Revelation for this author came in June 2014 of who the false prophet was according to prophecy and recent historic fulfillments. From realizing who the false prophet of revelations actually was in 2014 three years past until 2017 when the **“image to the wounded head of the beast”** Rev 13:12 was created and unveiled by the false prophet. In **“Revelation Unsealed”** chapters we know in history the **“wounded head by the sword of war”** Rev 13:3 this was the Islamic Ottoman Empire defeated in WW1 the 1st Trumpet of Revelations.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

This set the precedent that the image to come would be the star and moon of Islam connected directly to the Ottoman Empire the wounded head. This image then appeared on the world stage created by the false prophet mid-2017 confirming who he was to further fulfill prophecy. This was an image to the “**beast whose head was wounded**” the Ottoman Empire the militant religion of the beast/Satan that kills Christians.

To set the historic end times stage according to “**The Book of Revelation Unsealed**” chapters from 2009 onwards we entered into the release of the 5th seal, 6th Trumpet and 6th bowl involving the beast, false prophet and Islam (see chapters 25, 26, 36). The 6th Trumpet and 6th Bowl both zero in on the Euphrates River surrounded by four Islamic nations Turkey, Iraq, Iran and Syria. In this area along the Euphrates River, conflict and war continue to break out as the river begins to dry up. The Euphrates River began drying up the same year Obama became president in 2009. It was Erdogan of Turkey who began drying the river up as a weapon of war to strangle neighboring nations over time he built 22 dams along its source controlling its flow. It states in the 6th Bowl that when the Euphrates River begins to dry up unclean deceiving spirits like frogs come out the mouth of the beast (*Obama*) the false prophet (*Erdogan*) and the dragon (*Dragon’s seat of power is the UN*) to deceive the kings of the Earth.

Prophecy reveals in 2009 when the river began drying up the beast and false prophet of Rev 13 and the Dragon’s seat of power (*UN*) were positioned on the world scene. An acceleration of deception and lies from world leaders miss leading their populations to an agenda (*UN Agenda 2030*) has increased since Obama became president of the USA in 2009. Obama even had a false birth certificate based upon lies and deception which was proven to be false in the high courts of America, this technically made him an illegitimate president a deep state plant. In 2009 Obamas first foreign visit as president was to Turkey to meet with Erdogan an Ottoman styled king of Islam. Just one year after Obama came into power the Arab Spring broke out across Africa involving several Muslim dominated countries in 2010. With Obama’s interference using the Arab Spring he helped create chaos in four nations Tunisia, Yemen, Libya and Egypt destroying three long term dictators (*3 horns ripped up*). Obama’s administration murdered Gaddafi of Libya on Oct 11th 2011 allowing the Muslim Brotherhood Influenced Isis to infiltrate Libya with war and conflict ever since.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

Obama then used political pressure to force the president of Egypt Hosni Mubarak whom had ousted the Muslim Brotherhood out of Egypt to step down, Mubarak was then replaced with a Muslim brotherhood President Mohamad Morsi in 2012. Obama began advancing the cause of Islam he heavily funded Palestine (*Hamas*) then Isis appeared created under Obamas administration in 2013. Isis begin killing the Yazidis and Christians in Syria and Iraq then later Erdogan of Turkey joined in on the conflict across its borders with Syria and Iraq. Obama made nuclear deals with Islamic extremist Iran whom is Israels arch enemy releasing billions of dollars to Iran. Obama appointed at least 6 Muslims associated with the Muslim Brotherhood for 8 years to help oversee US foreign policy. Obama held Muslim prayer and CAIR meetings in the White House on a regular basis.

Obama caused gay marriage to become legal, many laws were created against Christian organizations restricting freedoms of the Christian religion across America, kangaroo court inquiries were set up against Trump. Obama created many internal US policies across America to remove God, that came against Christians in churches, schools, immigration and the armed forces. Obama set up illegal bio weapons labs in the Ukraine as a senator pre-2009 he funded Wuhan bio labs in China. Then surprise the bio engineered Covid 19 manifested in 2020 forcing untested DNA altering spike mRNA vaccines on millions by rich elite corporations such as the Bill Gates funded World Health Organization, Pfizer and Moderna Rev 18:23. The forced shut downs across 188 nations along with worldwide coerced experimental vaccinations cost the nations billions in revenue stripping populations of economic stability and their freedoms as the UN began the Agenda 2030 Great Reset **“Where you will own nothing and be happy”**.

Since the 2010 Arab Spring it has been Islam terrorists in the Middle East that accelerated the killing of the saints under the watch of the Rev 13:1-10 first beast from the sea “Obama”. In a 3.5-year period an estimated 2.3 million Orthodox Christians have disappeared or been destroyed from Iraq and Syria. Obama’s administration created trained empowered and weaponized through the CIA **“Isis terrorists”** who began massacring Christians in the Middle East. Obama admits he is a Muslim on live video (*see chapters 28, 30, 31, 32, 35*) he also has Muslim brotherhood family members in Kenya, it’s well-known Islam is a generational religion from father to son. Obama is the Rev 13:1-10 beast whom has close connections in religion and politics to Erdogan of Turkey. Erdogan of Turkey is also connected to the Muslim brotherhood he endorses them and allows them to operate within Turkey. These connections and situations are a fore shadow of the alliances and prophecy fulfillments to come.

The **“beast from the land”** the false prophet is **“Erdogan”** and the **“beast from the sea”** is **“Obama”** of Rev 13. These two men are wealthy politically powerful and influential as leaders they know one another they are of the same religion connected through the Muslim Brotherhood. Erdogan was Obama’s first foreign leader that he visited in Turkey in 2009 as president. Islam in modern times is the only religion that kills and beheads the saints of the end time’s Rev 20:4. Terrorist organizations such as Isis, Hamas, Taliban, Boko Hiram, Al Qaida and Hezbollah have connections to the Muslim Brotherhood. Islam consists of 1.7- 2.3 billion people across every nation on earth. 200 million Christians are persecuted in over 60 nations around the world most of these nations except China and North Korea are mainly Islamic. The Islamic False prophet hates Christians with a vengeance he takes their assets and land, allowing and agreeing with past and present Christian massacres Erdogan like the UN see’s Christians as nothing but

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

dung. Erdogan also hates Israel he has stated along with Abbas of Palestine that in the near future they want to raise up an army to invade and destroy Israel.

The United Nations inner circles are known to have a destructive agenda against Christian's (*anti hate speech laws designed to stop the gospel from being preached*). Christians are the only ones to stand against the UN's corruption on top of this one third of the UN member countries are Islamic whom persecute Christians. Erdogan since 2019 heads up the anti-islamophobia hate speech laws at the UN which is driven to protect Islam, causing nations under the UN to bow to Islam. The wounded head of the beast (*Rev 13*) according to recent history in the 19th century, was the Muslim Ottoman Empire defeat by the sword of war in the 1st Trumpet WW1 of 1914-1918 (*see chapter 9, the Turkish Empire ruled from 1299 – 1922 a 700-year rulership the Ottoman sultanate was abolished on 1st November 1922 after their WW1 defeat*).

Apart from the Vatican (*murdering up to 150 million people over 1260 years*) Islam has been the biggest generational killing machine on earth for 1400 years, killing an estimated 669 million people (*see chapter 19D*) according to past and present history. Islamic forces served Hitler in WW2 the 2nd Trumpet on the front lines and assisted in eliminating the Jews in Nazi camps (*6 million Jews were killed*). Hittler used Islamic ideals and tactics in the termination of Jews. The Vatican was also very influential and instrumental from behind the scenes religiously and politically in promoting the start of both WW1 and WW2, Islam fought in both wars. Islam is an antichrist religion of idolatry, death and destruction the Vatican now says both religions worship the same God. Both the Vatican and Islam are antichrist in nature, both have shed the blood of true Christians and countless others for hundreds of years.

Both religions have been anti truth or antichrist in their manmade false doctrines, both religions worship idols (*idolatry is an abomination to God*). Islam in modern times makes up one third of the United Nations whom is a Holy Roman Empire organization Dan 2. Islam along with socialism/communism is now being promoted around the world by the United Nations amalgamating the two religions for its own purposes. The purpose of the UN (*Agenda 2030*) is not sustainability it is to destroy democracies and the free world for a New World Order of ultimate control depopulation and tyranny. Since 2019 the UN has promoted “**anti-hate speech laws**” or “**ant islamophobia law**” the taking away of free speech (*censorship big tech, governments etc*) that one can't speak against anyone if it is deemed hate speech by these unelected elites. This is a direct attack on God given freedoms of speech and the preaching of the gospel that preaches against sin. Again, it is Erdogan of Turkey along with Pakistan both Muslim nations that are heading up the charge on “**Hate Speech laws**” at the UN.

This “**Hate Speech law**” is what this author sees as a “**Mark of the beast**” law promoted and led at the UN by Erdogan the false prophet of Rev 13:11-18. This hate speech law is actually an anti Islamophobia law that came as a response from communist prime minister Jacinda Adern after the Muslim Christ Church massacre in New Zealand in March of 2019. New legislation was then adopted and promoted by the UN in 2019. According to prophecy that's over 2000 years old it is the False prophet that causes many to bow to the wounded head of the beast “**Islam**”. In the last days the false prophet sets up the image to the wounded head of the beast Erdogan has been fulfilling this role accurately. It is mainly the geneology

Chapter 41

of Islamic nations that are named in Ez 38 and 39 (*UN nations*) where the Kings of the East (*Bowl 6, Rev 6:12*) come against Israel in the invasion of Jerusalem Rev 11:1-3. It mentions nations (*UN/Islam led*) will be led by the beast and false prophet in that war Ez 38 and 39, Zech 14:2, Rev 11:1-3, Joel 3, Math 24:15-21 and Rev 19:11-21.

The invasion of Jerusalem finishes with Armageddon Rev 16:16 heralding in Jesus’s return (*see chapter 4, 19B, 20, 40, 45, 47*). Half of Jerusalem (*Zach 14:2*) in Israel will be invaded by Islamic forces in the Ezekiel 38 & 39 war of “**Armageddon**” as seen in Rev 16:6. This is the final war the “**Great Tribulation**” of Math 24:21, this is a 3.5 year period according to Rev 11:1-3. This war is over Jerusalem the place of the return of Jesus, its fought over the temple mount the “**Holy Place**” for Muslims, Christians and Jews Math 24:15-16. This final war happens prior to Christs return it takes place in the last 3.5 years of the Rev 14:14-16, Joel 3:13-16 “**worldwide harvest**”. This final war takes place in the 6th Bowl and 6th Trumpet Rev 9:13-21 we have been in that season since 2009 and the Euphrates drying up. This war ends with the 7th Trumpet of Rev 11:15-19 with the wrath of Jesus against the wicked. Remember Erdogan the false prophet supports and funds Hamas along with Isis in the Middle East he has the worlds 8th largest Islamic army. Erdogan is head of the OIC and the Arab League of Nations he is a King of Islam overseeing the Ottoman Empire nation of Turkey.

*Hamas is an Islamist organization with a military wing that came into being in 1987, **emerging out of the Muslim Brotherhood**, a Sunni Islamist group that was founded in the late 1920s in Egypt. The word “Hamas” is itself an acronym for “Harakat Al-Muqawama Al-Islamia” Arabic for Islamic Resistance Movement. The group, like most Palestinian factions and political parties, insists that Israel is an occupying power and that it is trying to liberate the Palestinian territories. It considers Israel an illegitimate state..... Hamas has over the years claimed many attacks on Israel and has been designated as a terrorist organization by the United States, the European Union and Israel. Israel accuses its archenemy Iran of backing Hamas.*

Chapter 41

Palestinians offer Eid al-Fitr prayers by the Dome of the Rock in the al-Aqsa compound on April 21, 2023. Mahmoud Illean/AP/FILE

The al-Aqsa compound is one of the most revered places in Islam and Judaism. The sacred grounds, known to Muslims as Al Haram Al Sharif (Noble Sanctuary) and to Jews as Temple Mount have been a flashpoint of tensions between Israel and the Palestinians for decades. In a statement, Hamas said it had launched Saturday's 7.10.23 "Al-Aqsa Storm" attack on Israel, which targeted hundreds of troops and civilians, in part to defend the holy site. Only Muslims are allowed to pray in the compound under a status quo arrangement originally reached more than a century ago. Non-Muslim visitors are allowed visits at certain times and only to certain areas of the complex.

But many in the Muslims world fear that the right to be the sole worshipers there has been eroded and that the sites themselves are being threatened by a growing far-right Jewish movement and Israel's far-right government. Clashes have frequently broken out at the site between Palestinian worshipers and Israeli forces. Police raided the compound several times over the last year. The complex lies in East Jerusalem, which the Palestinians want as the capital of their future state and which most of the international community considers to be occupied territory. Israel captured it from Jordan in its six-day war in 1967 and considers both East and West Jerusalem as its united, “eternal capital.”

Erdogan during Obama’s administration and after assisted Isis in Iraq and Syria helping injured Isis terrorists with hospital care, supplies and food. Erdogan also supports the Hamas war against Israel and their ongoing attacks against Israel. The False prophet Erdogan of Turkey has the world’s 8th largest military with a religious Islamic desire to destroy Israel, to capture Jerusalem. Erdogan who is Sunni Muslim Brotherhood is in partnership with Hamas politically and militarily (*Hamas emerged out of the Muslim Brotherhood*). Obama created Isis in Iraq and Syria he also sent hundreds of millions every year for 8 years in funding to Palestine, into Hamas hands waiving away all funding restrictions and refused to call Hamas terrorists. Obama releases billions to Iran with his nuclear deals enabling Iran to expand their terrorist activities and weapons supplies across the Middle East.

The president's unconditional support for two of Hamas' biggest enablers in the region — Turkey and the new Muslim Brotherhood regime in Egypt — clearly have emboldened the terror group..... A smaller escalation occurred last summer after Obama defied Congress and unfroze \$147 million in aid to the Palestinians. Some 600,000 Gazans now receive nearly \$100 million worth of USAID assistance (even though they voted into power a U.S.-designated terror group).

Eragon in 2016 began moving his forces since the “**Arab Spring**” across Turkish borders throughout Syria in support of Isis to take more territory. In 2019 and 2020 Erdogan amassed 30’000 troops along Syrian borders to begin sending them into north west Syria itself. In 2022 Erdogan began pushing his military to establish a 30km expanded security zone from the Turkish border into Syrian territory, his forces engaged against Syrian forces, strengthening Isis’s stand in the region. Erdogan also sent forces into Iraq stepping up cross border operations. Erdogan has been a long supporter of the Muslim Brotherhood and Hamas whom was formed out of the Muslim Brotherhood in 1987. Israeli leadership has stated Isis and Hamas are the one and the same terrorist organization. We know they are influenced by the Muslim brotherhood in tactics and agenda as seen again in the Hamas invasion of Israel 7th Oct 2023.

See: file:///C:/Users/brian/Desktop/stuff%20to%20sort%20on%20end%20times/Muslim%20Brotherhood%20Ties%20to%20ISIS%20and%20AQ_050119.pdf

According to the new line the Israeli government has been pushing intensely, the answer is yes, for all intents and purposes: “Hamas is ISIS, and ISIS is Hamas.”..... The Foreign Ministry drove home the same message. On Tuesday, it posted a video on its Facebook page showing IS killing Iraqi soldiers juxtaposed with images of Hamas executing suspected collaborators and dragging bodies through the streets. “You will find it hard to tell the difference between them, simply because there isn’t any difference between them: Hamas is ISIS and ISIS is Hamas.”

Erdogan of Turkey along with Hamas have stated they want to invade Israel with a million-man army to destroy it, Iran wants to destroy Israel this is the desire of all of Islam as a religion. Prophecy in Ez 38 and

39 is very accurate for these end times as Islam never existed in the time of Ezekiel. Islam was formed close to 1200 years after Ezekiel’s initial prophecy and 600 years after John the Revelator.

JERUSALEM, Israel – An article in a Turkish paper with close ties to Turkey's President Recep Tayyip Erdogan exposes the regime's desire to form an "Army of Islam" to attack and destroy the State of Israel. The article calls on the 57 member nations of the Organization of Islamic Cooperation (OIC) throughout the Muslim world to join forces against the Israeli "occupiers" who would then be vastly outnumbered and unable to defend their country.

Article 13.3.2018 (CBN News USA)

JERUSALEM, Israel – An article in a Turkish paper with close ties to Turkey's President Recep Tayyip Erdogan exposes the regime's desire to form an "Army of Islam" to attack and destroy the State of Israel. The article calls on the 57 member nations of the Organization of Islamic Cooperation (OIC) throughout the Muslim world to join forces against the Israeli "occupiers" who would then be vastly outnumbered and unable to defend their country. Translated and posted by MEMRI (Middle East Media Research Institute), the article details how combined ground, air and naval forces could defeat Israel militarily in 10 days and diplomatically in 20 days, thereby liberating "Palestine."

According to MEMRI's well-documented post, the article's key points came from the website of Turkey's SADAT International Defence and Consulting Company, which promotes pan-Islamic military cooperation. SADAT was founded by President Erdogan's senior military advisor, Adnan Tanriverdi. The group provides information on "conventional and unconventional defence and warfare." Its mission statement envisions helping "the Islamic world take its rightful place among the superpowers."

Citing Israeli security sources, MEMRI notes that SADAT provides funding and military equipment to Hamas in the Gaza Strip with the goal of creating a Palestinian army to fight Israel. "If the OIC member states unite and form a joint military force, it will be the largest army in the world," the article states. "These countries' total population is 1,674,526,931. The number of soldiers in active service in these countries is at least 5,206,100." The article in that Turkish daily, which is called *Yeni Safak*, describes Israel's population (just over 8 million) and military forces "as significantly inferior," noting that the population of Istanbul, Turkey's capital, is more than 14 million.

"The military capability of the OIC member states is considerable," the paper says. "These armies have the necessary equipment to carry out a military operation on land, sea and air." It continues. "Turkey alone is superior [to Israel]" and "will serve as an important headquarters during the operation due to its land, air and naval infrastructures." And he says, Turkey is actively pursuing and renewing alliances with Muslim countries in the Middle East and Africa.

"Those who believe that they are the owners of Jerusalem today will not find a single tree to hide behind tomorrow," he concludes.

Article 15.11.23 (post Oct 7th 2023 Gaza attack by Hamas):

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

Turkish President Recep Tayyip Erdogan accused Israel Wednesday of being “a terrorist state” and of implementing a strategy to wipe out the population of Gaza, during a parliamentary address in which he vowed to bring Israel’s political and military leaders to trial in international courts. Asserting that Israel “receives the full backing of the US and the West” in order to “commit war crimes,” Erdogan told the Turkish parliament that “the Israeli government has been continuously committing war crimes for the last 40 days, they are bombing hospitals, streets and mosques, and are aiming for all these places intentionally, implementing a strategy of total destruction of a city and its people.”

Prime Minister Benjamin Netanyahu hit back at Erdogan hours later. “He calls Israel a terror state, but in his actions, he supports the terror state of Hamas,” said Netanyahu, in comments released by his office. “He himself shelled Turkish villages within the borders of Turkey — we will not accept his preaching.” Netanyahu was likely referring to Turkish military action against Kurdish areas of the country in recent years.

Chapter 41

The final end times war “**Armageddon**” Rev 16:16 is led by the beast and false prophet of Rev 13. There is an Islamic agenda against the USA and the western democratic nations.

This last war is all about Satan and his forces wanting to destroy Jerusalem completely in an attempt to stop Jesus prophesied return to stop prophecy. At the end of the age since 1948 Jerusalem has become a burdensome stone for the nations Zech 12:3 (2750-year-old prophecy). In Rev 20 (2000-year-old prophecy) at the end of this final war the false prophet and beast are captured and killed in the “**Armageddon**” Rev 16:16 war against Jerusalem, their armies are destroyed by the Lord at His return Rev 19. The platforms are set for this final war in the days ahead that will bring us to the close of the church age taking us into the Kingdom age with Christ for a 1000-year millennial reign on earth. All of the players the beast the false prophet the Dragon’s UN/Islam are in positions of influence and power on the world stage for this final battle to take place.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

Israel exists again since 1948 after nearly 1900 years of absence as a nation that in itself is a miracle. Never before in history has it been as it is now with all end times players as prophesied positioned and ready to go. Before this final 3.5-year war on the world stage we enter into the last and greatest move of Gods Glory the nations have ever seen in the worldwide harvest of souls Rev 14:14-16.

ISRAEL'S WAR ON GAZA

Iran launches drones, missiles at Israel

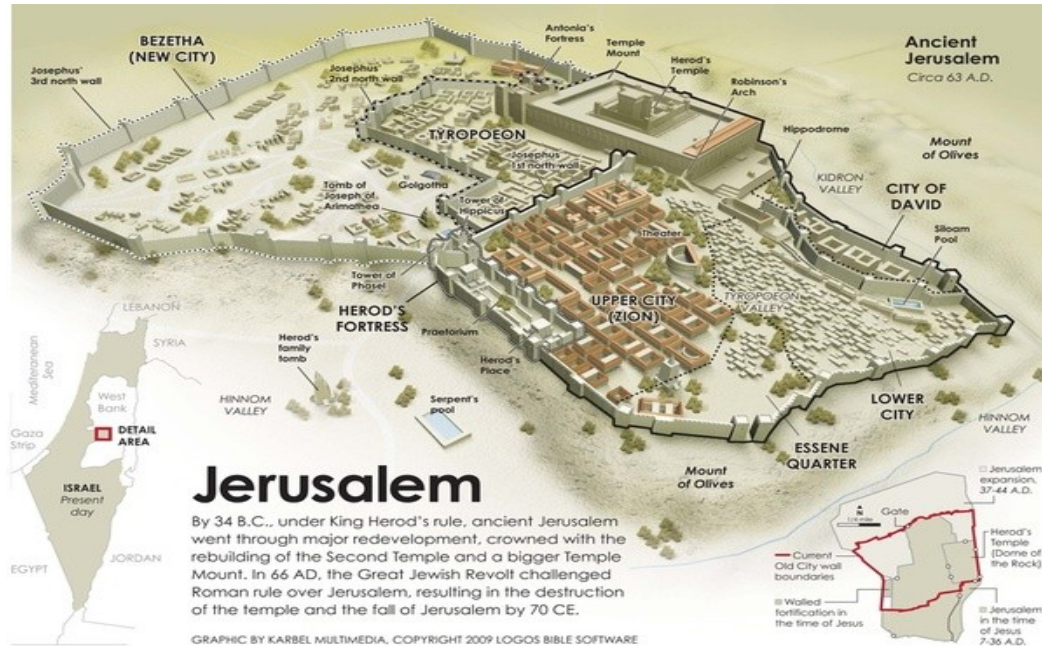

Israel says nearly all incoming drones and missiles - numbering more than 300 - from Iran, Iraq and Yemen have been intercepted. Iran says the attack is in response to an Israeli strike on its consulate in Syria on April 1 and that the matter can now “be deemed concluded”.

It will be a few years yet before this final war against Israel begins this war will begin in the last 3.5 years of the worldwide harvest of souls, the greatest move of glory any nation has ever seen. The hooks of antisemitism are being placed into the jaws of the nation’s Ez 38 and 39, for the nations to come up against Israel that is for certain. God puts these plans in their minds a spirit of delusion to destroy Israel, that He will be glorified in the site of all nations at His coming return in His 7th trumpet wrath against the wicked.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

The city of the final war WW3 prior to Jesus return

The false prophet is mentioned 4 times in the book of Revelation written over 2000 years ago (*Rev 13, 16, 19, 20*). A false prophet is like a wolf in sheep's clothing with a road leading to damnation. The false prophet advances false doctrines and false teachings, a deceiver of a counterfeit antichrist false religion. Recep Tayyip Erdogan of Turkey a political and religious leader resides as an influence over the largest religion on earth Islam with 1.7-2.3 billion Muslims. Erdogan has 745 thousand personnel in his military an Islamic military seated in the original Ottoman Empire nation. Erdogan is seen as a Sultan a King of Islam a King of the east he was personally invited into the Kaaba at Mecca only kings get that invitation. Erdogan has built himself a 600-million-dollar Ottoman styled presidential palace to live in with the image to the wounded head of the beast at its front gates. All of Islam is seen as one army under Jihad nearly 2.3 billion of them as Erdogan himself states **“There is no moderate Islam that Islam is Islam.... The Mosques are out barracks, the domes are our helmets, the minarets are our bayonets and the faithful are our soldiers”**.

Westerners need to wake up !!, Erdogan the False prophet of end times *Rev 13:11-18* is antichrist in spiritual nature and religion. The false prophet of the biblical end times is not the Pope even though the Pope is a false prophet (*there have been 266 false popes*). Pope Francis 11 is in the Bible he is the 8th King of *Rev 17:9-11* since the 1929 Lateran Treaty. Erdogan has dried up the Euphrates River (*Bowl 6 and Trumpet 6*) fulfilling a major prophecy revealing the time and season we are now in. Over time Erdogan built 22 dams along the Euphrates River source in Turkey as already said it's a water war tactic against Syria and Iraq. It was Erdogan that called fire down in the sight of the world on live TV when he

shot down the Russian jet over his borders in 2015 again as prophesied the false prophet does this. A fire ball was filmed on world media by billions as it streaked across the sky over Turkey’s border with Syria, this is exactly as scripture states in Rev 13:11-18. John the revelator was seeing future technology 2000 years ago. In the end times Erdogan of Islam perfectly fits the scriptural prophetic narrative of prophecy being fulfilled historically. Again, as stated this revelation of Erdogan was given to this writer in mid-2014 just 3 years prior to certain false prophet prophecies being fulfilled as seen in the next few pages.

Rev 13:11-18 “Then I saw another beast (Erdogan) coming up out of the earth (the continent of Asia is one quarter of the worlds land mass)

Continent of Asia one fourth of worlds geographical land mass and Islam

and he had two horns (religion /politics) like a lamb and spoke like a dragon (Firey anger as a leader a false prophet of a false religion that denies Christ this is the antichrist beast religion “Islam”). And he exercises all the authority of the first beast (Government and religious authority of the “wounded head Islam” Rev 13:3 Islam was one of the 7 heads Rev 13:1, this is not the Rev 13:1-10 antichrist beast himself)

The UN pushing anti - islamophobia hate speech and Muslim immigration laws for nations to bow to an Islamic invasion through policies. Communities of Sharia law are manifesting in many non-Islamic nations; the western embrace of Islam is strengthening eastern Islamic nation influences in the west. Halal Islamic law is incorporated in many western nations that now kill all their national meat via Islamic tradition, for Islam to buy and sell with them in trade and economics).

He (Erdogan the false prophet of Islam) performs great signs,

so that he even makes fire come down (Predator drones / Russian Jet 2015) from heaven on the earth in the sight of men.

And he deceives those who dwell on the earth by those signs which he was granted to do in the sight of the beast (Islam/antichrist spirit), telling those who dwell on the earth to make an image to the beast (Ottoman Islamic Empire statue set up June 15th 2017) who was wounded by the sword (WW1,1914-1918) and lived.

are marked) **on their right hand or on their foreheads** (Islamic Bismilla badge of servitude to “Allah” the beast/ Islam. All who are not saved in Christ automatically have the mark of the beast spiritually),

and that no one may buy or sell except (Whom is under Sharia law) one who has the mark (under Islam) or the name (Allah/Islam) of the beast (Muslims knowingly give allegiance to the beast),

Why would Muslims want the Mark?

- Muhammad himself stated that at Judgment Allah brings forth a “badge” or “mark” that he gives to the Muslim and written across it is “There is no god but Allah and Mohammed is his Messenger”. This badge/mark will save the Muslim from damnation and must be worn on the right arm/hand (Tirmuthi 2369)

- According to the Hebrew Lexicon, the Greek word for “mark” used in Revelation 13 (*charagma*) denotes something that is worn like a badge
- Also the phrase “right hand” in the same verse derives from the Greek, *dexios*, which can be translated as “the right side”, or “the right arm”

or the number (Islamic badge of servitude has 666 in it, up to 2.3 billion Muslims on Earth) of his name.

Here is wisdom. Let him who has understanding calculate the number of the beast, for it is the number of a man (Muhammad/Allah): His number is 666”. (NKJV)

Turkey was home to the 4th and last Islamic Caliphate abolished in 1924 after WW1 ending 700 years of Islamic rulership in the Middle East. The first photo above is Abdulmecid 11; he was the last standing Caliph of the Islamic Ottoman dynasty up until 1924 at the end of WW1. After the Ottoman defeat of WW1 (*wounded head of the Rev 13:1, 3 beast*) Mustafa Ataturk the 2nd photo on the previous page became the father of secular Turkey in 1923.

He decided Islam was not the way to go he became allies with western nations bringing democracy to Turkey. In more recent times the 3rd photo of President Recep Tayyip Erdogan (*Rev 13:11-18 false prophet*) is from 2003 when he began a push to reform Turkey back to its roots of Islamic rule to bring back Sharia law. Then in 2014 as prime minister Erdogan began at an accelerated pace to revoke democracy in Turkey to reverse everything back to Islamic ideals. By August 2014 Erdogan had won presidency of Turkey to become the new Turkish President he immediately moved into his 600-million-dollar Ottoman styled Presidential palace. Erdogan is believed by the Turks as a savior type figure for Turkey reverting them back to Islam. Then in 2016 Erdogan gained greater influence and dictator type power as president of Turkey to be in place long term all from the cue against him. Turkey has now done a reversal under Erdogan from being secular democratic back to Islamic Turkey (*wound healed*) and Sharia law. This change in

the Turkish government back to in depth Islam will lead the region into not only internal conflicts but conflict on a major scale, using Islamic influence against Israel in the days ahead just as scriptural prophecy indicates. One third of the UN is Islamic with Erdogan being the lead Islamic voice in the UN for Islam, he is head influence of the OIC (57 Islamic nations) and the Arab League. Turkey is also a NATO member under the UN, all the nations named in the end times Ezekiel 38, 39 war lead to “Armageddon” against Israel (Ezekiel 38 & 39) are all situated in the Middle East as members of the UN.

Turkey's Erdogan Compared to Nazis, Gains New Power in Islamic Quest

Turkish President Recep Tayyip Erdoğan is claiming victory in a voter referendum on the country's constitution that gives him sweeping new powers. Erdoğan began pushing Turkey in an Islamist direction in 2003 when he was elected prime minister. Now he has the power to accomplish his objectives. Critics say he is an autocratic leader. Thousands of flag-waving supporters cheered the referendum, chanting that he restore the death penalty.

Under Sharia law devout Muslims often wear a “*Bismillah*” the badge of servitude a written declaration of allegiance to Allah and Muhammad confessing their Islamic faith, this declaration comes from the “*Shahada*” the confession of Islamic faith. With demonized shouts of Allahu Akbar (*Allah is greater than all*) Muslims for centuries worshipped by committing terrible atrocities as Allah permits in their Quran.

Violence condoned by Koran/Quran (*warning graphic images*):

Quran (3:151) - "Soon shall We cast terror into the hearts of the Unbelievers, for that they joined companions with Allah, for which He had sent no authority".

The “*Bismillah*” in Arabic writing is worn as a banner on the arm or head it is found on flags used by Muslims especially during Jihad campaigns as seen with Hamas, Hezbollah, Isis and other Islamic fighters. The Islamic mark of the beast is enforced under the false prophet Erdogan a Sunni Muslim Brotherhood member which points directly to the “*Bismillah*” worn on the head or forearm. Those that worship Allah total 1.7 to 2.3 billion people both Shiite and Sunni Muslim. Islam has now spread across the globe all through the Middle East, Europe, Africa, Indonesia, India, Australia, Russia and the USA it’s within most nations. Many western nations have been filled with Muslims for many years now and are now being overrun by Muslim refugees. The UN has embraced Islam it called its members to sign the new UN Global Immigration Pact on Dec 19th 2018 opening doors for mass immigration of Muslims internationally, mostly coming from war torn Islamic nations.

The Papacy are also embracing Islam saying they worship the same God of Islam; they stand with Islam and the UN immigration policy. The nations are truly bowing down to the beast spiritually and its mark while the church is asleep. In the natural Islam is being forced upon western nations by the UN in order to erode national sovereignty and cause chaos it’s a war between cultures. The first and foremost mark of the beast is spiritual until one is saved in Christ one has the nature of

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

the beast “Satan” and his mark. In our end times generation this beast nature is manifesting through lies, control, deception, murder, wickedness and violence as seen through Islam along with the UN and the elitist communist control agendas for the nations

This “Bismillah” the Muslim badge of servitude is simply a physical manifestation (*Eph 6:12*) of a spiritual condition that points to a man “Muhammad” influenced by the antichrist beast principality (*Rev 13:18* “Here is wisdom let him who has understanding calculate the number of the beast for it is the number of a man His number is 666). Muhammad started this antichrist Islamic faith in 610 AD in the region of Daniels “Prince of Persia” as the Bible states 666 is the spiritual number of a man “Muhammad” and the beast’s spirit that fills “Islam” and the unsaved in the nations.

Islam is responsible for killing an estimated 669 million people since its beginnings truly a generational force driven by the generational antichrist beast spirit. Christians and Jews are Islam’s number one target due to the roots of the Jews and Christianity where Christians worship a human being incarnate “Jesus Christ” as God. This is a miss understood truth and abomination to Muslims Islam’s number one unforgivable sin is to worship a man as God or to say God can have a son hence, we are seen as an abomination by Muslims worthy of death.

A recent 19th century Muslim Jihad genocide took place under the Ottoman Turks in the early 1900’s against Armenian Christians, 2.5 million perished in an intentional murderous rampage by Muslims. There was the genocide in Pakistan by Muslims in the 70’s killing 2-3 million targeting Christians. In more recent times we have had Isis, Hezbollah, Boko Haram and other ongoing Muslim terrorist atrocities against Christians and ethnic groups. You also have Erdogan who wants Muslim Jihad genocide against the Syrian and Iraqi Kurds whom are both Muslim and Christian he also has this in mind for Israel. Remember Islams cause is to take over the world to have an international caliphate to kill the infidels it’s in their Quran world domination in the end times. Erdogan is the false prophet head influence over the world’s largest false militant religion.

The new rampage under Erdogan targets Kurds in Turkey and Syria along with Christians in the Middle East region while he works to re-establish sharia law for himself. Obama supplied Erdogan predator drones from the USA to bring missile fire down from the sky to kill Kurds Erdogan’s enemies. One of Islam’s main goals has always been to wipe out Israel as a nation to take it for themselves. This is an age old contention between the Arabs and Jews going back to the biblical days of Abraham with his two sons Isaac (*Hebrews*) and Ishmael (*Arabs*).

Modern day Turkey is a key player with end time’s prophecy coming to pass with impending war against Israel in the battle of “Armageddon” *Rev 16:12-21*. In all honesty the only nations angry

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

and jealous enough to actually come against Israel in a war are Muslim. With the 1991 USA Gulf war against Kuwait then 911 and war against Iraq in 2003 then Isis in 2013-2014, along with ongoing conflict with Israel Islam has been stirred like a hornet’s nest. When the “2334” UN resolution under President Obama went through in 2016 it created a legal UN platform against Israel for war by surrounding nations.

Israel’s settlements in Palestinian territory occupied since 1967 including East Jerusalem now have no legal validity. So, this has become a violation of International Law according to the UN Security Council. Then on Oct 7th 2023 Hamas attacked Gaza massacring nearly 1600 Jews in cold blood. Israel’s response was to destroy Hamas completely causing worldwide protests and anti semetism to erupt with Muslim hatred manifesting all around the world. Iran then attacked Israel with 300 missiles along with Yemen terrorist’s, Hezbollah from Lebanon and Syrian terrorist’s also shooting missiles into Israel things are heating up.

The UN being one third Islamic nations and some even in NATO this makes the 2016 “2334” resolution a legal issue for Islamic nations to go to war once again. More recently in 2017 Jerusalem was recognized by Trump and the USA as Israel’s capital the first time in 70 years since its formation as a nation. Islamic world leaders have been pushed to fuming with anger and murderous intent as God would say **“He’s put a hook in their jaws”** (*Ez 38:4-23*) to come up against Israel with Erdogan to take a lead role as the false prophet when the time comes. We can be guaranteed as mentioned in the below article plans are being put together in the Islamic world for war (*WW3*) to come against Israel. This war is mentioned in Ezekiel 38 & 39 God puts hooks in the jaws of Middle East nations bringing them up against Israel that he may be glorified in the site of the nations at their defeat. This is at His return in the battle of Armageddon led by the dragon the False prophet and the beast of Rev 13, Rev 16:12-21.

World War 3 Turkey's Erdogan calls for 'ARMY of Islam' to ATTACK Israel on all sides

Less than a month ago the Turkish state’s mouthpiece the daily Yeni Şafak ran an article for Erdogan titled “A call for urgent action” and on the newspaper’s website headlined “What if an army of Islam formed against Israel?” It called for the 57 member states of the Organization of Islamic Cooperation (OIC) to form a joint army to simultaneously attack Israel from all sides. The article said: **“If the member states of the OIC unite militarily, they will form the world’s largest and most comprehensive army. The number of active soldiers would be at least 5,206,100 while the defense budget would reach approximately \$175 billion (£124 billion).”** This was accompanied by an interactive map providing formation of military forces for a joint Muslim attack on Israel.

Kurdish Pastor Turkey Bigger Threat to Israel than Iran

02-01-2018 Tzippe Barrow

Turkish President Recep Tayyip Erdogan,

JERUSALEM, Israel – A Kurdish pastor is issuing a wake-up call to Israel and the West: Turkey, not Iran, is Israel's biggest threat, and Turkey is aiming to take over Kurdish controlled areas of Iraq. In a letter to CBN News detailing the Turkish-led siege on the Kurds in northern Syria, Pastor Majeed Mohammed, formerly with the Kurdsman Church in Erbil, says while Iran has not hidden its agenda against Israel, Turkey's Islamist President Recep Tayyip Erdogan is the bigger enemy. Erdogan is preparing the way for the rebirth of the Islamic caliphate by rallying the 'Islamic brotherhood' to surround the Jewish state and destroy it (end times Biblical Prophecy). That eventuality would be pleasing to the Muslim world, Erdogan says.

Majeed, who is now living abroad, says there are many Christians in Afrin who are crying out for help. The West, he pleads, must wake up to the Turkish siege against Afrin and other Kurdish cities in Syria and Iraq before he succeeds in extending the Shiite crescent along northern Iraq to

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

the Mediterranean Sea. Erdogan has mobilized radical Islamic militias to attack the Kurdish population in northern Syria.

He is using Russian-manufactured tanks, airstrikes, and cluster bombs against civilians. Majeed says thousands of mosques in and out of Turkey have joined Erdogan's call to wipe out the Kurds, while the West and the US have been largely silent. Turkey's Islamist president has armed, trained and equipped these militias inside Syria, he writes, listing several by name and a description.

- *The Sultan Murad Brigade, which gets its full financial, logistical and military support from Turkey and is training fighters there and in Syria*
- *The Hamza Squad, also trained in Turkey, which conquered Jarablus – a Syrian city on the western bank of the Euphrates River – last year*
- *The al-Sham Legion, established in Syria in 2014, made up of 19 Islamic terror groups, including Suqoor al-Jabal Brigade*
- *The Noor-aldeen movement, one of the most dangerous jihadist groups in Syria, was the first to begin slaughtering children.*

In the weekly sermons on Fridays – the Muslim day of prayer – mosques in Turkey, Sudan, Libya, Kuwait, Qatar, Egypt, Syria, and Lebanon, among others, have been asking Allah to prosper their new Sultan, Erdogan, and the caliphate he will head. According to Majeed, their prayer is based on a portion in the Koran. Pastor Majeed says the facts on the ground prove two realities:

- *Erdogan envisions himself as head of the "last caliphate of Islam" and is bent on redrawing the map of the Middle East. He's against stabilization in the region and sees his role as using jihadists to prove he is "the only one who understands, feels, acts, initiates and supports" the Middle East – not Russia, the United States or the international community.*
- *Majeed believes Erdogan's lack of success (through NATO) of being a "European member" has refocused him on extending his power throughout the Middle East. The Kurds are the only "stumbling stone" to achieving his goal. By accusing them of being infidels and attacking them, he's justifying his own aggression and providing a path to mobilize Islamic militias everywhere to unite against the Kurds. The fact that some of these militias have been trained by international allies and are members of the international coalition complicates the situation even further, he explains.*

"How does the United States permit such violence against an ally who stood and fought beside US soldiers shoulder to shoulder and respected what the Americans suggested on the ground in Syria?" he asks. Middle East expert Jonathan Spyer agrees that the implications of a Turkish takeover in Afrin "are quite grave." "The Kurds are fighting very hard, but probably in the course of the coming days and weeks, the Turks will push forward and the implications of it are quite grave," Spyer told CBN News.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

"I mean there's a large Kurdish population in there. The Turks are operating with some pretty dangerous Salafi jihadi Islamist fighters, Syrian rebel fighters on the ground in cooperation with them. There's been aerial bombings on civilians, there's been a number of civilians killed," Spyer said. "The implications are bad from a humanitarian point of view. From a political point of view they're quite grave as well," he said.

"Let's remember that the Syrian Kurds are currently partners of the United States in Syria. You know they're the people who fought ISIS together with US air power, Special Forces over the last two years successfully. And there are towns further east where US personnel are present in cooperation with them. And the Turks have named those towns as places they want to conquer too and have warned the Americans to get their forces out of those areas," he added. "So the potential for at least a clash of words and maybe even something worse between the US and its so-called NATO ally, the Republic of Turkey, are becoming more and more real by the day,"

Spyer concluded. Majeed says the silence of the free world has spurred Erdogan on to try every way to conquer Afrin. They have barbarically murdered anyone they've captured, bombed hospitals and schools, while snipers target the innocent – old and young alike, shouting Allahu Akbar (Allah is greater than all). "Erdogan is that man who must be stopped and judged for his tremendous crimes against humanity in [and] outside Turkey as soon as possible," he concludes.

Erdoğan's Chief Advisor And Former General Tanrıverdi Presents Vision – Reflected In Turkey's Policy – Of A United Islamic Superpower Based On Shari'a Comprising 61 Countries And With Istanbul As Capital

Turkish President Recep Tayyip Erdoğan's chief advisor, retired Turkish general Adnan Tanrıverdi, has been articulating a vision of a unified Islamic superpower through conferences and documents published by his organizations. This vision is reflected in President Erdoğan's foreign policy. The Justice Defenders Strategic Studies Center (ASSAM), of which Tanrıverdi is chairman of the board, has scheduled seven annual "congresses," of which three have taken

place, to work through the technical problems in the formation and governance of an "Islamic union."

At a recent ASSAM Congress, Tanriverdi called for the coordination of the joint manufacturing of weapons and military equipment among Islamic countries, saying: "States cannot stand tall against the countries whose weapons they use." ASSAM has also published a 69-page draft of a constitution for a planned shari'a-based (mark of the beast) confederation of 61 Islamic countries. This constitution declares that "sovereignty belongs to shariah," that Istanbul (Turkey) is to be the capital of the confederation, that the Arabic language would be taught in all of its schools, and that its name will be "Asrica," which is formed from a combination of Asia and Africa (Muslims).

*Tanriverdi is also chairman of the board of Turkish defense contracting firm SADAT Inc., on whose website Tanriverdi has posted statements. One recent statement reads: "**The welfare of Turkish and Muslim nations and the establishment of peace and justice in the world hinges upon appearance of the Islamic countries as a superpower on the global political scene.**" He has also said that "**the Islamic world should prepare an army for Palestine from outside Palestine**" while SADAT Inc. has published material outlining the logistics of a **hypothetical joint attack on Israel by 57 Islamic countries.***

A page on SADAT Inc.'s website states that "SADAT A.S. was in Libya to determine the needs of New Libyan Armed Forces and search for possibilities for Consultancy, Training, Ordnance service delivery for Libya" and shows a photo of Tanriverdi shaking hands with a Libyan military officer as the two hold a plaque of the Ottoman Coat of Arms.

*Tanrıverdi listed, in an undated video, some of the military policies that he had put forward that Turkey's ruling AKP government later enacted. **Indeed, much of President Erdoğan's foreign policy can be viewed as an implementation in stages of Tanrıverdi's vision.** This would explain President Erdoğan's: deployment of Turkish troops to Libya, which began in early January 2020, and which one pro-government daily celebrated in historical terms, saying: "**100 years later the troops returned to the region**" (The Rev 9:14-21, WW1 6th Trumpet Rev 13:3 Islamic wounded head recovered).*

Islam since mid-2013 has increased its **“war against the saints”** once again through Isis and Hezbollah in the Middle East across Syria and Iraq killing and dispersing over 2.3 million Christians in under 4 years (*see chapter 35” warring against the saints*). There is no moderate Islam Muslims all know this that’s a western term, Islam is Islam the Quran is the Quran. Muslims do what they are told to do when forms of Jihad come it’s all in or your killed. The throne of Satan (*The Pergamum Alter*) was what Hitler and President Obama re-created as a design copy, a platform they both used as their public grand stands. The throne of Satan was built and established in Turkey over 2000 years ago. You find the Pergamum Alter in Rev 2:13 as one of the places where Christian martyrs died on its steps (*see chapter 27A “The throne of Satan”*).

In the end times God pours out the 5th bowl Rev 16:10-11 upon the throne of the beast/Satan and his kingdom that is full of darkness where they blasphemed (*Muslims*) God because of their sores and pains. This throne of the beast/Satan speaks about Islam in modern times, the throne of Satan once stood in Turkey as the “Pergamon Alter”.

Turkey was the head of the Ottoman Empire for hundreds of years that was defeated in WW1 (*head wound Rev 13:1-3*). In ancient times the Persian bear Dan 7:5 (*Prince of Persia principality Dan 10:13*) was in the same region of Asia Minor (*Arab lands the 12 princes of Ishmael Gen 25:12-16*) where Islam formed in 610 A D (*Euphrates River bordered by Iran, Iraq, Turkey, Syria all Muslim nations 5th and 6th bowl and 5th and 6th Trumpet*).

The 5th bowl was poured out because of Islam’s war against Gods saints shedding their blood Rev 13:5-7, all during Obama’s administration (*the beast of Rev 13:1-11*). The 5th bowl poured out was a curse of darkness that became a terrible flesh-eating plague/disease called Leishmaniasis (*spread by biting sand flies*) that broke out in mass through the Isis terrorist ranks along with Aids both caused painful sores.

Former head of the Turkish desk at the Pentagon Harold Rhode told CBN News Erdogan has ambitious goals. **"We have no due process now in Turkey. We have a dictator. We have a sultan. His name is Recep Tayyip Erdogan,"** Rhodes said. **"And his goal is to basically bring back Islam as the ruling identity of the entire Islamic world, his way, his Sunni particular way. It's my way or the highway,"** Rhodes continued. **"And then to take the entire Muslim world and advance Islam to take over the entire world. Erdogan, it seems to me, would like to be that caliph of the entire Muslim world and eventually the entire world."**

Erdogan once said, **"Democracy is like a streetcar. You ride it until you get to your destination."** As a NATO member, Turkey's response to the coup and Erdogan's consolidation of power are setting off

alarms in the West. "Erdogan has used the coup as an opportunity to destroy any remnants of democracy in Turkey. People are petrified. He has arrested over 50,000 people (150,000) at the moment. He has given an order that any Turkish academic abroad must return home," Rhodes continued. "If I was any Turkish academic in the United States or Europe, I'd right away be asking for asylum."

Liel says the coup provided Erdogan the ammunition he wanted to accelerate his revolution. "What he does now, he started doing three years ago," Rhodes explained. "He fired thousands of people before the coup and he closed newspapers and television stations and controlled them before the coup. People now just start counting, but this happened before. Not in tens of thousands, but in thousands. So now he jumped into tens of thousands – definitely not a good direction for Turkey."

The 4th seal is symbolized by a pale horse translated from Greek to English. In the original Greek the word pale/green is Chloros. Chloros is used in the New Testament four times it was translated three times to green and once to pale this can throw its actual identity in history into confusion. According to reports Erdogan’s party the AKP desires the Old Ottoman Empire coat of arms image be re- hashed re- designed to become the Turkish new national emblem, as it has not had one since the WW1 Old Ottoman Empire defeat this is yet to be created and revealed if done.

The ruling Justice and Development Party (AKP) has proposed to designate an official “state emblem” for the Republic of Turkey, stating that such an emblem would contribute to the “institutional personality of the state. “In a bill introduced to the Parliament Speaker’s Office, a group of AKP deputies stated that after a state’s flag, an official state emblem is one of the most important symbols for every country, adding to its reputation, the state-run Anadolu Agency reported late on Dec. 9.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

The False prophet swept into complete power on April 16th 2017. Erdogan won a sweeping victory with votes in Turkey’s governmental referendum giving him unprecedented powers as the new President of Turkey making the Turkish Prime minister’s job obsolete. In the upcoming 2019 elections this will give the winning candidate as president, full power over the Turkish government.

See: <https://www.nytimes.com/2017/04/16/world/europe/turkey-referendum-polls-erdogan.html>

One of the first symbolic actions Erdogan did after winning this referendum of governmental change was the act of unveiling the Kaftan (*diadem /crown*) of Sultan Selim 1 also known as Selim the grim, this was done over the Selim 1 tomb a Sultan/King of the Ottoman Empire/Islam from 1512-1520 A.D. Selim 1 was well known for his enormous expansion and growth of the Ottoman Empire especially over Egypt between 1516-1517, the empire grew by 70% under Selim I.

See: https://en.wikipedia.org/wiki/Selim_I

It is said this unveiling was done by Erdogan as a direct provocation statement to the Islamic world that Erdogan sees himself as a potential Sultan/king/caliph of a revived Ottoman Empire (*wounded head recovered Rev 13:3*) with sweeping powers. Below is part of an article by Muslim turned Christian preacher Walid Shoebat.

(Please note this writer does not agree or endorse at all this man’s teachings or interpretations on end times from a Muslim/Christian perspective of the Bible as written in his articles, below is a portion of an article of interest a translation from Arabic to English).

Article: April 18th 2017

The Daily Sabah, Erdogan’s mouthpiece in the Arabic world just published the astonishing event which none mentioned it in the western media:

“Turkish President Recep Tayyip Erdoğan has unveiled the Sultan of Selim I, the Kaftan [Diadem], known in Turkey as the “caftan of the caliphate” after returning it to its place at the Sultan Selim I shrine in Istanbul after its disappearance from 2005 when Fethullah Gulen attempted to smuggle it to the United States of America. The caftan [diadem] was moved from its place in 2005 for restoration, and two members of the Gulen terrorist organization tried to smuggle the caftan to the organization’s leader Fethullah Gulen [in the U.S.] because of the great moral value the caftan carries.”

In other words, the holder of the diadem is the holder of a scepter, he becomes the successor of the Ottoman Caliphate and the Muslim world as a whole. The Daily Sabah explains that had Gulen got his hands on the Diadem, he would be successor:

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

Some politicians revealed that Fethullah Gulen had intended to **declare himself a successor** and **wear the caftan himself** worn by **Sultan Selim I** during his return from Egypt. The story of the caftan [diadem] dates back to 1517 when Sultan Yawoz Selim [Selim I] fought the Mamluks in Egypt [king of the South] and managed to annex them to the territory of the Ottoman Empire and became the first successor to the Muslims of the Osman [Ottoman] family ... After the attempt to smuggle the caftan at Ataturk International Airport in Istanbul, it was restored and preserved for years by the Department of Museums and Archeology and then returned to its original place and **remained hidden from view until Erdogan removed the cover**, yesterday during his visit to the mosque and the shrine of Sultan Selim I in Istanbul.

So, what are the significances to all this from the prophetic perspective? First of all, Selim I is dead. To unveil the diadem on the dead Sultan’s tomb is to declare Ottoman revival/recovery, that Erdogan is now the holder of this symbolic scepter the new successor of the Ottoman Caliphate.

On July 15th 2017 an Ottoman Empire image statue (*Rev 13:14-15*) of the star and moon of Islam, was unveiled after being created through President Erdogan’s orders. This was to commemorate the victims of the 2016 coup against him. The Islamic prayer “Salah” is recited inside the monument 24/7 through an Amphitheatre, in 2015 two years earlier Erdogan built the “Bestepe people mosque” next to his 600-million-dollar **“King of Islam palace”** presidential complex. The image has the Islamic prayer “Salah” played 24/7, also the call of Islam “Salat” prayer that is heard via loud speakers 5 times per day at the Bestepe Mosque broadcast over the image of the beast monument. Erdogan has given his **“image to the beast who was wounded”** a voice (*Islamic Ottoman Empire wounded in WW1*).

Erdogan then spoke out his murderous intentions in front of his image to the beast unveiling. Erdogan said to those gathered, **he would be-head and kill all of his enemies that do not give allegiance to him**, exactly as prophecy stated 2000 years ago. This image (*Ottoman Empire wound of Trumpet 1 in WW1*) appeared seven months after President Obama (*Rev 13:1010 beast*) stepped down from 8 years of power in Jan 2017. Erdogan came into presidential power in 2016, exactly 7 years after Obama came into Presidential power in 2009. The false prophet has followed on right in behind the heels of the beast of Rev 13 in power and influence.

(*Bowl 6 being manifested with the antichrist beast and false prophet of Rev 13 on the world scene, as the Euphrates River begins drying up this began in 2009*).

History is unfolding right before our eyes fulfilling scriptural end times prophecy on the world stage God means what He says and says what He means. The things now coming to pass 2000 to 3700 years after they were prophesied are accurate and as God has ordained in the nations for these end times. You cannot pull apart scripture and create end times doctrines based on a simple passage as scripture proves itself it is inter connected and intertwined. History being fulfilled according to prophecy in front of us is Gods testimony that what He said would happen has happened see the False Prophet statue image unveiled in 2017 on the next page as prophesied 2000 years ago.

Presidency shares details of coup victim's monument in front of Ankara presidential complex

Chapter 41

The Turkish Presidency has revealed the design theme and architectural information about a monument built to commemorate the victims of the July 15, 2016 coup attempt, which will be inaugurated on July 16 in front of the presidential palace in the capital Ankara. The presidency’s press center said in a statement that the 31.4-meter-high monument, called “July 15 Martyrs’ Monument,” will cover a 2,500-square meter space in front of the presidential complex, together with a ceremony area.

The rustic green marble covered monument will also include a sitting area and a four-step Amphitheatre system for visitors. It will feature the names and stone-carved images of 249 people who died during the coup attempt along with seven human figures carrying the crescent and the star, the symbols of the Turkish flag. Some 81 human silhouettes are also featured around the monument. The number seven refers to the seven geographical regions of the country to symbolize citizens who took to the streets to thwart the coup from all of Turkey’s 81 provinces.... The Islamic prayer “Salah” will also be recited inside the monument 24/7.

The antichrist beast to come as found in Rev 13:1-10, is followed by the false prophet beast. One thing is certain the false prophet started rising (*Turkish prime minister in 2014 then president in 2016*) towards the end of the 42 months war against the saints (*July 2013 – Jan 2017*) during Obama’s two terms as president 2013 – 2017 (*hidden 3rd term from 2020?*). The 6th Bowl does state when the Euphrates River begins to dry up unclean deceiving spirits come out of the mouth of the Beast, the false prophet and the dragon going forth to the kings of the earth. This indicates the beast and false prophet are on the world scene at that time, the Euphrates River began drying up in 2009, the same year Obama became president of America. It was Erdogan whom began controlling and drying up the flow of the Euphrates River through building 22 dams along the Euphrates source in Turkey.

It is Erdogan (*The False prophet of lands of Magog*) along with Obama (*Gog the beast*) that will eventually in the near future lead a confederation of Muslim nations against Israel in war EZ 38 and 39. Since the Oct 7th Hamas Gaza attack against Israel and the ongoing war Erdogan has been making threats of war against Israel and the west. See Erdogan’s speech below.

See U Tube video where Erdogan states..... “Netanyahu has already written his name in history as the butcher of Gaza” Erdogan continues “We will come and knock on your door one night” and then he says..... “Netanyahu is stirring up antisemitism with his murders in Gaza”: https://youtube.com/shorts/I13_ItMSfIA?si=AaF1BJc9uGwQJEG6

Chapter 41

13:11-18 false prophet coming out from the last ruling empire of the Dan 2 statue the “feet and toes” of the “Holy Roman Empire”. The UN/EU whom Islam is now integrated into is made up of “Holy Roman Empire” nations the UN/EU has this same antichrist destructive spirit as found in Dan 9:26-27 of the feet and toes of Dan 2. The Daniel 2 ten toes were created by the first Roman Emperor Octavian Augustus in 27 BC (*24 years before Christ was born*) known as the “Principate” of ten divided provinces of Rome.

These ten provinces’ “toes” were completed on the Dan 2 statue first in symbolic form 24 years before Christ was born. Christ then came to destroy the ruling principalities Eph 6 :12 spiritually on the cross first 2000 years ago they lost their spiritual authority. These ten toes at the end of the age are also symbolically represented through the “Holy Roman Empire” as the end of days ten horns/leaders of nations in Rev 13:1-3. Jesus Christ then comes again and destroys the ten horns with “fire” at His 2nd coming “Wrath” in the natural realms.

The ten horns give their power to the beast in Rev 17:12-18 at the end of the age to “war against the Lamb” for a season in a consecutive hybrid geo political, financial, media led, Pharmacia Rev 18:23, New World Order war then Jesus overcomes them. These ten horns represent the final empire the Holy Roman Empire also known as “Spiritual Babylon” Rev 18. The “false prophet” of Rev 13:11-18 (*a Muslim*) rose to power as the “beast” (*Obama*) Rev 13:1-10 (*a Muslim*) made “war against the saints” for 42 months (*Islamic Jihad*) granted to him by the “dragon” (*Rich elite cabal/UN*) as found in Rev 13:5-8. The False prophet and the beast are connected to the Holy Roman Empire.

Dan 9:26-27 speaks about Messiah being “cut off” crucified this happened when He was 33.5 years old in 30-31 A.D (*estimated*). This was followed by an evil “Prince” to come of the people whom was General Titus later to become Emperor of Rome (*Romans*) who destroyed the city “Jerusalem”. This part of the prophecy details what was to take place after Jesus was crucified of “one” coming who makes desolate who destroys this is an “antichrist spirit” that moved through “Prince” Titus and the Romans against Jerusalem in 70 AD. This antichrist Spirit was in the Babylonians when they destroyed Jerusalem and Solomons temple once before.

This is also a generational antichrist spirit persecuting Gods people according to Rev 12:13 operating through the Dragon/Satan the persecution started with Jesus in 31 A.D, then Stephen the martyr in 34 A.D on down the generations (*High Priest/ Rome/ Papacy/ Islam/ past and present nations/ UN*). This same destructive antichrist spirit is now manifesting in prophetic events since 2009 through two men the “1st antichrist beast from the sea” and the “2nd false prophet beast from the land” of Rev 13. There is also the antichrist influenced 8th King Beast of Rev 17:10-11 the “son of perdition” a Jesuit pope “Pope Francis 11” appearing from 2013 onwards. See chapter 40 “If the Pope is not the false prophet who is he ? ” for he goes to perdition (*destruction*).

Dan 9:27 “And on the wing of abominations (*idolatries*) shall be one (*antichrist spirit*) who makes desolate (*destroys*). Even until the consummation (*full end complete destruction*), which is poured out on the desolate (*the unsaved the wicked at Jesus return*). (NKJV)

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

(This generational antichrist spirit released against the saints at the time of Christ’s crucifixion culminates as a sign under the Rev 13:1-10 beast in the end times with the war against the saints for 42 months. This happened under President Obama advancing the Islamic cause in the Middle East as he followed on from the Clinton and Bush policies. The 42 months period started with Hezbollah entering into Syrian conflict in June 2013 doubling Christian martyrs in the first year and then Isis in 2014 into Iraq the Obama funded and training terrorists. The 42 month period ended Jan 2017 when President Trump came into power God moved giving favor to the saints Dan 7:22 after they were crushed in the region of that war/conflict. The continuation of the antichrist agenda is with the 666 mark advanced through the false prophet over a false religion. This all ends with the beast and false prophet leading the Ez 38, 39 war against Israel the Rev 11 two witnesses are killed then Jesus returns destroying the wicked.)

In Rev 13:14 after fire comes down from heaven in the site of men *(This was the Russian jet Erdogan shot down in 2015)* the next thing the false prophet does is make the image to the **“wounded head that recovers”** an image of this wounded beast *(Ottoman Empire WW1)*. An image of one of the heads the wounded head of the Rev 13 seven headed beast *(Ottoman Empire recovery started with Hezbollah/Isis)*.

Rev 13:3 And I saw one of his heads as if it had been mortally wounded, and his deadly wound was healed. And all the world marveled and followed the beast. (NKJV)

A head speaks of authority in scripture the Ottoman Empire ruled as the head authority over much of the Middle East and parts of Europe for 600 years. The Ottomans ruled directly over Jerusalem for 400 years until WW1 then its head was wounded by the sword of war in WW1 Rev 13:3. There is 100 years between the words **“mortally wounded”** *(WW1 1914-1918)* and **“the deadly wound was healed”** *(2013 onwards)*. It says **“the whole world marvels at its recovery”** this was satellite social media and world news media coverage of the rise of barbaric Muslim Jihadi terrorism/Isis/ Muslim immigration/ Islam-phobia/ Islamic atrocities, heads being cut off, woman being repeatedly raped and sold as sex slaves, massacres, mass graves and blood shed even cannibalism by Muslims of Christian body parts for Islamic blood purification etc. This wounded head *(Islamic)* one of the Rev 13:1-3 seven heads of the beast was identified historically in the 1st Trumpet chapter, as the **“Ottoman Empire”** defeat of WW1 the first Trumpet or Rev 8:7.

This image *(statue)* created by the false prophet was unveiled 100 years after the **“wounded dragon head”** took place in history *(WW1 1st Trump)* unveiled at the time of its recovery *(Islamic Ottoman Empire)*. The false prophet image to that **“wounded head of the dragon”** according to scripture was unveiled in July 2017. This came as said just 7 months after the first beast of Rev 13:1-10 “President Obama” *(Sunni Muslim brotherhood member)* had stood down after ruling the USA for eight years. Again, as said already during this statue unveiling the false prophet President Erdogan called the people to give allegiance to himself and the statue *(Islam)* stating he would **“behead kill all of his enemies”** just as prophecy states *(Sharia law and the 666 mark of the beast)*. This scripture has now happened historically word for word as prophesied 2000 years

ago Rev 13:15, **“that the image of the beast should both speak and cause as many as would not worship the image of the beast to be killed”** (NKJV)

Rev 13:12 And he exercises all the authority of the first beast (*Ottoman Empire WW1 wounded head of Islam*) in his presence, and causes the earth (*UN, 57 Islamic nations of Asia*) and those who dwell in it to worship the first beast (*Islam*), whose deadly wound was healed (*Islam is one of the 7 heads*). He performs great signs, so that he even makes fire (*2015 Russian jet shot down/drone warfare*) come down from heaven on the earth in the sight of men (*worldwide media*).

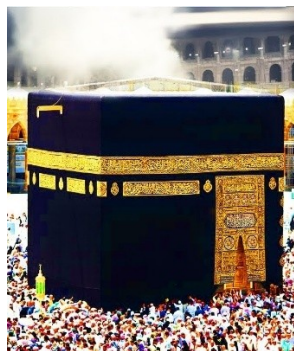

And he deceives those (*unclean deceptive frog spirit Bowl 6*) who dwell on the earth by those signs which he was granted (*fire from heaven, miracles at meetings, holograms*) to do in the sight of the beast (*Islam*), telling those who dwell on the earth to make an image to the beast (*2017 Ottoman statue/monument*) who was wounded by the sword (*Ottoman Empire WW1*) and lived (*recovers*). He was granted power (*strength/authority*) to give breath (*Ottoman resurrection*) to the image of the beast, that the image of the beast should both speak (*Islamic call to prayer played 24/7 at monument*) and cause as many as would not worship the image of the beast (*Islam*) to be killed (*jailed, beheaded, murdered under Islamic Sharia Law*). (NKJV)

Erdogan ordered his Ottoman Empire statue/image to be made as a monument for the 249 coup victims of the July 15th 2016 cue. The monument image was erected outside his palace gates to commemorate his victory and those killed unveiled on July 15th 2017. This was unveiled a year after he became President of Turkey. In Rev 13:11-18 the **“false prophet”** from the earth arises with great authority (*Middle East*) after the **“beast”** whom wars against the saints Rev 13:5-7, Rev 11:1-3 for 42 months (*June 2013 - Jan 2017*). This is a very specific thing the false prophet does in creating an image of the **“mortally wounded”** head now **“healed”** the head of a false religion (*Islam*) one of the Rev 13 beast’s 7 heads. The Euphrates River drying up Rev 16:12 (*began in 2009 the year the beast Obama came to power*) in the 6th bowl this is very specific also tied into Erdogan. Erdogan dried up the river through building 22 dams along its banks making a way for the kings of the east to eventually come up against Israel in war.

Chapter 41

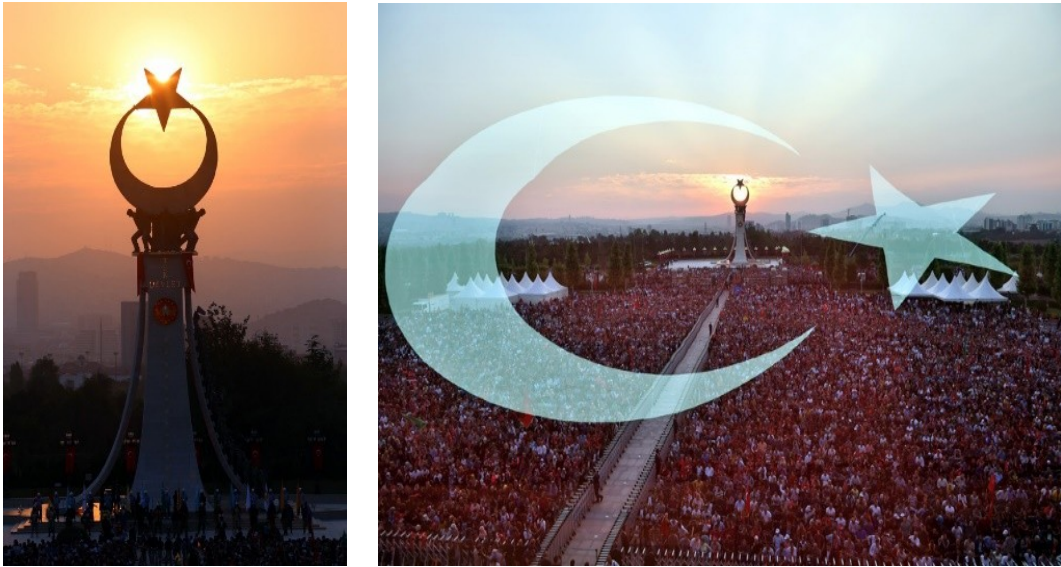

A militant cult of devastation destruction hatred abuse rape and death in the name of “Allah”

The five-pointed star on Erdogan’s statue image is an occult symbol of Satan “Baphomet” 666, one can almost see the moon symbol under the star, as horns. The root cause of the beast nature in people that God states is an abomination to him is “**idolatry**” or “**Idol worship**” as found in Ezekiel 8 the “**Abominations in the Temple**” chapter. God states in Ezekiel 8 because of this idol worship they have filled the land with violence in Hebrew this means “**Hamas**” turning their backs on God (*this originally was the Jews idolatry from other cultures in the region*). Then God says; “**I’ll show you even greater abominations**” than the idols where “**they worshiped the sun towards the east**”. This was a 2600-year-old prophecy 1200 years before Islam (*sun worship of the east*) ever existed in the Middle East, Jihad “**Hamas**” violence has filled the earth.

Eze 8:15-16 Then He said to me, "Have you seen this, O son of man? Turn again, you will see greater abominations than these." So He brought me into the inner court of the LORD's house; and there, at the door of the temple of the LORD, between the porch and the altar, were about twenty-five men with their backs toward the temple of the LORD and their faces toward the east, and they were worshiping the sun toward the east. (NKJV)

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

The Rev 13:14-15 **“Image to the beast wounded by the sword”** was prophesied by John the revelator 2000 years ago (*600 years before Islam was even created*), the Islamic 5-pointed star (*Star of Baal/Satan*) on top of Erdogan’s statue is not a coincidence. This antichrist satanic occult pentagram is used in witchcraft as the satanic Baphomet goats head, this is truly an image to the beast **“Satan”** as prophesied.

To re-iterate the current Pope Francis (*an antichrist Jesuit son of perdition*) is not the Rev 13:11-18 false prophet even though he is a false prophet (*there has been 266 of them in the papacy*) he has not built an image of the Dragons beats mortally wounded head, or its false religion. The Pope has not called people to come bow down to it or be killed and beheaded as enemies. The Pope does not have a massive army he can command to fight against Israel he is too old to even go to war. The Pope is not of the same religion as Obama (*beast*) or Erdogan (*false prophet*) whom are Muslim the Pope a Jesuit and Catholic whom states Islam and the Vatican worship the same God so Pope Francis 11 is not the false prophet of Rev 13:11-18 he’s the Rev 17 8th King.

The Pope is a false prophet over a false system of religion that has affiliated the Vatican with Islam as worshipping the same God even praying to Allah himself in Islamic mosques. Pope Francis sits in position as the 8th (*beast*) king since 13th March 2013. Th Papacy is fulfilling scripture in Rev 17 as the whore of Babylon influenced by the Dragon (*UN, Vatican, the rich merchants of the earth*). Pope Francis is the 8th Pope since the 1929 **“Lateran treaty”** making the Vatican its own country to have its own Pope king instead of an emperor. Pope Francis 2nd is the 266th false Prophet Pope (*8th Pope King from 1929 Lateran treaty*) through a 1700-year period. The Pope does not have an army (*Ez 38 and 39 war*) with the Rev 13:1-10 beast whom is known in the Bible and by the Jews as **“Gog of Magog”**. The Pope will not himself enter the land of Israel in the battle against Israeli forces hes too old he is 87 years old as of 2023 (*born in 1936*). At Jesus

return He destroys the Rev 13 beast and false prophet in that battle where they are gathered against Him against Israel this is all in the Middle East see the scriptures:

Rev 9:1-11 (5th Trumpet Bush war 2003-2011), Rev 16:12 (6th bowl Euphrates dries up started in 2009, making way for the Kings of the East to come against Israel), Rev 13:1-10 antichrist beast (rises 2009-2017 onwards), Dan 7:8-12 (2011 Arab spring 3 horns ripped up), Dan 11:41-44 (2011 Arab spring 3 horns ripped up), Rev 17:10-11 8th king beast (rises 2013 onwards), Rev 13:11-18 False prophet beast (rises 2014 onwards, statue set up 2017),

Rev 9:14-21 (2013 onwards 6th Trumpet 4 demonic angels released along Euphrates river, 3rd of men killed in the region, 42 month tribulation war against saints), Dan 8:9-14 (42 month tribulation war against saints 2013-2017), Dan 8:23-25 (antichrist beast, 42 month tribulation war against saints then destroyed), Rev 13:5-7 (42 month tribulation war against saints 2013-2017), Dan 7:21-26 (42 months tribulation war against the saints, then favor for the saints in 2017 with Trump onwards).

Dan 8:14 (2300 days or 6.5 years from war against saint beginnings mid 2013 till the sanctuary the Eph 5:26-27 bride begins to be cleansed through a spiritual out pouring of glory 2020), Rev 14:14-18 (worldwide harvest of souls 2020 onwards), Joel 2 (Revival army rises up), Joel 3:13-16 (worldwide harvest), Rev 11 Two witnesses (42 months ending with Armageddon), Ez 38, 39 (war against Israel then Armageddon), Rev 16:16 (war against Israel then Armageddon), Rev 11:2 (42 month war against Israel then Armageddon), Joel 3:2-12 (Judgment against the nations in valley of Jehoshaphat at Armageddon), Rev 19:19-21 (beast and false prophet destroyed at Armageddon), Dan 11:45 (Gog /beast destroyed at Armageddon).

When Christ kills the false prophet and the man of sin beast in the battle of Armageddon Rev 16:6, Rev 19, Jesus casts their spirits into the lake of fire. The Pope sits protected at the Vatican and does not physically fight in battles he may die before Christ returns. The false prophet is Erdogan of Turkey born 26th February 1954 as of 2023 he is 69 years old with influence over 1.9-2.3 billion Muslims. Islam is the largest false religion on earth larger than the Catholic religion of 1.2 billion, Islam wants to dominate the world. Both Islam and the Vatican Papacy are tied together in the sense of murdering the saints over generations through their antichrist spiritual systems.

Dan 9:27 **“And on the wing of abominations shall be one who makes desolate (antichrist destructions), Even until the consummation, which is determined, is poured out on the desolate.”** (NKJV)

Erdogan as the false prophet is a religious Muslim militant with much power, he is placed to be the new Caliph/King/Sultan of Islam. Erdogan has the 8th largest army in the world and has joined himself in a close relationship and support of Hamas and Isis leaders and the leader of Palestine Abbas. Erdogan wants to push a two-state solution that would weaken Israel as a nation in its defense of its borders. His agenda as a Muslim along with Iran is to attack and destroy Israel to

herald in the Islamic “**Mahdi**” their false messiah whom is Christianity’s antichrist figure. Islam seeks a worldwide caliphate a new order they want to murder all infidels’ non-believers.

Erdogan (*Muslim Brotherhood*) the false prophet of Rev 13:1-18 has joined himself to Palestine and Hamas, deceptively against Israel. At the same time Erdogan makes out his friends with Israel, a typical Islamic ploy to deceive your enemies for the sake of “Allah”.

Hamas troops have been training in Egypt and Jordan since 2007, Hamas continues into 2023 at a diplomatic level. US funded support of 56 million US for Abbas troop training originally began under Obama in 2007. The Biden administration has reinstated Obamas (*beast of Rev 13:1-10*) policies in the Middle East. Turkey, Egypt and Jordan have also joined forces in restoring their relationships as of 2023 where Abbas Hamas troops had been trained.

This is all heading towards the Ezekiel 38 & 39, Zach 14:2, Rev 11, Rev 16:16 platform for the Armageddon war against Israel, this will come over the next decade. The end times positioning of these nations, leaders and militaries are all prophesied about in scripture. That they will invade Jerusalem led by the Rev 13 false prophet (*Erdogan of Muslim brotherhood*) and the beast (*Obama of Muslim brotherhood*) a 3.5 year war prior to Jesus’ 2nd coming return.

who betray him. To confirm this rising Sharia announced by Karaman, his Fatwa giver in Turkey, just last week Turkish President Recep Tayyip Erdogan delivered a feisty message on the one-year anniversary of the failed coup (Military coup to over through Erdogan in 2016). He lauded the popular resistance that helped stop the coup, and promised to “decapitate traitors”.

False prophet Erdogan standing before His image July 15th 2017

This image set up by Erdogan is more symbolism of revival for the Ottoman Empire beast the wounded head, the revival of “Islam” as a power. This wounded head recovery is symbolically the “Ottoman Empire” of “Islam” the false prophet causes multitudes to worship just as prophesied by John the revelator in Rev 13:11-18, 2000 years ago. The 103 feet tall (31.4 meters) image is the Rev 13:1-10 wounded head that’s recovered wounded in WW1 the first trumpet blast of Rev 8:7. 100 years lies between the wound of the Ottoman Muslim Empire and its recovery. This statue image is outside Erdogan’s new \$600 million dollar Ottoman Empire styled palace in Turkey.

People in Istanbul gathered to commemorate the failure of last year’s coup after Erdogan ordered to erect an image in front of his palace symbolizing seven lifting up the seven regions of Turkey lifting up the crescent. Erdogan pointed to the image as a symbol for his victory and vowed that all who defy him will literally be “beheaded”.

See: <http://www.ndtv.com/world-news/turkey-marks-coup-defeat-president-recep-tayyip-erdogan-issues-stern-warning-to-chop-off-heads-of-tr-1725350>

The Bible speaks of an **“image to the wounded head of the beast”** (Revelation 13:15) and anyone who refuses to worship the image of the beast will be beheaded (Revelation 20:4).

The symbolic image Erdogan erected represents the seven regions, a symbol of Ottoman unity; all seven Anatolian regions carrying the crescent, Shariah, the base on the Jerusalem Symbol, the resurrection and rise on these four bridges upwards says it all. What we have here is the symbolism of this revival of the Ottoman beast. Turkey in 1941 was composed of seven regions: 1-Aegean Region (Aegean Section Edremit Area) 2-Black Sea Region (Western Black Sea

Turkey as pushed by Erdogan is to be involved in re building the “**Seat of Satan**” of Pergamum in Turkey is found in Rev 2:13. Turkey wants to build a replica of the Pergamum alter due to Germany not giving back the original. This rebuild intention goes as far back as 2006 when Turkey approached Germany for its return and was refused, it is said a replica is to be built in place on the original sight by 2023. Obama gave his presidential candidacy win speech in 2008 from a designed copy of this same alter at the Denver Broncos Mile High Football stadium. Adolf Hitler also used a design from the “**Seat of Zeus**” or “**Seat of Satan**” the “**Pergamum alter**” for his rally speeches in Nuremburg prior to the WW2 outbreak.

Erdogan's Vision for an Army of Islam to Destroy Israel

03-13-2018 [Tzippe Barrow](#)

JERUSALEM, Israel – An article in a Turkish daily called for the formation of an "Army of Islam" to attack and destroy the State of Israel. The article, written by Yeni Safak and published before the Organization of Islamic Cooperation (OIC) summit in Istanbul in December, called on OIC's 57 member nations throughout the Muslim world to join forces against the Israeli "occupiers," who would be vastly outnumbered and unable to defend itself. Translated and posted by MEMRI (Middle East Media Research Institute), the article details how combined ground, air and naval forces could defeat Israel militarily in 10 days and diplomatically in 20 days, thereby liberating "Palestine." According to MEMRI's well-documented post, the article's key points came from the website of Turkey's SADAT International Defense and Consulting Company, which promotes pan-Islamic military cooperation.

SADAT, founded by Adnan Tanriverdi, senior military advisor to President Recep Tayyip Erdogan, provides information on "conventional and unconventional defense and warfare." Its mission statement envisions helping "the Islamic world take its rightful place among the superpowers." Citing Israeli security sources, MEMRI notes that SADAT provides funding and military equipment to Hamas in the Gaza Strip with the goal of creating a Palestinian army to fight Israel. "If the OIC member states unite and form a joint military force, it will be the largest army in the world," he states. "These countries' total population is 1,674,526,931. The number of soldiers in active service in these countries is at least 5,206,100."

This Bestepe mosque is situated near the statue image “bottom center red marker” of the wounded head unveiled in June 2017 by Erdogan right picture. The palace is “top center red marker” Erdogan is re-instigating Islamic Sharia law in Turkey as a nation.

Article 2: Karaman, Erdogan’s main Fatwa giver, writes:

“Compulsory [Islamic] religious education, Koranic courses, Arabic and Ottoman lessons, Islamization of all schools, sharia education and finally compulsory worship services in all schools”. He adds that the end of Kemalism and the rise of Ottomanism has been accomplished: “The regime and the political structure is changing; Law and democracy are getting out of hand. With the silent revolution, the secular republic founded by Atatürk is terminated. The Republican enlightenment and the Anatolian renaissance leave their place in the dark. In the Anatolian lands, a unique Republic is being established.” And this comes from the top. Erdogan confirms: “If parliament passes a bill on resuming executions (by beheading) in Turkey., he said, “I will sign it.”

Hayrettin Karaman , the main Fatwa in Turkey is moving with intention to prep Erdogan as Caliph King Sultan of the Muslim World. This is why in July 2017 Erdogan resisted western agendas with the UN and Germany saying “Turkey is no longer” referring to pre WW1 Ottoman ruler ship

as a power in the region. Erdogan basically stated the Ottoman Empire “Islam” is back revived (headwound recovers Rev 13:1-3) under his leadership and will stand against western intimidation and agendas. Muslims believe in re-establishing caliphate borders of nations they once occupied as theirs again, including what they lost to the British in WW1 1914-1918 with the Ottoman Empire defeat head wound.

Article 2:

Erdogan has assumed his leadership role based on a fatwa issued by Hayrettin Karaman, who says an entirely new constitution in Turkey gives Erdogan the legal right to become an emir and establish his caliphate. Karaman is the major Islamist fatwa giver in Turkey, one of Erdogan’s main henchmen and a practitioner of Muruna, the Muslim Brotherhood’s allowance for sanctioning Islamic prohibition in the case of Jihad, which means that the Mufti can bend Islamic Sharia to produce favorable fatwas, whatever it takes to establish an Islamic Caliphate.

that the image of the beast should both speak (On top of building the Bestepe peoples mosque giving a voice next to his image of the beast the wounded head of “Islam”. Erdogan in Feb 2016 re-instated the Old Ottoman Empire language back into Turkish colleges to become the new national language, he is giving the image of Islam its voice back in its original language. The Islamic call to prayer 5 times per day is released from loud speakers on top of mosques bearing the image of Islam with the star and half-moon flag that is herd for miles around.)

and cause as many as would not worship the image (Symbol of Islam/ Ottoman Empire, Erdogan is working on re- instating the Old Ottoman Empire Islamic religion under Sharia law where they wear the Bismallah the badge of servitude) **of the beast to be killed** (Erdogan stated publicly to an ovation in June 2017 at the unveiling of his statue image of Islam the “wounded head”. Erdogan stated he will decapitate his enemies he wants to re-instate beheading under Islamic sharia law in Turkey, certain Turkish groups are calling for it. Erdogan is closing down Christian churches he is arresting Christians taking their properties. Erdogan is killing Kurds with US made predator drones from Obama and his armies of Turkish soldiers. Erdogan has backed Syrian Muslim Brotherhood rebels for 14 years in Syria whom defeated Assad in Dec 2024. These rebels then went on a Christian killing spree in Syria massacring thousands in cold blood. Erdogan was also responsible for drying up the Euphrates River that began in 2009 by building 22 dams along its source as a water war weapon to weaken Iraq and Syria).

Empire called people to himself at his statue unveiling to give him allegiance before this image, then Erdogan said he would behead all his enemies to the agreements of those attending. Erdogan built himself a Mosque right near to his palace and statue, the mosque seats 3000 people called “the Bestepe peoples mosque”. It now has the Islamic prayer call of “Azan” 5 times a day he has given his statue a voice. Below is a picture taken from Google earth in May 2020 of the three positions of what Erdogan has built in Istanbul Turkey since 2014. As seen on previous pages the first large building in the middle marked with a red marker is Erdogan’s presidential Palace. The red marker below that is the statue image Erdogan built and unveiled outside his palace in June 2017 this came just 6 months after Obama stood down as US president. To the left is the 3000 seat Bestepe national people’s mosque Erdogan built then opened in 2019.

Erdogans palace throne as Turkey’s ruler

Only one religion on earth in our 21st century generation of end times bible prophecy currently murders in mass and beheads its victims, this is Islam (*Jihad*) Sharia law with acts of terrorism. An order to seize churches was made on March 25th 2016 by Erdogan’s council of ministers, just 3 months into his Presidency according to the website World Watch Monitor. President Recep Tayyip Erdogan took control of six churches in the war torn southeastern city of Diyarbakir. This was a Turkish state sanctioned seizure, included in the seizures were Catholic, Protestant and Orthodox churches, one of which is over 1,700 years old. Also in 2016 the Turkish Directorate of Religious Affairs (*Diyanet*) seized control of an estimated 50 Syriac churches, monasteries, and cemeteries in the Mardin province transferring them to state property. Turkey is moving with its Islamization under Erdogan clearing the way for Sharia law revealing his genocidal intents against Christians and all other ethnic minority groups in the region. Turkey once before murdered over 1.2 million Armenian Christians at the turn of the 29th century.

Article 3:

The current design of the Turkish flag is directly derived from the late Ottoman flag, which had acquired its final form in 1844. It is known that the Ottomans used red flags of triangular shape

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

at least since 1383, which came to be rectangular over the course of history. Ottomans used several different designs, most of them featuring one or more crescents, for different purposes, such as the flag with green background signifying the caliphate. During the late imperial period, the distinctive use of the color red for secular and green for religious institutions became an established practice.

In 1844, the eight-pointed star was replaced with a five-pointed star and the flag reached the form of the present Turkish flag; Red was the colour of Umar I, the Caliph who ruled from AD 634 to 644 and was known as a great consolidator of the Islamic Empire. In the 14th century red became the colour of the Ottoman Empire. The Ottoman Flag's crescent moon was thicker than its current design. The origin of the flag is the subject of various legends in the country, some contradicting the historical knowledge about the Ottoman Flag.

Erdogan on his throne the Caliph king

Newly built \$600 million dollar palace

Rev 13:16-18 He causes all, both small and great, rich and poor, free and slave (Muslims are slaves of “Allah’ the unsaved are all slaves to sin and Satan worldwide), **to receive a mark** (This spiritual mark in scripture is a designation of spiritual ownership by God or Satan a badge of servitude to a master or owner. An example is a rancher branding his cattle or an artist signing his art work a certificate or mark of ownership. Erdogan is heading up the charge at the UN with the anti-Islamophobias hate speech legislation to cause nations to bow to Islam. The 2015 Global Immigration Compact of the UN has caused a flood of Muslim Immigrants it opened a door for an increased concentrated invasion of Islam into European nations. The UN is now made up of one third Islamic state nations 57 of them).

Islam has been forced into European nations through US led wars and UN immigration policies over several years increasing since the 2011 Arab Spring took place. Nations that are dying to Christianity have no strength left to fight a radical religion like Islam this is filling that space by force from the UN and population growth. Europeans have one wife and 1.5 children Muslims have multiple wives with 10 plus children per family an out-breeding situation. In the UK alone

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

over 100 thousand Churches have been converted to Islamic mosques in the last ten years. Muslims will out breed most European nations in fertility child birth alone over a few short years. Many European nations are now more than 50% Muslim populated with Sharia courts set up every where.

Effectively the mark of the beast under Islam is on the rise throughout the Islamic world and in every nation. Iraq and Syria have lost 2.3 million Christians since 2013, China has a new surge of persecuting its Christians again burning down and destroying hundreds of churches. By 2025 380 million Christians are under constant persecution in over 60 nations that are mainly Islamic. Turkey under Erdogan (*False Prophet*) has confiscated many churches and imprisoned hundreds of Christians. North Korea imprisons all of its Christians in labor camps as sate slaves. False doctrines are rife in the Christian church as well worldwide filled with transgression you have homosexual churches in the USA, it’s very sad we need Gods move to cleanse His bride.

on their right hand or on their foreheads (*In the Islamic religion the “Shahada” is a declaration of allegiance to Allah and Muhammad this declaration is found written in the form of a “badge of servitude” or referred to as the “Bismillah”. This Islamic symbol/writing is found on flags, head and arm bands worn by Islamic militants/Muslims this badge can be seen openly such as with Isis and Hamas, this writing in Arabic has 666 in it. In Greek the three similar letters are “XES” when turned sideways they are almost identical to the “Bismaillah” Arabic Islamic symbol. The Greek word charagma used for mark means an imprinted stamp. In John the revelator’s time this word charagma was used to brand a person as a slave, this is a physical manifestation of a mark.*

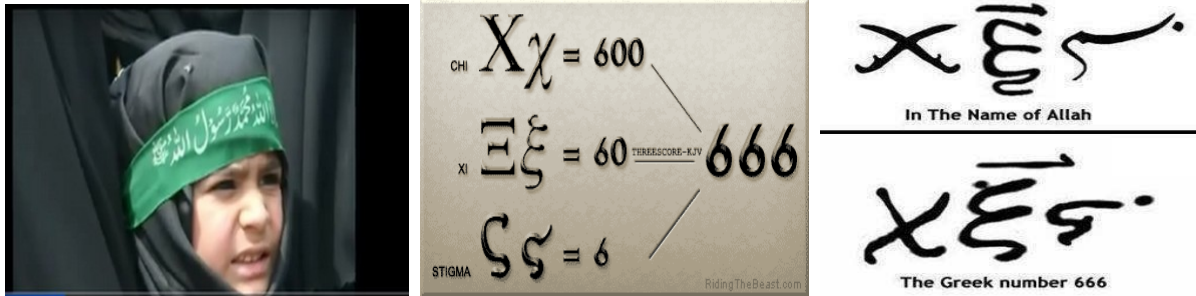

This may be what John the revelator saw in his visions of the beast and its mark. The letters in the Greek word XES turned sideways on its back become the same mark and symbol of Islam in Arabic it’s identical in form and symbol. The first letter in the Greek XES number of the Beast is

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

the “X” character turned sideways it becomes the **crossed swords in Islam**. For the last 1500 years the “Bismillah” similar to the Greek “XES” has been the symbol of Islamic Jihad used by Muslims on flags and military symbols killing an estimated 669 million people since Islam’s inception.

The second letter “E” is the Islamic “Bismillah” the name for “Allah” or **in the name of “Allah”** turned on its side and placed in a mirror it forms the same Greek middle character as written by John. The third character of the XES is the “S” in Arabic this is a **stigma or badge of servitude** all these three letters in Greek seem to translate to the 666 that John sore over 2000 years ago. John wrote his Revelations prophecies 610 years before Islam was formed by 610 AD and 313 years before the Roman Catholic Church emerged under Constantine in 313 AD.

Is this what John may have seen in his vision 2000 years ago ? he may have recognized the symbols relating them to the Greek letters meaning 666. As mentioned this Muslim symbol is found in the “Bismillah” and the “Shahada” the Islamic confession of Faith.

The name **Allahu Akbar “God is great”** which Muslims chant is written here in Arabic calligraphy it contains three symbol sixes as seen on the next page it seems to be a direct connection to the beasts 666 **the number of a man** Muhammad.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

Three sixes as seen in red in the Islamic “Shahada”

Muslims have already been conditioned to take this symbol and mark for generations on the Day of Judgment as their image/symbol of worship to “Allah”. According to Islamic theology Muslims are slaves to “Allah “and “Muhammad”. To be antichrist is to simply be against Christ or in replacement of to deny Him and who He is according to the word of God the Bible. A follower in an antichrist system of belief such as the world systems are those that deny Christ the unsaved with many false religions such as Islam, Buddha, Hindu, New age, Satanic occults, Freemasons, Judaism, Illuminati, Jehovah witnesses and the Roman Catholic Vatican system of belief etc. All deny the fullness of Christ as God incarnate as savior as Messiah along with His forgiveness the free gift of salvation, eternal life and a personal relationship with Him.

*These people unless they are truly saved by receiving Christ as savior and His spiritual mark will receive this “**Mark of the Beast**” according to the Bible. Those that follow such a system of belief will have a stamp or mark that declares ownership of servitude by their spiritual master the beast (Satan). This may be both spiritual and naturally manifested as the spiritual effects the natural. This is what was prophesied in revelations the mark of the Beast will be on the forehead or arm/hand/wrist of the individual indicating servitude and worship to the beast and his dark Kingdom.*

In truth any one not saved has the opposite to Gods mark the mark of the beast on them automatically from birth as found in Rev 13:16. If you go to the story of Cain in Gen 4:15 after Cain had murdered Abel God put a mark upon him to keep him from being killed in the natural this was a physical mark that one could see as a warning. When one truly comes to salvation in Christ the spiritual head and mark of the beast which is unseen in the natural realm is then cut off and replaced by Christ with His spiritual authority mark and headship Rev 7:3, Rev 9:4, Rev 20:4. This beheading of the beast nature is seen in:

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

Hab 3:13 “You went forth for the salvation of Your people, for salvation with Your Anointed. You struck the head from the house of the wicked, by laying bare from foundation to neck (NKJV)

(True salvation is a spiritual matter it’s not physical, when one becomes saved a transfer of kingdoms takes place from the kingdom of darkness to the kingdom of light from deception to truth occurs at salvation. The headship authority of Satan the beast nature gets cut off and the headship of Christ the savior takes its place. The foundation then becomes Christ up to the neck with Him becoming the new head that then has a place to rest. The mark of God and His authority is placed on the born-again Christian the mark of the beast nature and authority that was there is removed).

¹⁷ and that no one may buy or sell (Sharia law of Islam) **except one who has the mark or the name** (the Bismillah of the Shahada the mark of allegiance to Allah and Muhammad) **of the beast or the number of his name.** (In Bible numerology 6 is the number of man. On the Earth today only one worldwide religion currently does legal buying and selling between themselves especially with the female human sexual slave trade this points us directly to Islam. Under Sharia Islamic law Muslims rule and are the only ones allowed to buy and sell to trade; all others are infidels they get murdered or become sexual slaves)

¹⁸ Here is wisdom. Let him who has understanding calculate the number of the beast (read this in its correct context in this section of scripture this is referring to the wounded head of the beast that has seven heads in Rev 13:1-10. This wounded head was the Ottoman Empire in WW1 the beast head of the Islamic religion that was defeated wounded in war), **for it is the number of a man** (The man here refers to Muhammad the founder of Islam the religion of the beast): **His number is 666** (666 is in the servitude badge the Bizmillah/Shahadah to the beast of Islam). (NKJV)

According to the scriptures the spiritual mark/name of the beast is first and foremost on every unsaved man, woman and child until they are saved to overcome through Christ to receive His mark/name (Righteous mark/name Ez 9:4, Math 24:9, Rev 3:12, Rev 14:1, Rev 22:4), (Unrighteous mark/name Rev 17:5, Rev 14:9, Rev 13:16-17, Rev 15:2, Rev 17:8, Rev 19:20, Rev 20:5). The end of the age prophecy of the mark of the beast in correct context is under the false prophet of Rev 13:11-18, in this historical context this becomes Islamic in origin.

(As mentioned, the number 666 is found in the badge of “Allah” marked on Islamic flags, head bands and arm bands. Muslims knowingly swear allegiance to the “beast” referring to the coming Islamic Caliph as the “beast”. Islam is the only religion in the world that does this beheading its enemies with the sword.

The Islamic religious system was formed by one man Muhammad born approximately 570 BC who then began preaching the new religion of Islam in 610 AD effectively making “666” symbolically the number of a real man, as above. This is all about an ancient seed war between Satan’s seed

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

and Gods chosen seed of Abraham, between Ishmaels descendants the Arabs and Jacobs descendants the Jews. This is a spiritual seed war between Gods Spiritual offspring the Christians and Satan’s offspring the Muslims Rev 12 unless they become saved swapping spiritual camps. Muslims chant at rallies “Khatbar , Khaybar, Oh Jews the army of Muhammad is returning” this certainly seems to be a beast Islamic army of one man 666. The Islamic religion is antichrist at its core it’s against Christ Jesus it murders Jews and Christians as a priority along with all other minorities.

The issue is not radical Islamic Muslims its Islam itself influenced by demonic darkness the spirit of the antichrist beast there is no moderate Islam. As Erdogan of Turkey states Islam is Islam the same as Jesus is Jesus. Muslims do not believe Jesus is Gods son they have no spiritual salvation they have none of Gods spiritual light in them this makes them spiritually dark a demonic beast army the army of Satan. As Jesus himself said about unbelievers **“at the end of the age the angels will come and separate the wicked from among the just”** that **“everyone practicing evil hates the light and does not come to the light, lest his deeds should be exposed (Jn 10:10) for a thief comes to steal destroy and to kill”**.

The Euphrates River 6th Bowl 6th Trumpet season.

What many do not understand Erdogan of Turkey was the builder of 22 dams along the Euphrates River a war weapon against Iraq and Syria, causing the Euphrates River to begin to dry up by 2009. This begins the 2nd woe in scripture in the Middle East region entering us into the 6th bowl and 6th Trumpet seasons historically fulfilling prophecy. This makes the eventual way for the kings of the East to come against Israel in a final war. Erdogan along with Obama backed Isis and Hamas in the region both men are devout Muslims connected to the Muslim brotherhood in Turkey. The Arab Spring events of 2010-2011 are hard lined connected to Rev 13 the “beast from the sea” and the “beast from the earth”. In the 6th Bowl and 6th Trumpet the Dragon the beast and false prophet have unclean frog spirits that come out their mouths to deceive the kings of the earth when the Euphrates River begins to dry up that began in 2009. Since 2009 the Rev 13 antichrist “beast from the sea Obama” and the “beast from the land Erdogan” have been on the world scene operating in their destinies of evil as Muslims. These two have been promoting and advancing the cause of Islam around the world the end of the age beast army the “mark of the beast” false antichrist saint beheading religion.

“The 2nd Woe”

Rev 9:13-21 “Historical Breakdown”

And the sixth angel sounded, and I heard a voice from the four horns of the golden altar which is before God, Saying to the sixth angel which had the trumpet, Loose the four angels which are bound in the great river Euphrates In the Bible the only angels that God binds are fallen angels so these four angels (*In strategic positions*) are actual fallen angels of demonic evil origin. There are four specific nations that encircle the Euphrates River they are Turkey, Syria, Iran and

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

Iraq the four demonic angels are over these four nations, in the region surrounding the Euphrates River. For the first time in history by mid-2013 these four nations consisted of 204 million people mostly Islamic (3-4 million were Christian in the region until warred against by Islamic forces destroying the numbers) under Jihad Islam becomes one army as seen in the 6th Bowl/6th Trumpet. Below is a map of the four nations/angel positions of Rev 9:13-21 that the Euphrates River runs through. The second map is the lands given to Abraham by God under covenant forever. These angels loose ongoing war and conflict in the region.

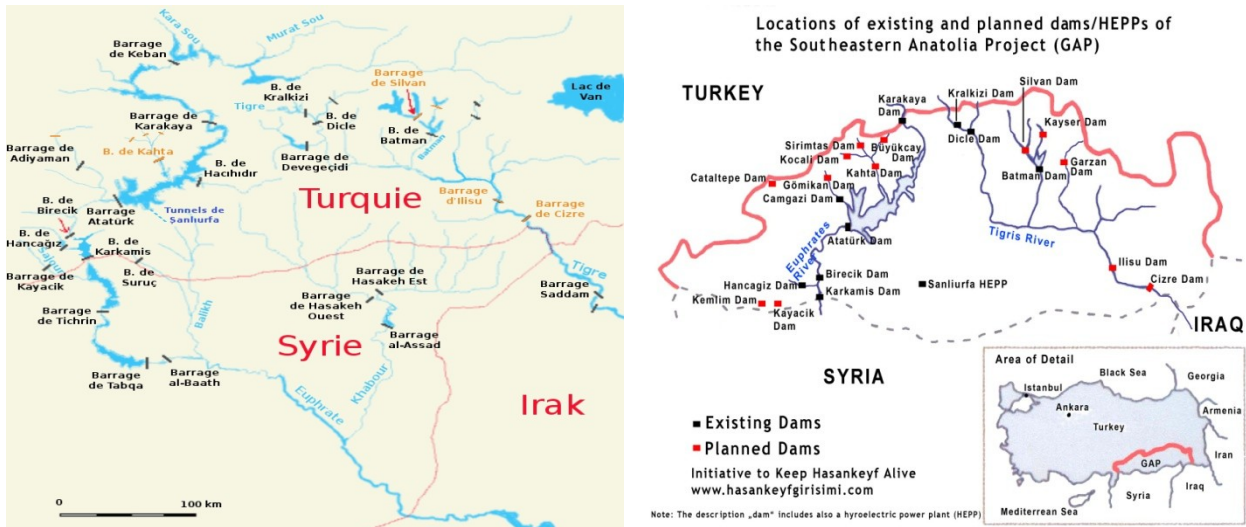

As we moved through the 5th Trumpet, 5th bowl, 6th Trumpet and 6th bowl, 5th and 6th seal end times intensify in fulfillments, an angel of God is loosed to dry up the Euphrates River in the 6th bowl. This is to clear the way for the kings of the east (Islam to come against Israel Ez 38 and 39, Zach 14:2, Rev 1-3) prepared for war Rev 16:12 to eventually end in Armageddon Rev 16:16. This comes in conjunction with the 6th Trumpet (beast, false prophet, Dragon) along the Euphrates where the four demonic angels are loosed to enable major ongoing war and conflicts (ongoing conflicts Iraq 2003, Isis 2013 Iraq/Syria/Turkey/Russia/America/Yemen/Lebanon/Iran/Gaza/Palistine/Israel) and death (war against

the saints Rev 13:5-7 under the beast Obama June 2013 - Jan2017) to come to this region where a third part of men in the region are eventually killed up until Christs return.

From the 2003-2011 Iraq war with USA in the 5th Trumpet, major water losses were recorded as infrastructure was destroyed. Then by 2009 the release of the 6th bowl came and the 6th Trumpet season. See 6th bowl chapter Prime Minister Erdogan of Turkey at the time furthered the waters drying up damage through the damming of the Euphrates River. Erdogan built new dams to control the water causing mass water shrinkage to Iraq, Syria and Iran. Erdogan then built more dams by 2017 cutting off water supply to Syria they also have a dam on the Tigris River leading to further war over water. Erdogan plans to construct a further 22 dams, with protests from Iran, Syria and Iraq. See picture of Erdogan dams built at source of Euphrates and Tigris rivers in Turkey below.

War in Syria then started in 2011 (*3 horns ripped up leaders of Egypt, Libya and Yemen/Ethiopia under Obama Dan 7:8*) the Syrian war was sparked by the 2010-2011 Arab Spring uprising. By June 2013 Hezbollah entered into Syria to fight Isis in Christian saturated areas then Isis came into Iraq in early 2014. Isis was formed from Saddam Hussein’s ex-army forces stragglers along with other terrorist groups such as Al-Qaeda. These events with terrorists’ groups rising up created destruction and chaos it started the 42-month war against the saints in June 2013 empowered by Obama’s administration.

In a few short years Syria has lost 5.5 million people from 2013-2018 with 1.1 million Christians also gone, Iraq has lost 1.2 million Christians from its midst from 2014- 2017 these Christian losses are not reported about. An estimated 2.3 million Christians were lost in both Iraq and Syria combined in under 4

years of fighting from June 2013 – Jan 2017 (*Trump got in defeating Isis*). See satellite pictures on next page of comparison from 2008 to 2009 of the Euphrates water drying up. Euphrates river 2008 (*Tigris Euphrates basin*)

Euphrates river reservoir above Iraq city 2009 (*Tigris Euphrates basin*)

Article:

Scientists using the twin gravity-measuring satellites of the Gravity Recovery and Climate Experiment (GRACE) have found that a large portion of the Middle East lost freshwater reserves rapidly during the past decade. The research team observed the Tigris and Euphrates river basins including parts of Turkey, Syria, Iraq, and Iran and found that 117 million acre feet (*144 cubic kilometers*) of fresh water was lost from 2003 to 2009. That amount is roughly equivalent to the volume of the Dead Sea. About 60 percent of the loss was attributed to the pumping of groundwater from underground reservoir. “GRACE data show an alarming rate of decrease in total water storage in the Tigris and Euphrates river basins, which

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

currently have the second fastest rate of groundwater storage loss on Earth, after India,” said Jay Famiglietti, principal investigator of the study. “The rate was especially striking after the 2007 drought. Meanwhile, demand for freshwater continues to rise, and the region does not coordinate its water management because of different interpretations of international laws.”

Obtaining ground-based data in Middle East can be difficult, so data from satellites such as GRACE are essential to providing a global picture of water storage trends. Within any given region on Earth, rising or falling water reserves alter the planet’s mass, influencing the gravity field of the area. By periodically measuring gravity in each region, the GRACE satellites tell us how water storage changes over time. (*To learn more about GRACE’s ability to study fresh water on Earth, read The Gravity of Water.*) The researchers calculated that about one-fifth of the water losses in their Tigris-Euphrates study region came from snowpack shrinking and soil drying up, partly in response to a 2007 drought. Loss of surface water from lakes and reservoirs accounted for another fifth of the losses. The majority of the loss—approximately 73-million-acre feet (90 cubic kilometers)—was due to reductions in groundwater.

“That’s enough water to meet the needs of tens of millions to more than a hundred million people in the region each year, depending on regional water-use standards and availability,” Famiglietti said. The team was led by Famiglietti and Kate Voss of the University of California–Irvine (UCI) and Georgetown University, and included other researchers from NASA’s Goddard Space Flight Center and the National Center for Atmospheric Research.

The Euphrates River became very dry by 2009 as seen in the satellite pictures this was due to Syria and Turkey (*Under demonic Angel influence*) building dams blocking the rivers flow for the first time in thousands of years into Iraq. The Euphrates River drying up (*6th bowl*) coincides with President Obama the “**Beast from the sea**” of Rev 13:1-10 and his first term in office starting in 2009. This 6th Trumpet war along the Euphrates Rev 9:13-21, “**four angels being released along the Euphrates River to kill a 3rd of mankind in that region of the conflict**” in Iraq (*1 million plus gone*) and Syria (*5 million plus dead*) coincides with the 6th bowl being poured out Rev 16:12-16. The “**Euphrates dries up**” making a way for the kings (*Islamic leaders and war Lords*) of the east to eventually come against Israel. The beast and false prophet (*both being of the Muslim brotherhood*) of Rev 13 are both on the world scene by 2009

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

they will spear head the eventual war as seen in Ez 38 & 39, Rev 11:1-3, Zach 14:2 and Math 24:21. On the CGI picture below the Euphrates River source begins in Turkey it then flows through Syria, Iraq and Iran into the Persian Gulf (*Google Earth*).

From 2009 - 2021 up to 70% of the Euphrates water had dried up in various areas you can see the sandy bottom of the Euphrates and mud in the Persian Gulf. In Rev 16:13 we see **“three unclean spirits like frogs (deception & lies) come out of the mouth of the dragon (Satan), out of the mouth of the beast and false prophet”** when the Euphrates dries up. This has happened since 2009 confirming to us the Rev 13:1-10 beast (*Obama of USA 2009-2016*) and false prophet (*Erdogan of Turkey 2014 onwards*) are on the world scene. These unclean spirits are false deceiving lying spirits of lawlessness deceiving the nations (*UN*) an increase of chaos and deceptions from Satan has begun to occur in the world. From Dec 2019 we saw Covid 19 an agenda to control the masses (*Event 201 was run in Oct 2019 2 months prior to Covid 19*). See chapter 28, 32, 33 & 41 about the beast and False Prophet.

NOTE:

In the end of days Daniel 11: 21-45 and Rev 13:1-10 scriptures indicate how the first beast the **“Man of sin”** is filled with the antichrist spirit as a political leader of world dominion who holds much power, authority and influence over nations for a season. This **“Man of sin”** has one (*False prophet*) who stands before him at work with him. This is the **“False Prophet”** a **“religious”** and **“political leader”** of the same religion (*Islam*) as the **“Antichrist beast”** (*Obama*) with great power and influence over many. The false prophet is positioned as a head leader of a worldwide

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

religion who stands in agreement partnered with the first beast of Rev 13:1-10. This is through the same beliefs and system of “Islam” (both are Sunni Muslim brotherhood members). This false prophet along with the beast lead Islamic armies in the Middle East from along the Euphrates River against the saints (Isis/ Syrian rebels) then against Israel (Islam) in the battle of Armageddon Rev 16:16 (6th Trump and 6th Bowl 2nd woe). The Euphrates dries up (2009 Obamas inauguration year) and deception increases worldwide to the kings of the earth through the beast and false prophet in operation, they work for the same cause of Islam and both know it.

The US Gallup Poll, conducted from January through June 2014, found that 72 percent of Muslims approved of Obama’s performance, compared to 55 percent of Jews, 44 percent of Catholics and 37 percent of Protestants. President Obama says he’s a Christian (*Lies*) yet confesses his Muslim faith on video’s. Obama had many meetings with CAIR a Muslim Brotherhood group at the Whitehouse. CAIR as the Muslim Brotherhood is situated under Erdoğan’s influence in Turkey. Obama has been majorly hailed and recognized by Muslims as a Muslim and is supported by Muslims. Erdoğan has also been elevated by Muslims even worshipped as a god as the king Caliph the Sultan of Islam encompassing 1.7-2.3 billion people.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

As mentioned in previous pages according to the scripture of Rev 13:11-18, the false prophet arises after the Rev 13:1-10 “man of sin” beast has appeared on the world scene for a season. Many say this false prophet of Rev 13:11-18 is the Pope of the Vatican (*he is a false prophet but not the end times false prophet see chapter 40*). This cannot be as the 1st Rev 13:1-10 beast (*President Obama 2009-2016*) and false prophet (*President Erdogan 2016 onwards*) are of the same “system of belief and religion” they stand together influencing many for Islam. Pope Francis 2nd was the 8th Pope King a Catholic (1936 – 2025) not a Muslim but supports Islam, he’s the 8th Pope king since the 1929 Lateran Treaty was signed. The 8th king of Rev 17 (*Holy Roman Empire king and head*) comes on the scene at the same time as the Rev 13 beast the false prophet and the Dragon (*rich elite liberal Satanists Rothchild’s etc.*) the power seat of the dragon over nations is the UN. As of 2013 all these beasts were fully manifested and have met fulfilling what is stated about them in the “Book of Revelations”.

8th Pope King & false prophet Pope & the beast “man of sin” The Rothschild “Dragon” family

What some don’t understand is just how intertwined the world elite bankers their systems (*Dragon power/Jesuits/federal reserve banks, rich elites*) and the Vatican (*Rev 17 whore/Jesuits*) are. If you notice on the left of the Rothschild family crest in its description is a lion’s head with a leopard’s body and bears feet. This is also the description of the Rev 13 1-10 “man of sin” beast “Obama” his background is Kenya 70% of the world’s leopards are from Kenya he is a Muslim the bears feet represent hes antichrist he has a lion’s mouth blaspheming and devouring that’s Islam. The dragon rich elites empower the antichrist beast of Rev 13:1-10 beast to war against the saints. On the right of the Rothchild’s crest you have the white horse which can be seen in Rev 6

the conqueror gone out to conquer the world through its illicit illegal dealings. This dragon works through power broker political manipulation financial wealth the World Bank’s the Federal Reserve’s that are owned and run by the Rothschild’s. The Rothchild’s secretly run or look after the Vatican’s wealth “The Holy Roman Empire” the last empire of Daniel 2 Nebuchadnezzar’s statue. These groups and rich elite families including royalty such as King Charles influence the decisions at the UN that oversee the nations.

The Rothschild’s manage the Vatican’s banking, financial wealth and treasure and have done since the early 19th century according to reports it could even be as early as 1823. These two, the Vatican and the Rothschild’s alone are the two wealthiest organizations on earth they influence the financial and political arenas of the US and most other nations. As Mayor Rothchild once stated **“Permit me to issue and control the money of a nation, and I care not who makes its laws”** if you control the money, you control the nations. The UN is the base for international law it is run and funded through these elites through various organized elite run governments. The US has always been the largest contributor to the UN until President Trump came along in 2017 and 2024 cutting the funding supply to the UN.

For instance, one elite Dragon person is part of the Bilderberg Group who is well known for influencing stock market crashes sending countries almost broke and influencing US politics billionaire George Soros a WW2 ex Nazi. President Obama (*man of sin antichrist*) as other Presidents have, always quoted the Roman term the “Rule of Law” his favorite saying is an age old “Holy Roman Empire” edict. This “Rule of Law” is a direct link to the hidden organized international “Holy Roman Empire” elite owned New World Order system of thinking.

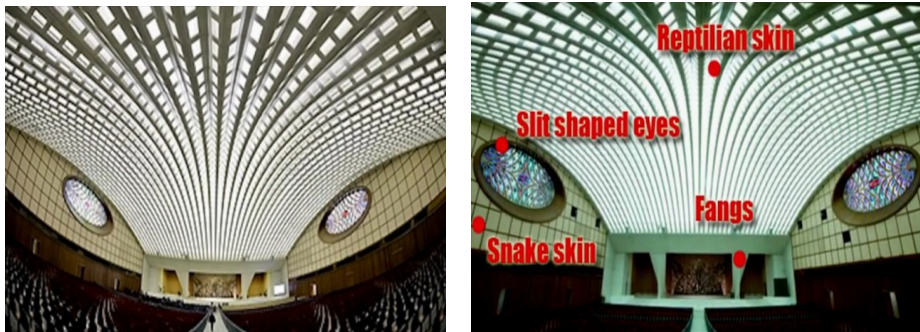

Pope Francis 2nd (2013-2025) was the first ever Jesuit Pope he is not a Muslim he is Roman Catholic he is the last King of the 8 kings in Rev 17:10-11. Pope Francis 2nd the 8th Pope King was directly influencing the world pushing agendas of a one world governing body along with the UN

and the Dragon elite. The 8th King Pope appeared during the same time as the “man of sin” antichrist and false prophet of scripture according to historical fulfillments. As mentioned, Pope Francis 2nd is the 8th Pope since the Vatican became its own nation with the 1929 “Lateran treaty” turning the popes into Pope Kings; you cannot be seen as a King unless you have your own nation. The first trumpet blast of revelations was WW1 the 2nd was WW2 the wounded head of the Rev 13:1-10 beast was the Ottoman Empire of WW1. The Vatican is the woman that rides the scarlet beast that fornicates with the world whom is found drunk on the blood of the martyrs.

(The Vatican over 1260 years has murdered up to 150 million during the inquisitions, Islam has murdered an estimated 670 million over 1400 years).

This is a view of the “Paul VI Audience hall” in Italy it is designed like a snakes head with fangs. The Pope holds meeting here outside the Vatican itself as a place of papal worship the people sit in the snakes belly.

Fangs carry poisen they are used in some animals to drink blood. From where the pope sits it looks like people are in the snakes belly. The pope sits in front of an abomination of Christ with wings

coming forth out of a nuclear holocaust, this was built in 1971. This building is not a coincidence but a direct occultic design of the Vatican elite circle.

Vatican's "Paul VI Audience" building outside view, the occultist snakes head.

The Vatican has preyed upon and murdered an estimated 150 million over 1260 years of inquisitions they prioritized the persecution of heretics and Protestants the true saints. Islam has murdered an estimated 670 million plus over a 1400-year reign of Jihad terror targeting Christians, Jews and many other people group the biggest continual killing machine on earth. Pope Francis 2nd said Islam and the Vatican worship the same God he elevated Islam as an equal and prayed to Allah in Islamic mosques. The Pope the 8th beast king met with Erdogan the false prophet beast of Rev 13:11-18 and Obama the Rev 13:1-10 beast. The popes "Paul VI Audience building" looks like a serpent snake. Pope Francis came into power to see the beginning of the Rev 13:5-7 tribulation war against the saints that began June 2013, this was just 3 months after Francis become the 8th Pope King of Rev 17 fulfilling Saint Malachai's 112th pope prophecy.

According to testimony the Vatican is rumored to have created Islam 1500 years ago for its own evil cause to raise an army to take Jerusalem from the local Jews and Bedouins. This would place the Vatican as the parents of Islam if true as testified by Roberto Rivera an ex Jesuit priest turned Christian. This would place the Vatican and Islam under the same beast spirit of Revelations 13 totaling around 3.5 billion nearly people half the world's population are already under the end of days mark of the beast and its religions. The rest of the world is yielded to the dragon's seat of power the UN now made up of one third Islamic nations 57 of them.

The anti- islamophobia hate speech legislation a "mark of the beast law" from 2019 causes nations to bow to Islam as well you cannot speak out against them therefore bow to them. The hate speech legislation being pushed upon nations is now being spear headed by the false prophet Erdogan of Turkey and Pakistan. According to Roberto's inside information the Vatican created Islam to

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

become an Arab army to take Jerusalem 1500 years ago. Catholic priests were in the Middle East at the time of Muhammad converting Arabs and Bedouins to Catholics. Muhammad’s first wife was a very wealthy Roman Catholic woman before he began preaching the new religion of Islam after his supposed angelic visits in a cave and she converted.

This Vatican agenda failed with Islam becoming the Vatican’s enemy doing Jihad across Europe causing the crusade wars. In modern times Pope Francis 2nd stands up declaring that Islam and Catholics worship the same God is this just a twisted deceived perspective ? or a reality ? Islam and the Vatican both have some doctrines that are the same they worship Mary and have the sun / moon in there religions, they have both mass murdered Christians.

The Vatican now holds prayer meetings with religious leaders of the Islamic religion embracing them. A new place of worship is being formed called Crislam. Islam and the Vatican seem to be of the same religious spiritual beast system that has been killing the saints for centuries. Islam’s brutality as the world’s worst generational killing spree is now manifesting again in our modern times with the “beheading of the saints” in the Middle East. This has been causing the world to marvel at the atrocities exactly as the Bible says in Rev 13:3.

The Vatican originally Christian (*Bride of Christ in Rome*) joined itself to pagan Rome after the 313 AD Edict of Milan, Constantine then created a new altered compromised religion. This new religious Roman power advanced through selling herself out to wealth and power this is the beast the woman rides in Rev 17:1-7 the last empire. Pagan Romanism had consummated with the bride of Christ in Rome.

According to Alberto’s testimony the Vatican conceived Islam making them the spiritual offspring of the Vatican (*The scarlet Beast of Rev 17:3*) with the same false Spirit that has drunk the blood of the saints for centuries. This seems to be a missing key that makes a lot of sense when you look into the history of Islam and the Vatican’s historical actions against Christians. Of course there is no hard evidence as those records are kept under lock and key deep within the Vatican vaults and with Muslim Imams.

The only one who stood before President Obama as an influential false prophet in a similar powerful political financial and religious position with the same Islamic beliefs was Recep Tayyip Erdogan. Erdogan erected the image/statue or Rev 13:11-18 mid 2017 an image of the wounded head that recovered (*Islam*) the Ottoman Empire.

With Obama’s permission Erdogan built a 100 million dollar “Muslim brotherhood” Sunni Turkish mega mosque, on a 16 acre site in Lanham Maryland USA, Erdogan and the Turkish prime minister opened it to the public in the US on April 2nd 2016 at its completion. Erdogan was said to have invited Obama along but Obama declined due to its publicity. Erdogan is passionate about promoting Islam and Sharia law of the Old Ottoman Empire he has said to western nations “Turkey is no more” referring to the rising up again of Ottoman style sultan powers. Erdogan has now got unprecedented powers and authority as a head Muslim nation to influence and advance further the causes of Islam and Allah his false God. This places Erdogan as a head authority of influence over 1.7 billion Muslims. Erdogan was granted entrance into the Kaaba stone at Mecca the gate to Allah only afforded to two past presidents the last was in 1993.

Erdogan is influencing Muslims in nations (*up to 1.7 billion Muslims*) in the region of the Middle East and around the world. Erdogan has become an influential voice in the UN for Muslims. Erdogan has elevated himself in leadership to influence Islam with visions of reestablishing the Ottoman ruler ship in the Middle East desiring to see himself as head caliph over a newly formed federation caliphate. This is also the vision of the OIC organization (*Organization of Islamic Cooperation*) made up of 56 Muslim state nations whom Turkey is part of.

Erdogan has become the lead voice and term presidency of the OIC (*Islamic unity of 56 state nations*) the OIC leadership was handed over by the Egyptian president to Erdogan in early 2016. The OIC are in agreement with the G7 foreign policy for the vision of a newly formed caliphate. This effectively made the Isis war a false flag war with the US and coalition nations under Obama. Erdogan built a multimillion dollar palace residence for himself in Turkey styled around the Ottomans to rule from. After Obama’s 8 years of rule God intervened with Trump striking a blow to the dominion of the antichrist Dan 7:22. Jesus came to save the world not to destroy it He wants His harvest before “Armageddon”.

When Trump won the US election by a miracle in 2016 the antichrist spiritual dominion was dealt a serious blow by God, His favor for the saints had come Dan 7:21-22. Leading us into the Rev 14:14-16 worldwide harvests of nations before the Rev 11 “two witnesses” and the 6th Trumpet “Armageddon” happens which heralds in Christ’s return. Reports are coming forth how Erdogan is declaring himself even to be as like God.

In 2011, an AKP deputy declared, “Even Touching Erdogan is a form of worship”, in 2014 another AKP deputy proclaimed that Erdogan “carries all the attributes of Allah in himself” basically saying Erdogan has, god hood qualities and status.

Addressing a meeting of the Organization of Islamic Co-operation (OIC) in Istanbul, Erdogan said Islamic states had to defeat the successors of the iconic British officer Lawrence of Arabia (WW1 First Trumpet) who were seeking to disrupt the Middle East. “We are 56 countries won’t we question what our function is ?. Islamic countries make up almost one third of the United Nations,” he told the OIC.

See pictures taken below from Erdogan’s visit to Mecca in 2015. Erdogan entered “The Gate of Allah” the Gate to the Kaaba is made of pure gold. The Kaaba itself is where the Muslims of the world direct their worship and prayer in Mecca. The Kaaba is the place of Islamic pilgrimage for the entire Muslim world of 1.7 billion. The gates of the Kaaba are historically only opened 6 to 7 times a year, for Muslim purification twice a year and twice a year for special royalties it is opened once to wash it and once to change its dress. The gates were opened up in 2015 just for the sake of Erdogan to visit the Kaaba this was ordered from the top leaders of Islam, the Kaaba is venerated by all of Islam.

Erdogan was the third Turkish President to enter the Kaaba after Kenan Evren (1980-1989) and Turgut Ozal (1989-1993). This puts Erdogan in a position of great respect and authority amongst the Muslim world it was a bold statement of importance of who he is as a Muslim leader the potential new Caliph of Islam. This further positions Erdogan as the powerful political and religious “False Prophet” (Rev 13:11-18) with influence over multitudes of peoples and nations. Erdogan’s dream is to re-establish the Old Ottoman Empire power, lands and boundaries.

Turkey currently has half a million men in its army it is considered one of the largest armies next to the USA in the region. With Erdogan growing in political and religious power over Islam he has become a major influence and force to be reckoned with even within the United Nations he threatened the European refugee crisis to explode if the UN didn’t abide with Turkey’s wishes.

TURKISH PRESS – Turkey’s rise will not be hampered by those who commit treason or their international supporters and our 2023 goals will be reached, President Recep Tayyip Erdogan said in his New Year message on Wednesday. “Sometimes the treasonous among us or our external foes would express their resentment out of our building a new, big Turkey which is a leader in its region and the world,” he said in an online statement from the official website of the Turkish presidency. “We will not pay attention to those who commit treason nor bow to the dark circles that control them.”..... “Just as we marched fearlessly and determinedly throughout our history, we will head to the future as a powerful, honorable and influential country, an arbiter,” he added.

Erdogan’s plans are to reinvent the Ottoman Empire. He’s blasted the Sykes-Picot Agreement which “divided the Arab provinces of the Ottoman Empire outside the Arabian peninsula into areas of future British and French control or influence.” It basically broke up the Ottoman Empire and created new borders for individual countries. Erdogan despises that agreement and seeks to remove many of these borders as he seeks to create the Ottoman Empire 2.0. Here’s a map of what it’s potentially going to look like. I over layed the current world map underneath so you could see what they plan to gobble up:

With increasing power and influence as mentioned Erdogan recently built himself a presidential palace of ruler ship in Turkey worth over \$600 million. This palace has 1000 guest rooms covering over 200’000 square feet. This palace seems to be a statement from Erdogan of seeing himself as a self-appointed “Sultan” a king of Islam the caliph. President Erdogan welcomed guests to the opening ceremony; with several Old Ottoman Empire dressed guards he marked the foundation of this palace as modern Turkey from 1923, out of the ruins of the Ottoman Empire. Supporters say the palace is a symbol of what the president touts as his drive towards a new Turkey.

As mentioned Erdoğan and the “great signs” of Rev 13:13-14 (*False prophet*) in Dec 2015 Erdoğan made a bold move by shooting down a Russian (*King of South*) fighter jet believed to be an initial attempt to start WW3. John the revelator 2000 years ago was seeing modern technology. In Revelations 13:13-14 it says the false prophet calls **fire down from heaven** in the sight of men.. The Russian jet on fire was seen by the whole world billions saw it on TV fire came down from above just as John described. Erdoğan also operates US drones from bases within Turkey killing certain targets concentrating on Kurdish groups within Turkish borders; this is also fire being called down upon people in the form of drone missiles. Turkey has US bases within its borders even ten miles towards Aleppo across its border. With bases such as the NATO air base in Incirlik whom was surrounded by 7000 Turkish police two weeks after the failed coup against Erdoğan in July 2016. Link:

Erdogan has also supposedly healed people from physical sickness, such as this woman in March 2014.

Article:

Earlier this week, the mustachioed prime minister was speaking to a large audience on a hot day in Istanbul when a woman fainted. Someone put her on a stretcher, and the crowd carried her to the front of the stage where Erdoğan was standing. The prime minister quickly knelt down and touched her with his magic wizard hands, and the woman almost instantly lifted her head and

exclaimed: “God bless you.” The crowd loved it, and a video of the miraculous moment has since gone viral in Turkey.

Other things reported that Erdogan has done bringing him notoriety with the Turkish and Islamic world include suicide intervention. At the end of December 2015 Erdogan’s motorcade was passing over Istanbul’s Bosphorus Bridge linking Europe with Asia. When it stopped to assist a man who was trying to commit suicide the Turkish police had already tried for two hours to stop the man suffering from depression. Erdogan spoke to this man and live footage shows Erdogan’s body guards escorting this man down to Erdogan’s car where he was further spoken to then the man kissed Erdogan’s hand. The Dogan news agency in Turkey reported this event in the news.

See link: <http://www.dawn.com/news/1228750/> .

Another reported event that happened was a bird landing on Erdogan’s head after he released birds at a mosque celebration in Turkey. This symbolized in Islamic ideals that Erdogan is a chosen vessel of Allah. See Article:

In August 2015:

Turkish President Erdogan participated in an opening ceremony of a mosque, during which he customarily freed caged birds. Then, two of the newly-freed birds tried to return and land on Erdoğan's head. He seemed a little amused by the incident at first, but his security guards were quick to try and protect him.

Article:

President Recep Tayyip Erdoğan on Friday inaugurated a mosque built atop a 1,200-meter mountain in his parents' Black Sea hometown when birds landed on his head. Seeing birds flying or circling over one's head is seen by Muslims to indicate the attainment of an administrative post and ruling a great dominion, Islam the World's Greatest Religion explains: Seeing birds flying or circling over one's head in a dream may indicate the attainment of an administrative post. [Sharh as Sunnah vol 12 p 221] Based on: Verses referring to Prophet David (Daoud) "The birds assembled, and all (with David) turned to (Allah in praise and repentance) and I strengthened his dominion" [Surah Saad (38_: 19-20]

In other words, Erdogan with this incident is seen by Muslims as a man ordained with a great position in which he (like King David) will gain great dominion. The incident happened when Erdogan inaugurated a new mosque built on top of Kible Mountain, the name of the mountain referring to the term "Qibla," the direction of the Kaaba in Mecca that should be faced when a Muslim prays, in the Güneysu district of the Black Sea province of Rize.

Erdogan and Obama have been political and religious partners they made decisions in the Middle East with each other, they stood with each other as Muslim Brotherhood members with the same Islamic beliefs about the western nations. It was in 2011 that the Arab spring uprising took place within three nations Egypt, Yemen (*Ethiopian*) and Libya Dan 11:43 **“He shall have power over the treasures of gold and silver, and over all the precious things of Egypt; also, the Libyans and Ethiopians shall follow at his heels”**, all interfered with by the Obama administration (3

horns ripped up Dan 7:8). In 2011 Feb 1st President Obama informed Hosni Mubarak he had to step down immediately, by Feb 11th 2011 Hosni Mubarak resigned President Obama then declared to the world that “**history had been made**”. President Obama phoned the then Turkish president Erdogan 3 times to discuss Hosni Mubarak’s replacement the entire process was a sham. President Obama’s Islamic dictator Muslim brotherhood **Mohamed Morsi** (*President of Egypt, from 30 June 2012 to 3 July 2013*) was quickly raised up under agreement between the USA and Turkey. Morsi then immediately amended the Egyptian constitution to give himself dictatorial powers he then went on a rampage killing his enemies persecuting and crucifying Christians.

President Obama sent Morsi 1.3 billion dollars in support with billions more promised to be given to the Muslim brotherhood. The Egyptian people quickly got tired of **Mohamed Morsi** and threw him out of power one year later the army took over. This caused issues against Egypt with both Obama and Erdogan of Turkey cutting financial and political support to the nation. Erdogan and Obama have used the same election logos representing the rising sun of Islam over the west from an Islamic prophesy and vision see below.

In the prophetic commentary of the Muslim Quran “Bukar1 vol. 6 book 60 #159 it states “ Allah’s Apostle said, **The hour will not be established until the sun rises from the West:** and when the people see it, then whoever will be living on the surface of the Earth will have faith (*Meaning Muslim faith*). Again in the Qur’an in their revelations chapter 27:82 it states an appearing of the caliphate beast (*Islamic Amir/Emir false prophet beast, the head of the Islamic caliphate “Erdogan”*) with the rising of the sun (*Obama & Erdogan Islamic Logos*). The rising sun is an Islamic symbol of prophecy used by both Obama the 1st Rev 13:1-10 “man of sin antichrist beast” (*the Al-Mahdi according to Shiite Muslims*) as a political leader. It was then used by Erdogan the 2nd Rev 13:11-18 “False prophet” beast both a religious and political leader.

I don’t stand on Islamic prophecy at all due to no truth in it, yet in places it seems to come from scriptural truth from the Old Testament a twisted version of it. According to an Islamic prophecy in the Quran 27:82 it says “**We shall bring forth a beast of the Earth (from the east) to speak unto them, because mankind had not faith in our revelations**”. This seems to line up with the Rev 13:11-18, false prophet beast coming forth from the Earth “Erdogan” (*Muslim Brotherhood*)

of Turkey. Obama’s (*Muslim Brotherhood*) “Yes we can” 2008 campaign symbol was the eastern sun rising over the ultimate symbol of the west the USA, Obama again used a similar symbol in 2012. Obama was also involved in Freemasonry he stands for homosexuality, abortion, same sex marriage, cross gender toilets in public schools, he has Islamic prayers in the White house daily, he’s anti-Christian, he is pro Islam and anti-Israel. Obama’s 2008 election logo and Erdogan of Turkey’s logo from 2014 are virtually the same. Both men are Muslim Brotherhood seemingly using the Islamic prophecy of a rising sun (*idolatry an abomination of sun worship by Islam Ez 8:15-16*) many Muslims would know what this means from the prophecy in the Qur’an 27:82.

During Obama’s 8 years (2009 – 2017) rule in the USA the false prophet Erdogan rises. Interestingly the national emblem and flag for Turkey since the Ottoman Empire defeat in WW1 from 1914-1918 (*1st Trumpet of Revelations*) has been the crescent moon and star on a red background. The first re- design of Turkey’s national emblem was in a competition run by the Turkish Ministry of Education in 1925 but the winning design was never implemented. Erdogan won Presidency in 2016, 7 years after Obama won his presidency.

“THE BOOK OF REVELATION UNSEALED”

A stirring over the Turkish national emblem started in 2014 when 30 plus AKK party members signed a bill to instigate a new image for Turkey to become its national emblem. According to reports in Dec 2015 President Erdogan of Turkey ordered a re- design of the old Ottoman Empire coat of arms of the beasts 1st wounded head to become Turkey’s new national emblem. A new re designed national emblem is yet to be followed through on to be seen or introduced into the Turkish government and mainstream populace.

In Rev 13:14 the False prophet commands an image to be made (*150 feet high statue was unveiled by Erdogan on June 15th 2017*) of the first wounded head of the beast (*Islamic Ottoman Empire of WW1, 1st Trumpet blast*). This has happened just as the Bible declared with Erdogan’s 2016 Statue being unveiled a monument to the Ottoman Empire that he called allegiance to by the people.

Ottoman Coat of arms Current Turkish flag for last 91 years

Erdogan in 2014 vowed to impose Old Ottoman Arabic language lessons into high schools all through Turkey saying when they abolished it after the Ottoman defeat of 1922 (*WW1 1st Trumpet*) it cut Turkey’s jugular. The formal abolition of the Ottoman Sultanate was performed by Grand National Assembly of Turkey on 1 November 1922. The Old Ottoman Empire was then broken up into five new nations by 1932 the nations of Iraq, Palestine, Lebanon, Syria and Transjordan. Erdogan in February 2016 ordered the old Ottoman Empire language, (*causes the image to speak*) to be re-instated as Turkey’s national language (*Old Ottoman Empire Arabic*).

Erdogan also created a new Turkish Ottoman inspired national anthem in 2015 with his name in it, to be sung by the Turkish military and people at assemblies and Turkish gatherings praising him in Turkey as “Our leader”.

I believe President Obama along with Erdogan have been working together secretly since 2009 (*Isis terrorists Middle East war*) to advance Islam in supporting Isis to restore and resurrect the Ottoman Empire caliphate a false flag war. This is tied into a Sunni Muslim Brotherhood dream of world domination with chaos to usher in the Sunni Islamic Grand Mahdi the Muslim Messiah.

It is well known within the supporters of Erdogan that he sees himself as more than just President of Turkey they are elevating him to God like status. Erdogan himself has stated in speeches in Dec 2015 how he sees Hitler’s Germany as an example of a presidential system for Turkey leaning towards a dictatorship. It has been stated by old class mates of Erdogan that he used to “walk around with a copy (*book*) of Adolf Hitler’s ‘Mein Kampf’” a dangerous ideology of ethnic genocide cleansing.

“THE BOOK OF REVELATION UNSEALED”

Erdogan even looks like Hitler

Erdogan himself wants to re- instate the Ottoman Empire ruler ship under Islamic Muslim Sharia Law and destroy democracy within Turkey. Turkey has enjoyed nearly 140 years of constitutional rights since the inception of the Ottoman Constitution of 1876, this is all changing under Erdogan.

See: <http://shoebat.com/2016/01/01/90248/>

The failed coup against Erdogan in mid July 2016 was an attempt by over 1800 soldiers killing over 240 people. This was destined to fail with Erdogan being the false prophet yet to fulfill his role and course in history according to Revelation 13:11-18. Erdogan will only be taken out at the battle of “Armageddon” by the Lord Jesus Himself along with Obama the “Man of sin” beast. This military Coup has since given Erdogan unprecedented powers and popularity within Turkey to dissolve democracy in Turkey. Two weeks after the 2016 cue Erdogan ordered 7,000 armed police with heavy vehicles to surround and block the Incirlik air base in Adana used by NATO forces.

This was done as 5000 thousand Turkish protestors came against the US base. Up to 60-70 thousand plus people were detained in Turkey from the failed coup with hundreds of judges being removed from office in Turkish courts and 50 thousand civilian passports canceled with suspected links to the mid July 2016 coup. *(As said one year later on July 15th 2017 Erdogan unveiled the image of the beast head “wounded with the sword” of Rev 13:14 an “Ottoman Empire statue” of the seven districts of Turkey positioned outside the gates of his \$600 million Ottoman styled palace. This was to commemorate the 2016 cue against him, he then calls all to give allegiance to this statue saying he will be-head his enemies Rev 13:15: see pages 4-6 of Chapter 33).*

Obamas administration rubbing shoulders with Isis leaders as was Erdogan

Erdogan supported Isis and its desire for the caliphate as did Obama both let it work for themselves. Isis was influenced by the Muslim Brotherhood leaders of Isis were ex Muslim brotherhood. Hamas in Palestine was also formed out of the Muslim Brotherhood in 1987 whom Erdogan supports. Erdogan is himself associated to the Muslim Brotherhood he supports them in Turkey. Erdogan sees himself as the head caliph the religious leader of Islam based upon Turkey being the original Ottoman Empire power base.

It's been reported that Isis sex slave trading occurred within Turkish borders moving into other Islamic countries as well. Erdogan is the 12th President of Turkey since it became a country with its own borders following WW1. Turkey was established as its own nation in transition from the defeat of the Ottoman Empire by the British (*1st Trumpet blast 1914-1918*). Erdogan was born on 26th February 1954 in Istanbul Turkey, he is a Sunni Muslim tied to the Muslim Brotherhood he has been involved in politics in Turkey for many years. He was married in 1978 to Emine Gulbaran and has four children.

Erdogan was the Mayor of Istanbul from March 27th 1994 – 6th November 1998. He was then leader of the Justice and Development Party from 14th August 2001- 27th August 2014, he was also

Chapter 41

Prime minister of Turkey from the 14th March 2003 until 28th August 2014 when he then became president of Turkey.

Erdogan has had close ties with the US under Obama’s presidency from 2009. Erdogan had partnered and worked with president Obama over the Middle East from the Arab Spring uprising of 2011 to issues in Syria, Egypt, Tunisia and Libya. Emails by Hillary Clinton as reported by US media (*Fox news*) have come to light verifying a US/Turkey led partnership in the region under President Obama’s administration from 2009 - 2017.

The USA supplies and operates several predator drones based in Turkey in conjunction with the Turkish military against the Kurdish PPK resistance within Turkey and the local region. In December of 2015 according to reports Erdogan under his new presidential power was declared the head of the Muslim world this puts him in position of being the Caliph (*False Prophet*). Erdogan according to Turkish rule is now to remain in power until 2029. The acceleration of Erdogan’s influence and power within Islam has been unprecedented in a very short period of time.

In April 2016 the Islamic Corporation presidency of the OIC was handed over from Egypt to Turkey placing Erdogan as head and the prominent voice representing the OIC to the world and the UN. Islam is a quarter of the world’s population (*7.6 billion 2017*) with Muslim nations making up one third of the UN. Erdogan after this appointment speaks about the 5 countries that make up the UN Security Council saying it should be re-structured to represent the true geographic and religious distribution of the world’s population.

A clear intent and agenda of Erdogan’s heart is to change things for Islamic ruler ship. Erdogan strongly influences ‘The Arab League’ which formed on 22nd March 1945 with 6 members designed to promote the interests of the Arab nations (*Currently has 22 members in 2017*) this league is tied heavily into the OIC and the UN. This situation of Erdogan’s rise to power, will eventually lead us into the “Psalm 83:1-8, Rev 16:12-17 , Ezekiel 38 & 39 war to come”.

Erdogan at the United Nations assembly

In April 2017 Erdogan under a Turkish national referendum won greater powers and authority in Turkey to rule the nation. This national referendum also gave Erdogan new presidential powers to remain as president for two 5-year terms with a potential 3rd term on a called early election, giving him the next 15 years of his life as the new dictator of Turkey. Erdogan as a Sunni Muslim continues to be on the rise in power following on from President Obama also a Sunni Muslim (2009-2017) the antichrist “man of sin”.

Erdogan’s rise in power as the “False prophet” is just as scripture states and flows in Rev 13:11-12 after the beast is seen for 8 years on the world stage. Erdogan wants the Caliph (*king of Islam*) position over Islam (1.5-7 billion) the Sultan type powers of the Old Ottoman Empire. Erdogan has determination to re-instigate and enforce “Sharia law” under his dominions (666 the mark of the beast Rev 13:1-18).

2018 News Article: New Term, Sweeping New Powers For Erdogan As He Takes Oath Of Office

Recep Tayyip Erdogan dominated Turkish politics for more than 15 years. Updated July 09, 2018

Turkish President Recep Tayyip Erdogan has been sworn in to a new term, assuming sweeping new powers condemned by opponents as a recipe for one-man rule and promising a "new era" for the country of 80 million people. Erdogan, who has dominated Turkish politics for more than 15 years as prime minister and then president, took the oath of office on July 9.

"I swear upon my honor and integrity, before the great Turkish nation and history, to work with all my power to protect and exalt the glory and honor of the Republic of Turkey," Erdogan told parliament.

Erdogan named a revamped cabinet that included his son-in-law, Berat Albayrak, 40, to the key post of finance minister. General Hulusi Akar, the army chief of staff, became defense minister, while Mevlut Cavusoglu remained as foreign minister. Erdogan, 64, was reelected on June 24 with 52.5 percent of the vote in an election that international monitors said lacked "equal" conditions.

The vote followed a controversial 2017 referendum that transformed the government from a parliamentary system to a presidential one. The changes will give Erdogan vast new powers, including over the judiciary, and the ability to rule by decree.

His closest contender in the election Muharrem Ince, said after the vote that Turkey had "switched literally to a one-man regime." With his swearing-in, Erdogan became both head of state and

government, with the prime minister's post abolished and the parliament stripped of much of its power.

"Turkey is embarking on a new era with the presidential oath ceremony," Erdogan said on July 8. Erdogan's term is for five years, and there is a two-term limit on the office of the president for now, so he could stay in power until 2028.

2018 News Article:

Turkey transfers some powers to President Erdogan

4.7.2018

Turkey has made changes to 74 articles in its constitution, giving President Recep Tayyip Erdogan sweeping new powers. The amendments mean the president is now the head of state and head of government. Turkey on Wednesday issued a decree that transfers some powers to the president, as the country moves to an executive presidential system following President Tayyip Erdogan's win in last month's presidential and parliamentary elections. The decree, issued in the

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

government's official gazette, makes changes to laws dating from 1924 to 2017, removes references to the prime minister — whose office has been abolished — and replaces them with "president."

The changes mean the president can:

- form and regulate ministries and remove civil servants without parliamentary approval
- appoint four members of the Board of Judges and Prosecutors (HSK), the parliament can appoint seven
- draft the budget and decide on security policies
- declare a state of emergency for up to six months (such as the one that has been in effect for roughly two years) without cabinet approval
- dissolve parliament, but this would trigger early presidential elections

When the changes will come into effect: The changes in the latest decree will take effect when Erdogan takes the oath of office, which is expected to happen in parliament on July 8 or 9.

The new presidential system: In a constitutional referendum in April 2017, a slim majority of Turkish voters approved the presidential system. The constitutional change allowed the winner of the 2018 presidential election to assume full control of the government.

Term limits: The president is limited to two five-year presidential terms, but if the parliament calls early elections during the second term the president may run for a third term.

Erdogan's rise to power: Erdogan served as prime minister of Turkey, formerly the country's most powerful post, from 2003 until 2014. Plans to alter the system to place Turkey's meaningful political power in his new role were already in motion before his job swap in 2014; before the April 2017 referendum, the presidential role was largely ceremonial. Erdogan was reelected president in snap presidential elections in June 2018, having called them more than a year ahead of schedule.

That was the final hurdle to implementing his desired reforms, opposition candidates had pledged to repeal some or all of them if they had won. On Wednesday, Turkey's state election commission announced its final vote tally, in which President Erdogan won 52.59 percent of the vote, followed by opposition candidate Muharrem Ince of the CHP party with 30.64 percent and jailed pro-Kurdish candidate Selahattin Demirtas with 8.4 percent.

Several articles have been researched and written on the persecution by Turkish government officials against Turkish Christians under Erdogan things have become very hard. There have been governmental take overs of Christian owned land and churches in various areas of Turkey through forced confiscation prohibiting Christians from worshipping. See article below:

The Government Of Turkey Is Now Confiscating Christian Property And Prohibiting Christians From Worshipping In Their Churches

February 26, 2018

The government of Turkey is now confiscating Christian property and prohibiting Christians worshipping in their churches, which have also been confiscated. This is happening in certain areas of Turkey, but soon it will be widespread. Here is the report: The severe persecution and widespread “hatred” that Christians and other minorities experience in Turkey has been detailed in a report by a U.S.-based nonprofit international policy council and think tank. The Gatestone Institute wrote in a report released Monday that Christians are persecuted by government officials and are severely abused by the public on social media. It listed a number of articles, such as one from August 2017 in the Armenian-Turkish weekly Agos, which reported that “Armenian, Syriac and Chaldean Christians have not been able to worship in their churches for the last three years.”

“This is because virtually the entire town — and all Christian properties belonging to the indigenous Armenian, Assyrian (Syriac), Chaldean and Protestant communities — was included in an expropriation plan adopted in March 2016 by the Turkish cabinet,” it pointed out. “Among the Christian properties expropriated are the Armenian Catholic, the Chaldean Mor Petyun and the Armenian Surp Giragos churches.” What is more, even Muslims who have refused to shun Christians or Kurds have been targeted, the think tank said. “For instance, a 76-year-old Muslim grandmother in Diyarbakır who is active in a Kurdish political movement has been harassed by

Turkish police for being a ‘hidden Armenian,’ simply because she reads the Bible as well as the Quran,” Gatestone reported. Christian pastors have been imprisoned, such as the case of American Pastor Andrew Brunson, who was arrested last October.

Watchdog groups, such as the American Center for Law and Justice, have accused the government of President Recep Tayyip Erdogan of keeping him in prison without any cause. Turkish officials finally announced the charges against Brunson at the end of August, however, accusing him of “gathering state secrets for espionage, attempting to overthrow the Turkish parliament and government, and to change the constitutional order.” The Gatestone report noted that Yazidis, Alevis and women in the region have also been abused by Turkish authorities, while dozens of Kurdish journalist have been imprisoned.

“This hatred of Christians and Kurds in Turkey is not restricted to government officials. It is widespread among the public, as well, and expressed extensively on social media,” Gatestone explained. It pointed to Twitter abuse, where Armenians and grandchildren of survivors of the 1914 Armenian Christian genocide are called “infidels,” “vile and treacherous,” with some saying that all Armenians “must die.”

“The situation of minorities in Turkey and their persecution by Turkey — a member of NATO and perpetual candidate for EU membership — must be told as often and as loudly as possible,” the report urged in conclusion. Amnesty International has slammed Erdogan’s government as well, accusing the president of having a “human rights meltdown” after the arrest of the group’s Turkey director Idil Eser. “This is not a legitimate prosecution,” Salil Shetty, Amnesty’s secretary general, said in a statement in July following the arrest. “This is a politically motivated persecution that charts a frightening future for rights in Turkey.”

Turkey Erdogan uses Leftovers of the Sword anti-Christian (antichrist) hate speech

May 11, 2020

Turkish President Recep Tayyip Erdoğan's public use of the insult "the leftovers of the sword" in referring to survivors of the massacres of Christians in his country is alarming on many levels. The phrase not only insults the victims and the survivors of the massacres but also endangers the safety of Turkey's dwindling Christian community, who are often exposed to pressures that include physical attacks. (Photo by Chris McGrath/Getty Images)

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

- *"Leftover of the sword" (kılıç artığı in Turkish) is a commonly used insult in Turkey that often refers to the survivors of the Christian massacres that mainly targeted Armenians, Greeks and Assyrians in the Ottoman Empire and its successor, Turkey.*
- *The use of "leftovers of the sword," therefore, does not represent a denial of massacres or genocides. On the contrary, it declares the pride of the perpetrators. It means: "Yes, we slaughtered Christians and other non-Muslims because they deserved it!"*

During a coronavirus briefing on May 4, Turkey's President Recep Tayyip Erdoğan used a most derogatory phrase "the leftovers of the sword".

"We do not allow terrorist leftovers of the sword in our country," he said, "to attempt to carry out [terrorist] activities. Their number has decreased a lot but they still exist."

President Trump declares Jerusalem Capital of Israel, Erdoğan's response.

Dec 6th 2016 after President Trump declares Jerusalem as Israel's capital 70 years after Israel's 1948 founding, the US begins moving US embassy to Jerusalem, an acceleration of times has begun. The UN on Dec 21st 2017 in response holds an emergency meeting and votes 128 nations against the USA, 9 in favor of USA and the abstention of 35 nations. In retaliation the US cuts nearly half a billion dollars in funding support to both the UN and Palestine. The Arab league then holds an emergency meeting with 22 Arab state nations with Turkey included against Israel and the US. President Erdogan reacts by bringing a meeting together of the "OIC" of 57 state Muslim nations' leaders giving extra fuel to strengthen the "Arab league" and Islam's cause against Israel and the USA. The Arab/Muslim nations generally consistently vote against the US recognizing Jerusalem as Israel's capital city, 57 Islamic nations now they make up one third of the UN.

Then Iran Israel's arch enemy a known supporter of terrorism and Hamas in Palestine holds its own Iranian parliament meeting declaring Jerusalem as Palestine's capital city opposing the US. Interestingly it was the six day war with Israel in 1967 that led to the Arab nations defeat, this defeat caused Arab leaders of Muslim nations in Rabat to establish the OIC on 25th September 1969.

Another interesting development lining up with current events was a testimony from a young Jewish boy from Israel "Natan" whom had died in Sept 2015 having a near death experience. Natan went to heaven after being dead for several minutes he then came back to life, while dead he came before God, God then told Natan that Obama was Gog of Magog (*antichrist "man of sin" of Rev*

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

13:1-10) that WW3 was manifesting with an eventual war against Israel (*Ez 38 & 39*). Natan was told that an event (*Oct 7th 2023 Hamas Gaza massacre ?*) would escalate an international conflict a war of nations, could this (*Jerusalem being recognized as Israel's capital legitimizing Israel as an international sovereign nation and 2334 resolution ?*) be the beginnings of that event?

See U Tube video “Near-death experience of 15 Years old that saw Heaven, Hell and the End of times prophecies” : https://youtu.be/ZvXjifLX_24

There is a clear separation of nations in the Arab League manifesting against Israel just as has been done before as Psalm 83:1-8 states in a prophetic song.

Psa 83:1 -8 Do not keep silent, O God! Do not hold Your peace, And do not be still, O God! For behold, Your enemies make a tumult; And those who hate You have lifted up their head. They have taken crafty counsel against Your people, And consulted together against Your sheltered ones. They have said, "Come, and let us cut them off from being a nation, That the name of Israel may be remembered no more." For they have consulted together with one consent; They form a confederacy against You: The tents of Edom and the Ishmaelites; Moab and the Hagrites; Gebal, Ammon, and Amalek; Philistia with the inhabitants of Tyre; Assyria also has joined with them; They have helped the children of Lot. Selah (NKJV)

The Dec 2016, UN “2334” resolution went through the UN Security Council allowed by President Obama (*Muslim supporter*) by abstaining his veto powers to vote against it at the time. Then in Dec 2016 Muslim President Erdogan came against recognizing Jerusalem as Israel’s capital immediately, this comes as no surprise. Then on Oct 7th 2023 the worst Hamas invasion massacre of over 1400 innocent Israeli citizens from Gaza took place causing ongoing full scale war with Israel into 2025, along with Islamic worldwide antisemitism erupting against Israel. The agenda is becoming very clear, war is on the horizon for the Islamic nations as part of the UN against Jerusalem whom is truly becoming a burdensome stone Zach 12:3 **“And it shall happen in that day that I will make Jerusalem a very heavy stone for all peoples; all who would heave it away will surely be cut in pieces, though all nations of the earth are gathered against it ”.** (NKJV)

To heave away means to divide separate to cut up such as the two state agenda of the UN and Muslims. A prophecy as testified by Jonathan Cahn a biblical teacher in USA, was given to Israeli Prime Minister Benjamin Netanyahu a few years ago in his first term as Israel’s leader. The prophecy was “if he kept Israel together and not give up any land he would remain in power” he later on stuck to that word. The other part of that word was God would bring the anointing of the restoration of the “Tabernacle of David” Amos 9:11, in the days of Netanyahu **“the hour is**

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

coming and now is” (*The restoration of the tabernacle of David first began to happen when God poured out His Spirit onto the Earth to Israel then the Gentiles*); **John 4:23 But the hour is coming, and now is, when the true worshipers will worship the Father in spirit and truth; for the Father is seeking such to worship Him. (NKJV)**

This restoration of the tabernacle of David is to come in all its fullness in our generation it is a fresh spiritual worldwide awakening revival harvest of souls to come , this is the last worldwide end times revival the Rev 14:14-16 , Amos 9:3, Joel 3:13-16 a worldwide harvest of souls by the Joel 2 army. Surely we are in the end times of the biblical narrative (*a spoken or written account of connected events*) with historical fulfillments unfolding right before our eyes.

Act 15:16 -17 'AFTER THIS I WILL RETURN AND WILL REBUILD THE TABERNACLE OF DAVID, WHICH HAS FALLEN DOWN; I WILL REBUILD ITS RUINS, AND I WILL SET IT UP; SO THAT THE REST OF MANKIND MAY SEEK THE LORD, EVEN ALL THE GENTILES WHO ARE CALLED BY MY NAME, SAYS THE LORD WHO DOES ALL THESE THINGS.' (NKJV)

"I have determined that it is time to officially recognize Jerusalem as the capital of Israel,"

In a momentous shift in United States policy in the Middle East, President Donald Trump officially recognized Jerusalem as the capital of Israel on Wednesday and initiated the process of relocating the U.S. Embassy to the city from Tel Aviv. "My announcement today marks the beginning of a new approach to conflict between Israel and the Palestinians," Trump said from the White House, where he was joined by Vice President Mike Pence. Trump described it as a "long overdue step to advance the peace process."

The United Nations General Assembly has voted 128-9 to reject Donald Trump's recognition of Jerusalem as the capital of Israel, despite threats from the President to withdraw aid.

The UN General Assembly has voted 128 to 9 in favor of a non-binding resolution rejecting the US decision to recognize Jerusalem as Israel's capital. That is despite the US President threatening to cut billions of dollars in aid to countries that dared to defy him. The UK was among those countries to vote against Trump, putting further pressure on the 'special relationship' after the pair got into a war of words when Trump re tweeted several Britain First videos earlier this month.

May and Trump did speak on the phone about the Jerusalem issue on Wednesday after Britain opposed America in a similar vote at the Security Council. Downing Street acknowledged after the call that the leaders had taken 'different positions'.

See: <http://www.dailymail.co.uk/news/article-5202459/Erdogans-warning-vote-Jerusalem.html>

The vote in the UN Security Council (13 to 1, the US used its veto) and in the General Assembly (128) against the US recognizing Jerusalem as Israel's capital are, make no mistake, votes against the US. These votes violate the remit of the UN, that is not supposed to interfere in the internal affairs of a member country. In effect it violates the sovereignty of the US Government to make its own independent decisions based on its own interests.

Turkey's involvement in the Syrian civil war began diplomatically and later escalated militarily. Initially, Turkey condemned the Syrian government at the outbreak of civil unrest in Syria during the spring of 2011; the Turkish government's involvement gradually evolved into military assistance for the Free Syrian Army in July 2011, border clashes in 2012, and direct military interventions in 2016–17, in 2018, in 2019, 2020, and in 2022. Dec 8th 2024:

Erdogan backed “Muslim Brotherhood” rebels have finally defeated Assad of Syria clearing the way through Syria for Turkey to have huge sway there. This is a victory for Erdagon whom has

wanted Syria as part of reforming an age old Ottoman Empire Caliphate (*healing of head wound of Dragon beast Rev 13:1-2 from WW1*). Syria borders Israel near the West bank and Golan heights a prime region for attacking Israel with Muslim armies in the days ahead. Assad fled to Russia with his wife and family for protection. Syria is now in the hands of Turkish backed Syrian rebels a coveted victory for Turkey. The Kings of the east (*6th Bowl*) will prepare their armies to fight against Israel towards the end of Gods worldwide harvest of souls Trev 14:14-16.

On 8 December 2024, the Assad regime collapsed during a major offensive by opposition forces. The offensive was spearheaded by Tahrir al-Sham and supported mainly by the Turkish-backed Syrian National Army as part of the ongoing Syrian civil war that began in 2011. The capture of Damascus marked the end of the Assad family's rule, which had governed Syria as a hereditary sectarian totalitarian regime since Hafez al-Assad assumed power in 1971 following the Corrective Movement.

As the rebel coalition known as the Southern Operations Room advanced towards Damascus, reports emerged that Bashar al-Assad fled the capital aboard a plane to Russia, where he joined his family, already in exile, and was granted asylum.^[4] Following Assad's departure, opposition forces declared victory on state television. Concurrently, the Russian Ministry of Foreign Affairs confirmed Assad's resignation and his departure from Syria.,

(Note- Erdogan's resistance backed rebels that defeated Assad were Muslim Brotherhood members (Sunni Muslims) that have now taken power in Syria, as an extremist Islamic government. Ahmed Al – Sharaa is the new leader of Syria he is a radical Muslim, by March 2025 Christians and Alawites (Shia Muslims) who were protected by Assad began being systematically massacred by the new Muslim Brotherhood terrorist Syrian government, backed by Erdogan of Turkey.

Erdogan has also infiltrated Iraq with his forces over the last few years. Many in the region now say certain cities in Iraq have become Turkish. Erdogan the new King of Islam (1.9-2.3 billion people) is re-establishing the Old Ottoman Empire Caliphate boundaries. The recovery of the Islamic head wound “The beast of the East” of the first Trumpet “WW1” is well under way as mentioned in Revelations Unsealed chapters. Erdogan the King of Islam wants to re-conquer the lands they once had as the Ottoman Empire pre-WW1 including the destruction of Israel, this is part of their Islamic beliefs.

As described in the 6th Trumpet and 6th bowl a 200 million strong army on horses with Islamic colors red, blue and yellow go into battle killing a third of men in the region. This happens along the Euphrates River when the river dries up (began in 2009) where the “Kings of the east” come against Israel in Armageddon Rev 16:16. In 2013 for the first time in history the four nations that surrounded the Euphrates River region Turkey, Iraq, Syria and Iran (four demonic angels released) consisted of 204 million population under Jihad Islam becomes one army the 200 million invaders of “The beast of the east”).

Recently Douglas Macgregor (*retired colonel in the United States Army, former government official, author, consultant, and political commentator*) speaking in an interview. Stated about Israel and Syria that Turkey (Erdogan) through the defeat of Assad, has a clear path through Syria to invade Israel if they choose to. At a recent meeting in Turkey the crowd were chanting to Erdogan “**Take us to Jerusalem**” meaning war with Israel. Erdogan replied “**calm down patients will deliver victory**” they are planning an invasion when the time is right.

Interview:

The Department of Defense have almost a trillion-dollar defense budget and these warmongers (*Deep State Democrats*) as you call them are talking about adding \$200 billion dollars more this year (2025) that's ridiculous. Does that mean the UDSA is prepared to go to war with Iran? absolutely not I see no evidence for that. I don't think they want to go to war at all I think they'd like to be able to do what they've done in Syria (*dismantle the power structure*) and that's another issue.

You have the Muslim Brotherhood which is dominating more and more in much of the Arab world, that reports to Mr. Erdogan, he's the leader of the Muslim Brotherhood. That's particularly threatening to the Egyptians and threatening to the Jordanians.

So, they have felt Assad's fall (*Dec 2024*) very acutely, Assad despite whatever he's accused of and he's constantly demonized, because that's what we do when we decide we don't like someone. **Assad actually maintained minority rights protected Christians, Jews, Shiites, Armenians and others.** Assad is now gone and horrific things are happening behind the scenes in Syria (*2024-2025 massacres of Christians, Alawites, Jews*). Although Putin has intervened with Chechin allies to try and moderate that to persuade Galani and his friends to behave differently. **Then as you see the Israelis were anxious to benefit from the Spoils of Syria so they've**

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

moved into Syria despite Mr Erdogan’s insistence that they get out. Syria must remain and retain some Integrity even though historically Syria is a region not really a nation (*Now Ottoman Empire recovery region*).

So, that's a problem **the Israelis are now beginning to come to terms with the reality that the border to the north beyond the Golan heights is not a border, with Syria it's now a border with the Turks. That's very frightening because the Turks are the only ones in the region with the military power that would enable them to actually march into Israel.** Remember the Iranians don't have much of an army they have this revolutionary guard Corps but that's dissolved to what we would call low intensity conflict for defending and assisting Shiites wherever they are against their oppressors, who are usually Sunnis.

Iran's entirely reliant on its massive arsenal of missiles which is extremely dangerous, but they're not about to move into Israel where the Turks “yes” they could do that at some point. I think we have to view each of them separately to understand their interests. **The Turks are emerging from 100 plus years out of the International System they literally were under after World War I** (*WW1 1st Trumpet Ottoman Empire defeat*). **They have decided to fix their borders to defend them to turn inward and develop the country** (*back to Sharia law Muslim Brotherhood extremes*).

I think that's over (*Turkish democracy after WW1*) **I think you now have not just a leader at the top of the Turkish government but also generations of Turks who want Turkey to act and behave like a great power** (*Old Ottoman Empire*). **They see themselves especially those that are religious as the leaders of the Sunni Islamic World** (*over to billion Muslims*), **which of course they were for centuries, so this plays into things** (*re-establishing Old Ottoman Empire boundaries*). Turkey is developing economically Turkey has facilitated good relations with the Russians, despite the recent developments in Syria and as you see the Russians and the Turks have actually come to terms pretty quickly over what's happened in Syria.

If you talk to Turkish officers in Iraq over the last 20 years they would frequently point to towns in certain areas and they would say Kir Cook is a Turkish city and the American military commander would say, well that's an Iraqi Town. The Turk would shake his head and say you don't understand that is a Turkish city (*Ottoman Empire Islamic Caliphate zone*) **and the expansion into Syria was something that I think the Turks were always interested in, just as they are interested in Northern Iraq. Northern Iraq and Syria were part of the original Ottoman Empire, so I think you're dealing with that. The Turks have been very restrained they could have attacked militarily and bested any number of people instead they have moved very cautiously.**

Recently Erdogan was talking to an audience of young Turkish men and women as they began chanting “take us to Jerusalem, take us to Jerusalem” which gives you an idea of how the Turks feel about the Israelis right now Mr Erdogan said “please calm down” and then he said “patience will deliver Victory”. So, I think you're dealing with a power that is not in a

“THE BOOK OF REVELATION UNSEALED”

hurry, it sees itself as inevitably rising in the region as a dominant power (*Armageddon will come in the future against Israel with Erdogan the false prophet of Rev 13:11-18 leading the fight involving Islamic armies*).

Prior to Assads defeat Erdogan had no clear pathway to Israel by land or air now he has, this is a massive geo graphical and political shift in the Middle East. The defeat of Assad in Syria by Erdogan backed rebels opens a pathway from the Euphrates River to Israel through Syria (*Islamic*), Jordon (*Islamic*) and Palestine (*Islamic*) into Jerusalem Zech 14:2, Rev 11:1-3, Ez 38 & 39. According to prophecy the Euphrates River began drying up in 2009 it was dried up by Erdogan building 22 dams along it as a war weapon against Iraq and Syria. The 6th Bowl declares the Euphrates River dries up to prepare the way for the king of the east to attack Israel in the final war the battle of Armageddon Rev 16:16.

This is a 6th Bowl platform opening up for the future war of “Armageddon” Rev 16:16 against Israel by the false prophet (*Erdogan of Turkey*) and the beast (*Obama*) “Gog” of Magog (*lands of Middle East region*). A 42-month war to come with Islamic forces (*kings of the east*) EZ 38 & 39, Math 24:21, Zech 14:2, Rev 16:16, Rev 11:1-3. In the 6th bowl and 6th Trumpet the Euphrates River dries up (*This began 2009 the same year Obama came to power*) as conflicts break out along the Euphrates River (*210 -2011 Arab Spring, Iraq and Syrian Jihad wars*) to make way for the kings of the east to come against Isreal “Armageddon”.

Erdogan backed Muslim Brotherhood rebels began a fresh Christian genocide early 2025 in Syria that continues through 2025 murdering in cold blood tens of thousands of Syrian Christians.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

The Pathway to Israel for the False Prophet is now set as of Dec 2024 with the defeat of Assad

The stage is now set with the recent Oct 7th 2022 Gaza attack that damaged Israel (*Dan 11:30*) that character assassinated her name (*antisemitism protests worldwide by Islam*). This attack then turned into Israeli retaliation against Hamas this has been the “hooks going in to the jaws” (*Ez 38:4*) of the Islamic nations (*worldwide Islamic protests antisemitism*) to form a confederacy (*Psalms 83*) against Israel for a future revenge Jihad war. As said Erdogan has stated he wants war with Israel he supports Hamas, Iran supports Hamas along with Obama whom funded and weaponized Hamas along with Iran through hundreds of millions of dollars over the last 12 years (*also through Biden*). Erdogan is a king of the east he the Caliph king Sultan over the kings of the east (*Islam*). Erdogan now has his pathway in Syria straight into Israel for war all he needs now is the backing of Islamic nations and the manifest plan of attack at the right time. Israel’s borders are now fully exposed through Syria from the West Bank known as Palestine cutting into Jordan to Jerusalem to the Golan heights, Israel is completely surrounded by Islamic nations.

Erdogan hails Syrian leader's commitment to fighting terror during his visit to Turkey

13-year civil war. Erdogan hailed Sharaa for his "strong commitment" to fighting terror and said that Turkey was ready to provide the support needed...

"I would like to express our satisfaction for the strong commitment my brother Ahmed al-Sharaa has shown in the fight against terrorism," Erdogan said after the pair held talks. Ankara has had a years-long connection with Sharaa and was a key backer of the push by his Islamist-led rebels that ended up toppling Bashar al-Assad on December 8. Since then, Turkey has extended its full support for his new administration, offering operational and military help in fighting "terror groups" still active in Syria. It has repeatedly called for action to root out both Islamic State (IS) group militants as well as the Kurdish-led Syrian Democratic Forces (SDF).

In 2019 the UN created an anti “Islamophobia” hate speech law (*mark of beast law*) was headed up by Erdogan and Pakistan. The UN in Nov 2024 then named Netanyahu an international war criminal in the international court and wants him arrested. One third of the UN are Islamic nations (*57 state nations*) influencing these agendas. The UN is the dragon's beasts' seat of corrupt power over the nations pushing their New World Order using Islam the beast's army and communism to de stabilize democracies in the west to instigate chaos to Tyranny.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

The WHO is being used by the UN under Agenda 2030 to push experimental vaccines upon nations populations, to poison people to make them compromised and weak, to de-populate. The UN is using Islam and Communism to cause chaos and destruction across international borders, refugees fleeing Middle Eastern war zones in the millions whom are mainly Islamic immigrants, now flee into surrounding western nations from those war zones (*Global Immigration Compact 2015*). As a result of these corrupted foreign policies and intended plans, Islamic terrorism has increased in western nations such as France, Italy and across Europe at an accelerated rate.

Europe has been inundated by Muslims in the millions whom now have Sharia Court regions in cities and towns across Europe where police will not enter at their own danger. Hundreds of Churches have been turned into mosques across Europe and the UK as a decline in Christianity has occurred there almost outlawing church. The 2015 Immigration Compact has brought millions more Muslims into Europe in recent years, with Sharia law courts popping up all over Europe like a peaceful invasion, that will turn nasty when there are enough Muslims. In the United Kingdom Franklin Graham has been banned from attending meetings there recently.

In 2024 in the United Kingdom, they have banned the word “church” from being used in their vocabulary. Islamic prayer and worship have been held in the Government run Lancaster House near Buckingham Palace in 2024. Free speech has been removed in the UK they are now under the UN instigated anti Islamophobic “Hate speech law”. Islam is Satan’s end times beast army in the last days, it beheads the saints and carries the mark of the beast as a badge of servitude to the beast. Jerusalem will be invaded by the beast’s armies the “Kings of the east” Islam, in the 6th Trumpet 6th Bowl fulfillments.

In 2025 DOGE led by Elon Musk uncovered huge corruption and money laundering in the billions through US government funded organizations such as USAID. This money laundering has been going on for years under Bush senior Clinton Bush Junior and Obama. Billions in US funds has been funneled through to many Islamic terrorist groups and organizations around the world. Congress has become aware of this massive corruption game by the deep state democrats and elites USAID among other organizations have been shut down under Trumps second term.

Gog-Magog War of Ezekiel 38 and 39**

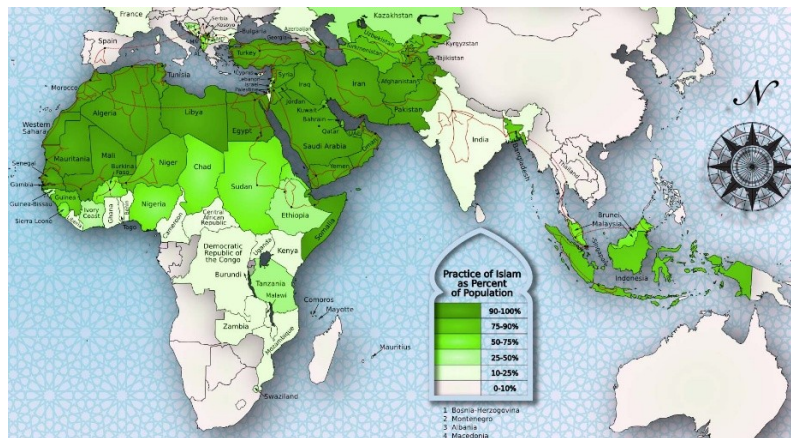

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

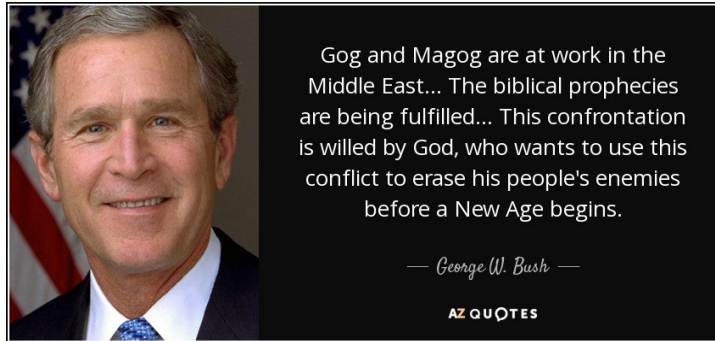

All of these maps show us what’s coming with the Ez 38 & 39 war in the days ahead for Israel. The platforms and connections in the Islamic world in the Middle East are all set for this coming war. The players of Rev 13 the beast and false prophet have been in operation since 2009 when the Euphrates River began drying up in the Middle East (*Erdogan caused it to dry up building 22 dams along its source as a war weapon against Syria and Iraq*). The UN has 57 Islamic state nations as members with huge influence in its decisions. Erdogan heads up the OIC (*Organization of Islamic corporation and Unity*) he also heads up the Arab league of nations.

Even George Bush Himself whom invaded Iraq in 2003 fulfilling the 5th Trumpet as a follow on from 9/11, has stated Gog and Magog are at work in the Middle East preparing for the final Armageddon war. You don’t have to go far to find the information and historical events unfolding to see the fulfillments of prophecy now being accelerated in the earth.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

George Bush Junior taking us into Iraq in 2003 the 5th Trumpet opened up a can of worms and destruction beyond belief. This stirred up the entire Islamic world against the west in a fresh way like slapping a sleeping giant to wake it up. Since the 2010-2011 Arab Spring uprising Obama along with Erdogan have worked together through their perspective administrations with foreign policies over several years since 2009 advancing and empowering Islams cause. **The prophesied 42-month war against the saints took place under Obamas influence and administration (6th Trump, 6th bowl) this war began June 2013** (When Lebanon sent 4000 Shiite Hezbollah troops into the Syrian conflict to fight Sunni Isis in Christian dominated areas so genocidal Christian killings began by the Isis Sunnis)

then to come to its prophetic time line end on the 42nd month of Jan 2017 (By Dec 2017 Iraqi armed forces began defeating and turning the tide on Isis in Iraq. At Trumps inauguration When he came into power, he overturned Obama's Isis war policies at the Pentagon that protected Isis. With Trump efforts Isis was eventually defeated in the region bringing relief to the small number of saints left after 2.3 million were either killed or became refugees in Iraq and Syria).

Both Erdogan and Obama through their antichrist foreign policies weaponized, funded and supported Isis releasing Islamic Jihadi genocidal killings of Christians in Iraq and Syria. Both of these world leaders are guilty of advancing and empowering Isis war crimes against multitudes of innocent people.

Personal life and education - Erdogan 2018 onwards Note: Wikipedia profile

Main article: Early life and career of Recep Tayyip Erdoğan

Erdoğan was born in the Kasımpaşa neighborhood of Istanbul to which his family had moved from Rize Province. Erdoğan allegedly said in 2003, "I'm a Georgian, my family is a Georgian family which migrated from Batumi to Rize." However, in a 2014 televised interview on the NTV news network, he said, "You wouldn't believe the things they have said about me. They have said I am Georgian...even with much uglier things, they have called me Armenian, but I am Turkish."

Erdoğan spent his early childhood in Rize, where his father was a member of the Turkish Coast Guard. The family returned to Istanbul when Erdoğan was 13 years old. As a teenager, he sold lemonade and sesame buns (simit) on the streets of the city's rougher districts to earn extra money.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

Brought up in an observant Muslim family, Erdoğan graduated from Kasımpaşa Piyale primary school in 1965, and İmam Hatip school, a religious vocational high school, in 1973. He received his high school diploma from Eyüp High School. He subsequently studied Business Administration at the Aksaray School of Economics and Commercial Sciences (now known as Marmara University's Faculty of Economics and Administrative Sciences). In his youth, Erdoğan played semi-professional football at a local club. Fenerbahçe wanted him to transfer to the club but his father prevented it. The stadium of the local football club in the district where he grew up, Kasımpaşa S.K. is named after him.

Erdoğan married Emine Gülbaran (born 1955, Siirt) on 4 July 1978. They have two sons; Ahmet Burak and Necmettin Bilal, and two daughters, Esra and Sümeyye. His father, Ahmet Erdoğan, died in 1988 and his 88-year-old mother, Tenzile Erdoğan, died in 2011. He is a member of the Community of İskenderpaşa, a Turkish sufistic community of Naqshbandi tariqah.

Early political career

While studying business administration and playing semi-professional football, Erdoğan engaged in politics by joining the National Turkish Student Union, an anti-communist action group. In 1974, he wrote, directed and played the lead role in the play Maskomya, which presented Freemasonry, Communism and Judaism as evil. In 1976, he became the head of the Beyoğlu youth branch of the Islamist National Salvation Party (MSP), and was later promoted to chair of the Istanbul youth branch of the party. After the 1980 military coup, Erdoğan followed most of Necmettin Erbakan's followers into the Islamist Welfare Party. He became the party's Beyoğlu district chair in 1984, and in 1985 he became the chair of the Istanbul city branch. He was elected to parliament in 1991, but barred from taking his seat.

Mayor of Istanbul (1994–98)

In the local elections of 27 March 1994, Erdoğan was elected Mayor of Istanbul, with a plurality (25.19%) of the popular vote. Many feared that he would impose Islamic law; however, he was pragmatic in office, tackling chronic problems in Istanbul including water shortage, pollution and traffic chaos. The water shortage problem was solved with the laying of hundreds of kilometers of new pipelines. The garbage problem was solved with the establishment of state-of-the-art recycling facilities. While Erdoğan was in office, air pollution was reduced through a plan developed to switch to natural gas.

He changed the public buses to environmentally friendly ones. The city's traffic and transportation jams were reduced with more than fifty bridges, viaducts, and highways built. He took precautions to prevent corruption, using measures to ensure that municipal funds were used prudently. He paid back a major portion of Istanbul Metropolitan Municipality's two billion dollar debt and invested four billion dollars in the city.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

Erdoğan initiated the first roundtable of mayors during the Istanbul conference, which led to a global, organized movement of mayors. A seven-member international jury from the United Nations unanimously awarded Erdoğan the UN-HABITAT award.

Imprisonment

In 1998, the fundamentalist Welfare Party was declared unconstitutional on the grounds of threatening the secularism of Turkey and was shut down by the Turkish constitutional court. Erdoğan became a prominent speaker at demonstrations held by his party colleagues.

In December 1997, Erdoğan recited a poem in Siirt from a work written by Ziya Gökalp, a pan-Turkish activist of the early 20th century. His recitation included verses translated as "The mosques are our barracks, the domes our helmets, the minarets our bayonets and the faithful our soldiers...." which are not in the original version of the poem. Erdoğan said the poem had been approved by the education ministry to be published in textbooks.

Under article 312/2 of the Turkish penal code his recitation was regarded as an incitement to violence and religious or racial hatred. He was given a ten-month prison sentence of which he served four months, from 24 March 1999 to 27 July 1999. Due to his conviction, Erdoğan was forced to give up his mayoral position. The conviction also stipulated a political ban, which prevented him from participating in parliamentary elections.

Prime Minister (2003–14)

In 2001, Erdoğan established the Justice and Development Party (AKP). The AKP won a landslide victory in the 2002 election, taking nearly two-thirds of the seats. Erdoğan could not become Prime Minister as he was still banned from politics by the judiciary for his speech in Siirt. Gül became the Prime Minister instead. In December 2002, the Supreme Election Board canceled the general election results from Siirt due to voting irregularities and scheduled a new election for 9 February 2003. By this time, party leader Erdoğan was able to run for parliament due to a legal change made possible by the opposition Republican People's Party. The AKP duly listed Erdoğan as a candidate for the rescheduled election, which he won, becoming Prime Minister after Gül handed over the post.

Kurdish issue

In 2009, Prime Minister Erdoğan's government announced a plan to help end the quarter-century-long Turkey – Kurdistan Workers' Party conflict that had cost more than 40,000 lives. The government's plan, supported by the European Union, allowed the Kurdish language to be used in all broadcast media and political campaigns, and restored Kurdish names to cities and towns that had been given Turkish ones. Erdoğan said, "We took a courageous step to resolve chronic issues that constitute an obstacle along Turkey's development, progression and empowerment". Erdoğan passed a partial amnesty to reduce penalties faced by many members of

the Kurdish guerrilla movement PKK who had surrendered to the government. On 23 November 2011, during a televised meeting of his party in Ankara, he apologised on behalf of the state for the Dersim Massacre, where many Alevis and Zazas were killed.

Recep Tayyip Erdoğan (Turkish pronunciation: [reˈdʒɛp tajˈjip ˈærdɔ.an] born 26 February 1954) is the 12th and current President of Turkey, in office since 2014. He previously served as the Prime Minister of Turkey from 2003 to 2014 and as the Mayor of İstanbul from 1994 to 1998. Originating from an Islamist political background and as a self-described conservative democrat, his administration has overseen social conservative and liberal economic policies. He founded the Justice and Development Party (AKP) in 2001 and led it to three general election victories in 2002, 2007 and 2011 before standing down as leader upon his election as President in 2014.

A semi-professional footballer playing for Kasımpaşa Spor Kulübü between 1969 and 1982 and a National Turkish Student Union member in his younger days, Erdoğan was elected as the Mayor of İstanbul from the Islamist Welfare Party. He was banned from office and sentenced to prison for 10 months after reciting a religiously intolerant poem in Siirt Province in 1998. Abandoning openly Islamist politics, he founded AKP in 2001, leading it to winning almost a two-thirds parliamentary majority in the 2002 general election. Abdullah Gül became Prime Minister and served until his government annulled Erdoğan's political ban with the help of Republican People's Party, allowing him to run for Parliament in a by-election and to take over as Prime Minister in March 2003.

As part of his '2023 vision' for the centenary of the establishment of the Turkish Republic, Erdoğan's government oversaw accession negotiations for Turkey's membership of the European Union, an economic recovery following a financial crash in 2001, two successful constitutional referendums in 2007 and 2010, a Solution process with Kurdish militants, an allegedly Neo-Ottoman foreign policy and investments in infrastructure that included new roads, airports and a high-speed train network. With the help of Fethullah Gülen's Cemaat Movement, Erdoğan was able to curb the political power of the military through the controversial Sledgehammer and Ergenekon court cases. Child poverty rose to 63.5% while Turkey suffered the highest number of workers' deaths in Europe, with 301 miners being killed in a mine disaster in Soma.

The nationwide Gezi Park protests broke out in 2013 against the growing authoritarianism of Erdoğan's government. An internationally criticised crackdown on protestors by the police and AKP youth members led to 22 deaths, resulting in Gülen withdrawing support from the AKP and EU ascension talks stalling. A US\$100 billion government corruption scandal in 2013 led to the arrests of Erdoğan's close allies, with Erdoğan himself incriminated after a recording was released on social media. Blaming the scandal on a coup attempt by a parallel structure formed of Gülen's supporters in high judicial offices, Erdoğan implemented large-scale reforms to the police and judicial systems that were criticised for placing the judiciary's independence in doubt.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41

Twitter, Facebook and YouTube were also blocked and Erdoğan has since come under increased scrutiny for media censorship, large-scale electoral fraud, constitutional violations, illegally constructing Ak Saray, the world's largest palace on Atatürk Forest Farm and Zoo for his own use, curbing human rights in Turkey, demeaning the rule of law and was even accused of high treason for his role in the 2014 National Intelligence Organisation scandal in Turkey. Opposition journalists and politicians have thus branded him a dictator. On the other hand, Erdogan is sometimes regarded as "Reis" (means chief in Turkish), "Uzun Adam" (tall man) and "Usta" (master) among his supporters.
