

Historic Bible points to move us into Revelation Unsealed chapters:

- The book of Revelations was never sealed Rev 22:10, the book of Daniel 12:9-10 was sealed until its time was due, in the “**end times**” (*resurrection of Christ*) up until now.
- History proves prophecy Rev 1:19, prophecy fulfilled in history is His testimony it is “**His-story**” of creation and mankind made in His image Rev 19:10.
- The Jews were conquered in 2 Kings 25:1-21 because of their idolatry “**the worship of idols**” (*being a harlot Jer 2:20*) Jer 1:16 for being in rebellion for not listening to God Jer 25:4-9. In this rebellion the Jews stopped keeping Gods 7th day Sabbath (*rest day*) for 490 years. The Sabbath rest was one of the ten commandments given to Moses in Duet 5:15. The 70-year captivity pronounced was for their own good Jer 25:4 to get rid of idols and idolatry to bring a re-focus on God. This was a work of restoration for the Jews to come to know God again.
- God pronounced by the mouth of Jeremiah that the land would rest for 70 years of Sabbath in 2 Chron 36:21, Jer 25:11 so the Jews were taken into captivity in 605BC by the Babylonians. 70 years Sabbath rest equaled 1 year for every 7 of a 490-year period of no Sabbath rest. Hence the 70 years of sabbath rest for the land became the Jews captivity period.
- After fearsome wars Babylon conquered Jerusalem in 605 BC taking the Jews into captivity. Jeremiah, Ezekiel and Daniel were the 3 prophets taken at that time; God used these three prophets to encourage Israel during their captivity in Babylon from 605 BC – 539 BC. Jeremiah was the last Prophet to see the Ark of the Covenant he hid it in a cave according to extra biblical cannon Apocrypha 2nd Maccabees 2:4-10. Jeremiah 3:16 is where Jeremiah stated: *'The ark of the covenant of the LORD.' It shall not come to mind, nor shall they remember it, nor shall they visit it, nor shall it be made anymore*”. NKJV
- God allowed Solomons Temple and Jerusalem to be conquered the Jews were taken away as captives under the Babylonians. The Babylonians took temple implements to Babylon (*Belshazzar Dan 5:2*). This would only be until God would restore the “**temple vessels to this place**” (*His temple*) Jer 27:21-22 (*70 years later Jer 29:10, Ezra 6:3-5*). Meaning it would be 70 years until the restoration of His temple implements to the “**House/Temple of the Lord**” from the 605 BC captivity of the Jews.
- Due to further Jewish rebellion the Jewish Babylonian war took place from 601 BC – 586 BC. The King of Judah Jehoiakim (*Eliakim in bible 2 Chron 36:4*) revolted against the neo-Babylonian Empire to escape dominance by them but failed. This rebellion resulted in the city of Jerusalem the walls of Jerusalem and Solomons temple being destroyed 2 Kings 25:8-17.
- The Babylonian Empire (*605 BC – 539 BC*) destroyed the 1st Temple, Jerusalem and her walls in 586 BC. This took place 19 years after the Jews had gone into captivity in 605 BC. The 1st temples destruction brought Gods judgement upon Babylon as a nation Jer 51:11. God declared due to the destruction of His temple that He would raise up the Medes the 2nd Empire of the Dan 2 statue dream, to destroy Babylon. This defeat of Babylon by the Medo Persians took place at the same time as the 70-year captivity neared completion since 605 BC.
- It was Cyrus the Great who came from the north in 539 BC to defeat Babylon as a nation this war began August 539BC and was completed three months later on Oct 12th 539 BC. The archeological “**Cyrus Cylinder**” was discovered in the ruins of the ancient Mesopotamian city of Babylon in 1879 AD by archaeologist Hormuzd Rassum working for the British Museum. On this Cylinder it actually states this victory and date as oct 12th 539 BC. God had now punished Babylon for destroying Solomons Temple Jer 25:12, Jer 51:11.

- **“Daniel knew the time and season he was in because of prophecy”** as found in Jer 29:10 and their recent Jewish history from 605 BC. Jeremiah said their Jewish captivity would be 70 years from their 605 BC captivity (*until the Temple rebuild*) that God would also punish Babylon after 70 years Jer 25:12. This impending punishment had indicated to Daniel **“it was time”** when he saw the Medo Persians gathered against Babylon mid 539 BC. Daniel knew the 70 years captivity was nearly finished. As already known, it took 3 months of war by the Medes to conquer Babylon enough time for Daniel to prepare through prayer.
- It at the end of the 66th year of Jeremiah's 70-year prophecy Jer 29:10 when the Medo Persians were on the move against Babylon. History became God's testimony that what God said He would do He did, that people may believe as prophecy was fulfilled.
- Cyrus II (*also known as Darius the Mede*) was the Med Persian King that led the invasion campaign against Babylon in 539 BC conquering the outer regions of Babylon completely defeating Babylon City on Oct 12th, 539 B.C.
- It was in 539 BC under “Cyrus II the Great” after his war against Babylon in the month of October the **“Cyrus decree”** edict came to release the Jews from Babylon. The Jews were released to return to Jerusalem to rebuild the Temple to become the 2nd Temple (*exactly 67 years after their 605 BC captivity had begun*). Darius the Mede also known as “Cyrus II the Great” had become King of the Babylonian regions during the Babylonian wars in 539 BC prior to complete victory in 539 BC. The first Cyrus decree in 539 BC was different from the 457 BC Artaxerxes decree.
- In early 539 BC Daniel began to petition God for his peoples release as found in Dan 9:1-19 at the end of 539 BC the Cyrus II decree came at the end of the 66th year. It was also in the first part of 539 BC that Darius the Mede began to rule as king from 539 BC – 536 BC.
- It was then exactly 70 years from 605 BC in the year of 535 BC that the Jews then began the 2nd Temple construction of **“Gods House /Temple”** by laying its foundation Is 44:28, as the old priests wept Ezra 3:12. The captivity of the temple vessels stored in Babylon were then **“restored to their place”** Ezra 6:3-5 exactly 70 years from 605 BC in 535 BC just as God had said. This became the actual completion of the 70 years of captivity from the 605 BC Babylonian captivity of God's people. The Jews were held captive from His Temple and His presence for 70 years even though they were released in the 66th year in 539 BC. The actual captivity God had led the Jews away for 70 years 1 year for every 7 years of not keeping the Sabbath for 490 years. This captivity was to do with removing the Jews from God's temple in Jerusalem, their place of worship in His presence as they had also fallen into the abomination

of idolatry before God and His temple Ez 8:5-17. Ezekiel was one of the prophets taken into Babylonian captivity in 605 BC whom God revealed the vision of temple idolatry committed by the house of Israel.

- The 2nd temple took 20 years to build it was finally completed by 515 BC through Zerubbabel as found in Ezra 3:8. The 2nd temples completion came 71 years after the 586 BC destruction of the City of Jerusalem and Solomons temple by the Babylonians.
- It was 260 years earlier in 740 - 701 BC when Jerusalem and Solomons Temple were still standing that Isaiah had prophesied **“Jerusalem shall be built”** and the 2nd **“temple foundation shall be laid”** Is 44:28 because of its impending future destruction to come by the Babylonians (*in the 70th year from captivity*) this was an incredible prophecy of historic accuracy.
- From 515 BC 2nd Temple completion it was then another 58 years until the 457 BC Artaxerxes decree came for the Jews to **“re-build Jerusalem as a city”**. The temple under the 538 BC Cyrus decree was built first then the 457 BC 2nd decree came for Jerusalem in its fullness to be rebuilt. This 2nd decree for rebuilding the city of Jerusalem came with the Kings provision of gold and riches for the construction. This began Daniels 70-week prophecy (*of 490 years*) as found in Dan 9:25, a 483-year time line for the Messiah to come at the end of the 69-week mark (*483 years from 547 BC*) to appear in ministry by 27AD in the 484th year. The Messiah’s appearance in 27AD marked the beginning of the final 7 years of the 490 years or 70 weeks prophecy, to end the transgressions of the Jews and the world.
- Dan 9:25 **“Know therefore and understand, that from the going forth of the command to restore and build Jerusalem (457 BC) until Messiah the Prince (27AD), there shall be seven weeks and sixty-two weeks (69 weeks or 483 years from 457 BC takes you to 27 AD); The street shall be built again, and the wall, even in troublesome times (Nehemiah).** (NKJV)
- You had an estimated 490-year period of rebellion up until 605 BC, then 70 years captivity came for the lost Sabbath years. The 70 years captivity was completed in 535 BC as the **“temple foundation was laid”** then the Is 44:28 prophecy to rebuild the temple was completed in 515 BC. From the 2nd Temple foundation being laid in the 70th year in 535 BC another 78 years went by until the 457 BC decree came to re build Jerusalem. This 2nd 457 BC decree by Artaxerxes began the 490-year period for the Messiah to come (*end of 483rd into the first month of the 484th year was 27 BC*). Jesus came to finish the transgression of the Jews to make an end of sins and reconciliation for inequity for all peoples Dan 9:24.
- Nehemiah (*Book of Nehemiah*) then appears two years after the 457 BC decree in Jerusalem in 445 BC to start rebuilding the walls of Jerusalem he later dies around 433 BC.
- God had the 2nd temple rebuilt (*539 BC decree*) this began in 535 BC it took 20 years to build this temple it was finished in 515 BC. Then (*457 BC decree*) by 445 BC construction had begun to rebuild the City of Jerusalem the rebuilding from the 457 BC decree took an estimated 24 years until the city was completed around 433 BC.
- During the rebuild of Jerusalem around 445 BC – 433 BC (*estimation*) Malachi the prophet then appears to become the last Old Testament book. Then for the next 400 years until Jesus Christ appeared **“God went silent”**.
- From the 70 years of captivity in 605 BC to the rebuilding of the 2nd Temple, the walls and the city of Jerusalem. God used 7 prophets (*Jeremiah, Daniel, Ezekiel, Haggai, Zecharia, Ezra, Nehemiah*) over 7 books covering an estimated 182 years from 605 BC to 433 BC.
- God rebuilt the Temple and Jerusalem city after it had been wiped out in 586 BC. The temple and Jerusalem city being rebuilt combined took 112 years (*535 BC-433 BC*). God rebuilt the city and temple for His Son Jesus the Messiah to appear on earth in 27 AD to fulfill the Dan 9

seventy weeks prophecy an incredible supernatural miraculous event. Jesus then came in the fullness of time Gal 4:4 to appear at the beginning of the Empire of Rome the 4th world Empire of Dan 2.

- Just 24 years (27 BC) before Christ was born in 3 BC Octavian Augustus the first Emperor of Rome created the **“Principate”** turning Rome into **“ten provinces”** the **“ten toes”** of the Dan 2 Statue dream bringing the Dan 2 vision into its **“Fullness of time”**. This completed historically the Dan 2 statue (Gal 4:4) and its toes of the four empires as prophesied then Jesus the Messiah was born in 3 BC. The **“stone cut out of a mountain”** (David and Goliath) then came to smash the statue at its ten toes (the cross) defeating all these empires and forces of evil behind them Eph 6:12 making a public spectacle of them Col 2:15. The new **“Kingdom that will never be destroyed”** it would arise to fill the whole earth **“Christ’s Kingdom”** Dan 2:44-45 in the millennial reign Rev 20.
- Jesus appeared at the **“Fullness of the time”** (to fulfill the last week of Dan 9:27) born of a woman. Gal 4:4 But **when the fullness of the time had come, God sent forth His Son** born of a woman, born under the law. (NKJV)
- Then in 27AD at the age of 30 years old (Lk 3:23) Jesus began His ministry (27AD was the end of the 483rd year from 457 BC, the end of the 69th week of Dan 9:25, the 7 weeks plus the 62 weeks). Jesus then began to move from the Old Testament covenant law of sin and death to the New Testament covenant of Grace and mercy. The Old Testament reveals sin the New Testament heals sin (through repentance and forgiveness).
- The Old Covenant was finished with Heb 8:13 and a New Covenant began Jer 31:31.
- The Old Testament time was fulfilled; Jesus didn’t come to abolish the law He came to fulfill the law through His love and obedience to the Father Math 5:17.
- Jesus moved us into a cosmic shift in all realms from the **“fullness of the time”** into the **“end times”** season Rev 12:7-17. A new time of **“Reconciliation for inequity”** had been accomplished Dan 9:24.
- The end of the Old Testament prophets took place with John the Baptist’s death Math 6:14-29.
- The cross was where **“Satan was defeated sin was dealt with and transgression was ended”** man now had a way back to the father through repentance and Christ.
- At the cross Satan fell from the 3rd heavens along with his fallen angels restricted to the earth in the 1st and 2nd heavens **“Satan’s time was now short”** Rev 12.
- Jesus began opening the 7 seals in 31 AD Rev 5:5 at His resurrection.
- The **“resurrection of the dead”** began with Jesus’ death and resurrection Math 27:52.
- At Jesus resurrection the **“New Jerusalem”** began, the apostles’ names became the foundations of that new city Rev 21:14, Jn 14:3.
- Jesus the Dan 2 **“the rock/stone”** that smashes the statue knew the prophetic/historic season He was in and what He had come for, to begin to bring His Kingdom to earth Math 6:10 **“Thy Kingdom come”** (the purpose of the Godhead).
- The Daniel 9 prophecy of 70 weeks fullness which was 490 years from 457 BC Artaxerxes decree, was **“fulfilled”** in the **“The fullness of the time”** season as prophesied (Gal 4:4).
- With Christ’s birth then appearance in ministry at 30 years old in 27 AD (Luke 3:23) and the death of Stephen in 34AD (Acts 7:54-60). Daniels last week of Dan 9:27 seventy weeks 7-year period (27AD-34AD) was completed 27 AD – 34 AD.
- In the last 7 years of the Dan 9 seventy weeks a very important prophecy is found in Zech 11 speaking of **“two staffs”**. Jesus broke Himself on the cross in 31 AD the **“staff of beauty”** then 3.5 years later, He broke the brotherhood staff under the Old Covenant between Israel and Judah prophesied as the **“staff of bonds”**. This “staff of bonds” was broken at Sauls feet

in 34 AD with Stephens death this is why Stephen had such an open glorious vision at His death of the Son of God standing beside the Father on His throne Acts 7:59. Jewish brother turned upon brother as the Jewish Christians (*Israel*) were persecuted by the Jews (*Judah/Pharisees*). Then not long after this in Acts 10:23-48 Peter sees the sheet dropped in a vision and is called to the house of Cornelius as God pours out His Spirit upon the gentiles. This moving from the Jews to the gentiles of Gods Spirit in the 490th year from 457 BC came at the end of the final 7 years or the final week of Dan 9 in 34 AD. This then became Gods testimony the completion of the final 7 years as part of God fulfilling Daniels 70 weeks prophesy (490 years). In Joel 2:27-28 God said it will come to pass that He would pour out His Spirit upon all flesh this is Jew and gentile alike Acts 10:23-48. This pouring out commemorated the completion of the Dan 9 seventy weeks; this was not some 7-year antichrist to come at the end of the age as many try to teach.

- For over 1870 years Christians believed in history fulfilling prophecy (*Old Testament, New Testament & Christs birth etc.*). Then doctrines were changed at the turn of the 19th century when the CI Scofield Bible was introduced in 1909 with doctrines of futurism, dispensationalism, Zionism, rapture theory, 3rd Temple, 69-week gap theory last 7 years tribulation/antichrist and amillennialism theology now taught in America. These doctrines on end times have been pushed into mainstream Christianity altering the teachings and prophecies of Christ Himself and the saints down the generations since the cross.
- In actual history in the mid 1550's from the Council of Trent meetings about the Martin Luther reformation and the protestants the Jesuits became a newly formed militant branch of the Vatican. Them Jesuit scholars were chosen by the Vatican whom acted upon orders to twist bible teachings one of those teachings they took was the last week of Daniels 70 weeks prophecy they twisted it into an end times antichrist 7-year theology. This was done to counter the Martin Luther reformation (*Daniels 69-week gap theory last 7 years*) to infiltrate the protestant church robbing the church of truth. This twisting of truths in scripture by the Jesuits and others (*futurism, dispensationalism, 3rd temple, pre mid & post rapture, Dan 69-week gap theory last 7 years antichrist*) has led us into much false end times theology teachings in our modern days.
- It was later on that John Nelson Darby from America added his 1830 Rapture Theory which came from a sick girl's dream, into the 69-week Jesuit 1550's gap theory. These doctrines along with others are out of context they are men's imaginings and theories still unproven in end times doctrines. These new doctrines were then promoted and funded by the Rothschilds funded Oxford University press using the nefarious CI Schofield at the turn of the 19th century starting with the 1909 CI Scofield Bible now taught worldwide; the rest is history.

Timeline of Ezra, Nehemiah, and Esther
