

“THE BOOK OF REVELATION UNSEALED”

Chapter 19A.

The 3rd Bowl of Judgment “Rev 16:4”

4And the third angel poured out his vial upon the rivers and fountains of waters; and they became blood. Some of the first blood red waters began to be reported in 2001. There have been waters, rain, oceans and rivers turning blood red all around the world in the last two decades in many nations even in Antarctica. This has increased in the last few years since 2010 it even rained blood red rain for 3 months in India alone blood red rain has also happened in Shri Lanka.

5And I heard the angel of the waters say, Thou art righteous, O Lord, which art, and was, and shalt be, because thou hast judged thus. **6**For they have shed the blood of saints and prophets, and thou hast given them blood to drink; for they are worthy. The persecution and Martyrdom of the saints doubled from mid 2013 when Hezbollah entered into Syria conflict and Isis into Iraq. From mid 2013 to Jan 2017 over a 42 month period 1 million Christians have been destroyed from Iraq and 1 million from Syria. It wasn't until President Donald Trump (2017) got in (Dan 7:22) that Isis was defeated obstructing the killing of Christians in Iraq and Syria by the end of 2017. In Syria since the beginning of the conflict over 5 million have been killed.

From 2008 to 2010 I found only 5 -8 reports of seas and rivers turning blood red since the 2011 Arab spring uprising leading into greater persecution of the saints from mid 2013. From mid 2015 onwards there has been 38 plus reports of seas and rivers turning blood red in countries all around the world an exponential increase in this occurrence worldwide. In 2013 alone it was estimated that up to 160 thousand Christians were martyred worldwide. Since Christ walked on the earth and died until now it is estimated that 50 million Christians were martyred by the Vatican, this is all part of the compliment of

martyrs coming to fullness mentioned in Revelations 6:9-11 the fifth seal opened. There are currently 200 million Christians under persecution worldwide in 64 nations with tens of thousands being killed each year. On North Korea alone it is estimated that 100 thousand Christians are serving as state slaves in jails. This wide scale persecution of Christians this century accelerated since 2009 with President Obama’s foreign policy through funding Islam with weapons and finances giving Islam power to persecute and kill on a massive scale. With his Iran nuclear deal in 2015 President Obama sent 150 billion dollars in hard US currency to Iran a terrorist supporting nation. **7 And I heard another out of the altar say, Even so, Lord God Almighty, true and righteous are thy judgments.**

RECORDED BLOOD WATERS SINCE 2010

Since 2010 there has been blood red rain in India for 3 months, blood red rivers, waterfalls, lakes and oceans all over the world. The China river Yangtze turns blood red, Lebanon’s Beirut river, Australia beaches such as Bondi beach turns blood red, Blood red rain for 3 months in India & Pakistan and Shri Lanka, sea of Azov turns blood red in Russia, Blood red rivers in Netherlands, beaches in Turkey turn blood red, blood red rain falls in Kannur Kerala, lakes turn blood red in Camargue France, Antarctic glacier has blood red river and waterfalls, river turns red in Slovakia USA has had several rivers and lakes turn blood red in places such as Ohio, Texas and Minnesota. There are many more reports of waters turning blood red in colour these events are occurring in countries all over the world. These reports are all in the world news and records of them can be found on internet and U Tube.

Witnesses in Xinmeizhou village, Zhejiang province, said the river was running normally at 5am but within just a few minutes it began turning a deep shade of crimson. Some filled clear plastic bottles with the liquid and reported it had a strange smell.
