refer to this as the valley*

“THE BOOK OF REVELATION UNSEALED”

Chapter 37

of darkness) runs along the eastern wall of Jerusalem behind the Temple Mount where God draws the nations in to judge them Joel 3:12, Ez 38, 39. The Kidron valley stretches 32 kms east along the west bank bordering Palestine. The garden of Gethsemane is in the Kidron valley where Jesus prayed before His execution (*Kidron in the Hebrew = Valley of darkness place of judgment to condemn to punish*). Then at His return there will be mourning in Jerusalem and in Hadad Rimmon in the plain of Megiddo, as they see Jesus at His return their Messiah. They receive Him finally (*Rev 11*) after rejecting Him whom they pierced 2000 years prior, so they finally begin to mourn, grieve and repent about rejecting Jesus Christ (*Zech 12:10-24*).

Valley of Jehosaphat 1817, from the Comte de Forbin's Travels in the Holy Land, published in London.

Three valleys surround the old city of Jerusalem the Kidron valley (*Known as Valley of Jehosaphat, valley of decision, valley of darkness*), the Tyropeon Valley and the Hinnom Valley these three form the letter Shin in Hebrew which means: a flame that rises up **“the fire of the sacrifices and the constant fire that was in the Holy Temple”**. The first letter in the word Shalom is this letter shin “שָׁלוֹם” (*Shalom in Hebrew*). The Temple Mount, the Old City of Jerusalem was built upon three valleys forming the shape of the letter shin in Hebrew. The place of His eternal reign He is a consuming fire that burns forever.

“THE BOOK OF REVELATION UNSEALED”

Chapter 37

The Letter Shin (ש): It is thought that the most familiar and known letter of the Hebrew alphabet is the letter ש. It may be that this is because of its interesting and intricate shape. There are those who see the shape of this letter to be a type of flame that rises up, which represents the fire of the sacrifices, and the constant fire that was in Holy Temple. Many commentaries ‘play around’ with the shape of the ש in order to find within it hints to the wisdom of mysticism (Kabbalah). We all know that the first letter of the word שלום (shalom) **peace** is shin. The ש is also the first letter of the word שדי (shadai) which is one of the names of God.

The information below was taken from Disk 1 section 2 at 110 mins; 2019 DVD teaching by Derek P. Gilbert **“THIS IS WAR - The spiritual battle from Eden to Armageddon”**

Armageddon has been misunderstood by many they have been mistaken about the location of Armageddon (Armageddon in Hebrew means a symbolic name/place); it will not be fought at Megiddo. Rev 16:16 tells us the armies of the world will gather at a place that in Hebrew is called **“Armageddon”** except John was writing in Greek he had to transliterate from Greek to Hebrew. There is a character in Hebrew called the **“Ay-in”** it looks like a reverse apostrophe there is no corresponding sound in Greek or in English to the **“Ay-in”** so John chose the closest available character in Greek which is **“Gamma”** which corresponds to the English **“G”** the **“Ga”** sound and so he translates from the phrase **“Mount of assembly”** (Congregation) which in Hebrew is **“Har – mo –ed”**.

“THE BOOK OF REVELATION UNSEALED”

Chapter 37

Armageddon at Mount Zion

- Armageddon from *har megiddo* - "mount of Megiddo"
- Problem: Megiddo is a valley
- Hebrew *har-mo'ed* - "mount of assembly" - incorrectly transliterated *har megiddo*

Jesus reclaimed the Holy Land

- Named his enemy; Baal = Satan
- Cast out demons
- Transfiguration on Mount Hermon
- Sent out the 70

So “**Har – mo – ed**” in the Greek becomes “**Armageddon**” English speakers trying to reverse engineer the Hebrew from the English through the Greek they assumed that John had been translating or transliterating from the Hebrew Character “**Gimil**” which sounds like a “**G**”. People not familiar with the Hebrew or Greek (*which by the way I am not this is base this on the scholars/people that actually do*) say that this is a mistake that is often made. They will substitute a “**Gimil**” where “**Ay-im**” is appropriate when you put the “**Ay-im**” in there it means “**Har – mo – ed**” it means “**Mount of assembly**”. This calls us back to Isaiah 14 where the rebel /Satan wants to establish his “**Har – mo –ed**” (*mount of assembly of fallen ones*) above that of Gods, Gods “**Har – mo –ed**” is Zion the Temple Mount in Jerusalem.

Megiddo is about 70 miles away Zech 14, Joel 2 and 3 the book of Amos makes it clear that the final battle will be fought at Jerusalem the “**Har – mo – ed**” it’s all about the mountain, Gods “**mount of assembly**”. He is restoring Eden to Earth on that day (*The day of the Lord His return*) and the enemy wants to prevent it, that’s what this is about. It doesn’t make sense for the armies of the world to come to Jerusalem to fight, then God appears 70 miles away at Megiddo, besides if you have ever been to Megiddo there is no mountain there it is a plain (*flat*). Armageddon will be at Jerusalem Jesus made a big part of His ministry on mountains (*prayer, Transfiguration, preaching, Beatitudes*), the transfiguration near Caesarea of Philippi was on the 10’000 feet high Mount Hermon (*Mount Tabor at 2000 feet has also been speculated as this mountain in tradition scripture does not indicate which mountain it was*). It was not a coincidence that Jesus climbed the mountain Hermon, believed to be the mount of assembly of the Canaanite creator god “**El**” (*fallen angels descended to Earth upon Mount Hermon as found in book of Enoch as mentioned in the Bible from the apocrypha*) then he went directly from there to Galilee.

(*Mount of Transfiguration Math 17:1 Mount Hermon or tabor. Jesus appeared in His full form in the sight of 3 disciples He spoke with Elijah and Moses in heavenly realms the demonic principalities would have seen this as well*)

Jesus then sent out the 70 disciples ahead of him (*Luke 10*) into Galilee to cast out demons after descending the mount of transfiguration. When Jesus came down from Mount Hermon from the transfiguration He sent out the disciples ahead of Him to cast out demons why ? Because Israel belonged to God Jesus was saying to the demons from the transfiguration, here I am “**Get off my land**” then He went on into Jerusalem to complete His mission (*the cross*).

And I saw the beast, the kings of the earth, and their armies, gathered together to make war against Him who sat on the horse and against His army. Then the beast was captured, and with him the false prophet who worked signs in his presence, by which he deceived those who received the mark of the beast and those who worshiped his image. These two were cast alive into the lake of fire burning with brimstone. And the rest were killed with the sword which proceeded from the mouth of Him who sat on the horse. And all the birds were filled with their flesh. (NKJV)

This writer's dream of the fallen ones wave of destruction destroying the Earth;

25.9.16 – This author had a dream of a psunami coming of world wide destruction I saw aliens (*fallen angels, evil principalities in the 2nd heavens the "Host of exalted ones" Is 24:21-23*) driving this wave, they were involved in this wave riding it pushing men to do things. The fallen ones were riding this wave against mankind, my job was to warn the people and to help whom I could to safety. I saw a UFO (*spiritual realms symbolism*) come down in front of the people to deceive them (*alien visitation deception increased worldwide*). I then started taking out ancient old egyption demons (*past historical and generational demonic influences*) with my spiritual sword destroying them. In the vision this wave of destruction coming to the Earth seemed to encompass a final WW3, economic collapse and utter chaos. These fallen angels were propelling and pushing forward this agenda to cause havock (*Covid 19 of 2019, Biden in USA 2021*) to destroy mankind whom God loves. The timing of this I don't know but I believe it has already begun behind the scenes tied into the 6th Trumpet (*Covid 19 Nov 2019 the world went into lock down and chaos over all nations in 2020 the USA elections were tampered with WW3 began a hybred war of cyber tech, politics and economics to further control over nations by corrupt elites*).

Jud 1:6 And the angels who did not keep their proper domain, but left their own abode, He has reserved in everlasting chains under darkness for the judgment of the great day. (NKJV)

See pyramid pic on levels of New World Order hiracky without getting sucked to far into conspiracy theories. I think this carries some merit after the alien dream of tsunami. The fallen angels that left their abode (*Jude 1:6*) are chained and bound apart from Satan. Some fallen angels (*principalities Eph 6:12, Prince fo Greece and Persia in book of Daniel*) still operate as well who remained in said abodes. These fallen ones have created half breed offspring the nephillim in the past along with other creations made by the fallen angels from the ancient world (*Raphaim disembodied demon spirits of the Nephillim giants of old from Noahs flood*). These interdimensional beings operating through out our generations in history till now, are in modern times seen as these aliens reported to be in contact with governments and militaries around the world as in ancient times this governmental conection has manifested in great influence since

“THE BOOK OF REVELATION UNSEALED”

Chapter 37

Hittler and WW2 the second Trumpet.

These fallen angels are very real (Rev 12) “**a third of the stars**” (*tens of thousands to millions of angels fallen*) were cast down trapped in this realm of the Earth at Christs crucifixion resurrection (*Jesus stated he saw Satan fell like lightning Lk 10:18, Rev 12*). These fallen ones are with us on Earth and beneath the earth untill the final Great White throne of judgement of God according to scripture. World governments for many years since WW2 and Hitler have been in contact with these inbred creatures called aliens (*fallen angels and there creations*) for many years back engineering advanced tech has been stolen from God through these fallen ones governments have even been fighting these demonic creatures.

Through out a history for thousands of years these creatures have been interfering with mankind with their deemonic agendas (*causing Noahs flood*). In the last 100 years vistations have once again become like a flood all over the world their activity has increased (*as in the days of Noah Math 24*) in the earth heading towards Christs return many have had exposure of this reality (*UFO abductions/ encounters*) released to the populace, government disclosure seems to be slow but coming. With many books , research, evidence and documentry’s being made getting to the truth is the issue of what these creatures truly are. According to scripture (*expanded upon in book of Enoch written 300 BC*) they are pure evil with demonic origins, connected to fallen angels hell bent on destroying mankind. Below is an interesting diagram of hiracky some say are ruling his world an interesting yet possible unproven theory.

This final war against Israel that takes place in Jerusalem even over the Temple Mount Zech 14:2, Rev 11:1-3, Ez 38 and 39 known as “**Armageddon**” Rev 16:16 is similar to the 1967 six day war of 9 plus Muslim nations armies in the region such as Egypt, Iraq, Jordan, Syria, Lebanon, Algeria, Kuwait, Sudan,

“THE BOOK OF REVELATION UNSEALED”

Chapter 37

Jordan and the whole Arab nations that were against Israel. As stated in Math 24:15 you find this **“abomination of desolation”** as quoted from the Book of Daniel by Jesus once again, this time in the context of prophecy to do directly with the 42 month war against Israel itself and not the Rev 13:5-7, 42 month first tribulation **“war against the saints”** where it also states the **“Abomination of desolation”** appears as seen in Dan 11:31, Dan 12 :11, Dan 11:29-32 under the beast (*Obama*) of Rev 13:5-7 against Gods saints.

One of these events is in Israel itself near the Judean mountains Math 24, Zech 14:2, Rev 11:1-3, Ez 28 and 39 (*Palestine/ Jerusalem*). The other appearance of the **“Abomination of Desolation”** is in the Middle East region of conflict along the Euphrates River (*four demonic angles released*) Iraq , Syria, Turkey and Iran according to the 6th Trumpet Rev 9:13-19 and 6th Bowl Rev 16:12-16 taking place under the Rev 13:5-7 beast. One is before Christ’s return the other is taking place at His return they are two separate events yet tied together.

So to understand this second prophecy of Daniel about the second occurrence of this **“abomination of desolation”** standing in the Holy place in Israel in Math 24 a prophecy passage of scripture speaking specifically about Israel itself. We have seen above it is the Islamic Baal/Satan’s Star and moon symbol the same one that was used to **“war against the saints”** “under the Rev 13:1=10 beast (*Obama June 2013-Jan 2017*) that’s now to be seen in Israel. This will stand in that Holy place (*prayer and worship of the Jews*) in Israel the Wailing Wall beneath the Al-Aqsa Mosque on the Temple mount of God. This will be as seen as spoken of by Jesus in Math 24 to come through the Jerusalem invasion and trampling for a final 42 month period by the Gentiles in Rev 16:16, Zech 14:2, Ez 38 and 39 , Rev 11:1-3 **“Armageddon”** the end of days final war to herald in His return.

Mat 24:15 “Therefore when you see the 'ABOMINATION OF DESOLATION,' spoken of by Daniel the prophet, standing in the holy place" (whoever reads, let him understand). "Then let those who are in Judea flee to the mountains. Let him who is on the housetop not go down to take anything out of his house. And let him who is in the field not go back to get his clothes. But woe to those who are pregnant and to those who are nursing babies in those days! And pray that your flight may not be in winter or on the Sabbath. For then there will be great tribulation, such as has not been since the beginning of the world until this time, no, nor ever shall be. (NKJV)

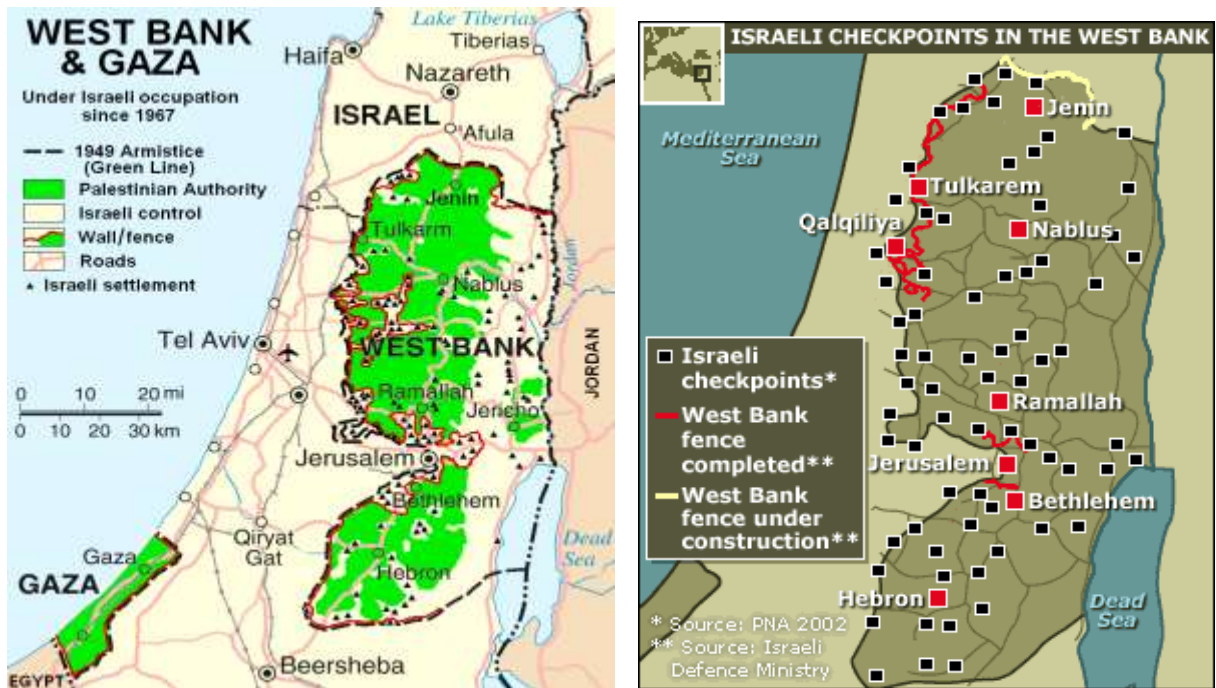

Math 24 is mainly about Israel and the 42 month **“Great tribulation”** Math 24:21 the Ez 38 and 39 war, Zech 14:2 invasion of Jerusalem the Rev 11:1-3 trampling of Jerusalem for 42 months that ends with Armageddon Rev 16:16. What the first Rev 13:5-7 tribulation **“war against the saints”** lets us know is what the armies mustered are **“Islamic”** and their **“abomination of desolation”** is. As stated this second 42 month **“Great Tribulation”** the same **“abomination of desolation”** star and moon of Islam is found standing in the Holy place in Israel.

You already have the Muslim Dome of the Rock the Al-Aqsa mosque established in Jerusalem since 705 AD (*1300 years ago*) the third holiest site for Islam. This mosque is a Muslim Holy site a demonic doorway of principality (*Eph 6:12*) influence against Israel a target for invasion in Israel by Islamic nations to re-take Jerusalem as they once had for 400 years. It is well known in the Muslim religion to re take what they already had then lost. The only biblical Holy place in Israel is at the temple mount the Wailing Wall the place of prayer and sacrifice. The temple mount is found in Jerusalem at the Dome of the Rock site so in Zech 14:2 and Rev 11:1-3 you find half of Jerusalem is invaded by Muslim nations Ez 38 and 39 through Palestine the West Bank.

“THE BOOK OF REVELATION UNSEALED”

Chapter 37

The West Bank sits in the centre of Jerusalem. This “**abomination of desolation**” is the same as the first in the “**war against the saints**” the Muslim Star and Moon of Islam of “Allah” (*Allah in Arabic means God in Arabic it is connected to Idol worship of foreign Gods not the God of Israel*). In this second “**Abomination of Desolation**” it’s now at the Temple Mount the stopping of prayer and sacrifice in Israel’s Holy place at the Temple Mount the Wailing Wall.

Depending on what Bible version one view’s in scripture the “**Abomination of desolation**” the Bible talks about is said by scholars to have taken place in the Old Testament times and one is in the New Testament according to these teachers. One event of the “**Abomination of Desolation**” has already happened in history during the time of the 2nd temple (*Old Testament*) with a similar occurrence they say as found in:

Daniel 11:31 And forces shall be mustered by him, and they shall defile the sanctuary fortress; then they shall take away the daily sacrifices and place there the abomination of desolation. (NKJV)

Before we reveal what is stated and happened in past history where they relate it to this passage of scripture, it needs to be said Dan 11:31 is actually an end time’s prophecy that comes after Christ was crucified not before as they try to teach. The end times beast is seen as the King of the North from Dan 11:21 onwards as an end times King a “**vile man**” taking you into Dan 11:31. It is said by many this is the same person as the Rev 13:1-10 beast according to the scriptural context. This “**Abomination of Desolation**” appearing in Jerusalem in the end times is just as Christ references this in end times in Math 24:15-21. So in between Dan 11:20 the historical tax collector Seleucus IV (187 B.C.-175 B.C) of verse 20 and Daniel 11:21 is over 2184 years. A leap forward to the Rev 13:1-10 first beast (*Obama 2009*) in the prophetic time line taking us directly into end times prophecies (*see chapter 16*).

Now depending on the Bible version some say here in Dan 11:31 the word “**sacrifice**” means worship offering (*After Christ has come giving salvation to mankind*) others say continual animal sacrifice

“THE BOOK OF REVELATION UNSEALED”

Chapter 37

(happened in the past before Christ due to Old or New Testament interpretation). Some theologians may argue the point here due to the two understandings of doctrine over Dan 11:21 onwards. The only Holy place in the Old Testament was the 1st and 2nd built Jewish Temple's in the New Testament it's been transferred into the heart of the saints the true born again believers. So the taking away of daily sacrifice as prophesied by Daniel for the end times is the removal of offerings worship and praise from true Christians with the in dwelling of the Holy Ghost, the **“Holy dwelling Place of Gods earthly Sanctuary”**.

1 Peter 2:9 says, **“But you are a chosen generation, a royal priesthood, a Holy nation, His own special people, that you may proclaim the praises of Him who called you out of darkness into His marvelous light”** (Holiness).

Hebrews 13:15 says, "Through Jesus, therefore, let us continually offer to God a sacrifice of praise the fruit of lips that openly profess his name." The terms "sacrifice" and "praise" might seem to be opposites. We think of sacrifice as offering something at great cost to ourselves. Praise, on the other hand, sounds joyful as it bubbles from a grateful heart. However, in the spiritual realm, sacrifice and praise are intertwined.

See: <https://www.gotquestions.org/sacrifice-of-praise.html>

Just to dig a little further the end of days **“Abomination of Desolation”** Star and moon of Islam comes with forces mustered by this King of the North a **“Vile person”** with an antichrist spirit as found in Daniel 11:21, Dan 7:8-12, Dan 7: 24-28, Da8 :23-27, Dan 12:8-13, Rev 13:1-10, Rev 19:19-21. The rising up of the antichrist beast in end times is firstly against Gods saints then Israel itself, at a time when no animals are sacrificed as that system was finished through Christ.

Rev 13:7: “It was granted to him to make war with the saints and to overcome them. And authority was given him over every tribe tongue and nation”. (NKJV)

As said this first beasts war of 42 months against Gods saints is found in Rev 13:5-7, Rev 11:2, Dan 12:7, Dan 7:25, Rev 20:1-15 (see chapter 35) then the final war against Israel specifically as in Math 24:15-22, Ez 38 & 39, Zach 14:2, Rev 11:1-3 for 42 months happens (see chapter 47). In Math 24:15 onwards Jesus talks about the **“Abomination of Desolation”** this time it's in the context of telling Jews in Israel to flee to the mountains of Judea just below Jerusalem clearly a different event from the beasts first war of 42 months against the saints in Rev 13:5-7, where you also find the same **“Abomination of desolation”** set up Dan 11:31, Dan 12:11.

Rev 13:5-8 And he was given a mouth speaking great things and blasphemies, and he was given authority to continue for forty-two months. Then he opened his mouth in blasphemy against God, to blaspheme His name, His tabernacle, and those who dwell in heaven. It was granted to him to make war with the saints and to overcome them. And authority was given him over every tribe, tongue, and nation. All who dwell on the earth will worship him, whose names have not been written in the Book of Life of the Lamb slain from the foundation of the world. (NKJV)

Only those saved in Christ can be Gods saints in end times all others worship Satan the beast in spirit they don't know God nor can they until saved. Israel is a heathen nation just like all other nations until saved but they are chosen by God as a nation to be saved Rev 11:13. These 42 month events take place after

“THE BOOK OF REVELATION UNSEALED”

Chapter 37

Jesus first coming when no man made temple exists, as it was destroyed by the Romans in 70 A.D. Jesus was referring to in Math 24:15:22 to a time in the future to come, not what's already happened.

Mat 24:15-22 "Therefore when you see the 'ABOMINATION OF DESOLATION,' spoken of by Daniel the prophet, standing in the holy place" (whoever reads, let him understand), "then let those who are in Judea flee to the mountains. Let him who is on the housetop not go down to take anything out of his house. And let him who is in the field not go back to get his clothes. But woe to those who are pregnant and to those who are nursing babies in those days! And pray that your flight may not be in winter or on the Sabbath. For then there will be great tribulation, such as has not been since the beginning of the world until this time, no, nor ever shall be. "And unless those days were shortened no flesh would survive" (NKJV)

This last 42 month war is a time of modern destructive warfare and potential nuclear weapons the 5th seal, 6th vile, 6th Trumpet war (WW3) leading to “Armageddon” Rev 16:16 against Israel the final Ezekiel 38 and 39 , Zach 14:2, Rev 11:1-3 war it's all the same conflict war in these scriptures just expounded upon. Many take scripture then fit it into whatever they want taking things out of context. There are many theories out there about the “Abomination of Desolation” fitting into historical events such as the Romans destroying the temple in 70 A.D or the historical defilement of the temple by the Seleucid King in 167 B.C as seen below.

These prophecies found in Dan 9:25-27 Dan 11:29-32, Dan 12:11-12, Math 24:15-21, Mark 13:14-19 and Rev 13:1-10 and 2 Thess 2:3 are all pointing to the same end time's events of two 42 month tribulation periods under the Rev 13:1-10 beast from the sea. The essential key to understanding this “Abomination of desolation” is found in the first “war against the saints” of 42 months by the “little horn” as seen in:

Dan 7:21-22: “I was watching and the same horn (*little horn*) was making war against the saints, and prevailing against them. Until the ancient of days came and judgment was made in favor of the saints of the most high” (NKJV)

This is further explained in Daniel 7:22: “He (*little horn antichrist beast*) shall speak pompous words against the Most High, Shall persecute the saints of the Most High, And shall intend to change times and law. Then the saints shall be given into his hand For a time and times and half a time (*42 months*). 'But the court shall be seated, And they shall take away his dominion, To consume and destroy it forever. (NKJV)

Then in Dan 7:27: **Then the kingdom and dominion, And the greatness of the kingdoms under the whole heaven, Shall be given to the people, the saints of the Most High. His kingdom is an everlasting kingdom, And all dominions shall serve and obey Him.'** (NKJV)

Here you see God moving upon His saints after this first beasts 42 month tribulation war against the saints things begin to change on the world scene in preparation for the Rev 14:14-16 harvest and Christ's return. There is only one end time war against the saints under the Rev 13:1-10 beast and one final war in Math 24:21 against Israel, these scriptures are all mentioning end times events. Do a line-by-line study on these scriptures you will see they are all interlinked under the Rev 13:1-10 beast from the sea as prophesied about pointing to the 2nd coming of Christ.

“THE BOOK OF REVELATION UNSEALED”

Chapter 37

Now to show you in past history what took place as a historical event as an **“Abomination of desolation”** in the past, that Biblical teachers try and say is the Dan 11:31 fulfillment, which it is not as shown above.

The Seleucid King Historical Temple defilement before Christ 167 A.D

The first expectation of defilement referred to as an **“abomination of Desolation”** was set up in the Jewish temple occurred in 167 B.C. after the Jews returned from Babylonian captivity set free through the Persian Empires defeat of Babylon. In 167 B.C a Greek ruler by the name of Antiochus Epiphanies a Seleucid king 8th ruler of the Seleucid empire of the Roman Republic set up an altar to the false Greek God Zeus over the altar of burnt offerings in the Jewish 2nd temple. He then sacrificed a pig upon it in the Holy temple, this came after attacking Jerusalem with his forces stemming a Jewish revolt.

Antiochus Epiphanies wanted to enforce the Grecian way of life to all under his domain to enforce his power at the time. A common faith was to be forced upon the people of Israel by this wicked King since he was an absolute monarch in the land he issued an edict to that effect. This led to this particular **“Abomination of Desolation”** being set up through conflict in the land with the Israelites as a result Syrian emissaries were dispatched to Judea with orders to stamp out Judaism. This wasn't a time that would end all flesh unless Christ shortened the time as in Math 24:22, nor was it a **“war against the saints”** for 42 months under the end times Rev 13:1-10 beast. It was the quenching of a revolt by Jewish people, later on animal sacrifice and worship were reinstated by the Jews so it was a temporal interruption.

Statue of Zeus at Olympus, a similar looking one was probably installed in the Temple

167 B.C

In the place of Judaism the Syrian emissaries were to establish the worship of the greatest of the Greek Gods Zeus. These men did a thorough job the 2nd temple was robbed and Zeus (*or Jupiter*) was set up in the Holy of Holies all Israelite worship of the true God was cancelled under pain of death. The same idols of the pagan God Zeus (*or Jupiter*) were then imposed upon every town of Judea and set up in public places, alters were set up before the doors of houses. Those Israelites who valued their lives offered sacrifices regularly upon these alters of Zeus (*or Jupiter*) the false God of all Gods. This began to lead to resentment and resistance by Israelites and many who resisted were killed. This led to an all out battle by

“THE BOOK OF REVELATION UNSEALED”

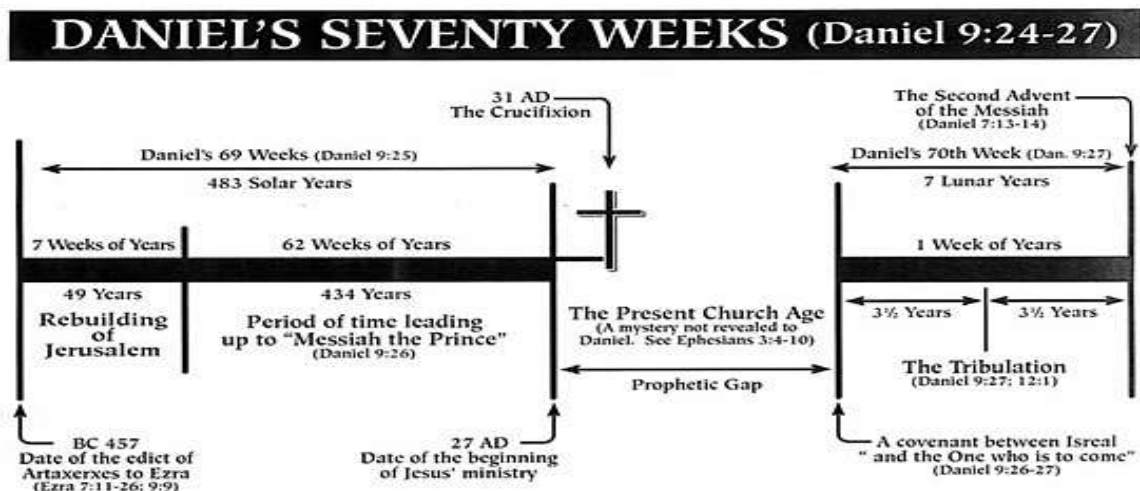

Chapter 37

the Israelites against the Syrian oppression called the “Revolt of the Maccabees” driving out Syrians who defiled Gods Holy temple.

This action led to this particular “**Abomination of Desolation**” “being removed from the 2nd temple the temple was then cleansed and reinstated with sacrifices and worship to the true God of Israel. The Israelites celebrated this victory against the Syrians by calling it the “Hanukkah” the Feast of celebration as found in John 10:22 so in the end restoration came. Statues of Zeus of Jupiter in archeological digs have been found in Caesarea and in the Judea region dating back to this time in history.

Again Jesus refers to the “**Abomination of desolation**” as found in the book of Daniel to be an end of day’s event where no flesh would survive unless He shortened the days by His second coming it’s very clear. Even though this Zeus idol event happened yes it was desolation but not what’s described by Jesus in Math 24:15 onwards or in Dan 11:29-32, Dan 9:27, Dan 11:31, Dan 12:11, and Mark 13:14. Others say the “**Abomination of Desolation**” historically took place in 70 A.D. saying this event was actually prophesied about in **Dan 9:26-27** “**And after the sixty two weeks (Daniels 70 week prophecy) Messiah shall be cut off (crucified), but not for Himself (For salvation of mankind). And the people (Romans last empire of Dan 2) of the prince (Antichrist) who is to come. Shall destroy the city and the sanctuary (2nd temple was destroyed in 70 A.D).**”

Daniels 70 weeks is also taught in the mainstream church this prophecy has been dissected broken up between Dan 9 verse 26 and verse 27. This prophecy is first 7 weeks for the rebuild of Jerusalem (49yrs from this prophecy 457 BC decree) the next 62 weeks (434 years later till messiah came in 27AD then cut off in 31AD 3.5 years after His ministry began) up to this point in this prophecy of Dan 9:26-27, all was correct. Then false teachers using teachings taken from the Jesuits broke the prophecy up see below.

See: <https://christinprophecy.org/articles/daniels-70-weeks-of-years/>

“THE BOOK OF REVELATION UNSEALED”

Chapter 37

The last week or 7 years then had a gap inserted of unknown time between the 69 week (*7 weeks plus 62 weeks = 69*) and the last week to be an unknown period of time referred to as the gap theory (*2000 years plus so far*). Then the last week is taught as a final seven years with the antichrist reigning. During this supposed last 7 years or one week the antichrist is said to make a peace treaty with Israel, when a third temple is built in Jerusalem of course none of this is scriptural. Then the beast breaks the peace treaty covenant mid way through that 7 years for the Math 24:21 Great Tribulation to begin this is all futurist theory around Dan 9:26-27.

These teachers then group the **“war against the saints”** 42 months Rev 13:5-7 and the **“war against Israel”** 42 months Rev 11:1-3 as one 42 month period because of the words **“Abomination of Desolation”** being in specific end times scriptural prophetic passages. This “Gap theory” is false Jesuit teaching from mid 1500’s promoted in the CI Schofield Bible to mainstream Christianity, the original intent was to take the heat off the Vatican from being called the antichrist in the mid 1500’s after the Martin Luther reformation.

In actual historical fact and correct scriptural context Daniels 70 weeks described in Dan 9:24-27 was all about Jesus Christ and a 7 year grace periods to Israel to be saved to receive the Messiah. This last 7 years or one week was all fulfilled at Christ ministry beginnings for 3.5 years from 27AD with His death and resurrection in 31AD when He was crucified **“cut off”**. Then another 3.5 years of grace came for His disciples to preach to the “lost sheep of Israel” up until Stephens’s death as the first martyr in 34 AD completing the last 7 years (*see Dan 9 chapter 15 for further detailed information*).

In 70 AD the Christians took Jesus warning found in Dan 9:26 about **“the prince who is to come shall destroy the city and the sanctuary”** this Prophecy was fulfilled when the Romans surrounded the city of Jerusalem in 70 A.D, the Christians saw this they knew and took off running to hide in the hills saving their lives while the Romans massacred everyone else and destroyed the 2nd temple. No **“abomination of desolation”** was actually set up at the time it was just the destruction of the 2nd temple and death, no Christians were said to have been killed at this time. Sadly many end times Prophecy teachers have been misled and twisted to the true meaning of this prophecy. Jesus had actually predicted this 2nd Temple destruction that would come after His own death as referred to in Dan 9:26-27 in:

Math 24:2 “Do you not see all these things? Assuredly, I say to you not one stone shall be left here upon another that shall not be thrown down”. (NKJV)

So in Math 24:2 Jesus is speaking about the 2nd Temple destruction. Then in Math 24:3 onwards Jesus is prophesying about the end times so **“DO NOT”** be miss led by false teachings. So in modern prophecy with actual history (*historism*) and historical events (*not theology futurism*) taking place this **“Abomination of Desolation”** is identified according to **“The Book of Revelations Unsealed”** chapters as the Islamic Star and Moon antichrist religion symbol/flagstaff in the end times.

This **“Abomination of Desolation”** is such a picture of the modern day Muslim terrorists enforcing Jihad and Sharia law upon the masses in the regions of Iraq and Syria. All to worship the disguised false sun

“THE BOOK OF REVELATION UNSEALED”

Chapter 37

God Baal (*Satan*) called “Allah”, turning Christian Churches they didn’t destroy (*Holy places*) into Mosques (*Abomination of Desolation*) to worship a demonic entity. As mentioned a similar occurrence happened in ancient Israel’s past by the Selucid King in 167 A.D in the same region. Yet back then they never had a war against the saints as Jesus had not come yet. Another reference clue is the Abomination brings desolation as found in:

Daniel 9:27 “And on the wing of abominations shall be one who makes desolate” (*Rev 13:1-10 beast, Allah and Islam*). The only true Holy Place in the end times is in born again Christians filled with the Holy Spirit and their places of worship so this abomination that comes desolates Christians under the beast of Rev 13:1-10 then later half of Jerusalem is ravished by it the woman raped Zech 14:2, Rev 11:1-2. As stated the idol Zeus in Gods Holy place in 167 B.C was known as an idol an “**Abomination**”. This gives us a clue as to what this end time “**Abomination of Desolation**” actually is. In both the Bible and Hebrew, the word “**Abomination**” is a term used for an Idol.

This is the end time’s as found in Rev 13:7 the warring against the saints by the beast a crushing of their power happens and influence during the “**Abomination of Desolation**” manifesting. Jesus said in **Mathew 24:13-22: “But he who endures to the end shall be saved. And this gospel of the kingdom will be preached in all the world as a witness to all the nations, and then the end will come”**. (NKJV)

Another clue is given at the end of the “**Abomination of Desolation**” first 42 months “**war against the saints**” under the beast “**favor**” comes (*Trump gets in*) **Dan 7:21-22” I was watching as the same horn was making war against the saints and prevailing against them. Until the ancient of days came and judgment was made in favor of the saints of the most high, and the time came for the saints to possess the kingdom.** (NKJV) (*Trump got in on 42nd month Jan 2017, of first Tribulation against saints a Christian President after the Muslim President Obama had his way from 2009-2016*).

In Math 24:15-27, Ez 38 , 39, Rev 11:1-3, Zech 14:2 and Rev 16:16 Israel itself is attacked in Jerusalem where this abomination comes a second time through the Islamic religion led by the beast from the sea and false prophet Rev 13:1-18 the same abomination: **Math 24:15 “Therefore when you see the abomination of desolation”**. (NKJV)

The “**Abomination of desolation**” is first set up with the “**Warring against the saints**” as a pre curser warning of the great day of the Lord and worldwide tribulation to come with war directly against the re formed Israel. God puts hooks in the jaws of the nation’s Ezekiel 38:4 drawing them into the Ezekiel 38, 39, the Rev 9:13-21 6th trumpet war coming to Israel’s West Bank area (*a Psalm 83 plot against Israel*). This “**Abomination of Desolation**” points to the idolatry of a false God or an idol that the Rev 13:1-10 beast (*President Obama a Muslim and stands with Islam*) and false prophet (*Erdagon of Turkey*) worships and advances as a “**God of fortresses**” of war:

Dan 11:39 He shall act against the strongest fortress with a foreign god (*Dan 11:38 god of fortresses “Allah”*) **which he shall acknowledge** (*Islam*), **and advance its glory and shall cause them** (*Isis*

terrorists) to rule over many and divide the land (Middle East Iraq and Syrian regions) for gain. (NKJV)

On one occasion the Rev 13 1st “Antichrist Beast” President Obama (*a Muslim*) as revealed in Revelation unsealed chapters, stood at the Wailing Wall in the original Old testament 2nd Temple Holy place in Jerusalem in 2008 “a symbolic pre curser” to Revelation 13:7 and Daniel 11:29-32. President Obama was warned off visiting the Temple Mount Muslim mosque by the Hamas deterring him from visiting it.

Remember it was Obama that negotiated the Iran Nuclear deal in 2015 with Iran, Israel and Americas arch enemy a terrorist supporting state. Then it was again Obama that let the 2334 UN resolution through against Israel due to his lack of veto action. It was Obama that withdrew all US troops from Iraq in 2011 creating the terrorist vacuum allowing Islamic terrorists to rise up in the region. It was Obama that was heavily involved in the Arab spring uprising of 2011 prophesied about in Dan 7:8 “**ripping up 3 horns**” Egypt, Libya and Yemen/(*Ethiopia*) will be at his heels, **Dan 11:43 He shall have power (as US President) over the treasures of gold and silver, and over all the precious things of Egypt** (*Placed Hosni Mubarak in power there of the Muslim brotherhood in 2012*).

The Libyans and Ethiopians (*Arab Spring of 2011 with Libya, Egypt and Yemen are next to and above Ethiopia on the horn of Africa all under Obama’s influence at the time*) **shall follow at his heels.** This again is end times the King of the North revealing it’s the same individual as the Rev 13:1-10 beast from the sea once again. The Rev 13:1-10 is also Gog of Magog the leads the battle against Israel in Ez 38 and 39 at Christ’s return fulfilling all three roles, even Jesus and several names in prophecy but was the one and the same. It was Obama and Erdogan of Turkey that put a Muslim brotherhood member Mohammad

Morsi in power in 2012 in Egypt after the Arab Spring uprising of 2011, Morsi went out immediately killing Egyptian Christians. It was Obama that restricted military bombing campaigns against Isis he supplied terrorists with training **advancing Islamic causes**, weapons and funding through his US policy. It was under Obama the “**warring against the saints**” tribulation began in mid 2013.

This all ends with the Rev 9, 6th trumpet where a 3rd of men are killed in the region of the war the Ez 38 and 39 war with the antichrist Gog/beast/King of the North in the land of Magog the Middle East. If you search scripture you will find the beast and false prophet are dealt to in Rev 19:19-20 in this last war at “**Armageddon**” Rev 16:16 . This is just as it says about the King of the North in Daniel 11:45 and Gog of Magog in Ezekiel 38:21-23, 39:11 they are all the same individuals that get destroyed killed. This coming end time final war WW3 has all been plat formed under President Obama. It has all been stirred up since the 2011 Arab Spring uprising with Hezbollah in Syria and Isis into Iraq (*Warring against the saints mid 2013 – Jan 2017 of 42 months 2.2 million Christians gone*) and Turkey being a major influence in the region. From 2011 (*2011 Arab Spring uprising*) onwards Muslims have risen up destroying Christian churches in Syria, Iraq, Egypt and Africa and other regions turning them into Islamic worship centres to “Allah” or known as “Baal” which is sun God worship to Satan.

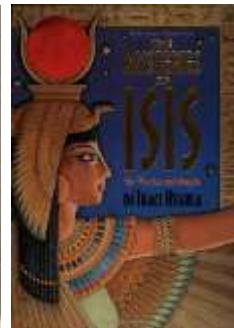

A holy place turned into an “**Abomination of Desolation**”, in the birthing grounds of Gods Church in Abraham’s lands. Lucifer (*Satan*) was known as the morning star “Sun” in the Bible (*Isaiah 14:12*) he desires worship, Muslims place there sun and moon symbols of Allah in churches representing sun God worship which in ancient Biblical times was known as Baal, Isis or Apollo. To the Hebrews Abaddon to the Greeks the sun God was known as Apollo. In the Bible Apollyon (*Apollo*) the destroyer as found in Rev 9:1-12, 5th trumpet (*Iraq*) loosed in the last days leading us into the 6th trumpet Middle East regional war.

Sun God Baal worship by Hebrews

Baal

Isis sun God

According to Aztec mythology, Tonatiuh was the sun god and was considered the leader of what was thought to be heaven. To the Egyptians this sun God was known as Isis (*Sound familiar?*) worshiped in the entire Middle East region for generations. The same symbols are on Islam’s flag pole moon and star to Allah.

To the Romans this god was known as Sol Invictus ("*Unconquered Sun*") the official sun god of the later Roman Empire. This sun God worship of the so called morning star “Satan” is generational changing its masks remember Satan is the master of spiritual deception. In modern times this Luciferian sun worship is symbolized and worshiped throughout Freemasonry, masonry is identical to ancient pagan mysteries, the classic occult satanic star (*sun*) is the 5 pointed star the goats head. The “Holy Roman Empire” Catholic Church infiltrated by Illuminati freemasons is also adorned with many sun God symbols of the ancient world and even has the sun God disguised in the Monstrance that displays the round wafer bread of the Roman Catholic Church used in the Eucharist. In the 8th century, it is alleged that the host and wine turned into actual living flesh and blood during a Mass, which it is said, remain well preserved in a monstrance in Italy to this day. See pictures on next page:

This sun worship has also seen disguised in the halos around the head of Mary whom Catholics worship and the saints (*only Christ is to be worshiped*). The word “halo” originated from a Greek word that simply meant the sun, or the sun’s disk. The pre Christian Romans named their sun god Helios and eventually began using the halo in their art, including their “divine” Holy Roman Empire emperors. When the Romans created their false version of Christianity, they carried over their use of the halo into Christian images idols and artworks where people eventually lost sight over hundreds of years at to what they were actually looking at. Getting back to the Mathew 24:15-21 prophecy referring to the Daniel 9:27 “**Abomination of Desolation**” Jesus points us to a further time of conflict and war (*tribulation*) that will

“THE BOOK OF REVELATION UNSEALED”

Chapter 37

come following this “**Abomination of Desolation**” as part of the last “Holy Roman Empire” Dan 2, domination takeover ushered in under the spiritual antichrist influence.

If we read in Ezekiel 8 God gave us a vision of idol sun worship idolatry calling it the worst sin of all in 592 B.C, this is 1200 years before Islam was created in 610 A.D. We see a spiritual vision from God of Idolatry in the temple of God where at the gates an **image of jealousy** (*generational Ishmael/Arabs jealousy of Jacob/Israelites*) resided leading the people into idol worship inside the temple the Holy place of God. The greatest abomination before God was the Baal worship or sun God worship of Idols and symbols this stirred up Gods fury and judgment against those doing this to God. Abrahams Ishmael was always **jealous** of his half brother Isaac this became a generational war and conflict. Ishmael became the Arab peoples of the Middle East with its 12 princes Gen 25:16 which now mainly consist of Islamic nations. See Ezekiel 8.

Ezekiel 8:15 – 18

Then He said to me, "Have you seen this, O son of man? Turn again, you will see greater abominations than these." So He brought me into the inner court of the Lord's house; and there, at the door of the temple of the Lord, between the porch and the altar, were about twenty-five men with their backs toward the temple of the Lord and their faces toward the east, and they were worshipping the sun toward the east. (NKJV)

The east referred to here is the Middle Eastern region where the idol worship of the sun (*Satan/Baal*) began, in modern day terms it morphed into Allah. In ancient times for instance children were sacrificed to the sun gods Baal and Molech the same false deity, sound familiar with Islamic suicide bombers killing children and using them as living bombs? Muslims believe when one dies as a martyr they but favor with Allah for 70 family members that's why Muslim mothers encourage their sons to be a martyr for their families salvation with Allah.

Ezekiel 8:17-18 And He said to me, "Have you seen this, O son of man? Is it a trivial thing to the house of Judah Sun and moon worship is an ancient old Middle East, Greek, Persian, Roman, Egyptian, Arab pagan religion found throughout Old Testament scriptures. The demonic practice of prostitution, idolatry and child sacrifice, it just changed names and forms throughout history but commits the same antichrist spirit abominations to commit the abominations which they commit here? For they have filled the land with violence this is the same as what Islamic terrorists have done under the mask of the Islamic religion; then they have returned to provoke Me to anger. Indeed they put the branch to their nose. Therefore I also will act in fury. (NKJV)

In scripture God declares about Satan's character from beginning to end how he fills his own house with violence just as he has done with the Islamic religion through radicals, making this a satanic beast religion. God knew in the last days the sun and moon worship would be all over the earth killing the saints (*Islam/Vatican*). False religions encompassing idolatry through sun and moon worship as found in Islam 2.2-3 billion and in the Catholic Church 1.2 billion, all worshipping the image of the beast Satan.

“THE BOOK OF REVELATION UNSEALED”

Chapter 37

Ezekiel 28:13 - 16

You were in Eden, the garden of God; Every precious stone was your covering: The sardius, topaz, and diamond, Beryl, onyx, and jasper, Sapphire, turquoise, and emerald with gold. The workmanship of your timbrels and pipes Was prepared for you on the day you were created. ¹⁴ "You were the anointed cherub who covers; I established you; You were on the holy mountain of God; You walked back and forth in the midst of fiery stones. You were perfect in your ways from the day you were created, Till iniquity was found in you. "By the abundance of your trading You became filled with violence within, And you sinned; Therefore I cast you as a profane thing Out of the mountain of God; And I destroyed you, O covering cherub, From the midst of the fiery stones. (NKJV)

The results of this sun worship are found in Ezekiel 9, where the land became filled with blood and violence causing Gods Judgments and fury to be poured out. God sends His angels to kill those committing these abominations and to mark those as Gods who cried out to God because of these abominations (*Vatican 1260 years of saint persecution and Islam with 1400 years of persecution*). The Lord declares His judgments against these sun idol worshippers of violence defiling His temple (*Churches and Christians by Isis/Hezbollah etc in modern times*) in Ezekiel 11:1-10. This is an exact pattern to what Isis has done in Iraq and Syria with Christians and others such as the Yazidi people. The Lord says he will bring them out of the lands midst (*gather them together*) for they have feared the sword (*war*), so He will bring the sword (*war*) upon them (*President Trump and Putin in 2017 the end of the 42 months tribulation period against the saints most of Isis is defeated killed*) and judge them then deliver them into the hands of strangers (*USA/Russia/coalition forces*). This theme is repeated in the coming end times Rev 4th, 5th seal and 6th trumpet in our modern day.

In revelations God releases the four angels (*Rev 9:15*) along the Euphrates River (*Muslim Islamic sun worship symbols of Allah*) to kill and destroy a 3rd of mankind (*Rev 9:18*) in a fourth part (*Rev 6:8*) of the Earth (*Middle East*) as part of His judgment against those that worship the image of the beast. There is good news in all of this also leads to what's found in the New Testament, a move of God coming seen in Rev 14:14-16 the worldwide harvest. You must have the war against the saints the **“abomination of desolation”** and the Rev 13 beast and false prophet on the world scene before you can get to the Rev 14:14-16 worldwide harvest of souls, that's what all this is about prior to Christ's return. This will include Muslims who turn to God, it's about souls the grace of God reaches out to Islam, all who call upon His name are saved.

This is even for those who are doing these detestable abominations (*Jihad, decapitations, rape, sun worship ect*). Ishmael will be returned also into the family of God he's the half brother of Isaac. I remember a vision that came in 2011 of Gods fire and glory moving in the heavens across the Middle East where millions of Muslims were down on their mats worshipping Allah. God's fire and glory washed over them their eyes were opened to the truth of Christ as God, they then bowed down to Christ as this fire went across them odd ones refused and were consumed by this fire. So Jesus quotes Daniel's prophecies then incorporates the **“Abomination of Desolation”** into His Israel Great Tribulation prophecy meaning the **“Abomination”** in Daniel that comes against the saints under the beast in the end times is one and the same **“Islam”**.

“THE BOOK OF REVELATION UNSEALED”

Chapter 37

Mat 24:15 "Therefore when you see the 'ABOMINATION OF DESOLATION,' spoken of by Daniel the prophet, standing in the holy place" (whoever reads, let him understand). (NKJV)

In Dan 9:26 you see Math 24:15 Jesus direct quote about Jerusalem being destroyed by a prince and his people (*General Titus a prince of Rome led the battle in 70AD and the Romans*) **“And the people of the prince who is to come Shall destroy the city and the sanctuary. The end of it shall be with a flood, And till the end of the war desolations are determined”** this is determined prophesied about and took place in fullness Jerusalem as it was overrun flooded by Romans ending the war revolt of the Jews. In the last part of Daniel 9:27 it refers to **“And on the wing of abominations shall be one who makes desolate, Even until the consummation, which is determined, Is poured out on the desolate”** referring again to the destruction of Jerusalem in 70 AD and the Romans war against Jerusalem shall be complete a total consummation. God’s judgment was poured out on the desolate Jews whom God had given over to the Romans as they had rejected Him Christ for 7 years of grace He had given them at His first coming. As said in our modern times the 21st century the **“Abomination of Desolation”** has come in another form this time with Muslims as prophesied in Daniels time in Dan 9. This abomination of desolation comes again with Islam such as Isis, having been empowered with weapons and finances to rise up taking what’s not theirs turning churches into mosques murdering Christians and other non-Muslims.

The Abomination of Desolation

Mat 24:15 *"Therefore when you see the 'ABOMINATION OF DESOLATION,' spoken of by Daniel the prophet, standing in the holy place" (whoever reads, let him understand). (NKJV)*

As Jesus said a thief comes to steal destroy and kill, Judgment on the antichrist beast comes in Rev 19 the false prophet and the antichrist kingdom. Scripture does not say what the **“Abomination of Desolation”** is in Daniel, Revelations, Mathew or Mark but scripture does say **"let the reader understand"**. There are enough clues in scripture (*Ezekiel 8, Rev 13, and Mathew 24:3 onwards*) to understand what this **“Abomination of Desolation”** that will be connected to idolatry under a false religion that has a false prophet and an army, it will be according to the times we are in. In Revelation 13:14 it describes this antichrist false prophet (*spirit*) making some kind of image (*fulfilled see chapter 41 “False prophet”*) calling people to it which all are forced to worship this beast image as a religion, which is spiritual.

In our times these things are unfolding at an accelerated rate through Islamic conflict and war . This end of days war and conflict is described and mentioned in many passages of scripture Revelation 6,9,16,19 Joel 2,3, Daniel 11, Ezekiel 38, 39 and Psalm 83. The fulfillment of the fullness of the gentiles (*this is not the times of the gentiles*) is to be manifested in the last days **“The destruction of sin”** the manifestation of evil in the nations under the end times beast and false prophet. The times of the gentiles was fulfilled when Israel took Jerusalem from the hands of the Jordanians in the 1967 in the Arab/Israeli war. This was the first time Jerusalem and the temple mount was returned back into the hands of the Jews since 70 A.D at the destruction of the 2nd temple of Herod.

Hundreds of Christian Churches are attacked and destroyed or turned into Mosques this is the **“Abomination of Desolation”** in the end times has happened since 2013 onwards manifesting.

A submission to the UN Special Reporter in the field of cultural rights by the Research Assessment and Safeguarding of the Heritage of Iraq in Danger in September 2016, concluded the Isis carried out “planned and systematic” destruction. In Mosul and Nineveh, the report identifies 155 religious sites destroyed by the extremists, including 74 Shia religious sites, 26 Yazardi and 9 Christian sites.

At least 124 attacks on churches in Syria have occurred since the beginning of the Syrian civil war (2011) with the regime of President Bashar al-Assad being responsible for 60% of those attacks, a new report from an opposition-associated monitoring group claims. (2019 report)

The false prophet who stands before the 1st beast of Rev 13 with his image an Idol (*Islamic sun and moon of Allah*) commands people to worship it (*Islamic Ottoman Empire*), **Rev 13:14-15** **And he deceives those who dwell on the earth by those signs which he was granted to do in the sight of the beast, telling those who dwell on the earth to make an image to the beast (Abomination of Desolation) who was wounded by the sword and lived (Ottoman Empire WW1) He was granted power to give breath to the image of the beast, that the image of the beast should both speak (Islamic call over speakers in mosques) and cause as many as would not worship the image of the beast to be killed (Islamic Jihad and Sharia law. Islam has the symbols of the sun God “Baal” everywhere in its religion this is not a coincidence its spiritual and satanic to its core the devil has hoodwinked hundreds of millions that need saving.)**

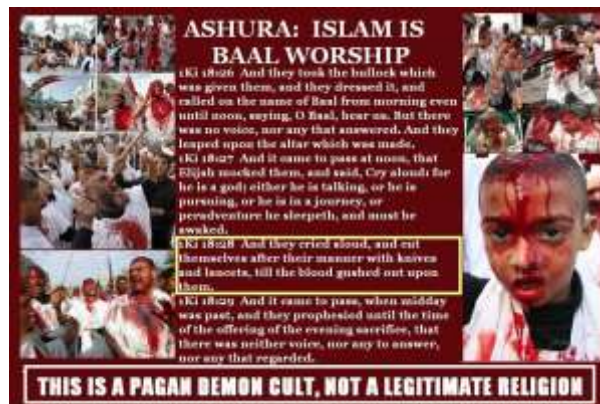

“THE BOOK OF REVELATION UNSEALED”

Chapter 37

A particular Muslim ceremony known as “The Mourning” occurs once a year not all Muslims practice this, it seems to echo the type of behavior seen in the priests of Baal (*Israelites*) when confronted by Elijah in the Bible. **1 Kings 18:28 “So they cried aloud, and cut themselves, as was their custom, with knives and lances, until the blood gushed out on them.”(NKJV)**

Many Muslims do this on their "holiest day" of "Ashura" also to children. This word is close to the word "Asherah", this word is derived from the Hebrew and Arabic word for "tenth". In this tradition the grandson of Muhammad was slain on the tenth day of the month. The "mourning" is similar to the "weeping for Tammuz", it mimics closely the "cutting" performed by the pagan priests when Elijah confronted the false prophets of Baal and Asherah on top of Mount Carmel. This shows us it's the antichrist spirit with a different name and generation.

Muslims have the occult sun and moon flag pole and symbol on all their mosques around the world. They have caused great destruction with death and bloodshed every where they have gone. It is estimated that Islam since its inception by Muhammad in 610 AD has killed in 1400 years of Jihad an estimated 669 million people. That's more than all the world wars in those same centuries put together including WW1 and WW2. This is a worldwide generational antichrist cult of destruction that's coming into Gods judgments in these last days.

In a few short years since 2013 Christians and others have had to flee displacing millions in the region. In 2003 there were approximately 1.5 million Christians in Iraq as of 2015 there are only 300 thousand left Syria has also lost over a million Christians with 5 million people killed since its conflict began in 2012 by 2020 only 250 thousand remain in both Iraq and Syria. The worship these Christians have done in the Middle East been ongoing since the days of Christ now almost wiped out. In over 60 countries worldwide 200 million Christians are under current persecution and displacement the majority of which is done by Muslims of Islamic extremism and ideals.

Muslims train up children from babies onwards to become Jihad fighters , suicide bombers to hate Israel and infidels with a vengeance such as Hamas and Isis. This is happening all through the Middle East and in western nations such as Europe and the US by Muslim organisations. The refugees being taken in come from all sorts of back grounds where from child hood they have been brain washed and trained in such hatred for generations. Children are trained in schools to hate and used as shields for Islamic terrorists. This is the same spirit of murder, death and disregard for children as it was with Baal, Molech worship where children were offered up as child sacrifices burnt alive in the fires of these false sun Gods.

“THE BOOK OF REVELATION UNSEALED”

Chapter 37

There is a another practice just as wicked as sun god child sacrifice that happens in nations around the world. Its abortion where millions babies are torn apart in the womb a term known as “Infanticide”. This same antichrist spirit is operating in our modern day just under another guise and name an “Abomination” to God. The ancient Israelites also committed this type of child sacrifice idol worship with Baal and Molech, influenced by pagan cultures around them in the Middle Eastern region.

Ancient Baal and Molech worship the same false Gods of ancient Middle Eastern religions

Some of the oldest Christian communities in the world in our modern day have been part of the “Warring against the saints “. In 2013 Christian martyrs doubled to 160 – 200 thousand per year one every 5

minutes a Christian is being killed around the world. The “**Abomination of Desolation**” had come taking over their Churches and places of worship. There is no third temple in our days to be built in Jerusalem even though Jews have made plans and preparations with temple implements being made. Remember in the last days will be many false prophets and doctrines of men, scripture in correct context and historical accounts is the only true reference we have to unfolding truth.

A third Jewish temple is not God ordained Christ’s return saving Israel in Rev 11 is ordained, this theory teaching of the “Abomination of Desolation” to be set up in a temple in Jerusalem in modern times then the antichrist stands in it proclaiming he is God as taught, won’t happen. This is taught out of context as a theory and belief in mainstream western Christianity even movies have been made about it that does not mean it’s true. If a third temple was built in our modern times it cannot and would not become Holy God does not lie, only where Gods presence resides can it be truly Holy, where the foot of a true Christian stands according to the gospels.

A third temple built in the natural without Christ which is what modern day Judaism is all about, is dead spiritually no matter what they do Gods Holy Spirit left the man made temple 2000 years ago, to never return to it. In order for prophesy to be fulfilled the only Holy place that the “**Abomination of Desolation**” can be found to destroy sacrifice to God is in Christians having God in them and their Churches. This is where they have opened spiritual portals and realms of worship in God’s presence causing it to become Holy. Scripture says about true believers in **1 Peter 1:16** “**Be holy, for I am holy.**”

Since Christ came on the scene the Jewish temple was dismantled the curtain in the Holy of Holies was torn in two symbolizing that God no longer needed the temple for His presence to reside there. The Father poured out the Holy Spirit into men’s hearts after Christ was crucified at Pentecost so the Holy Spirit was loosed into the world living in the hearts of men. This transference of God’s presence from a physical temple to making mans flesh now the temple of God is a major key to the modern day attack of the “Abomination of Desolation”. As Christians we come together meeting in buildings, homes and Churches to worship God in a corporate gathering in His presence in each one of us. This makes the place of worship the house of God or place of His presence a Holy place the place of living sacrifice of prayer and worship to God.

Old Testament Temple

New Testament Temple

“THE BOOK OF REVELATION UNSEALED”

Chapter 37

Ezekiel in 592 B.C prophesied about the first temple of Solomon that lasted from 832 B.C through to 422 B.C (*destroyed*) in Ezekiel chapters 8 through to 19. Ezekiel then prophesied about the 2nd temple he saw in visions in Ezekiel chapters 40 through to 48 that Herod then built in 526 BC it lasted to 70 AD. No third temple except the spiritual temple of God on the earth in revelations as the last temple is ever prophesied about as a future event. A third Holy temple in Jerusalem built in the natural is only a theory taught the reality is Gods temple comes with Christ's return and there will be no animal sacrifice at all it's over and was dealt to at the cross. If anything like that ever occurs it is an abomination to God and cannot fulfill scripture as the Holy place the enemy attacks. The true end time temple prior to Christ's return as said is God's people where this “**Abomination**” comes against them during the “**warring against the saints**”.

President Obama has fulfilled all the prophecies of the beast in Daniel and Revelations and further scriptural prophecies around the beast are being fulfilled (*Euphrates River drying up 6th bowl*). Obama's spiritual antichrist kingdom is Islam whom he has empowered. The false prophet stands before the 1st beast a political leader of Rev 13. The false prophet is a religious leader president Erdogan of Turkey who was partners with Obama both Sunni Muslim Brotherhood partners. The 6th trumpet tribulation war and Psalm 83 , Ezekiel 38, 39 war against Israel all takes place in the Middle East. The Ottoman Empire was the first head wound of the beast in Rev 13:1-10 it took place in WW1 only to re emerge seemingly healed in the Middle East since the 2011 Arab spring uprising.

If we read in **1 Peter 2:5-6** “**you also, as living stones, are being built up a spiritual house, a holy priesthood, to offer up spiritual sacrifices worship and prayer acceptable to God through Jesus Christ**”.(NKJV) This shows us this living sacrifice is actually worship and prayer through Christ in us in the last day's not animal sacrifice in a temple as some preach. So the “**Abomination of desolation**” comes against Gods people as found in Rev 13 with the worship of this beast's image. The desecration of Gods Holy places of worship by Muslims idolatry, murder and stealing the “Jihadist” desolation to all non-Muslims. See False Prophet chapter 41 in the book of Revelations unsealed to find out what the false prophet image is as an “Abomination of Desolation” he sets up (*this image was unveiled to the world in June of 2017*) for many to worship under his false religion this all lines up in this cahpter history in the making.
