Chapter 41C

The Mark of the beast Law (Unveiled page 57 onwards)

“On January 6, 1982 at 2 o'clock in the afternoon I broke into a chamber beneath the Calvary escarpment north of the city wall of Jerusalem. In that chamber is the Ark of the Covenant...”
— Ron Wyatt

What leads us into this chapter is an archaeological dig that began in 1979 leading to an angelic visitation in 1982. At this time what **“many do not understand is one of the most prized biblical ancient artifacts was found”** hidden away in Jerusalem Israel in an underground cave. This incredible artifact was discovered then covered up by the Israeli government hidden from public knowledge. This discovery manifested an angelic visitation and prophecy for our end times **“end of the church age”** time line. This occurrence goes back in time over 43 years ago to 1982 when Ron Wyatt a Christian amateur archaeologist discovered the **“Ark of the Covenant”**. The Ark was discovered beneath the hill of Golgotha in a cave 40 feet below what Ron Wyatt called Jeremiah's Grotto opposite Zedekiah's cave.

Opposite the Place of the Skull is the well-known Zedekiah's Cave system (right photo red arrow) made up of ancient underground catacombs known as Solomons mines connected to Rons Jeremiah's Grotto dig site (left photo red arrow). This is where Jesus was crucified 2000 years ago near the Garden Tomb.

The original grotto site in 1978 before Rons dig started was covered in rubbish marked with a yellow dot on 2nd pic. A well-known American prophet Kim Clement in recent years prophesied about the Ark of the covenant being discovered or found. It's discovery will come fourth in the end times season when there is a cancelation of the debt crisis of global proportions (Global economic crash).

Kim Clement:

God says **“My glory shall be seen for I will change everything, that which I have promised shall begin to manifest says the Lord, it is now the beginning of the destruction of debt and do not say that is impossible for my bank book looks so bad it makes me cry”**

God says **“There will be no more tears for you are entering a season of unique demonstrations from very powerful people who are unknown now, they are crying out give us heroes we want heroes. Those who are afraid of war and those who are afraid to take a step will not stand with the opportunity of becoming a hero”** God said **“listen to that drum beat it is the sound of War. I have called my David he will be a praying president but not a praying president when he starts. During the time of war, he will throttle the enemies of the West”.**

God said **“We are talking about a good fight we're speaking about a war that I have initiated”** The Lord says, **“it is a war of the spirit it is the War of the World”.** God said **“it shall be in such a way that there will be those that will say look at the nations of the earth they cried for Revival in the church but look what God is doing. The Tabernacle of David which has fallen is being restored again (worship in an open display open His Glory) what does this mean?”**

It means God says **“whatever was in the Tabernacle of David when it fell (Babylon 587 BC) shall be restored back to the earth, and they shall say; is it possible (Jews/Christians) that they have found the Ark of the Covenant ? ”**

For God says **“It shall be that there will be signs of it and many shall fight it, and they shall say this cannot be for it is fallen”**

What God says is **“What was in the Ark of the Covenant (Gods Glory brings repentance through conviction based on the ten commandments of righteousness) is about to be manifested throughout the Earth and on Israel's mountain tops** (just prior to His second coming return or soon after)”

God says **“In California's mountain tops and the mountain tops of America (Revival Glory) and Europe and God says even the Middle East”** God says, **“there shall be a glorious sound of the trumpet of God (worship, prayer and praise) as the Lord begins to sound his voice”.**

When this author first watched videos of the Ark of the Covenant discovery in 1998 Gods presence swept over me. I knew what I was watching was very important to God a true occurrence Ron Wyatt had found the Ark of the Covenant. God's presence manifested through me the Spirit of truth as the cross holes the crack in bedrock, the mercy seat lid receiving Christs blood revelation came forth on video.

Chapter 41C

The man-made Ark of the Covenant was found 2604 years after it had been hidden away in 587 BC (Babylonian invasion) or **“missing in action”** by Jeremiah the prophet. Jeremiah whom hid the Ark away and once prophesied in scripture **“Israel would forget the Ark they would not visit it nor see it anymore”**. To the right of the Place of the Skull at Golgotha is the large Jeremiahs Grotto cave this is where Jeremiah traditionally wrote Lamentations in the Bible, outside the city wall. To the left of the place of the Skull is Rons dig sit Jeremiahs Grotto (crucifixion site).

Place of the Skull to its right is the large well known tourist attraction Jeremiahs Grotto cave.

Jer 3:16 "Then it shall come to pass, when you are multiplied and increased in the land in those days," says the LORD, "that they will say no more, 'The ark of the covenant of the LORD.' It shall not come to mind, nor shall they remember it, nor shall they visit it, nor shall it be made anymore. NKJV

The Ark had been hidden away at the time of the invasion of Israel by Babylon in the year 587 BC. Many over hundreds of years have searched for this famous artifact without any success until Ron Wyatt was divinely directed to find it. The Ark of the Covenant was found after much work on Jan 6th 1982 at 2pm in the afternoon. Unto this day the Ark remains in place where it was found in 1982, secured and secretly covered over by the Israeli government until some future time. The Israeli Antiquities Authority along with the museum funded by the Rockefellers denies knowing Ron Wyatt they covered the whole thing up. These authorities who follow Judaism do not want the discovery confirmed they do not believe Jesus is

the Messiah, they still deny Him as they have done for over 2000 years. By 2005 – 2006 these authorities destroyed the cross holes a worship alter and walls and other evidence on the dig site a few years after Ron died in 1999. Rons dig site was completely desecrated leaving a 20-foot hole on that spot then they built a small shelter decking and chairs over the top of it. In Ron Wyatts own books he shows photos of himself meeting with a head of that Department of Antiquities (IAA) at the time Dan Bahat overseeing Rons dig site. The Antiquities Authorities white washed involvement with Ron Wyatt yet they worked with him for several years as seen in paper trails and the 2003 Jerusalem Report on the next few pages.

From 1978 four men from the Ministry of Educations Antiquities Department (Israel Antiquities Authority) had signed Rons dig permit papers (Amos Kloner, Yosef Gat, Dan Bahat and General Amir Drori) these men after the Arks discovery asked Ron not to show the permit papers to anyone, as their names were the signatories. Their names upon Rons permits legitimised his dig as proof of discovery.

Gen. Amir Drori - Upon his retirement from the IDF he was appointed head of the Israeli Ministry of Education's Department of Antiquities as it first director general in 1990. Under his guidance and leadership, the department was expanded and restructured, in 1990 becoming the Israel Antiquities Authority (IAA). See: https://en.wikipedia.org/wiki/Amir_Drori

Dan Bahat - Dan Bahat is one of Israel's leading archaeologists and a senior lecturer at the Land of Israel Studies at Bar-Ilan University. He was the district Archeologist of Jerusalem he was the head of archaeological research at the Western Wall tunnels between 1986–2007. Dan Bahat is an expert on the Temple Mount, Herod's Palace, and the 1,600- foot tunnel that runs under the western retaining wall of the Temple Mount. See: https://en.wikipedia.org/wiki/Dan_Bahat

Yosef Gat – Yosef Gat worked for the Israeli Department of Antiquities (IAA) he was an Israeli archaeologist and inspector for 27 years. He is known for his work on the "Jesus Tomb" discovery in East Talpiot, Jerusalem, which was made public in the mid-1990s. Byzantine archaeology. He was involved with the Israel Antiquities Authority's excavations and research of the Second Temple period of the Necropolis of Jerusalem, He specialized in underground cavities in Judea from 1980 into the 1990's. See: https://en.wikipedia.org/wiki/Amos_Kloner

Ron says, "What I was told by the men I worked with, and if you have a photographic memory, you'll remember their names: Amos Kloner, Joseph Gat, Dan Bahat, General Drori. These men have asked me not to show my permit because the authorizing signature on the permit are their names. And this is part of the proof that I have physical evidence that I've been asked not to share." "It's their opinion, should the Israeli people, as a whole, learn that the Ark of the Covenant has been found, that they would want to build a temple to house it in."

See Ron Wyatt Against False Accusations By Israel Antiquity: <https://youtu.be/9oJj6S5wByM?si=BRjz3ahLNAjDEeZO>

As seen reason these men denied Ron asking him to be quiet, is if the general population of Jews new the Ark was found a riot would happen. The Jews would want to tear down the Al Aqsa Mosque the 2nd Holiest site in Islam to build a third temple there. This would cause war with all the surrounding Islamic Arab nations against Israel (sounds like Armageddon). One of those signatories Yosef Gat had a belief he took to his grave that the tomb discovered in east Talpiot in 1980 contained the bones of Jesus and his family. This was against Christian beliefs that Jesus died and was resurrected physically as Messiah.

Ron Wyatt

The Council of the Garden Tomb Association (London) totally refute the claim of Mr Wyatt to have discovered the original Ark of the Covenant or any other biblical artefacts within the boundaries of the area known as the Garden Tomb Jerusalem. Though Mr Wyatt was allowed to dig within this privately owned garden on a number of occasions (the last occasion being the summer of 1991) staff members of the Association observed his progress and entered his excavated shaft. As far as we are aware nothing was ever discovered to support his claims nor have we seen any evidence of biblical artefacts or temple treasures.

The Israeli Antiquities Authority recently stated that Mr Wyatt lacks any archaeological qualification and has never received a license to excavate in Jerusalem. Quote "We are aware of his (Mr Wyatt's) claims which border on the absurd as they have no scientific basis whatsoever nor have they been published in a professional journal"

If Ron Wyatt a resident from the USA did these digs illegally he would have been arrested on the spot you can't just go and dig holes at an excavation site year after year as a tourist that's nuts. The IAA have refuted Ron Wyatt stating he was an illegal amateur archaeologist digging in Jerusalem without a permit.

Below are documents of evidence Ron Wyatt actually had dig permits from the IAA from 1999 and 2006.

Jerusalem, the Garden Tomb
Yehiel Zelinger
Final Report 20/03/2006

During August 2005 a trial excavation was conducted within the Garden Tomb compound, north of the Damascus Gate (Permit No. A-4549*). The excavation, on behalf of the Antiquities Authority and funded by two foundations from the United States—the Wyatt Archaeological Research (WAR) of Tennessee and the Biblical Archaeology Foundation (BAF) of Texas—was directed by Y. Zelinger, with the assistance of V. Pirskey (surveying), I. Berlin (drafting), T. Sagiv (photography), N. Katznelson (glass finds), T. Oman (cylinder seal), D.T. Ariel (numismatics), C. Hersch (glass and pottery drawings), as well as volunteers from around the world.

The excavation was conducted south of a natural bedrock outcrop that was identified by General C. Gordon in 1883 as Golgotha (Fig. 1). During the 1980s, R. Wyatt excavated several underground chambers at the site. The current excavation cleaned and documented the former chambers and additional chambers were excavated.

In an article from the “The Jerusalem Report” September of 2003 further light is shed on this story around the dig site at Jeremiahs Grotto. Ron Wyatt and the IAA worked together for several years under partnership involving permitted permission. Ron Wyatt was also documented to be the first to have found the Red Sea crossing of Moses the land bridge, the Red Sea chariot wheels and the stone pillars of Solomon marking the crossing, The crucifixion site of Jesus Christ the lost tomb stone of Christ the real Mount Sinai in Saudi Arabia, the split rock of Horeb the Golden alter and Hebrew encampments, Sodom and Gomorrah sulphur cities, Noah’s Ark the Ark anchor stones and grave site and the Philistine burial urns in Isreal and some roman artifacts to name a few, these discoveries are on video.

THE WHITE-BEARDED, HEAVY-set man with the deeply sunburned face and the mild Southern baritone is a study in earnest authority. Richard Rives is explaining how the Ark of the Covenant, sacred receptacle of the Ten Commandments, was smuggled by the prophet Jeremiah out of the First Temple in Jerusalem before its destruction.

“Sometime around 600 BCE, due to abominations,” he tells *The Report*, “the Glory of God departed from the ‘Mercy Seat’ [the cover of the Ark],” and Jeremiah saw fit to move it to safety. The prophet, Rives continues — his account reflecting the theology espoused by the Protestant archaeological group he leads — brought the Ark from the Holy of Holies, through a tunnel under the city walls, to a cave at the Garden Tomb, where Protestants believe Jesus was later buried. And so, “in 586, when the Babylonians captured the city, the

Why is a group whose sensational claims defy mainstream archaeology being allowed to dig under the walls of the Old City?

Ark was missing.” Safe in the cave, just to the northwest of the present day Damascus Gate, the Ark survived the destruction of the Temple, Rives asserts.

Six centuries later, his group’s theology further holds, Jesus was crucified on the hill directly above the cave, and his blood miraculously filtered through a crack in the rock and purified the Ark below. And there it remained for nearly 2,000 years, until Rives’s predecessor, the late Ron Wyatt, discovered it on January 6, 1982, at the triumphant conclusion to years of digging at the Garden Tomb.

Also found by Wyatt at the site, according to this account: the Temple’s seven-branched candelabra, a golden altar, an *ephod*, or breastplate, and, in the Ark itself, the scrolls on which Moses presumably had written the “Book of the Law.” Wyatt did not emerge with the astonishing finds to show the world, but promised to reveal their precise location when the time was deemed ripe.

This tale accords with neither the tenets of modern archaeology nor any mainstream faith. There has been no shortage of theories about the Ark’s purported survival — including a bestseller on its location in a church in Ethiopia. But most Biblical

scholars believe it was incinerated at the time of the Babylonian destruction, says Jim Fleming, director of the Biblical Resources Study Center in Jerusalem, who has also lectured in archaeology at the Hebrew University. And, according to Fleming, the assertion that Jesus was crucified above the Garden Tomb is not widely held, either.

Yet Rives expounds the unorthodox theory not at an offbeat Christian gathering, but at an Israeli government-authorized dig at Zedekiah’s Cave, near Damascus Gate, beneath the Old City wall — on the very route he asserts that Jeremiah and the Ark took. Under the formal auspices of the Israel Antiquities Authority (IAA), the two-week dig earlier this summer was carried out by Rives and 37 of his supporters from around the world, intent on finding Jeremiah’s tunnel. It was funded by their donations and those of other supporters of his group, the Cornersville, Tennessee-based Wyatt Archaeological Research foundation (WAR).

Over the years, WAR and its founder Wyatt, who died of colon cancer in 1999, claim to have discovered not only the Ark of the Covenant and other Temple treasures, but also proof that Jesus was crucified directly above the cave in which the astound-

ing cache was “found.” Further afield, they also claim to have found the fossilized remains of Noah’s Ark in Turkey, the site of the Israelites’ Red Sea crossing and the Biblical cities of Sodom and Gemonrah. These claims have generally been dismissed by mainstream archaeologists.

So how did WAR come to be digging in Zedekiah’s Cave — just a few hundred yards from the ultra-sensitive Temple Mount — with the sanction, indeed encouragement, of the Israeli government’s archaeological authorities? (False rumors that Israel was tunneling under the Temple Mount in 1996 prompted the so-called Hasmonian Tunnel riots in East Jerusalem and the West Bank, in which some 60 Palestinians and 15 Israeli soldiers were killed. In fact, Israel was opening a second exit, in the Christian Quarter of the Old City, to an ancient water system that ran alongside but not under the Mount.)

And why would the IAA have agreed to the dig when, according to the IAA itself, the Wyatt track record in Jerusalem is disturbing? Although WAR claims that Wyatt’s work in Jerusalem in the late 1970s and early 1980s was carried out in compliance with the Israeli authorities, the IAA’s Jerusalem Region Archaeologist,

Jon Seligman, is adamant that the 1982 dig at which Wyatt “found” the Ark was conducted without its permission.

WYATT ARCHAEOLOGICAL research was founded in 1993 as a non-profit foundation, committed to uncovering evidence of the historicity of Biblical events. Wyatt, a Tennessee nurse-anesthesiologist and amateur archaeologist, had made headlines a decade earlier when he claimed to have discovered a fossilized Noah’s Ark — complete, according to WAR’s website, with hard fossilized deck timber — near the

silized boat; an article published in 1996 by the respected American *Journal of Geoscience Education* credits Wyatt with reviving interest in the site in the 1980s, but explains that the site’s peculiar formations, as well as objects mistaken for petrified wood or iron fittings, are the products of nearby volcanic activity and other geological processes.

For Wyatt Archaeological Research, such scientific conclusions are insignificant. It still sells videos today, for instance, hailing the discovery of “Noah’s Ark”; according to WAR’s website, the \$30 tape includes “graphics explaining the processes which preserved the remains” and documentation of “scientific testing as it took place.”

In a WAR newsletter published in 1994, Wyatt’s wife Mary Nell Wyatt, compares those who reject his findings to contemporaries of Jesus who refused to accept him as the Messiah. She also admiringly quotes Rives — who began working with Wyatt in the early 1990s, was named curator of

(Other sources estimate WAR’s annual revenues and donations at \$140,000 or more.) But Rives says that all “proceeds from sales and donations go straight into the work” of the group, and that “there is a great interest in the work of Wyatt Archaeological Research in all parts of the world.” He adds that the elegant website — with its accounts of the various adventures and “discoveries,” and its online catalogue of WAR products — “has been visited by hundreds of thousands” of people.

Such visitors are also given the opportunity to make tax-deductible contributions to WAR. As of early August, the site also offers a 15-minute video on the just completed dig at Zedekiah’s Cave “as a gift to those who would like to contribute \$50 or more.” The website describes the WAR team as having completed “a seemingly insurmountable task”: “In an unprecedented

modern Mount Ararat (the Biblical name for the mountain where the Ark came to rest) in Turkey.

In a WAR newsletter in 1992, Wyatt expressed his delight that he had been privileged to discover archaeological proof of the veracity of the Bible. Mankind was nearing the end of history, he asserted. And the findings demonstrated that God was now choosing to reveal His past supernatural actions on man’s behalf.

In fact, the “Noah’s Ark” site at which Wyatt dug had attracted archaeological interest for many years. As long ago as 1960, *Life* magazine had described a scientific expedition which had failed to reach definitive conclusions over the origins of a curious, boat-shaped rock formation there. Subsequently, geologists concluded that the formation was not a fos-

headlined “Significant Discoveries in Zedekiah’s Cave,” even describes “a potentially deadly scenario” if the wall were to have fallen on them.

WAR’s videotapes are also advertised in publications like the Topeka, Kansas-based “Prophecy Club” newsletter,

Gate. The cave, which extends far beneath the crowded Moslem Quarter, is a relatively little-known archaeological site — but critically, for WAR’s concerns, it lies on a direct line from the Temple Mount to the Garden Tomb.

As the two-week dig neared its conclusion, Rives and his team of volunteers were an enthusiastic, and dusty, crew — but prevented by the terms of a non-disclosure agreement with WAR from discussing its specifics. They were plainly delighted to be in the Holy Land and participating in what they indicated they thought was work of immense potential importance. They had come mainly from the U.S., but some were from further afield, including Scandinavia, Eastern Europe and Australia. All had signed up in response to an appeal for volunteers on the WAR website. One American volunteer, who grew up in a Jewish household before joining the Seventh-Day Adventist Church at the age of 25, spoke of the thrill of visiting Israel for the first time.

and fundraising activities.

He has continued to keep tabs even after the end of his 25-year tenure at the IAA, for whom he still works as an independent consultant. In the process, Zias has accumulated a thick file full of press clippings, End-of-Days pamphlets published by WAR and various groups which accept

entire project — managed the site, documented the findings and ensured that all excavation proceeded according to standard archaeological practice. Furthermore, Seligman notes, while WAR cannot be prevented from issuing sensational claims about any finds there, it must not imply that such claims are in any way corroborated by

WAR still sells \$30 videos of its ‘Discovered Noah’s Ark’

Zelinger, the IAA archaeologist who supervised the dig, told them: “Although we do not believe in the same things, we have worked together, and it was quite nice.”

Archaeologist Joe Zias, for one, however, considers it scandalous that WAR was here at all. As the former curator of the IAA’s collections at the Rockefeller Museum — just down the road from Zedekiah’s Cave — Zias has followed Wyatt and WAR closely for 15 years, and believes that the IAA, by sanctioning and supervising the dig, is damaging its own reputation and credibility, and providing unwarranted legitimacy for WAR.

Zias says his interest in Wyatt, and his sensational claims, was particularly stirred in the late 1980s: Three Christian ministers from the American Midwest came to see him at the museum to discuss Wyatt, who had been fundraising at their churches. They told him that the fundraising was highly effective, and they wanted to be sure that the money from the members of their congregations — which might otherwise have been donated for church work with the homeless, the hungry and other disadvantaged parishioners — would be properly used. Zias says he was unable to offer such confirmation, and began keeping an intense watch on Wyatt’s archaeological

Wyatt’s findings, and other documents detailing the WAR enterprise.

And Zias has reached the firm conclusion that the IAA should be steering well clear of, rather than sanctioning, digs by WAR. “Under the guise of religion, you can get away with anything,” Zias muses. But when a respected archaeological body such as the IAA cooperates with such groups, he says, “it seriously damages archaeology, and makes us look like a bunch of Indiana Joneses.”

It was Seligman, the IAA’s Jerusalem Region Archaeologist, who enabled the two-week July dig after receiving a proposal from WAR for excavations at Zedekiah’s Cave. And he did so, he says, in full knowledge of WAR’s unorthodox beliefs and unsubstantiated claims — and even though, Seligman himself asserts, Wyatt’s 1982 dig was carried out without IAA sanction. “There is a correlation of interests,” Seligman explains. When WAR contacted the IAA and proposed a dig at the cave, the IAA saw an opportunity to learn a great deal about the technology and lifestyles of the Hellenistic and early Roman periods. Besides, Seligman notes, “Wyatt is dead. We’re talking about different people now.”

Seligman stresses that the actual dig permit was granted not to WAR, but to IAA archaeologist Zelinger, who supervised the

the IAA — thus, says Seligman, ensuring that there can be none of the damage Zias fears to the IAA’s credibility.

And indeed, WAR’s dramatic account of the dig stands in some contrast to Seligman’s bland summary. It was a “small dig,” he says, and far from posing any unusual technical challenges or dangers, was “simple” and “easy.”

Seligman says he sees Rives and his colleagues simply as members of a religious community whose beliefs diverge from his own. And if, in time, it turns out that they misrepresent what they were doing here — “if they say [in their publications] that they managed the dig, [rather than that they dug under IAA supervision] — I will send a letter: ‘Sirs, you have violated the contract.’”

DAN BAHAT, AN ARCHAEOLOGIST currently at Bar-Ilan University, was the IAA’s Jerusalem Region Archaeologist in 1982, when Wyatt “discovered” the sacred Ark of the Covenant and the other astonishing Temple treasures.

Like Seligman, Bahat says that dig was carried out without the IAA’s permission. Eventually, he recounts, the site’s Anglican caretakers even refused to let the self-

involuntarily raised, so that it pointed to the escarpment. And his voice declared that this was “Jeremiah’s Grotto” and that the holy Ark lay buried there. The unnamed Israeli archaeologist was so excited by the event, continues the account, that he committed on the spot to provide all the necessary permits and cooperation — not to mention accommodation, food and even laundry services — for Wyatt to return and uncover the Ark. And so began the four-year effort which would culminate with the “discovery” in 1982.

As the IAA representative to whom Wyatt turned in 1982, Bahat claims to recognize himself as the inspiration for the archaeological authority mentioned in the story — though he was not involved with Wyatt as early as 1978, knows of no divine revelation, and therefore could not, and would not, have been inspired by it to lend his assistance to Wyatt’s efforts.

But whether or not Wyatt ever did receive the response which the WAR newsletter describes from an unidentified Israeli official, Bahat insists on two facts:

described amateur archaeologist enter. It was then, says Bahat, that Wyatt contacted him and asked him to come look at the dig.

Bahat, a leading expert on Jerusalem’s archaeology, agreed to visit, and used his influence to get Wyatt into the site one last time — otherwise, he feared, Wyatt and his supporters might have charged, damagingly, that “the Israeli government has something to hide there.” He says he reassured

coveries. Reflecting ruefully on his assurance to the Anglican authorities, back in 1982, that Wyatt would not misrepresent his findings, Bahat says, “I came out of it cheated.”

Yet Bahat shares Seligman’s tolerance for Wyatt and his successors, and sees no need to exclude them from IAA-run digs. “Ron Wyatt was a man who decided he knew where the Temple treasures were to be found,” Bahat states indulgently. While this claim was, according to Bahat, an innocent delusion, it was “done with a pure heart.” And his followers continue to provide welcome sponsorship for the cause of legitimate archaeology in Israel. In the case of this summer’s dig, he says approvingly, “the IAA has cooperated because it’s been an opportunity to study Zedekiah’s Cave on someone else’s dollar.” And Bahat offers another consideration in favor of this summer’s cooperation with WAR, echoing his 1982 decision to come to Wyatt’s assistance. If Israel hadn’t said yes, “they could have said ‘these Jews have a campaign against us.’”

Zias, though, is thoroughly unimpressed. Wyatt Archaeological Research, as far as he is concerned, is raising funds from well-meaning supporters by making unwarranted claims about its “discoveries.” And the IAA, by enabling WAR to keep on digging, is facilitating that process. Time after time, Zias returns to a quote which he attributes to the Roman senator Seneca: “Academics should be lawyers for the masses.”

THE IAA-WAR DIG NEAR DAM-ascus Gate concluded on July 24.

Its goal, Rives told The Report, was to explore “an anomaly” in the cave which had earlier been detected by WAR’s ground-

the Anglican authorities that Wyatt’s intentions were honest: “I said to them, ‘If there’s nothing here, he’ll say there’s nothing.’” And as Bahat expected, “Wyatt took me to see something in a pit near the Garden Tomb, and there was nothing. I told him I didn’t see anything.”

WAR offers a more colorful story about the dig at the Garden Tomb. According to a WAR newsletter published in 1994, for example, the story of the dig begins in 1978, when Wyatt took a walk along the “Calvary Escarpment,” in the area of the Garden Tomb, with the head of the Israeli Antiquities Department. In the course of this walk, the newsletter claims, a divine force took over Wyatt’s body. Wyatt’s arm was

In 1982, when he was the Jerusalem Region Archaeologist and Wyatt was digging in East Jerusalem, Wyatt did not have a license to dig there. And, moreover, Wyatt could not have received such a permit, even had an Israeli official wished to grant it, because he wasn’t qualified. Seligman confirms that Israel’s antiquities laws require that a permit-holder for a dig hold at least a bachelor’s degree in archaeology, be affiliated with a recognized archaeological institution which can take upon itself the responsibility to publish the dig’s results, and be approved by a committee. Wyatt did not meet these criteria.

Nor does Bahat give the least credence to Wyatt’s claims regarding the dig’s dis-

penetrating radar. And this goal was achieved. The WAR website says that the “anomaly” turned out to correspond to a hollow, which had at some point been filled in. The team’s excavations, it adds, have provided new support for Ron Wyatt’s account.

Although there are no firm plans at present, Rives says he hopes that WAR will soon be back in East Jerusalem, digging again with the IAA: “We are hoping to find a true void, an open area indicating the existence of an ancient passageway” — through which, presumably, Jeremiah smuggled the Ark to its hiding place. The IAA’s Seligman, too, says he sees no reason why the fruitful cooperation should not continue.

It’s very Obvious that the IAA government department has a bit of explaining to do about their years of involvement with Ron Wyatt, to just refute and deny him and his discoveries is very suspicious at best. The evidence Ron acquired if it were to go to court would prove Ron Wyatts case hands down.

Chapter 41C

The Ark of the Covenant discovery in Rons own words is at Golgotha Hill near his Jeremiah Grotto dig site 40 feet below in Jeremiahs cave (covered over with a shelter platform table and chairs). In the roof directly above where the Ark was found there was a crack that ran through solid bedrock 20 feet upwards. This crack came out to a cross-hole on a ledge 20 feet above the cave roof. Ron found a certain cross hole directly above the position of this cave crack. This cross hole was under rubble accessed through a tunnel area 14 feet below the Grotto ledges he had uncovered, Ron had dug 90 feet of tunnels in excavations.

This crack in the bedrock then continued up the side of the hill near Jeremiahs Grotto rock face ledges believed to have happened at Christs death. Ron also found a black substance around this crack in the hidden cross hole, in the bedrock crack above the Ark in the cave ceiling. This same blackened substance had fallen onto the stone sarcophagus lid where it had split in the middle from an earthquake. A black substance known as old dried blood was later discovered as well on the solid gold Ark mercy seat; it had dropped through the cracked stone lid. This was where the blood of Jesus 2000 years earlier had seeped down through this bedrock crack from the cross hole above travelling 20 feet below. The average human being carries around 5.5 litres of blood in their physical body this was shed from Jesus body at crucifixion. The Ark of the Covenant was hidden away 635 years (587 BC) before the crucifixion of Christ in 30-31 AD. Hidden directly beneath where Jesus was crucified near the Place of the Skull at Golgotha Hill. Golgotha hill is part of and sits next to Mount Moriah the Temple Mount, traditionally this is said to be where Abraham (1900 BC) went up to sacrifice his son Isaac in Genesis 22:1-19. For God is the God of generations the God of Abraham, Isaac, Jacob, Moses and Jesus Math 22:32.

Gen 22:2 Then He said, "Take now your son, your only son Isaac, whom you love, and go to the land of Moriah, and offer him there as a burnt offering on one of the mountains of which I shall tell you." NKJV

God in ancient times around 1900 BC sent Abraham to Mount Moriah to sacrifice Isaac. Nearly 2000 years later God then sacrificed His own Son Jesus Christ on Golgotha Hill near the Place of the Skull part of Mount Moriah. Moses time was around 1490 BC he was a later descendant of Abraham, Isaac and

Jacob’s all blood lines of the tribe of Levi as Jesus was. One could say Mount Moriah was a mountain connected to Moses through his blood lines to his ancestral father Abraham.

What most do not realise about the importance of Israel of Mount Moriah and the Place of the Skull Golgotha site, is its very connection to God Himself. This site is connected to Abraham, Isaac, Jacob, Moses, King David and there decandants the Jews whom have lived in and around the promised land for nearly 4000 years. God when he chose Jerusalem as His capital city through King David known as the City of David took David to the place where His own name was written into the earth, from its formation in ancient times. In modern times we now have the “Dome of the Rock” sitting where “Solomons Temple” and “Herods 2nd Temple” once stood.

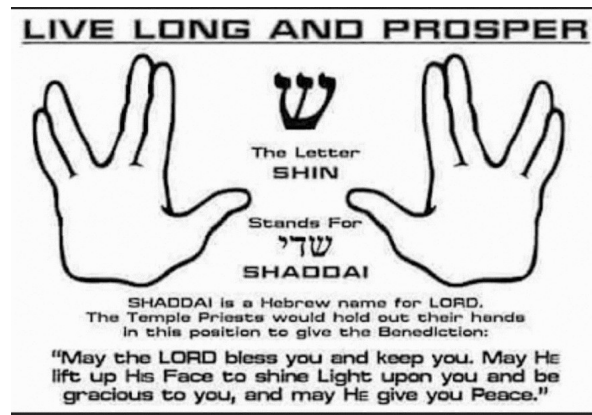

2Ch 6:6 Yet I have chosen Jerusalem, that My name (*SHIN* *שׁ*/Shaddai/Lord) may be there, and I have chosen David to be over My people Israel.’ (NKJV)

God chose the City of Jerusalem and Solomons original temple mount site situated along 3 valley's the Kidron Valley, Tyropoeon Valley & Hinnon Valley. It has 3 mountain tops Mount Moriah (Abraham), Mount of Olives (Jesus' 2nd coming) & Mount Beatitudes (Famous sermon site of Christ Math 5:3-10, hill of Golgotha is beside it). This formation in the land looks like a “W” in the shape of the Hebrew letter **SHIN** שׁ (Dot to right). **SHIN** שׁ is the first letter in El Shaddai (*God Almighty*) and the first Hebrew letter in peace, meaning “**Peace is SHIN**”. The Letter Shin is also the Jewish hand sign used for Shaddai, to symbolize when God spoke to Moses in teaching Arron how to bless the Lords People in prayer from Numbers 6:24-27.

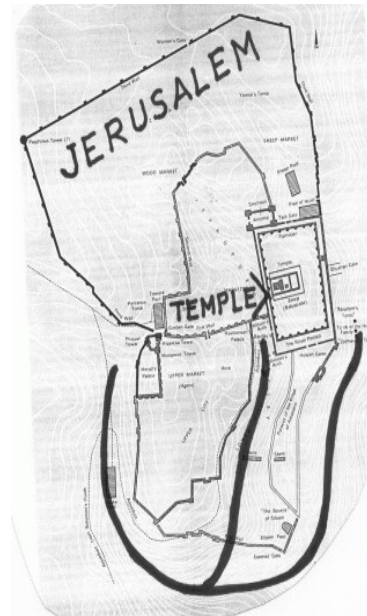

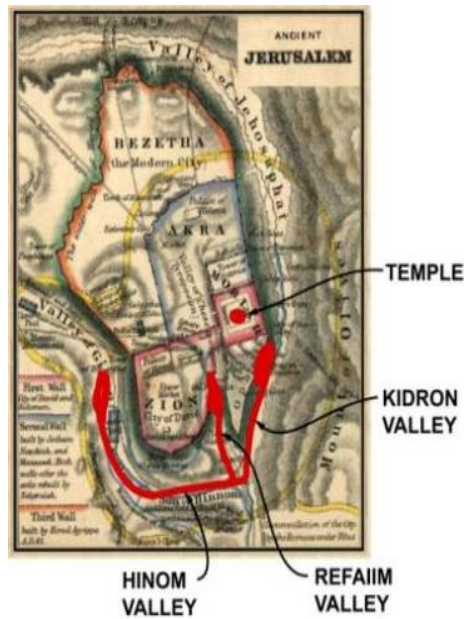

The place where God put His name God Almighty into the earth is where Solomon built the 1st Temple on this very spot-on Mount Moriah over 3000 years ago. Gods supernatural fire then fell at this very spot where God had formed His name in the earth. Gods fire fell before the Jews at the dedication of Solomons Temple in 2 Chr 7:1. Jerusalem was positioned as the very center of the world geographically.

God's insignia was literally marked into the landscape of Jerusalem, שׁ this shin shape also symbolizes fire. The dot to the top right in SHIN is in the position of the actual Temple Mount site, or the Mount of Olives (see pic center below). The God of fire put His name into the ground shape W of the three mountains and three valleys of Jerusalem long ago. God then took King David to this very spot to establish Jerusalem the “**City of David**” the place of the Zion the conquered Jebusite city 1 Chron 11:4-9.

earth in Jerusalem with the dot to the right “fire, Almighty & peace” at the Temple Mount, You also find the Al Aqsa Mosque of Islam built in 691-692AD (dot to the left “lie”). This is where Satan a liar full of falsehood has tried to place his name on the original Temple Mount site in the form of the end times beast’s religion Islam. Satan cannot ascend to the highest place in heaven any more to accuse us before God, he was kicked out of the third heavens by God in Rev 12 at the cross victory. The end times began with the first 5 seals being opened. Satan was thrown down to the earth out of eternal realms in the third heavens “for his time had become short” he was “judged”. Satan was thrown down he “fell like lightning” Lk 10:18-20 to now accuse you to your face, to war against the saints Rev 12:18. Praise God for Rom 8:1 “there is no condemnation for those in Christ” at the cross Jesus made a public spectacle of him Col 2:15.

The devil is trying to ascend on the earth in the midst of the nations at Jerusalem. Jesus is returning to the Mount of Olives Rev 11, Zech 14:4 right where God created His insignia His name in the earth. This last Armageddon war is over the mountain places at the Temple Mount and Mount of Olives in Jerusalem where God has His insignia in the earth **SHIN** 𐤇 formed by 3 valleys (*Ps 23*). situation is a divine set up by God as part of the atonement and forgiveness of sin once and for all. The blood of Christ entered into the Holy of Holies literally on earth as in heaven. The photos below are taken from the end of the Garden Tomb grounds showing Golgotha hill and to the right on Golgotha Hill the infamous Place of the Skull as seen below. To the left of this position at Golgotha around 60-80 feet is Rons Jeremiah's Grotto dig site where Jesus was crucified. Ron Wyatt found three sign ledges and four cross holes at his Jeremiah's Grotto dig site.

Skull of Golgotha hill outside Jerusalem

Jeremiah's Grotto dig site is to the left of the Place of the Skull close to the Garden Tomb on the north wall. Ron Wyatt began a tunnel dig here in 1979 he continued to dig so by 1981 he was in cave chimneys going up through Golgotha hill, with underground tunnels going this way and that. There was a 40-foot chiasm below his dig spot. Ron had dug a tunnel route up to 100 feet going down into the hill from beneath Jeremiah's Grotto. You can see this chasm dug out that was full of rubble with cross holes found in the Grotto where the Israel Antiquities Authority created a table and chairs construction site on next few pages. Ron didn't know fully where to dig, he just kept digging and looking for the Ark of the Covenant for nearly 4 years with 21 trips to the site until it was found.

Ron's entrance to the 1978 – 1982 excavations hole at Jeremiah's grotto 60 to 80 feet to the left of the Place of the skull. This dig hole tunnel into Gologtha Hill eventually led Ron to the Ark of the Covenant.

This was the excavation site just below the cutouts in the cliff face. (photo from Anchorstone.com, but can't locate it's original page). For more info go to the family website: ronwystt.com.

During the excavations Ron dug down the cliff face he removed debris uncovering three cut out ledges in the rock face at Jeremiah's Grotto, these sat directly above his excavation hole. The carved-out ledges with the curved top ledges as seen in these pictures were a common practice in ancient times as found in other archaeological dig sites. Ron strongly believed the signs of Jesus crucifixion were possibly placed here also put on crosses as well. The Romans were very public with crucifixions and signage to intimidate the locals, this spot in ancient times was next to a main road. On the next page is an artist's impression of the cut outs. Four cross holes were found 14 feet beneath these cut outs through tunnels Ron had excavated under piles of rubble.

Israel Antiquities Authority confirms that Ron Wyatt found chambers in his excavations

Some errant critics will say Ron Wyatt never even conducted a dig, or that he never found a chamber. Here are exact quotes from the IAA web site:

“The excavation was conducted south of a natural bedrock outcrop that was identified by General C. Gordon in 1883 as Golgotha (Fig. 1). During the 1980s, R. Wyatt excavated several underground chambers at the site. The current excavation cleaned and documented the former chambers and additional chambers were excavated.”

“R. Wyatt conducted an excavation in the 1980s, which revealed a number of subterranean cavities. In the wake of the excavation carried out in 2005, which cleaned and documented the cavities (HA-ESI 118), a square (5 × 7 m) was opened for the purpose of exposing the remains from surface to the underground cavities.”

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

Some critics, influenced by darkness and ignoring video testimony, will say Ron never even conducted an excavation. This evidence shows something different.

See: <https://www.arkdiscovery.com/iaa.htm>

The three cut out ledges found in 1979 at ground level at Jeremiahs grotto have since been altered chiselled back for construction, with some of the walls smoothed out (see next page pics). The Ark of the Covenant cave is 40 or so feet directly below these cut outs. Rons dig hole into the hill was positioned directly beneath these cut out ledges the cross holes found were 14 feet below the ledges. This area now has a table chairs and deck built there near Jeremiahs grotto for tourists to rest. Ron found the first cross hole on an elevated six-foot ledge then he dug down another four feet in front of this ledge to find three more cross holes in a row, the fourth cross hole on the ledge above had the bedrock crack in it the cross hole of Christ. The fourth cross hole on the elevated bedrock ledge years later has been destroyed dug up. Even the Place of the Skull itself has suffered much erosion in the last several years.

Above is the 2005-2006 construction area with the chasim beneath Rons dig site hole, now uncovered and cleaned out by the Israel Antiquities Authority they knew of Ron Wyatts discoveries here. They cleaned out the dig site then built a small building with a tourist rest area and chairs called the “deck” over the top of it covering it up. The cross holes were destroyed, the alter and the foundation walls removed from an ancient old building they then covered part of the alter ledges on the site, they filled Rons dig tunnel up with reinforced concrete. Rons dig site is no longer accessable its all covered over and locked up. In later years specialised detector testing for gold was done over 30 times on this very spot signalling a lot of gold sits directly below the ledges beneath the chasim below.

By 2025 the IAA had built a small fully enclosed roof and glass building over the top of this very spot, this seems to be a lot of effort to cover over something they deny even took place with Ron Wyatt. There is no way any one else will get access to Rons past dig site it has been completely closed down and cut off by the IAA. For some reason the IAA have completely changed and protected this area I wonder why ? As Ron Wyatt himself said the IAA actually have another access tunnel into Jeremiahs Grotto cave through Zedekiahs cave.

This has all been modified they built over whats left of the ledges and the fourth cross hole 14 feet below. It was 20 feet beneath this cross hole where Ron found Jeremiahs cave with the Ark of the Covenant inside. So

when you sit here you sit directly above the crucifixion site of Christ and the Ark of the Covenant hidden below in Jeremiahs cave.

Ron Wyatt found a manmade stone wall and worship alter stone set into a stonewall with a fourth cross hole, covered over with a square stone lid directly in front of the alter on an elevated platform. This cross hole had an inch wide crack in it that ran down 20 feet into Jeremiahs cave below. The alter stone elevated ledge and rock face were once part of an ancient building that had been built over this crucifixion site. Three other cross holes were found in front of the elevated platform a further four feet down under rubble. Rons excavations partly uncovered a large (13 feet) round two feet thick flat stone in front of the three cross holes in a row believed to be the Garden Tomb seal-stone. Ron was convinced this was the crucifixion site of Christ.

Above you see an artist impression of a side view of the wall where the three sign ledges were beneath was the alter and elevated cross hole with three other cross holes at Jeremiahs grotto dig site. You can also see the tomb stone that was moved several feet from Jesus actual Garden Tomb site Ron partially uncovered it. This round tomb stone was located by ground penetrating sonar it was several feet underground and 13 feet across at Jeremiah’s Grotto excavation site, the round tomb stone was never fully excavated by Ron. The Garden Tomb of Christ was only discovered in 1867.

Mark 16:3-4, “And they said among themselves, ‘Who shall roll us away the stone from the door of the sepulcher?’ And when they looked, they saw that the stone was rolled away: for it was very great” KJV.

Ron discovered the cut outs first in the wall then the four cross holes. The cross hole on the elevated ledge according to Rons son had a Tiberius coin in the bottom of the hole. This elevated cross hole had the bedrock crack an inch wide running through it on the left side of the hole. Ron later excavated in the cave where he found the Ark of the Covenant 20 feet below these cross holes (cross holes were 13 by 14 inches wide) this is where this crack emerged in the cave roof. Ron Wyatt also found several other Roman coins in a cave tunnel chamber behind the cross holes. One coin had Tiberius Julius Ceasor Augustus on it dated 14-37 AD an identical authentic crucifixion era coin, see an example below.

The pictures below are of the fourth elevated cross hole on the platform under the stone alter believed to be Jesus cross hole. Other photos are passed around of this, but these are the correct photos of the elevated cross hole discovered and taken by Ron Wyatt himself. The fourth cross hole was destroyed by the 2005-2006 construction and building of the tourist platform table and chairs at the grotto.

Those at the IAA do not receive Jesus Christ as their Messiah they are Judaism followers of the Torah (Old Testament). This photo is what's left of the crack in the bedrock that ran down 20 feet below as seen on previous pages. Above is an old picture prior to 1953 when the bus station was built in front of the Place of the Skull as seen in photo below. To the left white square is Rons dig site area. As said Rons excavation tunnel beneath Jeremiahs Grotto was to the left of the Place of the Skull this dig site that brought forth amazing results after hard work.

It was in 1978 when Ron walked around Golgotha Hill with an antiquity official when Ron lifted his arm pointing then supernaturally stated **“That’s Jeremiahs Grotto the Ark of the Covenant is in there”**. It was in 1978 in Israel near Ashkelon a coastal city Ron was looking at old antiquity’s sites along the coast 13kms from Gaza. It was a hot day so he and his boys went for a swim in the water. While in the water Ron stubbed his toe on something suspicious and asked his boys to dive under to see what it was. The boys dove down to find the top edges of big round pots Ron reported this to the Israeli antiquity’s authorities, they did not know these were there. These pots turned out to be Philistine burial urns, Ron

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

later also found Roman artifacts. This was how Ron got his foot in the door to get a dig licence permit with the Antiquities authorities.

One day, in 1978, Ron Wyatt was walking in the vicinity of Golgotha and The Garden Tomb. As Ron Wyatt walked past the Calvary Escarpment he was talking to a Jerusalem antiquities authority about Roman antiquities which Ron had just discovered. Suddenly Ron Wyatt pointed to a site being used as a rubbish dump and said, “That is Jeremiah’s Grotto, and the Ark of the Covenant is in there.”

The Garden Tomb site Without realising it, Ron Wyatt was prophesying, under the anointing of the Holy Spirit. The official with Ron immediately said, “That is wonderful! We want you to excavate. We will grant you your permits, put you up in a local hotel, and even provide your meals!”

Ron knew that this was a supernatural event, but he also knew that not all such events originate from God, and was naturally cautious. So, Ron returned home to the USA, and began to research the history of the Ark of the Covenant, to see if the Ark could be hidden in this area in the North of Jerusalem.

See: <https://drrichardkent.org/biblical-archeology/the-ark-of-the-covenant/ron-wyatt-propheisied-about-the-exact-location-of-the-ark-of-the-covenant/>

After 4 years of digging 90 feet of tunnels beneath Jeremiah’s Grotto wall Ron eventually found a 16-inch stalactite hanging from a small enclosure roof. This was prior to the new cave he later named as Jeremiah’s Cave. Ron then broke the stalagmite from the roof of the tunnel in behind the stalactite was hiding a small fist sized hole; this went through a solid stone wall into another chamber as Ron soon found out.

The three top photos are CGI re creation bottom photo is the actual stalagmite that Ron broke off. On the next page are the actual photos of the shaft hole leading to the Ark cave Ron broke into with all the rocks on top. Items such as this stalagmite shown in this chapter were in Ron Wyatts Museum in the USA.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

Ron began working on that small hole behind the stalactite to open it up, this hole led Ron into what he called Jeremiahs Cave. Ron opened up the hole big enough to fit a small body through into this new chamber. At first Ron sent in a young Arab man but that man got spooked terrified and came out saying what's in there? he took off running and he would not go back in. Ron enlarged the hole so he himself went in this time to where he saw a lot of large stones piled up to the roof of this new cave chamber.

Ron had to crawl across the top of rocks close to the roof of the cave. Looking down from being on top of these rocks was when Ron could see further by torch light he spotted gold reflecting from his torch. Ron then realised in the midst of these rocks was a solid stone box and lid covering a sarcophagus.

The roof crack of the cave chamber, the cracked lid of sarcophagus with dried blood (CGI)

Ron gained excavation permission and licenses from the Israeli government in 1978 four years later in 1982 on Jan 6th at 2pm the Ark of the Covenant was discovered. Once Ron could see solid gold under the split lid of the sarcophagus he realised, he had found the Ark of the Covenant. Ron then saw a black substance on the cave roof around a crack above the stone lid and on the sarcophagus lid. When Ron realised this was the centuries old aged dried blood of Jesus Christ, he fainted for about 45 mins at the revelation and magnitude of what he had discovered.

Inside Jeremiahs cave chamber along with the Ark of the Covenant was also found (10 commandment stones, jar of manna Arons rod) the sword of Goliath, 7 branched candlestick an incense burner and pomegranate, an ephod, tabernacle tent poles and gold covered boards, the alter of burnt offerings, brass ring, table of show bread, some Old Testament scrolls on animal skins in very good condition, several oil lamps and other gold furniture. All of these temple items were covered in old animal skins under the rocks (Picture are CGI descriptions of the discovery). According to eye witness testimony there is video taken of this cave and bits at the time of the initial find yet this resides with a trusted friend of Ron Wyatts, if this ever comes to light we will never know deepening the mystery.

Ron also found 7 ancient Hebrew oil lamps in this cave he gave 6 to the Israeli antiquities department and kept one for himself see pic on next pages. The oil lamp Ron kept had a ram engraved upon it caught in a thicket seemingly depicting Abraham's sacrifice of Isaac and Gods provision. This very dig sight was next to Mount Moriah the traditional place of Abrahams alter of sacrifice with Isaac. Ron reported his find all to the Antiquity Authorities they could hardly believe what he had found and ordered him not to tell anyone about it, but it was too late Ron confessed he had already let some people know. Ron had a

The stones packed into Jeremiah's cave were blocking the way in and out of the cave where the Ark was found. The stones were placed there by Jeremiah and his men 2604 years ago in 587BC safely hidden away for two and a half millennia. These stones covered the temple furnishings, under the stones were animal skins and boards protecting the temple furnishings. Ron later drilled a hole in the side of the stone sarcophagus box containing the Ark of the Covenant to take pictures as he tried to film it. The gold Ark reflected his torch light so much it kept blurring the pictures, so no clear pictures emerged only blurred pictures from the glare. Ron had taken nearly 600 pictures of the Ark all were blurred due to reflection issues from the gold and God's desire to keep it hidden for now. Ron got only 2-3 clear pictures of the Ark but God had told Him he was not allowed to reveal them to the world “it's not time” this situation of obedience deeply hurt Ron. Ron gave these clear pictures to another friend for safe keeping in his later this friend is known by Kevin Fischer whom promotes Ron, maybe one day these will come to light.

The small hole drilled into the Sarcophagus stone box to get photos of Ark

Inside Jeremiah's cave Ron Wyatt also found the original entrance to Jeremiah's Cave that entered from Zedekiah's Cave system. This entrance was on the far side from where Ron had broken through the wall from Jeremiah's grotto direction. It was in 587 B.C the Babylonians had surrounded Jerusalem then the eventual Babylonian captivity came in 605 BC, the Ark of the Covenant was hidden away by Jeremiah.

Blurred picture taken through Ron's drill hole of the Ark you can make out an angel priest holding a staff on top of the Ark lid in the cave (pic on right CGI). Jeremiah's original cave entrance leading into where the Ark was placed after being transferred from Solomon's Temple came through Zedekiah's Cave. Zedekiah's Cave is a well-known tourist spot as part of the infamous Mines of Solomon. A shaft

travelling 40 metres away from Jeremiah’s cave underground then connected across to a 375-foot tunnel leading to Zedekiah’s cave. Zedekiah’s cave itself then went further back by another 400 meters or so to its entrance at the surface (tourist spot see next few pages).

Zedekiah's Cave is in the red above opposite the Place of the Skull and bus terminal it is connected across to Jeremiah's Grotto cave via a smaller shaft tunnel where the Ark was found. Left of the red arrow is the place of the Skull at the bus terminal, right of the arrow is Jeremiah's Grotto.

Above is Zedekiah's cave entrance opposite the Place of the Skull along with the cherubim sign that was found in 1874 deep inside the cave. Zedekiah’s cave system goes back 740 metres from its entrance with tunnel links across to Jeremiah's Ark cave. An offshoot tunnel had connected to Jeremiah's cave where the Ark was blocked off by a manmade stone wall. There was a cherubim carving marked in the wall by the Zedekiah cave connecting entrance to Jeremiah’s Cave. This carving was removed in 1874 and taken to a museum in London where it now resides held by the Palestine Exploration Fund.

The spot in the wall where the cherubim (right cherubim CGI) was removed deep inside Zedekiah’s Cave is close to the entrance of the shaft that led to the Ark in Jeremiah's cave near Jeremiah's Grotto. This

cherub was deemed to secretly mark the way to the Ark of the Covenant as a symbol. For obvious reasons this off shoot tunnel is off limits to the public walled off. Where the cherubim hole was there was a wall constructed that blocked the way through to Jeremiahs Cave tunnel. This manmade wall was 50-60 further in from the cherubim hole cut out. In the later years after the Ark discovery Ron would come to this wall and an angel or man would say to him “remove the stones and go forward” or “you cannot enter”. Ron would then access Jeremiahs Cave and the Ark of the Covenant from the Zedekiah Cave connecting tunnel behind the wall, he knew the right pathway to take.

Years later Rons sons Dannie and Ronnie found in Zedekiah’s cave part of this wall had been excavated, they found a green locked steal door with a long dark cave tunnel in behind the door not far from the cherubim hole in the wall. One of Rons sons said you went down a steep dip then out a sort of hole up to a ledge where the door was located. Ron Wyatt said he was very surprised and happy that his boys had seen the tunnel in Zedekiah’s cave that led to Jeremiahs Cave.

In the mid to early 2000’s further excavation and readings were done on this back wall in Zedekiah’s cave catacombs near the cherub carving site. In behind this wall is the linking tunnel that goes back 375 feet to Jeremiah’s Cave where the Ark of the covenant resides according to Ron Wyatt. This wall had been built to block the way into the access tunnel to Jeremiah’s Cave, these people did not go through the wall.

Measurements of the space in behind this wall were taken via radar equipment.

Re Cap: Jeremiahs cave that Ron had broken into was situated beneath Jeremiahs grotto through several feet (20) of solid stone. Not far beneath Jeremiahs Grotto is the current location where Ron found the Ark of the Covenant in the stone sarcophagus. The earthquake that took place at Jesus death tore the 2nd temple veil in two as found in Math 27:51 where it also split the rocks. The crack in the rock started above the Ark in the roof of Jeremiah's Cave that then went 20 feet straight up connecting to the centre cross hole above at Jeremiah's Grotto, where the four cross holes where found. The crack is actually on the left side of the centre cross hole Ron found.

At the moment of Jesus death in scripture it states an earthquake took place Math 27:50-51, Mark 15:33 this would have formed the downward 20-foot crack from the cross-hole Ron had found at Jeremiahs. This downward crack in solid rock opened up into the cave chamber of the Ark an incredible situation. The split in the rock came out directly above the Ark in the cave roof above the stone sarcophagus lid. The split in the sarcophagus lid had pushed one part of the lid eastward opening up the sarcophagus exposing its contents. God had arranged miraculously for the Ark with its mercy seat to be placed directly below Christs crucifixion cross hole. The Ark had been placed in that position in Jeremiah's cave 600 years before in 586 B.C. Jesus blood had landed on the left side of the mercy seat lid.

The actual date of the 33 AD Passover earthquake can be found in written history from historical recorded evidence by four differing historians of the day, whom were all outside the Bible as authors. The four ancient historians were Phlegon (137 AD), Thallus (52 AD), Africanus (221 AD) and Tertullian (160-220 AD). The earthquake is said to have occurred on April 3rd in 33AD, then after 3 hours of darkness from mid-day onwards Jesus died this was at 3pm and the earthquake hit. This was not an eclipse as they only last 10 mins or so this was 3 hours of supernatural darkness.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

The time and accuracy of Jesus death can be found in history through the Artaxerxes decree in 457 BC (Ezra 7:7) where he authorised Jews to return to Jerusalem from the 70 years of Babylonian captivity. The Jews were authorised to also rebuild the walls and the city of Jerusalem. If we calculate from 457 BC to 27 AD it is the end of 483 years as found in the Dan 9:24-27 seventy-week prophecy. Jesus began His ministry at 30 years of age Lk 3:23, in the 484th year from 457 BC at the beginning of the 70th week of Dan 9:25. Jesus ministry would last for 3.5 years then he was “cut off” crucified for mankind’s sins.

Dan 9:25

Know therefore and understand that from the going forth of the command to restore and build Jerusalem (Artaxerxes 457 BC decree) until Messiah the Prince. There shall be seven weeks and sixty-two weeks (69 weeks completed or 483 years until Jesus begins His ministry as Messiah the Prince, 27 BC becomes the 484th year the beginning of the 70th week). (NKJV)

After 3.5 years of ministry from 27 AD Jesus reached the age of 33 and a half years old at His death on the cross. In the Daniel 9 prophecy He was “cut off” mid-way through the 70th week or midway through the final 7 years of Dan 9:24-27 (See also chapter Zech 11 the staff of beauty broken in two). Jesus was crucified on the cross He was “cut off” Dan 9:26-27 to “finish transgression” Dan 9:24 as He confirmed a covenant for one week or the last 7 years of Daniels 70-week prophecy Dan 9:27. It was in the middle of the 70th week when Jesus was “Cut off” He was crucified 3.5 years into His ministry in 30-31 AD. This was the midway point of the Dan 9 seventieth week. A cosmic shift in realms took place as darkness came for 3 hours then an earthquake hit splitting rocks at His death as the 4-inch-thick veil in Herod’s 2nd Temple was torn in two by an invisible hand Math 27:51.

The dead saints of old Jerusalem in Christ rose from their graves and were seen in the streets of Jerusalem at Christ’s death and resurrection. This was the beginnings of the first resurrection Math 27:52-53, as Caiaphas had said “**one man should die instead of the nation**” Jn 11:50-51. Jesus went into the heart of the earth He took the first part of His bride/wife out of Abrahams Bosom to go with Him into heaven at His resurrection. Jesus had preached with signs and wonders for 3.5 years until his death proclaiming the Kingdom has come, for all to repent and be saved through Himself. It was after the cross that His

disciples continued to preach in Jerusalem to the lost sheep of Israel for another 3.5 years until Stephen's death in 34 AD completing the final 7 years of Daniels 70-week prophecy.

During the crucifixion when the Roman soldier pierced Jesus side at his death, blood and water had gushed down into the split in the rock below the cross hole from the earthquake that hit. This split in the rock occurred at the moment of Jesus death, blood gushed 20 feet down through split rock onto the mercy seat lid below. This was Gods final miracle act where He fulfilled the Old Covenant and began the New Covenant with the shed blood of His only begotten Son Christ. God through the lambs shed blood of “Jesus” literally anointed the most Holy Place once and for all. The Holy place in the natural realms on earth was Gods Ark of the Covenant. The Ark was Gods throne on earth Ps 99:1, it was symbolic of His Holy place in heaven Gods throne His seat of power Rev 11:19.

Recap:

Jeremiah at Gods direction took the Ark of the Covenant from Solomons Temple 600 years (587 BC) before the crucifixion of Christ in 30-31 AD. Jeremiah hid the Ark deep inside underground caverns entering through Zedekiahs cave system. A connecting tunnel then branched out into Jeremiahs Cave 375 meters deep from the back of Zedekiahs cavern system beneath. This cave was situated 40 feet below Jeremiahs Grotto dig site. Above right is just an artists impression in short form of this occurrence over 2600 years ago. Jesus own blood fell onto the left side of the hidden Ark of the Covenant mercy seat lid where Ron was shown the black substance. The right side was only used by the priests to sprinkle animal blood 7 times for sin (Lev 16:14). The left side of the mercy seat lid in this situation was reserved for Christ's blood alone. Just the magnitude of this alone is enough to make the hairs stand up on the back of your neck. Ron Wyatt's finding of the “**Ark of the Covenant**” and this unveiled revelation of what actually happened that day over 2000 years ago is monumental. Truly as scripture states “**It's the Glory of God to hide a matter and the Glory of kings to search it out**” Prov 25:2.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

The next few pictures are what the Ark of the Covenant actually looks like according to Ron Wyatts testimony.

In the ancient past the Ark would be moved around upon the shoulders of levite priests. The 10 commandments, Arons rod and a container of manna was inside the Ark. The Ark box is said to be one metre long and half a metre high then you have the angels attached, it had a drawer in the back for scrolls.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

An ancient 2000 year old dried dark black substance found to be human blood was on the left side of the Arks mercy seat lid. Below is a life size replica of the Ark and ten commandments made in the USA.

Making the Ark

Exodus 37:1 - 9

Then Bezalel made the ark of acacia wood; two and a half cubits (Israeli cubit 44.4cm to 51.8cm) was its length, a cubit and a half its width, and a cubit and a half its height. He overlaid it with pure gold inside and outside, and made a molding of gold all around it. And he cast for it four rings of gold to be set in its four corners: two rings on one side, and two rings on the other side of it. He made poles of acacia wood, and overlaid them with gold. And he put the poles into the rings at the sides of the ark, to bear the ark. He also made the mercy seat of pure gold; two and a half cubits was its length and a cubit and a half its width. **He made two cherubim of beaten gold; he made them of one piece at the two ends of the mercy seat: one cherub at one end on this side, and the other cherub at the other end on that side. He made the cherubim at the two ends of one piece with the mercy seat. The cherubim spread out their wings above, and covered the mercy seat with their wings. They faced one another; the faces of the cherubim were toward the mercy seat.** NKJV

Scripture describes exactly what Ron Wyatt found in Jeremiahs Grotto cave in 1982. Two cherubim angels of solid gold one at either end on the sides as one piece with the mercy seat. Their wings spread out covering the mercy seat, facing one another looking down toward the mercy seat where the blood was sprinkled. This was designed in the shape of a seat a throne for God to rest upon on the earth His earthly throne.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

The blood of sacrificed animals would be sprinkled on the eastward side of the Arks mercy seat lid by Levitical priests, to atone for the sins of the people Lev 16:14. This was a pre cursor to the lamb who was to come slain for the sins of all mankind Jesus Christ, whose own blood landed upon the mercy seat lid anointing the most Holy Place the Ark of the Covenant. The gold angels looked down upon the mercy seat lid where Gods physical supernatural Glory would manifest.

As said already the day Jesus was crucified His blood ran down a bedrock crack 20 feet below onto this mercy seat in Jeremiahs cave Jn 1:29-34, Math 3:13-17, Dan 9:24.

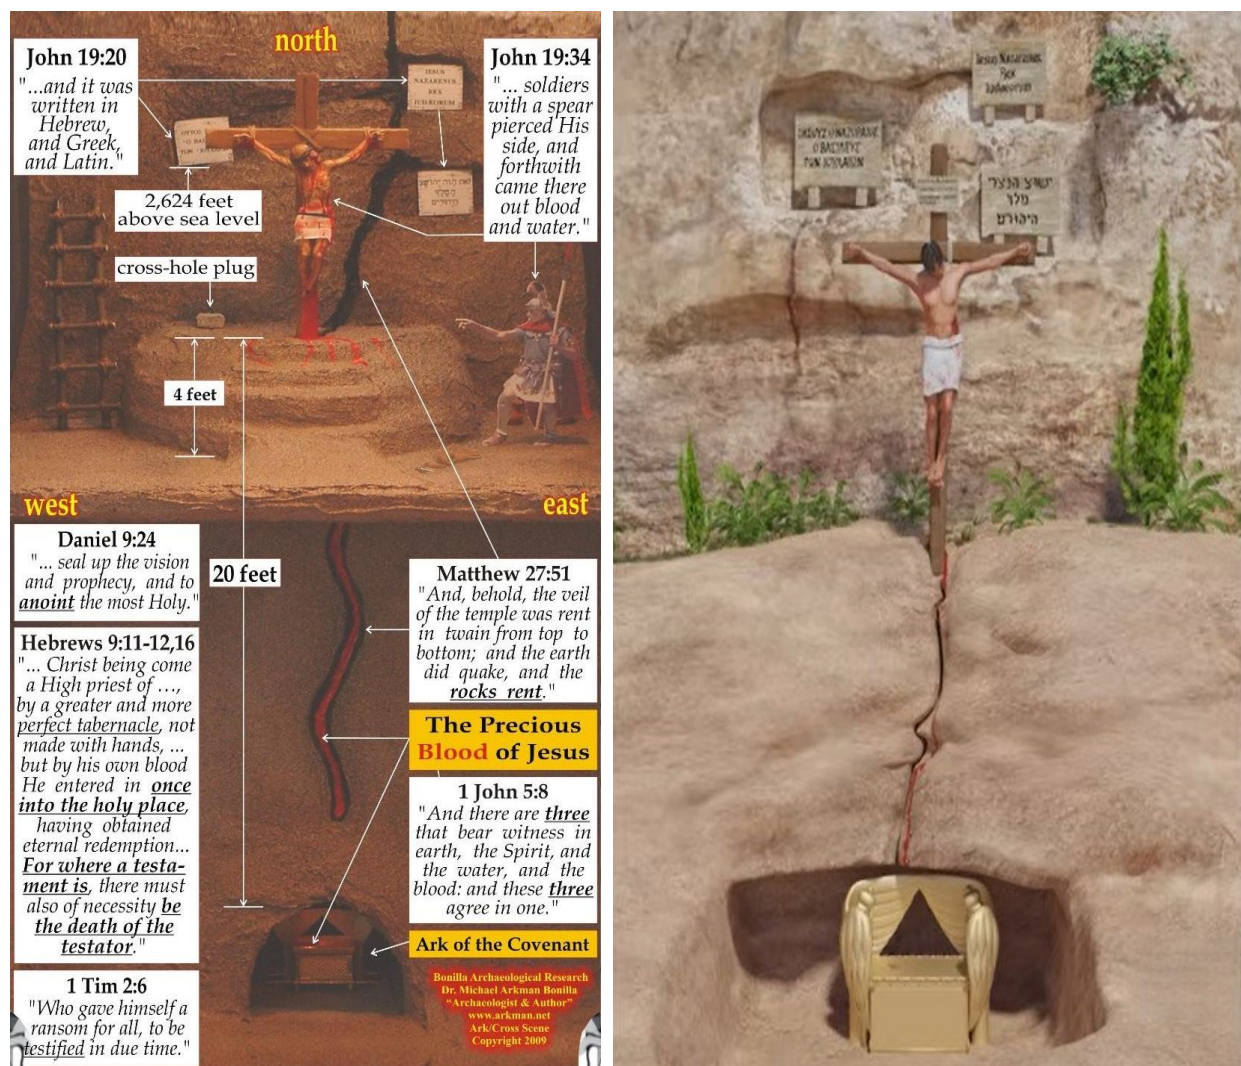

Jesus became the final offering for mankind's sin the Lamb slain before the foundations of this world 1 Pet 1:19-20, Rev 5:9, Rev 13:8.

Chapter 41C

Below is an artists impression of the overview of Jesus blood travelling down through 20 feet of solid bedrock onto the Ark of the Covenants mercy seat lid anointing the **“Most Holy”** Dan 9:24.

In the Old Testament the most Holy place was the Ark of the Covenant where Gods presence dwelt between the two cherubim on the mercy seat lid, His throne on earth as in heaven. According to Ron Wyatts discoveries Jesus's blood on the mercy seat became a phenomenal miracle of God prepared 600 years before the crucifixion. God literally anointed the most Holy Place with the precious shed blood of the lamb whom was slain before the foundations of this world Rev 13:8 the Messiah Christ Jesus. This miracle is actually referred to in Daniel 9:24 in the 70th week prophecy where the Messiah was to end the transgression of His people to make reconciliation for iniquity, He was to anoint the **Most Holy**. This happened in the spiritual realms and in the natural realms with the shedding of His blood.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

Dan 9:24

"Seventy weeks are determined For your people and for your holy city (Jerusalem), To finish the transgression (the cross in 30-31 AD), To make an end of sins, To make reconciliation for iniquity, To bring in everlasting righteousness, To seal up vision and prophecy, **and to anoint the Most Holy.** (NKJV)

The ancient dried blood from the Ark of the Covenant mercy seat lid was scientifically tested in Jerusalem, Germany and America it was found to be alive having 23 chromosomes from the mother and one Y (Yahweh) chromosome from the father. Normal human blood has 46 chromosomes 23 each from both parents 2 chromosomes determine the sex the “X” and the “Y”. The chromosome Y = male and the X = female this determines if the child will be male or female this normally comes from the father’s side. It’s near impossible to have only 24 chromosomes in blood yet it’s not impossible for God. The single Y chromosome came from the Holy Ghost **“Yahweh”**. You cannot get a chromosome count from dead blood it must be alive.

Normal human chromosome count is 46

Jesus blood chromosome count was 24

Ron testified when they put the dried bloods white blood cells into a growth medium with gentle swirling for 48 hours. They then took it out asking Ron **“whose blood is this”** by the confused Jewish scientists, they said to Ron this blood is still alive !!! Ron then replied to the Jewish scientists **“this is the blood of your Messiah”** as they freaked out in unbelief. Several witnesses have also seen these blood tests.

As seen in the pictures above dried ancient blood specimens were also taken from the crack near the centre cross hole under the cut outs of Jeremiah's Grotto in 1981. The black shape next to Ron's hand is a film canister.

The dried blood was put into a film container (dark cylinder on each pic -left pic in Ron's hand) the light brown substance Ron points too in these pictures is dried blood on the rock and dirt near the rope. Then right below this dried blood is the crack crevis that goes down to Jeremiah's cave 20 feet below through a split in solid rock.

Brown dried blood is where Ron points just above the film canister down to the crevis just inches below.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

The cross hole blood specimens in the film canister sat for many years untouched they were later put under new methods of microscopy. This happened in 1996 at Rons home in Nashville USA when a visiting scientist did some experiments in the basement of his home. The blood particles were put under this new microscope technology (1000 X magnification) it then lit up thousands of living indestructible particles less than a quarter of a micron in size. This was human blood as was suspected, yet there is no proof of whose human this blood is the chromosomes were not looked at. As said this dried blood was taken from the cross hole above a separate area to the sarcophagus lid in Jeremiahs Cave.

The new tech microscope in 1996 the film canister and the sample from Jeremiahs Grotto being tested.

The actual design of the Ark of the Covenant is amazing created out of Ron's description of the Ark, from what he witnessed in the cave and photos. The lid is solid gold fashioned and connected to angel priests holding a staff in one hand with the tips of their wings touching in the centre of the lid, all created as part of the lid. The Ark lid is made of solid gold weighing about 900 pounds which is way too heavy for one man to lift. The details around this discovery speak for itself one would have to have a huge imagination to make all of these details up. Ron was actually a seven-day Adventist Christian he had no reason at all to lie about what he had discovered. Even though a lot of the evidence around this discovery was over 43 years ago and is now hidden away including the Ark by the Israeli government it's an amazing story. On the next page Ron also found a first temple ivory pomegranate (Solomons Temple) at Jeremiahs grotto cave the only one ever found as seen in pics.

Ron removed this pomegranate from Jeremiahs Grotto during his excavations in 1979, it now sits in the Israeli museum whom once acknowledged Ron Wyatt found it. This pomegranate was later stolen from the museum and then purchased back again from a French antiquities dealer for \$550 thousand dollars, as the museum knew it was real. Insignia on the top of this pomegranate in Hebrew reads **“Holy to the priests in the temple of Yahweh”**. It had an entire room dedicated to it with a spot light directly on the pomegranate for visitors to see. Yet controversy came at the museum over whether or not this was an

ancient counterfeit item pre dating Solomons temple. Later studies under microscope seemed to neither deny no confirm this, all of this is either real or false as many will debate. To make up such a story would be very unlikely, with the evidence presented the cross holes the sign ledges Jeremiahs cave the Ark the blood on the Ark lid the split in the rocks above the design of the Ark it all makes perfect sense.

“The excavation was conducted south of a natural bedrock outcrop that was identified by General C. Gordon in 1883 as Golgotha. During the 1980s, R. Wyatt excavated several underground chambers at the site.”

“R. Wyatt conducted an excavation in the 1980s, which revealed a number of subterranean cavities.”

Israel Antiquities Authority website

“The Ark, I suspect is in Jeremiah's grotto. [The] Jews have a tradition it is under the [Dome of the] Rock, but I think it is under the true Altar, the Skull, where tradition places Jeremiah's writing of Lamentations.”

“Here at Skull Hill, close the Slaughter House of Jerusalem was Titus 1 to 2m. The Roman Eagle took the heart of Zion by throat, for close was the breach. Jeremiah wrote Lamentations in the cave. The Ark of the Covenant is there.” p 55.

The Israeli Antiquities authorities website as seen on previous page according to testimony at one stage acknowledged Ron Wyatt's excavations at Golgotha. This same excavation area was identified by General Gordon in his book above in 1883 as Golgotha the crucifixion site of Christ. General Gordon in 1883 also stated he believed the Ark of the Covenant was somewhere in Jeremiah's Grotto under the place of the Skull. Yet General Gordon only had time to excavate within 10 feet of where Ron excavated at the site. Extra biblical cannon about the Ark's disappearance can be found in 2nd Maccabees written in 100-150 BC a book included in the Apocrapha. There is a very interesting chapter and verses in 2nd Maccabees 2:4-10 about the Ark of the Covenant that it was moved by Jeremiah to a mountain connected to Moses.

“Jeremiah found a cave-dwelling; he carried the tent, the ark, and the incense-altar into it, then blocked up the entrance. Some of his companions came to mark out the way, but were unable to find it. When Jeremiah learned of this he reprimanded them. ‘The place shall remain unknown’, he said, ‘until God finally gathers his people together and shows mercy to them. Then the Lord will bring these things to light again,...’ 2 Maccabees 2:4-8

In Jerusalem God took King David and His Ark next to the hill of Golgotha where David's son Solomon eventually built a temple on Mount Moriah the Temple Mount where Abraham went to sacrifice his son Isaac. The Jews have continued to practice the Passover connected to Moses and the 10 commandments

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

given on Mount Sinai over 3000 years ago. In 2nd Maccabees 2:4-10 it then stated the Ark, implements and tent were placed into a cave and sealed up, men tried to mark the way but were reprimanded by Jeremiah exactly as discovered by Ron Wyatt. It seems the Arks true hiding place is the hill of Golgotha next to Mount Moriah the mountain of Abraham in Jerusalem. With the cherubum carving marked in the wall of Zedekiahs cave (Solomons mines) just as 2nd Maccabees 2:4-20 states. Moses came through the bloodline of Abraham Isaac and Jacob of the tribe of Levi, Moses is connected to Mount Moriah through his forefather Abraham. A pathway that was marked leading to Jeremiahs grotto, in Zedekiahs cave leads to the Ark itself all connected to the mountain of Moses (Sinai) where the Ark was created. The angels guarding the Ark no matter where its been have done so since the days of Moses on Mount Sinai, all connected to its original creation at Mount Sinai.

The Apocrapha book of 2nd Maccabees is over 2100 years old in its context. In 605 BC the Ark was moved by Jeremiah the prophet during that invasion of Israel by the babylonians. It was in 587 BC around 19 years later when the babylonians destroyed Jerusalem and Solomons Temple 2400 years ago. 2nd Maccabees was written 200-300 years after this historical event took place (605-587 BC) placing 2nd Maccabees authorship around 100-150 BC at the end of the Maccabean revolt. Such a break in time could have altered the story to which mountain/hill and cave it refers to, to then connect it symbolically to the mountain of Moses throwing men off the trail (who really knows). With the Ark you have Moses creating it at Mount Sinai then you have Abraham Isaac and Jacob Moses fore fathers directly connected to Mount Moriah the Temple Mount and Golgotha. Certainly the second part of 2nd Maccabees 2:4-10 verses about the Ark hidden away in a cave sealed up and the way marked by men, lines up with Ron Wyatts discovery at the mountain/hill of Golgotha. These things are not mere coincidences use common sense. In another extra biblical acnonn book from the Apocrapha is the book of Baruch 2 Cahpter 6:1-9 discribes the disapearance of the Ark pre the Babylonian invasion in 587BC. It states the Ark of the Covenant was to remain hidden underground untill Israel is restored as a nation in the end times at the return of the Messiah.

The Apocalypse of Baruch, a two-part book written between the late first and early second centuries BC, is framed as Baruch receiving visions and revelations from God. Its themes include the fate of Israel, the end of times, and the coming of the Messiah. The Book of Baruch 2, Chapter 6, states that he saw an angel remove the Ark from the Second Temple, allowing it to be 'swallowed by the Earth' before the Babylonian invasion, where it would remain hidden until Israel is restored. Baruch ben Neriah was a scribe to the prophet Jeremiah he has traditionally been credited as the author. Still, scholars believe he did not write the book as he lived centuries before the text was written. Because the text is a pseudepigraphal work it was not considered canonical by the Jewish and Christian communities and omitted from the Bible.

According to Ron Wyatt at Gods direction the original blood test results done in Israel and the Ark of the Covenant video filmed in the cave under the angels guidance, were both placed in Jeremiahs Cave chamber on a ledge with the stone 10 commandments near the Ark for safe keeping. Ron also had certificate copies of the blood test results in a blue binder authenticated by a specialist according to eye witness testimony. Also an earlier video was taken intrusted to a friends of Rons of the Cave before it was

cleared of rocks. The Ark chamber is protected by four angels no man can enter except if God allows it. God is guarding His Ark until He is ready to unveil it, Ron Wyatt was the only person allowed near the Ark from 1982 onwards. According to Rons testimony and sons there were six men whom had entered about 75 feet into the tunnel from Zedekiahs cave end heading to Jeremiahs Cave chamber after 1982.

These 6 men worked for the Antiquities Department (IAA) of the Israeli government trying to get to the Ark of the Covenant. All six men died in the cave tunnel from double brain hemorrhages according to Ron Wyatt. Ron was brought in by the Israeli government to retrieve the bodies. They gave Ron a body basket with a rope tied to it Ron had to put each body in the basket as it was hauled out through the cave. Rons own sons also testify to this taking place on one of Rons visits to Israel and the cave site. Upto 16 people have died mysteriously connected to interfering with the Ark find according to Ron Wyatt. The Ark remains untouched until this day sitting where it was found in 1982 guarded by supernatural angels.

A few years before Ron died, Jewish leaders sent six men, who were descendants of the tribe of Levi, into Zedekiah's Cave and into the 375' tunnel which leads to the cave containing the Ark. Their motive was to remove the Ark and destroy Christ's blood to begin their own sacrifices. After traveling 75 ft. through the tunnel, all were killed by angels guarding the ark. These men were in communication with others in Zedekiah's cave who were waiting for them. They refused to enter the tunnel to check on the men, as they had heard terrible cries from the dying men over two-way radios. Mr. Wyatt was asked by the Israel Antiquities Authority to retrieve the bodies. God is protecting the Ark to be a witness of His Son and will not allow men to interfere.

Another very interesting bit of information came fourth back in 2000 where actual declassified CIA documents connected to “**Project Stargate**” describing the Ark of the Covenant location through a remote viewing programme were released. Then again in March 2025 in a Tic Toc video these documents have gone viral, God has the ability to use whatever He chooses as a witness of Himself. Project Stargate was where they used physic/clairvoyant/Extra Sensory Perception (ESP) type practices known as

“Remote Viewing” to find certain targets for military intel. This author does not condone any type of Physic practises as it is against biblical values and righteousness. Yet in this CIA report through a secret project called “Sun Streak” run by Project Stargate they used remote viewing to target and find the “Ark of the Covenant” location.

On previous page is an interview with a Navy Seal whom did remote viewing. To the right is remote viewer No 1 for the CIA. Remote Viewer No. 1, Joe Mc Moneagle joined the Shawn Ryan Show to uncover all things related to RV and the numerous targets he was tasked with while in the classified Project Stargate (see video).

There was a remote viewer named #32 whom had a session on the 5th December 1988. Remote viewer #32 had very clear so-called vision or view of the “Ark of the Covenant” and its location. This remote viewer #32 was given coordinates to remote view for this object said to be a “Target container”. The remote viewer did not know they were looking for the Ark. This remote viewing CIA session ended up in a Middle Eastern location (Israel is in Middle East) remote viewer #32 said they saw the following:

“Target is a container (Ark of Covenant). This container has another container (Ten commandments, Arons rod and jar of manna) inside of it. The target is fashioned of wood, gold and silver... similar in shape to a coffin (rectangle) and is decorated with seraphim (angels)”

“Visuals of surrounding buildings (near the Ark underground) indicated the presence of Mosque domes (Dome of the Rock location on Mount Moriah)” they said, adding that Arabic-speaking men, dressed in all white, populated the area (Muslims the Al Aqsa Mosque Muslim Quarter in Jerusalem).

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

Top left in 2nd pic is Golgotha and the Garden Tomb area bottom right is the Dome of the Rock.

“The target is hidden underground (40 feet underground in Jeremiahs Cave) dark and wet were all aspects of the location of the target,”

“The purpose of the target is to bring a people together (Gods presence). It has something to do with ceremony (Old Testament practices), memory (Ancient past), homage (worship), the resurrection (Jesus Christ and Golgotha). There is an aspect of spirituality (Gods earthly throne), information, lessons (Ten Commandments) and the historical knowledge (Ancient of days God) far beyond what we (unsaved) now know (Biblical history and righteousness)”

“The target is protected by entities (x4 Angels) and can only be opened by those (Angels) who are authorized (by God) to do so this container (Ark) will not/cannot be opened until the time is deemed correct (by God). Once it is time to open the container the mechanics of the lock system will be found to be fairly simple (Salvation and Holiness)” they said before adding a warning to potential plunderers.

“Individuals opening the container by prying or striking are destroyed by the container’s protectors (The Angels already killed 4 Israeli men up to no good in the Jeremiahs cave. Ron Wyatt was asked by Israeli government to retrieve the bodies) through the use of a power (Holy Spirit power Gods presence) unknown to us (Unknown to the unsaved physics)”

Declassified documents: These documents from 1988 describe the location of the Ark in the Middle East region of “Israel” and the situation of its location “in a cave underground a box within a box” Ron Wyatt found the Ark of the Covenant back in 1982 six years prior to this documented remote viewing encounter. See these declassified military documents on next two pages.

Target is a container. This container has another container inside of it. The target is fashioned of wood, gold and silver. The target is similar in shape to (AOL) a coffin, and is decorated with seraphim (see sketch pg. 16).

This target is located somewhere in the Middle East as the language spoken by individuals present seemed to be Arabic. Visuals of surrounding buildings indicated the presence of Mosque Domes (?), (see page 12). Individuals in the area were clothed in virtually all white, had black hair and dark eyes -- one figure I homed in on wore a moustache.

The target is hidden -- underground, dark and wet were all aspects of the location of the target.

The purpose of the target is to bring a people together (see page 16). It has something to do with ceremony, memory, homage, the resurrection. There is an aspect of spirituality, information, lessons and historical knowledge far beyond what we now know.

The target is protected by entities (see page 14) and can only be opened (now) by those who are authorized to do so -- this container will not/cannot be opened until the time is deemed correct. Once it is time to open the container -- the mechanics of the lock system will be found to be fairly simple. Individuals opening the container by prying or striking are destroyed by the container's protectors (see page 17) through the use of a power unknown to us.

Ron Wyatt a 7th Day Adventist Christian stood before God he had no reason to lie or be a con artist, to those who knew him he was a very devout Christian and cared deeply about God and His work. Ron Wyatt had spent over 100 thousand of his own US dollars on digging for the Ark over a 4-year period with 23 trips to the dig site with further involvement over a period of 20 years. He told the IAA about his findings and they shut him down immediately into secrecy.

Ron spent the rest of his life testifying about finding the Ark of the Covenant. Ron had gathered several pieces of evidence and photos of what he found on his dig site but never produced to the public his clear pictures as evidence of the Ark itself as God had held him back on that. Ron said God would not allow him to do so as the time was wrong for that to happen of this discovery, but one day it would be revealed.

Ron Wyatt was the only person in history to describe the Ark in the shape of an actual seat a throne of God on earth as seen in pictures. Nearly all other artist impressions place cherubim on top of the Ark lid itself Ron does not he is actually biblically accurate.

The Sword of Solomon created in Jerusalem has the Ark of the Covenant on its handle similar to Rons discription of the Ark. Ron Wyatt over several years also found many other Biblical artifacts including the red sea crossing, Sodom and Gommorah, the Philistine burial urns, the real mount Sinai in Suadi Arabia and the said Noahs Ark all on DVD.

In the next section of this chapter we go into what the “Mark of the beast law” actually is. Ron Wyatts angelic encounter back in 1982 in Jeremiahs cave and the prophesy that came forth is very important as another testimony to the season we are now in. Fast forward by 37 years to 2019 and the birthing of what this law actually is, proving the prophecy was a real encounter in that cave. The end times narrative is all about a series of events coming together that paint a picture of His - Story. Prophecy is a series of historical events comming to pass over many years interconnected that line up with biblical prophecy. Biblical prophecy is interconnected and inseperable throughout history ultimately proving Gods word as accurate and true.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

MARK OF THE BEAST LAW 2019 ONWARDS

The previous pages were put together to give evidence of an end times prophecy that was given in 1982, then we move 37 years into the future to 2019. It was in 1982 when Ron Wyatt (died in 1999) had discovered the “**Ark of the Covenant**”. On Rons fourth visit to Jeremiahs cave after the Ark’s discovery in 1982 an angelic visitation took place in Jeremiahs cave. On this visit to the Ark of the Covenant Ron entered into Jeremiahs cave to find it all cleaned up and put in order, the Ark was against the back wall near the original entrance, Ron found four men in the cave. Ron became frozen in state where he could not move, he wondered who these men were and what’s happened to Jeremiahs cave ?

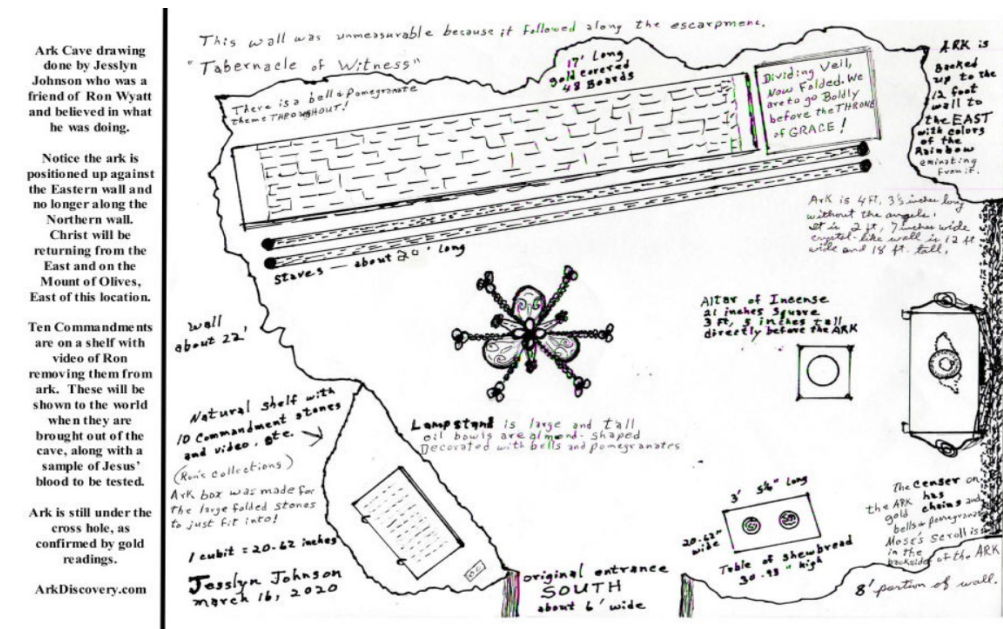

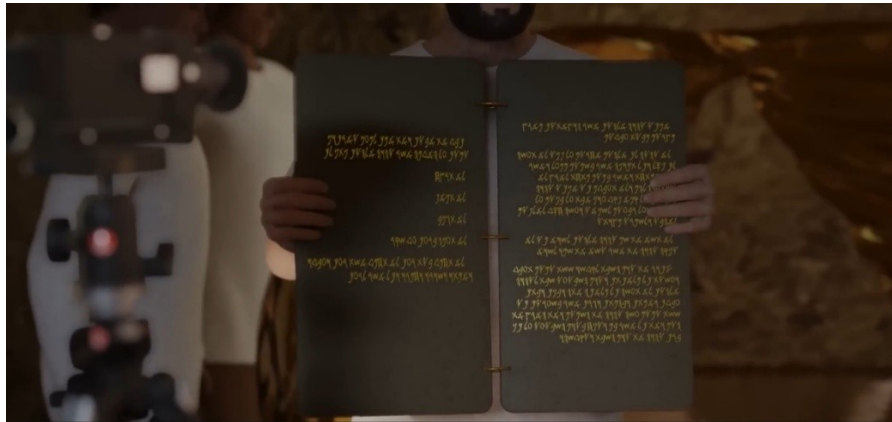

These four men then said to Ron they were four angels assigned to protect the Ark since the days of Moses (Moses and his mountain connection 2 Maccabees 2:4-8). As Ron was frozen in state, he saw the Ark against the back wall of the cave, the back wall now shone with a crystal quartz type of rock of various rainbow colours. The furnishings were all uncovered and set in their places. The angels then proceeded to lift off the Arks lid made of solid gold (estimated to be 900 pounds of weight) they asked Ron to remove the ten commandments written on stone, so he did. Ron had film equipment with him on this visit he was asked to set up the camera to film the stone tablets as he held them in hand to then film the Ark in the cave. All of this was done from his video and tripod, Ron was told by the angels that one

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

day men would see all of this in Gods time. See the below sketched map of the layout of Jeremiah's Ark cave according to Ron's description and the placement of the temple furniture items below. Detector readings were done at a later date from the fourth cross hole position at Jeremiah's Grotto dig site after 1982, this confirmed gold was present below.

See: <https://www.arkdiscovery.com/aoc-1.htm>

Ron said the ten commandment tablets of stone looked like a finger run through soft butter had written them, they were burned into place in solid stone by fire. Ron was then directed to take samples of the ancient dried blood directly off the Arks lid at the angel's request. These dried blood samples were to be

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

analysed this was done in Israel. The original analytical blood test results were then directed to be placed with the video footage shot of the Ark of the Covenant in the cave for safe keeping.

Ron Wyatt testified of the blood test results the blood tested had 23 chromosomes not 46 as normal blood would have. This blood from the Ark lid had 22 chromosomes from the mother and one from the father “Y”. One can only get a chromosome count from blood that is alive not dead. The Israeli blood test results and the video left in the cave taken by Ron will all be revealed when God allows it to be revealed and not before. Ron had visited this site up to 21 times over four years from 1978-1982 and beyond. This angelic visitation occurred on Rons fourth visit to Jeremiah’s Cave where a particular end times prophecy was given to him by these four angels in the chamber. This is what this chapter directly relates to this angelic prophecy given in 1982 by angels that was then birthed into fulfilment 37 years later in 2019.

Four angels whom appeared in the cave prophesied to Ron Wyatt of a future time where they said:

“These things (Video of 10 commandments, Ark and blood test results) **are to be presented with the blood evidence when the Mark of the beast Law** (Hate speech Law legislation of June 2019 at the UN) **is passed** (in that season in Gods timing)”.

(A recent video with Kevin Fisher came forth where Ron Wyatt said the angels mentioned this “Mark of the beast law” Ron warns about as also a “Sunday Law ?” (7th Day Adventist belief ?). To the public Ron Wyatt described this prophesy as a “Mark of the beast law”. This chapter is based upon this “Mark of the beast law” prophesy Ron testified about for many years, that comes against the freedoms of men to follow Gods word. There must be UN legislation as a precedent for this to happen worldwide across nations. This law is connected to the “Mark of the beast” under the false prophet of end times and his worldwide religion where you can’t “buy or sell” unless you’re in that religion, this is “Sharia Law” enforcement. The entire world will not be under Sharia only those nations that allow its entrance and influence in the last days. Bible prophecy states the false prophet Rev 13:11-18 enforces the mark of the beast on rich and poor great and small under his influence Islam now makes up one third of UN state nations 57 of them).

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

Ron Wyatt went on to say:

“This law will come forth for the nations, a mark of the beast law will be passed or enforced upon the world. World leaders will think they were doing the right thing with this law; there will be a set of **manmade laws** (UN Agenda 2030 Global Warming Sustainability) with best intentions but it will be the wrong thing surrounded by deception. This new law will require you to break Gods ten commandments and follow manmade laws. When this **“Mark of the beast law”** appears on the world scene in that season all these things in Jeremiahs cave, in time will be revealed by God (His coming return) to the world. If you break Gods ten commandments you will receive the **“Mark of the Beast”**. Satan will make these manmade laws look wonderful everyone will think it’s the best thing that’s ever happened to the human race and will go along with it”.

See God will show the ten commandments to the world... HOW TO NOT TAKE THE MARK OF THE BEAST!: <https://youtu.be/ODjfweiN-P8?si=6eFR7kFWySRecEpc>

In the prophetic realm when it comes to eternity where God resides ten to one hundred years can be His **“soon around that time”**. Once Jesus said I will return **“soon”** that was 2000 years ago. Yet Gods time for things to take place is always perfect on time. The blood test results and the Ark video will be revealed after this **“Mark of the beast Law”** comes not before. This prophesied **“Mark of the beast law”** precedes His second coming return as a marker connected to the false prophet his false religion and the **“Mark of the beast”** he enforces. Identifying the false prophet of Rev 13:11-18 his false religion and cause is key to understanding this angelic prophesy from 1982. We have unveiled this information in **“Revelations Unsealed”** chapters.

See chapter **“41. Rev 13 The false prophet beast from the land”** website; www.joel2fire.com

This **“Mark of the beast law”** is where the false prophet of Rev 13:11-18 gets involved that Ron Wyatts four angels prophesied about back in 1982. We are in the end of days at the end of the **“Church Age”** moving towards the **“Kingdom Age”** since 2009 we have been in the 6th Trumpet and 6th Bowl seasons. In these **“Revelations Unsealed”** chapters this witnesses as being so. This **“Mark of the beast Law”** is now in season it has come forth as prophesied back in 1982. In 2019 new UN legislation proceeded a certain event that took place in March 2019 in New Zealand this involved one of the largest worldwide religions on earth **“Islam”**.

See chapters **“41. Rev 13 False prophet beast from the land, 41A. The mark of the beast, 25. Bowl 6 Euphrates dries up, 26. Trumpet 6 four demonic angels released”** website; www.joel2fire.com

The **“Mark of the beast law”** parallels with the end times **“Mark of the beast”** agenda by a false religion as found in Rev 13:11-18. The false prophet (Erdogan of Turkey) is involved in advancing and enforcing the **“mark of the beast”** upon many according to scriptural prophecy that’s 2000 years old. Jesus the Messiah at His second coming return will govern from Jerusalem during the Rev 20 one thousand years millennial reign Rev 20. The soon coming return of Christ is more than likely where the

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

revealing of the Ark in Jeremiahs Cave and its contents happens as a testimony of Gods righteous laws to the world, proving Ron Wyatt’s discovery. Until then it’s by faith in the limited evidence we have of Ron Wyatts personal testimony. Everything Ron Wyatt has testified about with the Arks discovery lines up with these authors studies and revelations on the end times. Some will challenge this because of a lack of revelation and understanding some won’t. The four angels’ prophecy back in 1982 of a **“Mark of the beast law”** coming and being fulfilled is not a coincidence further proving the authenticity of Ron Wyatts Ark discovery. God is not a liar He means what he says and He says what he means.

As said Ron Wyatt was told the video footage he had of the Ark and the blood test results were to be kept hidden away in Jeremiahs Cave for safe keeping until the season and days of the **“Mark of the beast law”** then the evidence would be released by God in His time. Now 37 years after this 1982 angelic prophecy in the month and year of June 2019 a move began at the United Nations to bring forth legislation for an international **“anti-hate speech law”** agenda. In the **“Revelations Unsealed”** chapters you will find the evidence historically that Islam is the end times beast army that attacks Israel and beheads the saints. Islam is whom the false prophet of Rev 13:11-18 sits over and influences worldwide enforcing the **“Mark of the beast”** through his religion. This new UN legislation is actually an **“anti Islamophobia law”** connected to the **“Mark of the beast”** a **“Mark of the beast law”** and the Rev 13:10-18 false prophet and his false religion. This has manifested in its due season in the 6th Bowl 6th Trumpet seasons (see Revelations Unsealed chapters www.joel2fire.com) the angels whom prophesied to Ron Wyatt back in 1982 were very accurate surprise !! surprise !!. This is not a conspiracy theory it is real history His - story.

This new UN legislation **“Hate speech law”** was birthed onto the world scene on June 18th 2019. This was brought forth just three months after the Christchurch Muslim massacre on the 15th March 2019 in New Zealand. This new UN legislation was pushed fourth and headed up by the then Prime Minister Jacinda Adern a known socialist communist a New World Order elite puppet.

UNITED NATIONS STRATEGY AND PLAN OF ACTION ON HATE SPEECH

Foreword

Around the world, we are seeing a disturbing groundswell of xenophobia, racism and intolerance – including rising anti-Semitism, anti-Muslim hatred and persecution of Christians. Social media and other forms of communication are being exploited as platforms for bigotry. Neo-Nazi and white supremacy movements are on the march. Public discourse is being weaponized for political gain with incendiary rhetoric that stigmatizes and dehumanizes minorities, migrants, refugees, women and any so-called “other”.

This is not an isolated phenomenon or the loud voices of a few people on the fringe of society. Hate is moving into the mainstream – in liberal democracies and authoritarian systems alike. And with each broken norm, the pillars of our common humanity are weakened.

Hate speech is a menace to democratic values, social stability and peace. As a matter of principle, the United Nations must confront hate speech at every turn. Silence can signal indifference to bigotry and intolerance, even as a situation escalates and the vulnerable become victims.

Tackling hate speech is also crucial to deepen progress across the United Nations agenda by helping to prevent armed conflict, atrocity crimes and terrorism, end violence against women and other serious violations of human rights, and promote peaceful, inclusive and just societies.

Addressing hate speech does not mean limiting or prohibiting freedom of speech. It means keeping hate speech from escalating into something more dangerous, particularly incitement to discrimination, hostility and violence, which is prohibited under international law.

The United Nations has a long history of mobilizing the world against hatred of all kinds through wide-ranging action to defend human rights and advance the rule of law. Indeed, the very identity and establishment of the Organization are rooted in the nightmare that ensues when virulent hatred is left unopposed for too long.

Today, I fear, we have reached another acute moment in battling this demon, and so I have asked my Senior Advisers to explore what more we can do. This Strategy and Plan of Action is the result. It points to concrete ways in which the United Nations can play its part in addressing hate speech around the world while upholding freedom of opinion and expression, in collaboration with Governments, civil society, the private sector and other partners.

By enhancing global resilience against this insidious phenomenon, we can strengthen the bonds of society and build a better world for all.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

UNITED NATIONS STRATEGY AND PLAN OF ACTION ON HATE SPEECH

What is hate speech?

There is no international legal definition of hate speech, and the characterization of what is ‘hateful’ is controversial and disputed. In the context of this document, the term hate speech is understood as *any kind of communication in speech, writing or behaviour, that attacks or uses pejorative or discriminatory language with reference to a person or a group on the basis of who they are, in other words, based on their religion, ethnicity, nationality, race, colour, descent, gender or other identity factor*. This is often rooted in, and generates intolerance and hatred and, in certain contexts, can be demeaning and divisive.

Rather than prohibiting hate speech as such, international law prohibits the incitement to discrimination, hostility and violence (referred to here as ‘incitement’). Incitement is a very dangerous form of speech, because it explicitly and deliberately aims at triggering discrimination, hostility and violence, which may also lead to or include terrorism or atrocity crimes. Hate speech that does not reach the threshold of incitement is not something that international law requires States to prohibit. It is important to underline that even when not prohibited, hate speech may be harmful.

The impact of hate speech cuts across numerous existing United Nations areas of operations, including: human rights protection; prevention of atrocity crime; preventing and countering terrorism and the underlying spread of violent extremism and counter-terrorism; preventing and addressing gender-based violence; enhancing protection of civilians; refugee protection; the fight against all forms of racism and discrimination; protection of minorities; sustaining peace; and engaging women, children and youth. Addressing hate speech, therefore, requires a coordinated response that tackles the root causes and drivers of hate speech, as well as its impact on victims and societies more broadly.

Strategic vision

The UN Strategy and Plan of Action on Hate Speech aims to give to the United Nations the room and the resources to address hate speech, which poses a threat to United Nations principles, values and programmes. Measures taken will be in line with international human rights norms and standards, in particular the right to freedom of opinion and expression.

The objectives are twofold:

- ▶ Enhance UN efforts to address root causes and drivers of hate speech
- ▶ Enable effective UN responses to the impact of hate speech on societies

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

UNITED NATIONS STRATEGY AND PLAN OF ACTION ON HATE SPEECH

Convening relevant actors	When relevant to the context, the UN should support convening of key actors; reframe problems in ways that make solutions more attainable; introduce independent mediation and expertise; and build coalitions.
Engaging with new and traditional media	The UN system should establish and strengthen partnerships with new and traditional media to address hate speech narratives and promote the values of tolerance, non-discrimination, pluralism, and freedom of opinion and expression.
Using technology	UN entities should keep up with technological innovation and encourage more research on the relationship between the misuse of the Internet and social media for spreading hate speech and the factors that drive individuals towards violence. UN entities should also engage private sector actors, including social media companies, on steps they can take to support UN principles and action to address and counter hate speech, encouraging partnerships between government, industry and civil society.
Using education as a tool for addressing and countering hate speech	UN entities should take action in formal and informal education to implement SDG4, promote the values and skills of Global Citizenship Education, and enhance Media and Information Literacy.
Fostering peaceful, inclusive and just societies to address the root causes and drivers of hate speech	The UN System should raise awareness about respect for human rights, non-discrimination, tolerance and understanding of other cultures and religions, as well as gender equality, including in the digital world. It should promote intercultural, interfaith and intrareligious dialogue and mutual understanding.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

UNITED NATIONS STRATEGY AND PLAN OF ACTION ON HATE SPEECH

Engaging in advocacy	The UN should use advocacy, both private and public, to highlight hate speech trends of concern as well as to express sympathy and support to targeted individuals or groups.
Developing guidance for external communications	Communications should be strategically used to address, counter and mitigate the impact of hate speech, as well as counteract its bearing, without restricting the right to freedom of expression.
Leveraging partnerships	The UN should establish / strengthen partnerships with relevant stakeholders, including those working in the tech industry. Most of the meaningful action against hate speech will not be taken by the UN alone, but by governments, regional and multilateral organizations, private companies, media, religious and other civil society actors.
Building the skills of UN staff	UN staff's skills at leadership and working level to understand and address hate speech should be enhanced across relevant UN entities, including via existing programmes.
Supporting Member States	Upon request, the UN should provide support to Member States in the field of capacity building and policy development to address hate speech. In this context, the United Nations will convene an international conference on Education for Prevention with focus on addressing and countering Hate Speech which would involve Ministers of Education.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

With this “**anti-hate speech law**” Jacinda Ardern then formed the ongoing “**Christchurch call for action foundation**” to back this purpose funded by New Zealand tax payers. It was a very quick process for the unelected bureaucrats and powers to be at the UN to pass this legislation for anti-hate speech, they ran at it. It was very interesting after 6 years of corrupted power Jacinda Ardern resigned as prime minister in New Zealand in Jan 2023. Her resignation came due to too much hatred against her by the population of New Zealand. She then left and went overseas where she was more popular for her own protection.

See: https://en.wikipedia.org/wiki/Resignation_of_Jacinda_Ardern#:~:text=Ardern%27s%20resignation%20came%20at%20a,of%20the%20opposition%20National%20Party.

Jacinda in April of 2023 then went to work for the Royal family in England as she was appointed to Earthshot. Earthshot is an organisation with a global reach for the environment and global warming green agenda ect, pushed by Prince Andrew and King Charles himself (Agenda 2030).

Ardern enjoys a good relationship with the British Royal Family. In April, Ardern was appointed to the Board of Trustees of Prince William’s Earthshot Prize. She said at the time: ‘I am humbled and excited to be working with the Earthshot team.

See: <https://www.tatler.com/gallery/jacinda-arden-royals-favourite-politician>

Using her appointment with Earthshot, Jacinda then began working with Blackrock and its CEO Larry Fink in America attracting investments launching a 2 billion fund (costing tax payers more \$\$\$) for the renewable energy sector of New Zealand (UN Agenda 2030 advancement). Jacinda Adern is good friends with Bill Gates and the Gates Foundation the main funders of the WHO whom pushed for Covid 19 vaccinations (Event 201). Then in 2024 Jacinda was sent back to New Zealand with a new paid job role under prime minister Luxton.

Jacinda Adern can’t seem to keep her fingers out of the control pie over New Zealand. With Jacinda’s communism, socialism, elite Royal Family connections, Blackrock deals, Bill Gates and the new UN “**Hate Speech Law**” aimed at stripping away freedoms of speech. New Zealand and the world are in for an increased New World Order controlled agenda slap in the face. Out of control Jacinda Ardern spent over 130 billion during her two terms as PM doubling New Zealand’s national deficit. In 2019 Ardern spent 86 billion alone that fiscal year then in 2020 Jacinda “Jabbcinda” spent the single biggest budget deficit of 50-61 billion in NZ history on the NZ Covid recovery plan. Jacinda pushed NZ debt from 20% GDP to 53% GDP by the end of her leadership, absolutely disgusting she left the country completely broke. Jacinda Adern proved to be the single worst corrupt Prime Minister New Zealand has ever had. The New Zealand government no longer care about its population they are on a pathway of financial destruction dictated to by corrupt powers from behind the scenes.

Chapter 41C

Prime Minister Christopher Luxon has met with former political rival Dame Jacinda Ardern to discuss her rare special envoy role with the Christchurch Call. But Luxon's office won't provide any definitive update on the future of her position, only saying that he is awaiting the guidance of officials. Stuff's daily news podcast, News able can reveal Luxon sat down with Ardern before the summer break to talk over her position as New Zealand's senior representative to the global initiative tackling violent extremist content online. A spokesperson for the prime minister confirmed: "Christopher Luxon met with special envoy Dame Jacinda Ardern just before Christmas to discuss her work.

Removing free speech and policing media ect, with this new **“Hate Speech Law”** played exactly into the UN's agenda of control and tyranny over populations. They played the compassion violin for Muslims while using the suffering of a few in manipulating the situation, to create the ability to punish and control whomever they choose with the threat of this new law. Jacinda Adern used false compassion at a UN speech in early 2019 after the Christ church massacre of Muslims. Twisting things to sound good for an agenda as she spoke of protecting Muslim children to help them feel safe, when she knew nothing about Islamic ideals. Jacinda Adern also advocated in May of 2019 to de criminalise abortion in New Zealand, to kill babies in the womb absolute hypocrisy, where is their protection?

Jacinda Adern then removed abortion from the crimes act in New Zealand to make it legal to have an abortion at up to 20 weeks of pregnancy (4 months), even past 20 weeks in this law they will still consider an abortion.

It is connecting the dots that reveal the true thoughts and intents of the heart Hebrew 4:12 in matters such as this new 2019 UN hate speech legislation. It is not the flesh we as Christians struggle against but principalities authorities and dominions of darkness in high places Eph 6:12. Jacinda Adern in 2019 embraced Islam over New Zealand, calling for Islamic prayers over the nation from the massacre saying **“we are one”** with Islam. This was done instead of Christian prayers over this situation with New Zealand being a Christian nation. Many don't realise in the past New Zealand prime minister Helen Clark one of Jacinda's mentors at the UN declared New Zealand a non-Christian nation. Then Jacinda Ardern a communist non-Christian brought forth Muslim prayer over New Zealand this was an absolute disrespect to the Christian heritage of the nation.

In true New Zealand history in the early 1830's - 1840's a mighty revival move of God swept through the nation saving European and Māori alike. That revival became the largest revival any nation had ever seen per head of population with 80% of the country at the time being saved. New Zealand and its Crown Treaty of Waitangi with the indigenous Māori of the land was founded upon Christian ethics in the mid

1800's. Yet in modern times we have corrupted politicians and rich merchants who think they own and run the world regardless of the multitudes they hurt and sacrifice on their political alters (Covid 19 coerced worldwide vaccinations Rev 18:23).

Jacinda also stated about her government during the Covid 19 government corruption agenda at the time we are the **“single source of truth”**.

As an example of corrupt lying government agendas Jacinda Ardern said **“there will be no forced vaccinations”** it will be voluntary that those who opt out won't be penalised. Then she turned it all around dividing the entire country and people into groups the vaccinated and unvaccinated with those who were not vaccinated losing their employment positions and freedom privileges as a penalty. Jacinda Adern then placed the biggest city in New Zealand under police lock down until a certain percentage (up to 90%) of the population got vaccinated or they would stay in Covid 19 lock down jail.

Jacinda Ardern on The AM Show 2020.

Conspiracy theorists have claimed a COVID-19 vaccine, when available, will be "forced" on everyone - including Kiwis. The Government has rubbished those claims, made most notably by Jami-Lee Ross and Billy Te Kahika's Advance NZ. On Tuesday Prime Minister Jacinda Ardern went a step further, saying not only will there be no forced vaccinations, but those who choose to opt-out won't face any penalties at all.

"No, and we haven't for any vaccination in New Zealand applied penalties in that way," Ardern told The AM Show, after being asked if there might be tax penalties or other sanctions for refusing a COVID-19 vaccine.

The Jacinda Adern government by Oct 2021 changed the Covid vaccine roll out legislation illegally to make people take the vaccines or lose your jobs **“no jab no job”** became the fear policy in the health care and education sectors. Tens of thousands lost their careers and jobs across these sectors as Jacinda Ardern dictated a 90% vaccination rate for New Zealand's population. She began dividing the country forcing a mandate of segregation against the unvaccinated penalising them locking down cities until certain vaccination rates were reached.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

This became absolute communist corruption control and Tyranny by Jacinda Ardern. Ardern pushed fear induced psychosis over media government funded outlets upon the multitudes along with fast paced unchecked illegal law changes. This was political manipulation and forced coercion to take experimental unproven vaccines. Jacinda Adern was enforcing experimental vaccines upon New Zealand following a scripted UN World health organisation agenda dividing the population killing and maiming thousands, as many governments did at the time. After this Covid 19 debacle was over Jacinda Ardern resigned and left the country she became hated by nearly all New Zealanders and has ever since. By 2024 she has been sent back again by the powers to be to manipulate New Zealanders once again.

By 2025 Covid 19 is still doing its rounds everywhere yet nations no longer require lock downs, social distancing or mass vaccination centres it has all been swept under the carpet to be forgotten about. The world has been hoodwinked with billions force vaccinated with experimental spike MRNA gene manipulation therapy, the damage has been done. Reports of massive increases in youth deaths cardio vascular disease, sterilisation and cancers have come forth since these vaccinations. Many Covid 19 vaccines have now been pulled from production deemed as too dangerous. The CDC in the USA under Robert Kennedy has been revamped. Some Covid 19 vaccines have been revoked and certain forced vaccination programmes across America have been overturned stopped.

Reported statistics have come forth of cancers and heart attacks that are going through the roof up by nearly 300%, this has affected younger to older populations due to these experimental vaccines. Yet currently no one has been held accountable for these crimes. The perpetrators will not get away with this before God whom is “El Roi” the God who sees. The Lord sees and knows everything man does He will judge accordingly no one gets away with anything. This Covid 19 event was foretold in scripture 2000 years ago in Revelation 18:23 about the soon coming fall of Babylon.

Researchers used the Centers for Disease Control (CDC) and Prevention Wonder Database to assess the incidence of CRC from 1999 to 2020. They divided individuals into 5-year age groups, starting at 10-14 years of age up to 40-44 years. All age groups experienced notable increases in the incidence of CRC between 1999 and 2020 (Vaccine mandate):

- 500% increase in individuals 10-14 years of age,
- 333% increase in individuals 15-19 years of age,
- 185% increase in individuals 20-24 years of age,
- 68% increase in individuals 25-29 years of age,
- 71% increase in individuals 30-34 years of age,
- 58% increase in individuals 35-39 years of age,
- 45% increase in individuals 40-44 years of age
- The highest incidence was seen in the 40-44-year-old group in 2020 at 21.2 per 100,000 individuals.

While the trends are alarming, according to Dr. Mohamed, the absolute incidence rate of colorectal cancer among children and teens is not high enough to warrant early widespread screening.

See: <https://news.ddw.org/news/alarming-increases-in-crc-incidence-among-younger-adults/>

This same communist Jacinda Ardern in 2019 took it upon herself to push for the “**Anti Hate speech law**” at the UN a scripted situation similar to the Covid 19 vaccine agenda. From 2019 when Jacinda Ardern embraced Islam over New Zealand future prime ministers such as Luxton from 2024 also began celebrating Islam and the Islamic Ramadan refuting Christianity in New Zealand. Prior to Jacinda Ardern this had never happened in New Zealand before elevating Islam over Christianity as a nation by our

politicians. This sort of blatant disrespect and shift in corrupt policy to control the agenda is now in New Zealanders face. Jacinda Adern along with Luxton show all the signs of being New World Order Elite Economic Forum (Klaus Shwab) puppets on a string.

The 2019 Muslim massacre that took place on the 15th March 2019 in Christchurch New Zealand killed 51 Muslims with 89 injured. This was perpetrated by an Australian white supremacist shooter in a Christchurch Mosque a terrible traumatic incident for those involved. Jacinda Adern then turned around and stripped tens of thousands of guns from law abiding New Zealanders as punishment for what an Australian did in the country. The Prime Minister of New Zealand Jacinda Ardern then began her “**anti - hate speech**” campaign by May 2019.

She began to pursue and advocate for a new across the board “**Hate speech Law**” at her Paris newly created “**Christchurch call for action**” summit along with French president Emmanuel Macron. At that same time at the UN in May of 2019 a known 48 countries signed onboard for this new proposed law by Jacinda Ardern to come forth just 2 months after the Christchurch massacre. This all seemed to be a pre planned agenda and cause to bring about further New World Order control over free speech across the nations. A new legislation that would enable authorities to arrest anyone the powers to be deemed as a threat against their agendas. This new legislation would be ultimately aimed at stopping anti-islamophobia to assist in advancing Islams cause, along with shutting down the preaching of the gospel as seen in Europe in recent times.

The “**Christchurch call for action**” became the birthing of this new across the board “**Hate speech Law**” at the UN. In the UK in pre 2024 Christians began being arrested for street preaching then for praying silently in their heads, the first Christian silent prayer conviction followed in 2024, then others also.

Chapter 41C

Since June 2019 apart from Jacinda Adern two other nations became heavily involved in the charge to spear head the new UN hate speech legislation anti – islamophobia hate speech **“Mark of the beast law”**. One of those nations was Pakistan the 6th largest Muslin nation in the world. The other nation was Turkey headed up by Erdogan the King of Islam the false prophet who enforces the **“Mark of the beast”** upon many of Rev 13:11-18, see **“Revelations Unsealed”** chapters. Part of Erdogan’s 2019 talk around hate speech law at the UN is below revealing a strong Islamic agenda behind this new law:

Article:

In 2019 speaking at an event on “Countering Hate Speech”, President Erdoğan said:

“We support the idea to establish a database at the UN on hate speech. We also propose to establish a platform within the UN where victims of hate speech can quickly file a complaint and the said complaint is followed upon. We as Turkey will continue to spearhead all efforts to actively fight against rising Islamophobia, racism and hate speech. Hate speech is the most common instrument of globally-rising islamophobia. Muslims are the most subjected to hate speech and insults to sacred values. It would be a huge slander to associate Islam, which is the religion of peace, with terrorism”

This speech came from Erdogan whom is pushing Sharia law in Turkey and other Muslim nations he is cleansing Christians and Kurds from Turkey and Syria by killing and jailing whom he can. The vision and end purpose for Islam is to murder all infidels’ non-believers so Islam will have world domination. Erdogan is shutting down churches imprisoning pastas and taking church land for the state. Erdogan denies the Armenian Christian WW1 genocide that was a systematic destruction of a people committed by the Islamic Ottoman Turks at the turn of the 19th century murdering over 1.5 million. This denial is while other countries recognize the genocidal atrocities committed by Turkey. Erdogan calls Islam a religion of peace a complete contradiction of truth. Erdogan himself states about Islam **“the minarets are our bayonets the domes are our helmets the mosques are our barracks and the faithful are our army”** he also stated **“The term moderate Islam is offensive there is no moderate Islam as Islam is Islam”**.

See: <https://www.memri.org/tv/turkish-president-erdogan-speech-minarets-bayonets-mosques-barracks-believers-soldiers>

As we have seen in **“Revelations Unsealed”** chapters (www.joel2fire.com) the end times **“Mark of the beast”**, the Rev 13:11-18 **“Beast from the land”** (false prophet), the Rev 13:1-10 **“Beast from the sea”** (antichrist) and armies, the 6th bowl and 6th trumpet, the beheading of the saints are all connected to Islam itself. These things are not a coincidence nor a conspiracy they are worldwide historic events taking place in these last days.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

There are 57 Islamic state nations as members of the UN that make up one third of UN nations that's a huge influence over UN legislation decisions. The Islamic OIC has been campaigning against Islamophobia for a few decades now they have finally had their way at the UN with the 2019 hate speech legislation. Due to the size and threat of Islam being over 2 billion people nations are bowing to Islam's demands at the UN. Westerners do not understand the eastern culture nor the religion of Islam and its inherent dangers to western nations as a militant destructive religion. The history of Islam itself tells us that chaos and destruction are in its course. America was once at war with Islam as was all of Europe in WW1 now again Islam is on the rise in a phase of recovery Rev 13:1-3 the head wound recovers.

When Jihad is declared all Muslims are called to be part of that Jihad it's a militant religion. With the recent 2023 Gaza attack by Hamas against Israel murdering over 1400 Israelis including woman and babies in cold blood and taking many hostages. We then saw worldwide protests begin led by Muslims in support of Palestine and Hamas and this continues. Hamas is a murderous hate filled Jihadist terrorist group whom Erdogan of Turkey supports and funds remember Erdogan stated Islam is a religion of peace that there are no moderates. This gives one the insight into the problem that exists with Islam and its agenda of world domination now influencing the UN the New World Order seat of power. As you will see in the next article a worthy read !! The OIC (Organization of Islamic Cooperation and Unity) in behind the 2019 hate speech UN legislation “**Mark of the beast law**” desires that all nations will be restricted in freedoms and forced to bow to Islam. The “**Mark of the beast**” religion of end times.

This hate speech law ultimately leads to the persecution of anyone whom speaks against Islam or those in positions of power. Truly the four angels in Ron Wyatts encounter in 1982 prophesied accurately of this future “**Mark of the beast law**”. So since June 2019 we now see Erdogan of Turkey head of the OIC the King of Islam heading up the enforcement and charge on this recent anti islamophobia disguised hate speech law this is no coincidence it was propesied. Please read lengthy article below giving insights:

Exporting Blasphemy Restrictions, The Organization of the Islamic Conference and the United Nations

By Paul Marshall

Twenty years ago, few in the West were concerned with matters of blasphemy, apostasy, or insults towards Islam.⁴ But the 21st century has seen eruptions of violence worldwide in reaction to, for example, Theo van Gogh's film Submission, the Danish and Swedish cartoons, Pope Benedict XVI's Regensburg speech, Geert Wilders' film Fitna, and the false Newsweek story on Qur'an desecration. Some events, such as the declaration by Terry Jones, a pastor in Florida with a congregation of less than 50, that he would burn a Qur'an during prime time on September 11, 2010, dominated several news cycles. The December 11, 2010 bombing in Stockholm was partly a response to Lars Vilks' Swedish cartoons of Mohammad. Other 2010 events received less attention: in September, Iranian pastor Youcef Nadarkhani

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

was sentenced to death for apostasy, and in November, Pakistani Aasia Bibi was sentenced to death for blasphemy.

There are many reasons for the increasingly public acts of violence purportedly carried out in defense of Islam. These include broad structural factors such as the growth of international communications, which amplifies events and reactions to events. But another major reason is the ongoing campaign by the Saudi-based Organization of the Islamic Conference (OIC), which has given the anti-blasphemy movement weight and traction. The OIC, a 57 member body headquartered in Jeddah, was founded in 1969 to respond to the Israeli–Palestinian conflict. Particularly since the OIC’s “Extraordinary Summit” in 2005 in Saudi Arabia, when its campaign over the Danish cartoons helped ignite a global uproar, the OIC’s leadership has grown vociferous in denouncing and campaigning against what it indiscriminately and promiscuously calls “Islamophobia.”

While religious freedom is traditionally understood as the right of persons rather than religions per se, the OIC has campaigned to redefine religious freedom as enforced respect for religion itself, and especially for Islam and everything Islamic. The OIC and its members have been responsible for placing “defamation against religions”—code for Islamic blasphemy restrictions—on the human rights agenda of the United Nations. This was done in an attempt to shape a new international human rights regime that would supplant existing laws protecting individual freedoms and would instead ostensibly protect religions, particularly Islam. While there were a multiplicity of actors, motives, and agendas in scores of countries during the 2005–2006 Danish cartoon backlash, the OIC lent heft to a decades-long, multi-party campaign—a campaign aimed to export restrictions on “insulting Islam” and blasphemy to the rest of the world.

The OIC Campaign

Today, OIC member countries are demanding that all countries curb the intertwined freedoms of religion and expression. Western countries have been dilatory and confused in their responses to the OIC’s demands, not least because the West lacks clarity about what dangers the demands entail and what lies behind them. Recently, most of the discussion has focused naively on questions of how to curb “hate speech,” how to identify what are more generally thought to be insults to religion, and how to accommodate such demands within free societies. However, a survey of the two-decade-long OIC campaign reveals that its goals go far beyond banning what is customarily called “hate speech”; its goals include banning criticism of OIC countries and their governments.

*The first major attempt to silence writers in the West was the February 14, 1989, decree by Iran’s Supreme Leader Grand Ayatollah Khomeini for “all zealous Muslims to execute quickly wherever they find them” the British author Salman Rushdie and all others involved with his book *The Satanic Verses*. Khomeini wanted to ensure that “no one will dare to insult Islamic sanctity” ever again.² As Iran’s highest official, he also needed to shore up his political legitimacy following the end of an inconclusive and devastating war with Iraq.*

Khomeini’s decree triggered the assassination of the novel’s Japanese translator, the stabbing of its Italian translator, the shooting of its Norwegian publisher, the burning to death of 35 guests at a Turkish hotel hosting its Turkish publisher, and the lifelong need for security for Rushdie. It heralded a worldwide

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

movement to curb freedoms of religion and speech by attempting to export and internationalize the blasphemy rules that were already suppressing religious minorities and Muslim dissenters in many Muslim-majority countries. One of the major arenas in this effort has been the United Nations.

Attacks on UN Rapporteurs and NGOs

In 1994, Gaspar Biro, a young Hungarian lawyer and the UN Special Rapporteur on Sudan, concluded that Sudan was violating international human rights agreements due to what Sudan claimed was its sharia-based penal code. Under this code, convictions for adultery, theft, and apostasy meant harsh penalties, including amputation or execution for anyone over the age of seven.³ Biro reported to the UN Human Rights Commission: It does not matter in this context who the drafter is nor what the sources of inspirations of these norms are. In terms of human rights, the only question is whether or not the national legislation is compatible with the existing international instruments to which Sudan is a party.⁴

Sudan's UN delegation responded by calling Biro's report “flagrant blasphemy and a deliberate insult to the Islamic religion, for which the author of the report must be interrogated and condemned by all States and Organizations that respect human and peoples [sic] rights” and “brought to justice.”⁵ When asked why Biro was not permitted back into Sudan to collect information for a subsequent report, the Representative replied with a thinly veiled threat: “We don't want to speculate about his fate if he is to continue offending the feelings of Muslims worldwide.” The Sudanese official added that the General Assembly, “take the necessary remedial measures to comfort the feelings of Muslims worldwide for the unwarranted challenge to Islam posed by those references, otherwise no one would be in a position to guarantee that he would not face the fate of Mr. Salman Rushdie.”⁶ In 1998, Biro was replaced as Special Rapporteur to Sudan, while the Sudanese government continued many of its atrocities, now widely recognized as genocide, in the south and commenced new crimes in Darfur.

In 1997, Indonesia's delegate, acting for the OIC, accused the UN Special Rapporteur against Racism of blasphemy for a passage in his report dealing with anti-Semitism. The Rapporteur had included the statement, “Muslim extremists are turning increasingly to their own religious sources, first and foremost the Qur'an, as a primary anti-Jewish source.” After Pakistan called it “an insult to Islam” and other states complained, the Commission adopted—without a vote—a resolution, in which it protested the reference to the Qur'an and requested that it be deleted.⁷ Subsequent reports on anti-Semitism mentioned only Eastern Europe and the former Soviet Union as specific problem areas.⁸ Also under OIC pressure, the Commission suspended its monitoring of Iran in 2002. As in the Sudanese case, Iranian human rights abuses have continued apace.

Meanwhile, following a protracted struggle in the UN with human rights non-governmental organizations (NGOs), OIC states also demanded and obtained a de facto ban on mentioning Islamic institutions in the Commission. Despite the fact that these same governments had sought to promulgate a specifically Islamic declaration of human rights within the UN—in many cases also citing Islam as a source in national laws and constitutions, and even organizing themselves in the OIC as a self-proclaimed Islamic voting bloc—their sudden contradictory contention that Islam is not a proper topic for discussion won over the Commission's leadership.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

OIC member states used this implied ban as a means to silence their NGO critics within UN human rights fora. Sudan charged in August 1997 that Christian Solidarity International (CSI)—an NGO that had spoken and worked against slavery in that country—had “offended Islam, ... by implying that [Islam] condoned an ideology of genocide, and by alleging that what CSI termed an ‘Arab-Islamic State’ could order the collective punishment of communities that resisted its programs by consigning them to slavery.”⁹ This practice of declaring an offense any mention of Islam made by a country or representative other than the OIC members themselves has continued. Pakistan, representing the OIC, used the Human Rights Council to declare in September 2006 that “[t]he recent reference by Pope Benedict XVI to the Prophet Muhammad had hurt the sensibilities of Muslims.”¹⁰ Since matters pertaining to Islam were not supposed to be mentioned, discussions of “hurtful” pronouncements by Islamic leaders remained off limits.¹¹

The UN as Blasphemy Monitor

Beginning in 1999 in the UN Human Rights Commission, OIC members began a coordinated campaign of blanket condemnation of any commentary they could construe as a “defamation” of Islam. Resolutions to this effect have since been adopted regularly. Meanwhile, Western countries moved from unsuccessfully seeking compromise resolutions in 1999 and 2000 to opposing such resolutions altogether. In 2004, the UN General Assembly (GA) itself took up the question of “Islamophobia,” while the Human Rights Council, which replaced the discredited Human Rights Commission in 2006, continued its predecessor’s practices.

In 2007, the Council adopted a resolution titled “Combating Defamation of Religions,” co-sponsored by Pakistan (for the OIC) and Venezuela. Not surprisingly, it mentioned specifically only the situation of Islam and Muslims and noted the 2005 OIC Mecca summit. The resolution drew strong protests from Western NGOs, including the Jubilee Campaign, the Becket Fund, Amnesty International, Human Rights Watch, and Freedom House. However, that year UN Secretary-General Ban Ki-Moon appeared to endorse criminalizing “defamation of religions” by declaring, “A trend is emerging towards amending Criminal Codes to reflect the existence of the different phenomena constituting defamation of religions. The persistence of these phenomena, however, proves that further efforts need to be made.”¹² OIC members abstained from a Council resolution on religious freedom, because while it guaranteed the right to convert, it made no mention of protecting religions from “defamation.” The Saudi delegation said it could not “accept texts which go against the Islamic sharia.”¹³ However, the OIC did not succeed in gaining EU or US approval for the concept of “defamation of religions.”

By 2008, though resolutions on “defamation of religions” continued to be adopted, albeit with decreasing support, the center of gravity in the UN shifted to “religious hate speech.” Europeans saw resolutions against hate speech as putting the emphasis properly on individuals rather than religions. The OIC, however, still viewed them as a convenient pretext to declare allegedly Islamic institutions off-limits for criticism, and, thus, really a proxy for religious defamation. The 2008 resolutions also tried to conflate racial and religious issues. They argued that a ruling by the Committee on the Elimination of Racial Discrimination, permitting bans against “the dissemination of all ideas based upon racial superiority or hatred,” should be equally applicable to speech inciting religious hatred.¹⁴

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

In March 2008, the Human Rights Council further circumscribed freedom of expression by adopting, with overwhelming support, an amendment introduced by Egypt (for the Group of African States), Pakistan (for the Organization of the Islamic Conference), and the Palestinians (for the Group of Arab States). This amendment changed the mandate of the Special Rapporteur on Freedom of Expression so that it reported on the “abuse” of the right of freedom of expression by a purported act of racial or religious discrimination. The US Ambassador to the UN correctly stated that the revision “attempts to legitimize the criminalization of expression” and aims to place “restrictions on individuals rather than to emphasize the duty and responsibility of governments to guarantee, uphold, promote, and protect human rights.”¹⁵ The Canadian delegate likewise argued that the resolution “would turn the [Special Rapporteur’s] mandate on its head.”¹⁶

In response to the Council’s amendment, on December 10, 2008, four Freedom of Expression monitors—from the UN, the Organization for Security and Cooperation in Europe (OSCE), the Organization of American States (OAS), and the African Commission on Human and Peoples’ Rights (ACHPR)—adopted an extraordinary joint declaration that emphasized the importance of “open debate about all ideas and social phenomena in society and the right of all to be able to manifest their culture, religion, and beliefs in practice” and lauded the abolition in many countries of laws “used to prevent legitimate criticism of powerful religious leaders and to suppress the views of religious minorities, dissenting believers and non-believers....” They argued that, although prohibitions on “incitement to hatred, discrimination, or violence” were acceptable, “open dialogue that exposes the harm prejudice causes” should be the primary means of combating bigotry. Their declaration pointed out that the “defamation of religions” framework was unacceptable because it “does not accord with international standards regarding defamation, which refer to the protection of reputation of individuals.”¹⁷

International Treaties: Exceptions Become the Rule

International human rights treaties, the foundation for global human rights for nearly half a century, are turning out to be weak bulwarks against the OIC’s push for restrictions on negative commentary on Islam. The International Covenant on Civil and Political Rights (ICCPR, effective 1976) is the main treaty protecting individual rights to freedom of religion and of expression. Its guarantees of free expression also contain vaguely worded limits to those rights. These limits are now being interpreted expansively, including by many Western countries, to erode the Covenant’s core freedoms of both religion and expression.

For example, Article 18 establishes one’s “freedom to have or to adopt a religion or belief of his choice, and freedom, either individually or in community with others and in public or private, to manifest his religion or belief in worship, observance, practice and teaching.” Furthermore, Article 19 protects freedom of expression, including “freedom to seek, receive and impart information and ideas of all kinds, regardless of frontiers, either orally, in writing or in print, in the form of art, or through any other media of his choice.” But, in addition, the ICCPR also sets forth “necessary” restrictions on these freedoms, in order to protect “the rights or reputations of others,” “national security,” or public order, health, or morals (Paragraph 3). Also, Article 20 (included by the then-Soviet Bloc states over strong Western opposition) explicitly obliges states to prohibit “[a]ny advocacy of national, racial or religious hatred that constitutes incitement to discrimination, hostility or violence.” This provision is the one now used in Western countries to apply religious hate speech laws and limit the rights found in articles 18 and 19.¹⁸

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

The OIC’s strategy is to stretch these limits on rights into a supposed new right for Islam not to be insulted. The UN’s “defamation of religions” resolutions seek to legitimize this idea by suggesting that speech criticizing religious beliefs is a human rights violation rather than the exercise of a protected human right. This “defamation” push attempts to redefine human rights in five ways, by:

- 1. treating religious matters as if they were akin to racial matters;*
- 2. granting rights to religions themselves rather than to individuals;*
- 3. creating a new right not to be offended in matters of religion;*
- 4. claiming that freedom of religion stands in opposition to freedom of expression; and*
- 5. giving an expansive interpretation to the exceptions to the right of freedom of expression.*

An additional problem is that there is no clarity about what specific forms of expression the OIC countries seek to limit within Western countries. There are no clear definitions of religious defamation or religious hate speech. Similarly, no common practice regarding blasphemy crimes exists within the OIC membership. Many OIC expectations are based upon amorphous rules expressed in practices that vary from country to country and evolve and expand over time. Within countries that have such restrictions, definitions are generally left to case law, commonly unwritten, and often determined by the subjective and sometimes self-serving opinions of local authorities. The nature of what is being asked of non-Muslim-majority societies, or of Muslim-majority societies for that matter, is obscure. Also, within most Western countries, discrimination and incitement to violence against Muslims, as well as other people, are already understood to be crimes. The bans on speech against Islam that the OIC is pursuing must include far broader restrictions.

Conclusions

The freedom to debate, reject, criticize, and/or refuse to respect religious ideas, and the freedom to worship according to one’s conscience, are essential elements of religious freedom. In contrast, prohibitions on “defamation of religions” reflect the view that, in the realm of belief, government should serve as the arbiter and regulator of ideological orthodoxy rather than as the defender of individual freedom. This is the same principal operative behind many OIC states’ own domestic laws against blasphemy and apostasy. Many OIC countries have limits on speech regarding Islam that control not only ridicule and mocking language, but also what can be expressed, analyzed, and argued in the political, cultural, social, economic, and religious realms; in fact, these limits are major means of social and political control. They coerce religious conformity and forcibly silence criticism of dominant religious ideas, especially when those dominant ideas support, and are supported by, political power.

Even when the state is not repressing critics directly, such laws create an atmosphere in which purported blasphemers are subject to vigilante attacks or mob violence instigated by radical preachers. Perhaps the most striking recent examples are the murders of the courageous Salman Taseer, Governor of Punjab Province in Pakistan, and of Shahbaz Bhatti, Pakistan’s Minister of Minority Affairs. Taseer was killed on January 4, 2011, by one of his guards, who deemed him a blasphemer solely because he wanted the abolition of Pakistan’s blasphemy laws. Bhatti, the only Christian in Pakistan’s cabinet, was killed on March 2, 2011, also for opposing the blasphemy laws.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

Where religion and power are intertwined, states invariably draw on laws restricting speech critical of religion for other than purely religious purposes. Many OIC members silence their domestic opponents and critics through a wide variety of repressive measures, but one prominent tactic, especially predominant in Iran, is to accuse such critics of “insulting Islam” or the “Islamic regime.” These accusations enable both the crushing of political dissent and the silencing of Muslims who question the official and dominant versions of Islam—including those who advocate versions of Islam that promote human freedom.

As the late Abdurrahman Wahid, former President of Indonesia, the world’s largest Muslim country, and head of Nahdlatul Ulama, the world’s largest Muslim organization, has written:

Rather than legally stifle criticism and debate—which will only encourage Muslim fundamentalists in their efforts to impose a spiritually void, harsh and monolithic understanding of Islam upon all the world—Western authorities should instead firmly defend freedom of expression, not only in their own nations, but globally, as enshrined in Article 19 of the Universal Declaration of Human Rights.”¹⁹

Those who are humble and strive to live in genuine submission to God (i.e., islām) do not claim to be perfect in their understanding of the Truth. Rather, they are content to live in peace with others, whose paths and views may differ.”²⁰

Silent Christian prayer has now become an arrestable crime in Europe with Christians being persecuted and targeted as anti-establishment (UN agenda). Things will gradually get worse for Christians in this end times war and persecution against personal freedoms. This will affect the ability to speak the truth to preach and share the gospel to unbelievers. Everything that happens in these last days is spiritual and designed to come against ultimately the bride of Christ as Christians. Muslims are free to protest yell and scream at infidels with death threats and hatred, yet they mainly go free unhindered about their business. Internet surveillance has begun in many nations under hate speech legislation arresting those that post information deemed hate speech by whomever, the powers to be can now arrest whoever they like.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

Christians are targeted using aspects of this hate speech law across Europe. As the signs of the times in Europe since 2019 several Christians have been arrested for street preaching and silent prayers in their heads in public places near abortion clinics. In Ireland and Scotland new laws coming into effect target Christians that are caught praying in their private homes about abortion or other subjects deemed Hate speech to the powers to be, can be detained arrested jailed and fined up to 10'000 dollars. Similar occurrences have also happened in the USA and other nations against Christians. Currently an estimated 200 million Christians are persecuted across 60 nations by Muslims around the world. Thousands of Christians are killed every day across the Middle East, India, North Korea and China yet it goes unreported the blind eye is turned. God loves Muslims he just doesn't love what they do and wants them to repent to become saved as well.

We are in the end times end of the age season of the 6th Trumpet and 6th bowl time is short. This anti freedom anti-islamophobia hate speech legislation “**Mark of the beast law**” is connected to communism and Islamic ideals. This will cause populations to be in fear of “**Hate Speech law**” to either be arrested or bow to the powers to be to bow to Islam. With this law you cannot speak against Islam or anyone else in power this is a spiritual situation outworked through natural laws. This law is now in place to limiting free speech against Islam and the authorities. This is happening while Satan uses Muslims to kill the saints to take over western democracies. Islam is instigating the end times “**Mark of the beast**” Sharia law across Europe and Middle Eastern countries right now. The “**Mark of the beast Law**” anti-islamophobia UN legislation is all part of this push to advance the UN agenda and Islams cause it's the end of days “**nature of the beast**” manifesting just as biblical prophecy states.

In mid-2025 mass protests, violence and destruction started taking place in LA and across America over the Palestinian and Gaza situation supporting Muslim agendas (the immigration invasion Trump speaks about). No war is right no killing is right yet Israel has the right as a nation to protect itself from these attacks that have been ongoing for many years now. The bible says you reap what you sow Gal 6:7-9 if you desire destruction violence and murder as these Islamists do you will also reap this. Recently President Trump in America has had to send in the national Guard against these organised Islamic protests. Tens of thousands of pro-Palestinian Muslim immigrants call America the beast and have sworn they will destroy it from within this is a war. These violent Muslim led protests are breaking out in other cities across the USA and around the world as well. This has become a civil war by Islam against America and nations from within against Israel from Gaza. The “**Mark of the Beast**” armies are being stirred up with their beliefs in a worldwide “**Jihad**” for the cause of Islam.

Like crazed gorillas Muslims in America are on the war path to destroy the very country they immigrated to. This chaos and destruction from within has also been orchestrated as part of the play book power takeover of America by the far-left communist ideals over the last few years. Elon Musk and Donald Trump along with other US republican senators on live media have revealed how many US government agencies have laundered billions in funds over several years to Islamic organisations this has increased since Obama came to power. This has been pushed by the UN by the Middle East by Europe by Bush,

“THE BOOK OF REVELATION UNSEALED”

Obama, Biden and the democrats. One would think you are in a Middle Eastern Islamic country watching this all unfold across nations such as America and Europe. On Oct 7th 2023 Hamas declared war on Israel with their Gaza attack killing over 1400 people then on Oct 8th 2023 the next day Hamas then declared war on America.

As already stated in June 2019 this new anti islamphobia hate speech “**Mark of the beast law**” legislation came forth at the UN from the Christchurch NZ Muslim massacre. The UN declared a legislative war against the freedoms of all worldwide populations. This began an ongoing widening assault accelerating internationally at a new level of stripping away further freedoms through the Covid 19 outbreak of Dec 2019 that hit 6 months after the hate speech law was birthed was this a coincidence ? Covid 19 then brought forth fear propagation, lock downs, social distancing, mask wearing, forced experimental vaccinations, media manipulation, unregulated law changes stripping away individual rights and freedoms. Then by 2023 came ongoing worldwide Islamic protests and violence across nations against Israel in support of Hamas antichrist Jihadi murderers, we live in a very sad demonised world.

This “**Anti hate speech law**” the “**Mark of the beast Law**” is all by design instigated by the UN. The UN is made up of one third Islamic state nations influencing world politics. This is for obvious reasons as it works in Islams favour and agenda to advance Islam. It works for the UN’s cause of western power destabilisation and chaos across democratic nations.

The United Nations in its ongoing efforts have combined Islam and communism/socialism together in its agenda as a means to an end. This is to de stabilise western democracies as a power bid for a New World Order take over. The UN and USA deep state elites are using any means they can to bring in chaos to de-stabilise America and western democratic nations (Agenda 2030, Islam, communism, global immigration compact, global warming, Hate speech law, Covid 19 vaccines, the great reset, WHO, WEF, WTO, IMF).

This new “**Hate speech law**” 2019 legislation is definitely the “**Mark of the beast law**” from the 1982 angelic prophecy. The UN is using this law to push an agenda to cause nations to bow to their communist Agenda 2030 along with Islamic ideals as they go hand in hand. Further stripping of freedom and personal rights is being pushed under the general guise of “**Hate speech**” this is all centred around controlling populations (Agenda 2030). It’s to protect Islam from anti Islamophobia in the nations therefore anyone that protests against Islam is labelled as neo-Nazis. This was the same language used in New Zealand in the Christchurch Muslim massacre that took place, now it’s being used worldwide to push their cause of controlling free speech.

Ultimately as said this is spiritual in influence designed to shut down the preaching of the gospel and Christians, as the evidence is now witnessing to. In Europe the word “**church**” has been dropped from use by the Church of England while Christians are arrested for street preaching about sin. Christians are arrested for silently praying outside of abortion clinics etc. Even JD Vance the vice president of America spoke about concerns for Europe and their freedom of speech clamp downs against Christians in Feb 2025 at the Munich Security Conference. The below March 15th 2023 article again backs up the true

The article below unveils the hidden agenda behind the hate speech laws.

Article March 15th 2023:

The United Nations first International Day to Combat Islamophobia serves as a chance to bring anti-Muslim hatred to a halt, the organisation’s Secretary-General António Guterres said on Monday. “The first International Day to Combat Islamophobia is a call for action to stamp out the poison of anti-Muslim hatred. Discrimination diminishes us all. We must stand up against it,” Guterres said in a Tweet. “Today and every day, we must counter the forces of division by reaffirming our common humanity,” the UN chief added. Tuesday marks the first time the UN observes the international day following the unanimous adoption of a General Assembly resolution last year. Guterres has previously noted that nearly two billion Muslims globally “often face bigotry and prejudice simply because of their faith.”

“It [Islamophobia] is an inexorable part of the resurgence of ethno-nationalism, neo-Nazi white supremacist ideologies, and violence targeting vulnerable populations including Muslims, Jews, some minority Christian communities and others,” Guetteres said last week. During a high-level event co-convened by Pakistan, its Foreign Minister Bilawal Bhutto Zardari highlighted the increased hatred towards Muslims in the wake of the September 11 attacks in the United States. “Since the tragedy of 9/11, animosity and institutional suspicion of Muslims and Islam across the world have only escalated to epidemic proportions. A narrative has been developed and peddled which associates Muslim communities and their religion with violence and danger,” Zardari said.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

Quran burning incidents reveal Europe’s ‘deep-rooted’ Islamophobia: analysts. The Pakistani official added that the anti-Islam narrative is widely spread and “has found acceptance by sections of mainstream media, academia, policymakers and state machinery.” Following the deadly 9/11 attacks, the West has waged a so-called “War on Terror” that has been widely seen as a guise under which Islamophobia is rolled out globally, where many, particularly in the west, associated Islam with the “terrorism”.

Islamophobia in Europe

Muslims in certain parts of Europe and North America face widespread Islamophobia and a rise in hate speech towards Islam that has only increased over the years. The alarming rise of Islamophobia in Europe continues to raise concerns globally, particularly among the Muslim community. Since the start of the year, several European countries have witnessed attacks on those who follow the religion with a series of incidents involving the burning of the Quran, the holy Muslim scripture.

(This is all the Muslims say some of our books have been burned and the UN say we must protect Islam, they do not say Muslims are being killed because they are not. Yet Muslims are persecuting 200 million Christians across 60 nations killing tens of thousands of Christians every year unreported. It’s well-known Islamic terrorist attacks have increased massively in the last few years around the world in many non-Islamic nations)

The incidents, all of which were carried out by far-right figures, were seen in Denmark, the Netherlands and Sweden. Last year, the Collective for Countering Islamophobia in Europe (CCIE) reported a “remarkable rise of Islamophobia and the policies that it inspires”, as quoted by Anadolu Agency.

(This Quran burning is potentially due to protests against Muslim immigrant raping gangs causing terrible violence and harm to non-believing locals in these European communities and countries this is also unreported. Everything is biased in favour of Muslims and against everyone else in these reports. Several European countries have also had enough they are now removing Muslim immigrants sending them back to their own countries to practice Islam there.)

CCIE, a Belgium-based anti-Islamophobia group, attributed the spike in incidents to the rise of nationalism with governments downplaying its risks. Quantifying the incidents, CCIE said that it received 787 incidents of Islamophobia throughout 2022, including 527 Islamophobic acts. Other incidents out of the total figure included 467 acts of discrimination, 128 of provocation, 71 of insults, 27 of physical violence along with other harrowing cases.

(The cases reported of Muslim persecution are minor nothing in their 2 billion population. Yet Muslims are killing tens of thousands of Christians ethnic cleansing began in Syria by Muslims against Christians at Assads fall in Dec 2024. Isis destroyed 2.3 million Christians from Iraq and Syria in under 4 years from 2013 – 2017, they destroyed thousands of churches and burned thousands of bibles. Once again, the scales are deeply unbalanced by the powers to be whom hate Christianity this is a spiritual war. Now we have the UN anti – islamophobia legislation anti hate speech mark of the beast law)

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

The United Kingdom and France were described by the report as “the main spots of anti-Muslim hatred and Islamophobic incidents.” The European Islamophobia Report 2021 warned of the rise of anti-Muslim hate in the region, detailing policies adopted by some countries that have fuelled the animosity. In France there were 213 anti-Muslim incidents recorded in 2021, half of which were carried out in the form of harming places of worship and cemeteries. A total of 22% of the incidents involved attacks on Muslims. Meanwhile in the UK, there was a 9% year-on-year increase in cases, with 45% of those reported involving “religiously aggravated” hate crimes. In Sweden, there was a disturbing figure of 996 cases between 2017 and 2021.

(Europe has been invaded by millions of Muslim immigrants from other countries with their own cultural and Islamic beliefs foreign to Europeans. Now they are pushing their own agenda from the Middle East upon European nations no wonder there is some push back even though it's very minor. Yet the power to be favour Islam over emphasising the destruction of Muslims, they are using Islam to strip away the freedoms of the common man).

“However, most complaints of religious discrimination were directly related to ethnic discrimination numbering 4,298 during this period,” the report noted. Qatar was also subjected to Islamophobic rhetoric since it made history in 2010 when it won the bid to host the FIFA World Cup as the first Muslim and Arab country to do so. Western media commentary and a campaign heavily criticising Qatar spread in the lead up to the event and as it took place. This was also seen following the victories of Morocco’s team, the first African and Muslim country to reach the semi-finals in the World Cup’s history. Incidents involved comparing the Atlas Lions to monkeys during their heartfelt moments of celebration with their mothers along with other hateful remarks.

This whole hate speech issue is a smoke screen agenda with a demonic influence behind it, an influence of control and tyranny playing into the hands of the UN and Islam. In the bible in Eph 6:12 it states:

For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places.

What's behind this hate speech law and its intents by those whom have instigated it worldwide becomes the problem an antichrist beast system agenda the **“Mark of the beast law”**. We are up against the spiritual realms operating through corruption principalities authorities and dominions of darkness working under a Babylonian spirit Rev 18. Unjust scales are Satan's domain with only a few hundred incidents recorded against Muslims worldwide they get worldwide protection under UN international law in their favour. In the UK alone currently as of 2025 there are 85 Sharia law Councils (Courts) operating across several Islamic communities involving millions of Muslims that's astounding. Sharia law is actually enforced at national levels in 35 separate Islamic nations with another 12 nations that are heavily influenced under Sharia law. Many other Sharia law Councils operate in other European nations as well such as Germany, Ireland, Israel and Greece. You cannot buy sell or trade under Sharia law unless you are a Muslim sound familiar yet ? (Rev 13:11-18).

The powers to be do not mention the continual tens of thousands of Christians being murdered each year or the 200 million Christians being persecuted by 60 nations across the world by China, North Korea, India and 57 Muslim nations. This is all biased and unbalanced calling good evil and evil good Is 5:20. Islamic terrorist cells, wars, persecutions, violent protests and attacks have increased and accelerated worldwide by the thousands in the last few years. The wool is being pulled over our eyes hoodwinked by the media and the UN, in regards to Islam. It is also known that the UN in its inner circles hate Christianity and all it stands for in truth and freedom. They see Christians as their main obstacle against a New World Order, Christians are their number one enemy to be destroyed. See below link to the UN insider testimony about how the UN hates Christians from the Sid Roth Its supernatural show in 2001.

2030 Agenda where they use words like “sustainability” or “global warming” to sound important to every one while they push an evil agenda of tyranny and control while stealing wealth from nations. In the words of Klaus Shwab “**You will own nothing and be happy about it**” also “**you will eat bugs**”. In certain circles these rich elites refer to the general population of mankind as useless eaters like animals using their resources.

It’s time the populations of this world wake up to the “**woke**” corruption they are brain washed with. They way you kill a frog is by boiling it slowly from cold to hot, so it is unaware that it is being cooked to death.

(Global warming, chem trails, Agenda 2030, global reset, food shortages, wars, plan-demics, worldwide Covid 19 vaccinations, communism, Islam, lock downs, masks, social distancing, hate Speech this is all about cooking you up for the depopulation kill zzzzzzzzzzzzz).

Christians have been murdered in Iraq, Syria and in Africa by the tens of thousands (over 2.3 million destroyed by Islam from Iraq and Syria alone since 2013). The Islamic Jihad terrorist massacre that took place on the 7th Oct 2023 from Gaza against Israel murdered in cold blood men, babies and children while raping and cutting the throats of woman. You have the 2025 ethnic cleansing massacres against Christians and Kurds accruing in Syria by Muslim rebels whom defeated Assad. The Christian Armenian genocide of 1.2 million at the turn of the 19th century by Ottoman Muslim Turks was another example, we must learn from our history. These have just been a few examples of the atrocities that Islamic ideals bring.

The scales are out balanced with the minimal Islamophobic attacks compared to the ongoing Christian massacres and increased Islamic terrorist attacks taking place around the world. The UN (Global

immigration Compact 2015) amalgamated communism and Islam to outwork chaos and de stabilise democracies around the world. The UN is an organisation made up of unelected bureaucrats having one third of its nation's states being Islamic (57). These unelected bureaucrats are legislating the anti-islamophobia hate speech “**mark of the beast law**”. Some African nations have even indicated wanting to use the death penalty under the UN hate speech legislation laws as a means to an end.

The well-known USA (*prophet*) preacher Mario Murillo released a book in 2019 prior to the Covid 19 outbreak called “Vessels of fire and Glory”. In this book God had told him that in the days ahead a time was coming where **Mega churches would be closed across (Covid 19) America that a crisis would come that would put people in their homes (Covid 19 this happened) that statues would be toppled (Antifa and BLM this has happened) that Marxism /Socialism and Islam would join forces they would merge (UN agenda 2030/ Hate speech Mark of beast law).**

If you take a look back into recent history, go back to the UN Global Immigration Compact signed by nations in 2015. This was utilised to accelerate Muslim Immigration into western nations by the millions in advocating for “**no borders**” from the Bush and Obama led conflicts in the Middle East. The Vatican is fully onboard with the no borders policy and embraces Islam saying they worship the same God. You don't have to go far to see before and after pictures of the Islamic takeover of nations in the past. Freedoms are stripped down to be replaced by absolute tyranny and control of a few at the top (see picture on next page). When you strip a person of their freedoms (communism/Islam) speech and rights, when you cover up their faces, you remove their personalities to control them like sheeple, it's a satanic brain washing playbook.

This sort of agenda is used to install fear into the people to bring them into submission to those traumatising them, to make the victimiser look like their saviour. In order to take over and control multitudes first you create a life-threatening traumatic situation and install fear into the multitudes. Then you offer solutions to the fear infused multitudes and they thankfully except it. This leads to the perpetrators then abusing their power in the stripping away the rights and freedoms of the masses.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

If you go back to February 2016 when the TPPA (Comprehensive and Progressive Agreement for Trans-Pacific Partnership CPTPP) was signed it was negotiated solely by Barrack Obama whom was given veto powers from the American congress for the first time in history to negotiate such a deal. Obama negotiated this secret deal with powerful world corporations consolidating 42% of the worlds GDP in this trade deal, 12 Pacific rim nations were involved it was signed in New Zealand in February of 2016.

The USA then withdrew in 2017 under Donald Trump from this agreement knowing it was a sham. Obama in 2013 helped to negotiate the EU trade agreement in Europe the TTIP (Trans-Atlantic Trade and Investment partnership). The TPPA deal Obama negotiated stripped away the sovereignty of 11 Pacific nations handing it over to corporations. Under this agreement as a nation if you didn't do as was agreed to in the secret TTPA agreement dictated by these corporations and did something against their interests, they could sue your country for billions. Nations stuck their heads in the sand and got their butts kicked.

So, when Covid 19 came upon the world scene 3 years later in 2019 these same corporations that owned big Pharma worldwide had all signed the TPPA. These same corporations created the Covid 19 vaccines coercing them onto world governments through these trade agreements in place since 2016. The WHO through the UN was then used to legislate the same governmental script upon world populations worldwide, this was a complete perpetrated scam over the nations. It was no coincidence the United Nations brought forth the new “**Hate Speech Law**” to strip away free speech in mid-2019 just 6 months before Covid 19 appeared. The “**Hate Speech law**” was designed to give governing powers greater control over any one the was deemed as “**Hate Speech**” to begin to imprison any one they choose to. This is now a full reality in the UK, Australia, Paris, Ireland, Scotland and several other nations.

The World Health Organisation was involved with the Covid 19 Nov 6th 2019 “**Event 201**” plandemic a practice run about a fast-spreading coronavirus outbreak. They planned how to control and influence

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

agencies around the world to their agenda, then they brought forth in 2020 a governmental worldwide lock down agenda. Event 201 was held one month prior to the Covid 19 outbreak in Dec 2019 what a coincidence. Event 201 was practised where all governments were in lockstep with the UN agenda (Operation Lockstep Rockefeller Foundation, 2010) they all did the same thing as dictated to them by the WHO.

It's interesting back in 2010 a scenario manual was created called “**Operation Lockstep**” written by the Rockefeller Foundation. In this manual they insinuated that a future pandemic would start in China, that governments would all act the same way. Then lo and behold in 2020 the UN and WHO employed tactics of fear propagating mass infections and die offs, de humanisation, division and coercion, social distancing, masks, lock downs while enforcing experimental medical procedures through vaccines, what an amazing coincidence.

A well-known minister prophet from the Californian prophets James Goll had a dream/vision encounter in April 2020 indicating the times we are in as mentioned in chapters 0, 14A, 14B, 42, 43, 43A. James Goll saw part of **Satan's manual for an end time's global warfare against God and His people**. James also heard about God's favor coming and the harvest of souls to come spoken to him audibly.

Mid April 2020 (James Goll) in a vision/dream:

I saw 12 chapters in Satan's (red dragon Rev 12) Manuel for Global warfare. The Manuel opened to me on chapter 6, 7 and 8. In chapter 6 I saw the scourge of fear being released upon the world then in chapter 7 I saw a pandemic plague being released, in chapter 8 I then saw worldwide economic collapse.

James Goll felt **Satan's plan was to cut off the destiny of Gods people, the devil knows God's harvest is coming**. So, what you have is an end time's demonic strategy of Satan being released that God allows and uses. Nothing catches God by surprise He even knows the enemy's schemes and thoughts. The strategy James said was “**He who teaches the people to fear rules**”. James never got to see what the last four chapter were>These last four chapters will be in the Bible as part of the end times the invasion of Israel will be part of that.

The WHO guided governments to attack human rights and free speech they pushed fear-based media censorship while dividing the vaccinated (pure) and unvaccinated (impure) people into two groups, to divide and conquer populations through diss-unity and fear. Jacinda Adern in New Zealand after she stated there would be no penalties or forced vaccinations upon people then changed her stance months later to “**no jab no job**” was asked about this Covid 19 division of New Zealand she has caused about

Chapter 41C

two classes of people what the government referred to as the unclean (no-covid 19 vaccines) and the pure (Covid 19 vaccinees) on live TV. Jacinda Adern then said **“that is exactly what this is”** a planned agenda, after lying directly to New Zealanders on national TV. This came after months of her saying she was working through compassion and kindness with the public, just more hypocrisy. Jacinda Adern during the Covid 19 plandemic said **“the government is your single source of truth”** no one else in other words has any truth. These were all comments of a socialist communist government dictator.

These experimental vaccines in New Zealand as well as in other countries killed untold many and maimed many in the tens of thousands, people’s blood is now on Jacinda Aderns hands in New Zealand. It has come out that the New Zealand government at the time was aware of the risks and damaging side effects of the Covid vaccines yet they lied to the public, deeming them as absolutely safe and effective yet they were not. She was good friends with Bill and Melinda Gates and their foundation whom are the main funders of the WHO whom promoted and advocated for worldwide Covid 19 vaccines. This is the same woman who birthed **“Hate Speech”** legislation at the UN.

Anyone using their freedom of rights **“they no longer have”** in protesting against Covid vaccination got labelled as potential violent extremists and were arrested in many nations. Extremism becomes terrorism according to the government and their agenda; this is the connection to controlling your objection through the UN **“Hate speech Law”**. All the protesters in Wellington New Zealand that began February 2022 outside the parliament were attacked by hundreds of police they used sonic sound military grade weapons on them, set tents on fire and arrested many. Several police officers over the treatment of fellow citizens by the government resigned from their positions instead of attacking fellow Kiwis exercising freedom of speech. During those protests not once did any politician address the thousands of Kiwis outside of parliament. This made it very clear the New Zealand government does not care about its own citizens; they follow a UN prescribed agenda.

Jacinda also made abortion fully legal to kill babies in the womb up to child birth age if required, this bill was passed in New Zealand on May 18th 2020. The truth is before God no law can cover over the murder of a human being. Jacinda Adern is now personally responsible for the murder of innocent babies in New Zealand it's called "Infanticide". The same Covid 19 script was repeatedly used all over the world by worldwide governments in over 188 countries all under lock down (Lock step). All these tactics were used to divide and conquer through the fear of death. These are sequences taken from the playbook of the UN now employed through agencies like the WHO. Below is a classic example of enforcing the wearing of face masks to de humanise the people; to separate them and disempower them into submission through the fear of death, just as Islam does this sound familiar Mr Covid ?.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

The Germans employed dictatorial powers in WW2 working alongside Islamic (Sharia) and National Socialist German Workers' (Nazi) Party ideals (Eugenics and Racism). The German elites thought their Arian race considered themselves as superior to all other races and were determined to wipe out opposing populations, while experimenting on them scientifically (Nuremberg Code). They removed free speech turning Germany into a dictatorship then murdered and persecuted all those that opposed their particular ideals, sound familiar yet ?. Islamic ideals are the same they remove free speech under Sharia Law in their beliefs and system. Muslims believe for world domination through the ethnic cleansing of all infidel's non-believers of Islam oppressing Islamic populations through fear and tyranny.

Communism did the same thing killing millions in Russia and China removing all opposing populations to their system of tyranny, where only a few chosen at the top gained great riches while lording it over the rest. In 2019 the “**Hate speech law**” (Mark of beast law) was birthed then in 2020 they began Lockdowns, dividing the vaccinated and unvaccinated the pure and impure, masks, social distancing, these same tactics were used once again this time from one body the UN consolidating power.

This author believes along with communist and Islamic ideals that a Eugenics approach was used worldwide, employed by the UN and the WHO using experimental Covid 19 vaccines coerced upon populations. This of course injured and killed untold millions worldwide increasing cancers and heart attacks by huge percentages even sterilising millions according to non-establishment scientific reports. The unelected Elite powers and the UN have employed communist and Islamic ideals to brainwash and subject populations to control and tyranny by a few.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

Remember Bill Gates an elite player connected to the Rothchild's and others is the main funder of the WHO he loves to experiment with people's lives he has no credentials in the medical world at all. Yet he influences the WHO a Eugenics playbook. Bill Gates basically said; **“if we do a great job with vaccines, we could lower the worldwide population by 10-15 percent”**. Remember Bill Gates & the WEF organised **“Event 201”** a worldwide pandemic scenario in Oct 2019 two months before Covid 19 hit. Event 201 trained those in attendance on how to subject populations to their will.

The Covid 19 social distancing, the coercion on populations to take experimental medical procedures (vaccines) using fear tactics to submit, the enforced unproven mask wearing to hide faces the restrictive lock downs and illegal governmental legislation changes stripped away freedoms. The new **“Hate speech Law”** the disinformation media censorship is all designed to break any resistance against global tyranny. As said this has all been done before through the Nazi Party (WW2) through communism (Stalin) and Islam as a means to an end for total **“tyranny and control by a few”**. The contrasts are uncanny of what began worldwide in 2019 with **“Hate speech”** legislation then worldwide Covid 19 measures forced upon billions by governments in over 188 nations even in Islam.

The sheeple submitted through fear based propaganda campaigns from practised scenarios at **“Event 201”** held in Oct 2019 and WHO legislation. Bill Gates and Anthony Fauci met back in 2000 to discuss this very pandemic scenario they formed a partnership and agreed to put it into play along with others. If you follow the money you will find the players. Even Obama was involved in 2005 as a senator with senator Luger in setting up bio weapons labs in the Ukraine that were involved with bio weapon pathogens. Or the facilities he worked on were involved in destroying Russian nuclear weapons. Obama as president also had funding involvement at Wuhan in China along with George Soros (ex Nazi) Fauci and Gates. Reports of 26 plus US run Bio weapons labs and other related facilities are in the Ukraine with another 336 bio labs in 30 other nations. Nothing to see here folks the rabbit hole runs deeper and deeper these few individual players have a lot to answer for, connect the dots.

Bill Gates and Anthony Fauci have created a formidable public-private partnership that wields incredible power over the American public, along with global health and food policies. Inspired by Rockefeller's business model, Bill and Melinda Gates donated \$36 billion worth of Microsoft stock to the Bill & Melinda Gates Foundation between 1994 and 2018. Gates also created Bill Gates Investments (BGI), which predominantly invests in multinational food, agriculture, pharmaceutical, energy, telecom and tech companies with global operations.

Gates strategically targets BMGF's charitable gifts to give him control of the international health and agricultural agencies and the media, allowing him to dictate global health and food. Fauci and Gates met in person, shaking hands in 2000 in an agreement to control and expand the global vaccine enterprise. You can read all of the details in Robert F. Kennedy Jr.'s best-selling book, "The Real Anthony Fauci," which contains more than 2,200 footnotes of referenced data.

Chapter 41C

What many do not understand about WW2 is the military enforcers in concentration camps murdering the Jews (6 million) and others were both Nazi and Islamic military SS members.

Above left is Hitler with Haj Amin al-Husseini, the Grand Mufti of Jerusalem and a close ally of al-Banna, in Berlin, where he lived as Hitler's VIP guest from 1941 to 1945 before joining al-Banna in Egypt in 1946. The Muslim Nazi troops of the Waffen-SS Handschar Divisions are being reviewed by Haj Amin al-Husseini (right) and by SS Reichsführer Heinrich Himmler. Due to their large number of volunteers, Handschar Divisions were the largest of Hitler's 38 Waffen-SS Divisions. After World War II, Muslim Brotherhood continued to grow, supported this time by the West, which saw it as a counterweight to the threat of Soviet-backed Communism in the Middle East.

See: <http://www.billionbibles.org/sharia/hitler-muslim-brotherhood.html>

Sunni Muslim “Hamas” a government and military group that controls Gaza and its hostilities against Israel was formed out of the Palestinian Muslim Brotherhood, as an offshoot of the brotherhood in 1987.

See: <https://www.ebsco.com/research-starters/ethnic-and-cultural-studies/hamas>

History tends to repeat itself around the world in recent times the powers to be have built Nazi styled WW2 concentration style camps for Covid 19. These camps have been built in nations such as Australia, America and China with experimental vaccinations being coerced and enforced, once you see these things you cannot un see it. If it sounds like conspiracy its probably true nothing is a coincidence most are blind folded hoodwinked by propaganda. It has also recently been reported on U Tube videos and across media in 2025 that Chinas population has shrunk dramatically. With estimates of a possible 100 million per year in China alone dying since 2019 from Covid 19 and vaccinations, entire towns are empty even cities.

Many Chinese citizens are in shock asking where are all the people ? where have they gone? China is heavily censored and monitored by its government on true information they control the people. There is no real free speech in China everything is censored only under protest does free speech arise in China.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

Then the government comes in and arrests multitudes taking them away to who knows where. The reason I am including this additional information is to show you that the **“Hate Speech law”** (Mark of beast Law) is designed to eradicate free speech it is an antichrist communist agenda under the UN umbrella over nations. Things will become worse over time the more they take away from individual freedoms.

None of these things are a coincidence we need to open our eyes and see it for what it is **“an international mass murder de population agenda”**. The **“Mark of the beast hate speech law”** was brought in to give themselves powers to stop any opposition to their plans. Who will govern what is

hate speech and what is not ? it is the unelected unseen bureaucrats at the UN and leaders over nations submitted to the UN through pacts and agreements.

Social media platforms across the board from 2019 forwards began censoring Covid 19 information, demonising Donald Trump and anybody that stood against the UN agenda and the far-left communist socialist agendas. Mass censoring began across all media platforms under pressure of governments as they also began to enforce “**Hat speech law**” in nations such as the UK, Europe, Australia, New Zealand, America and Africa. Yet there is some hope for the nations and the oppressed populations. By the end of 2024 as Donald Trump regained political power things began to shift again, back to free speech especially in America, hopefully other nations will follow suit. JD Vencels speech in the UK in Feb 2025 openly challenged the UK about their ludacris anti free speech laws (based upon UN Hate speech law legislation). At the same time Trump began withdrawing from the WHO, the Paris Accord and the UN in general stating these organisations were irrelevant and against American freedoms.

In biblical prophecy you can find this worldwide situation that took place with Covid 19 in a few short words as found in Rev 18:23. A prophecy about spiritual Babylon, its coming fall and the rich merchant traders of the earth. These rich merchants deceived the kings of the earth and the nations through their sorcery (witchcraft). In the Hebrew understanding sorcery means “Pharmacia” (big Pharma/medical procedures/medications/ vaccines). This prophecy since Dec 2019 has now come to pass worldwide.

Rev 18:23

The light of a lamp shall not shine in you anymore, and the voice of bridegroom and bride shall not be heard in you anymore. **For your merchants were the great men of the earth, for by your sorcery all the nations were deceived.** (NKJV)

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

Conclusion:

“The birthing of the Hate speech law”

As said already on previous pages Jacinda Ardern the New Zealand prime minister was known for practicing communist socialism she pushed the agenda of anti-hate speech primarily against those who speak against Islam, due to the massacre in New Zealand. This anti hate speech agenda was launched at the UN whom aligned itself with the UN socialist controlled Agenda 2030. In the past Jacinda spoke in Hungary in 2009 next to the prime minister of Hungary the party leader she used the term “comrades” over 14 times in her speech at the communist rally movement for fighting neo liberal agenda’s. Jacinda called on LGBT rights and social justice, speaking of “our” mother party “Socialist International”. Jacinda eventually became a New Zealand PM and pushed an oppressive communist socialist agenda then due to much hatred against her by the New Zealand public for her terrible tyrannical handling of Covid 19 and other issues.

This hate speech agenda at the UN became an attack on the liberties of free speech for all nations. Ultimately this hate speech law is designed to bring in absolute control over free speech to cause nations to bow to Islam to shut down the Christians and the gospel to remove all resistance. The UN along with the Vatican is known to openly support Islamic ideals along with an Islamic caliphate. The UN has one third of its members as Islamic nation state members (57). The UN has amalgamated communism and Islam as a tool to de stabilise western nations to bring in chaos. The UN is known to detest and hate Christians it stands against Christianity. They see Christians as the main enemy obstacle to a Global government that Christians have to be dealt with. Christians are the only ones that resist the UN and their New World Order domination plans due to their belief in Gods government and rule not mans.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

Jacinda Adern has been used by powers as a communist whom led the charge of “**anti-hate speech law**” at the UN. A “**Mark of the beast law**” was prophesied about 37 years pre-June 2019 by four angels at the Ark of the covenant discovery by Ron Wyatt in 1982. This new law was birthed in June 2019 then taken up by Pakistan the world’s 6th largest Muslim nation and Recep Tayip Erdogan (*false prophet Rev 13:11-18*) of Turkey the King of Islam. Turkey and Pakistan are now heading up the charge along with Jacinda Adern at the UN (communism and Islam working together). Erdogan became the head voice representing the OIC (*Organisation of Islamic Cooperation and Unity of 57 Islamic nations*) and the Arab League (22 member states).

One God in the name of Allah and Muhummad his prophet leads its worshipers to polygamy and Jihadi destruction (Hamas, Isis, Boko Huraam, Muslim brotherhood, Al Qaeda, Taliban) where they steal, destroy, murder and rape all infidels. The other God Jesus leads His worshipers to repentance, forgiveness and love, true Christinas are not to hurt anyone but to love their neighbours a complete opposite contrast to Islam.

The UN is made up of one third Islamic nations with great influence and sway for this Jacinda Adern instigated “**anti-hate speech law**” (*Mark of Beast law*) what a legacy for Jacinda Adern. This law is being implemented removing free speech from nations. In all reality the UN assembly does not care about Christians or Israel where the Bible came from. The UN have been against Israel since 1948 with over 140 anti-Israel resolutions that’s well known. This is all about protecting and using Islam to take more power it’s complete UN hypocrisy. UN Secretary-General António Guterres head of the UN in his speech called the Christchurch massacre of Muslims situation a welcomed development for this new “**Hate Speech law**” joining the law into sustainability development under Agenda 2030. He stated this new law involves all government coordination with the support of member states.

It is well known the UN is a body of unelected bureaucrats that demand their legislation to be followed by all member state nations, the Covid 19 situation of masks, lockdowns, social distancing and coerced vaccinations was a classic example of this control. In May of 2025 UN nations rushed to sign a new **WHO Pandemic Agreement** handing powers over to the UN and it’s WHO to dictate to nations what to do under the next pandemic (plandemic). This is a pre curser to what they (Elites) want to do next they are already saying a 2nd pandemic is coming. The WHO has taken complete legislative worldwide pandemic control hoodwinking governments, this will become an intense controlled worldwide agenda under a 2nd plandemic. These things that are taking place are not what they seem there is an agenda behind it all (Agenda 2030). At this stage you will call this a conspiracy like all the other times of covid and vaccination conspiracy theories now proven to be true.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

See: <https://www.who.int/news/item/20-05-2025-world-health-assembly-adopts-historic-pandemic-agreement-to-make-the-world-more-equitable-and-safer-from-future-pandemics>

We are truly in times of lawlessness being pushed upon entire populations by those desiring to rule by tyranny from so called world organisations for the betterment of mankind. This hate speech law “**Mark of the beast law**” is the control of the free will of man to be able to speak freely as free speech and free will is actually God given. This law protects the UN and leaders of nations from any rhetoric or voices they deem as hate speech including protests against any of their decisions as a seat of power over the nations, it’s a power grab. In the UK just 4 years on from this new “**hate speech law**” they are now arresting and fining Christians for thought crimes, for silently standing outside abortion clinics praying in their heads.

See: <https://spuc.org.uk/jd-vance-is-right-silent-prayer-can-get-you-arrested-in-the-uk/>

Then you have known Muslim gangs walking through towns and cities under Sharia law in Europe and the UK raping women and creating havoc along with violent protests against Israel chanting death and hate to all and are ignored, the scales of justice in the UK are totally imbalanced. Many European nations are now 50% plus Muslim majority countries through accelerated migration (mainly Muslim immigrants) using the UN Global Immigration Compact of 2015. These occurrences are not chance happenings they are an agenda pushing Islam through the UN to destabilise western democracies a shift in power by evil power players.

Again in conclusion what is taking place now under the 2019 “**Hate speech law**” is exactly what was said as a warning by the angels in 1982 to Ron Wyatt in the cave of the Ark of the covenant. People will think they are doing the right thing under this law but it’s not its control by the beast Satan. Designed to ultimately shut down opposition and the preaching of the Gospel a direct attack on freedom of speech and Christianity. This “**Hate speech Law**” with its foundations in “**anti-islamophobia**” is causing nations to bow down to fear to Islam to the UN. This is a “**Mark of the beast Law**” a satanic law now pushed upon the nations designed to shut down anything the powers to be seen as “**Hate Speech**”. God said go forth and preach the gospel unto all nations unto the ends of the Earth (Mark 16:15), this “Hate speech law” is antichrist against Christ.

When you are dealing with sin and repentance in a world consumed by deep darkness and sin, the unsaved will find the gospel offensive and deem it hate speech against themselves. This will open up a new level of Christian persecution across the nations under this “**Hate Speech law**” law. It may get to the point where the government as in China tells the church what they can preach and what they can’t, this is now becoming a worldwide issue. This will mean European nations in many cases will have to submit to the ideals of communism and Islam (*mark of beast religion of end times*) being the majority populations, where you cannot speak against Islam (*in line with Holy Roman Empire Vatican agenda of Chrislam*) they will not have the right to say no to Islamic ideals or UN ideals.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

This law will also protect homosexuals, prostitution or paedophilia laws in some countries, otherwise any protests or media against these things will be deemed hate speech. The legal loop hole that’s been opened up will work in favour for those who govern and define what the **“Hate Speech law”** actually is. In countries like Australia in 2025 you can now be jailed for 7 years under extreme hate speech laws.

Under this new law coming those who make a stand will be arrested and imprisoned even killed depending on what some countries deem as punishment for what they say is hate speech. This hate speech law is a Pandora’s box of control eliminating the current freedoms of the free will, to speak up to stand and do the right thing this diversity is what makes us humans not robots before God. Truly we live in the days of lawlessness and the lawless one the Antichrist and false prophet Rev 13:1-18.

Finally, once again the **Ron Wyatt testimony**:

(The UN revelation on this Mark of the beast law came to this author on 19.9.19).

Ron Wyatt was told by angels about the **“Mark of Beast Law”** back in 1982 thirty-seven years ago (*pre 2019 “Hate Speech”*). Find this at 10.30mins on video.

See Ron Wyatt: The **“Mark of the Beast Law”**: <https://youtu.be/2ERikraB-mg?si=usRUydRkuv9TpSnl>

Ron states below what the angels told him in the Ark chamber cave.

Soon there will be set of manmade laws with best intentions surrounded by a barrage of deceptions instigated by the devil to make you think this is the best thing that’s happened since the slice of bread. A “Mark of the beast law” will be passed or enforced, a set of manmade laws with best intentions instigated by the devil, that this is the best thing that has happened since Gods law.

This enforced mark of beast law will cause men to break Gods ten commandments Ex 20:3-18 “You shall not worship a brazen image; you shall not worship a false God”. This law will be a doctrine of

Chapter 41C

the commandments of men instead of God. The second commandment has already been changed. When you are forced by man’s laws to break the laws of God you have “The mark of the beast”.

This **“Mark of the Beast Law”** Ron Wyatt was told about 37 years ago has now come to pass as of June 2019, it’s actually recognising it. When mankind is forced through this law to bow to Islam/Allah as God while stripping away human freedoms such as the right to pray, protest and speak out this is antichrist.

In these last days it is Islam that carries the **“Mark of the Beast”** according to prophecy in these chapters. The false prophet is Islamic **“Erdogan of Turkey”** the King of Islam Rev 13:11-18, he has already called fire down from heaven and built the image to the beast with the wounded head.

(See www.joel2fire.com **“Revelations Unsealed”** chapters, 10. WW2 Trumpet 2, 10A UN birthed, 35. Warring against the saints, 41. Rev 13 the false prophet, 41A. Mark of the beast, 47. The last war of Ezekiel 38 & 39).

It is Islam that has the **“beast”** nature through idolatry, destruction and devastation in these last days Islam murders and beheads the saints. *Islam now has many Sharia courts across western nations where you can’t buy or sell unless you’re a Muslim.* Islam is attacking Israel they want it destroyed wiped off the map.

Many European nations through UN Global immigration pressures such as the Global Immigration compact of 2015, have brought millions of Muslims into western nations. Many western nations are now dominated by Islamic pressures and ideals having over 50% Muslim populations. The UN is made up of one third Islamic state nations 57 of them, there are around 1.9-2.3 billion Muslims worldwide.

The **“Hate Speech Mark of the beast Law”** came out of an Islamic Massacre in New Zealand pushed by a socialist communist leader Jacinda Adern a complete non believer in God. This law is an anti **“Islamphobia”** an anti-Islam, anti-Satan law you cannot speak against them. This 2019 UN law legislation is designed for you to bow down before the image of the beast the root being **“Islam”**.

This law is also designed to stop the truth from being preached hence the gospel **“If they don’t like it or you, they will put you in jail”** based on this UN **“Mark of the beast law”**. To fear God is the hate sin to hate Satan and his works, to speak out the truth.

The false prophet in Rev 13:11-18 enforces the **“Mark of the beast”** causing many to bow down to his image **“Islam”**. Erdogan the false prophet of end times is pushing to enforce this **“Hate speech law”** upon nations through the UN along with Pakistan and Jacinda Ardern.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

Original commandments

They removed commandment number two

As an extra revelation in scripture in certain bibles the ten commandments have been interfered with, the tenth command was split in two by the Vatican eliminating the second commandment **“You shall not make a graven image nor bow down to it”** to justify their practices. This is exactly what Catholics do in worshipping and praying to statues and images. The worship of statues and manmade images praying to them as if they are gods is an abomination to God Himself. This is called idolatry the root cause of the abomination of desolation in Ez 8, Math 24:15-22, Dan 9:27 the old and new testament condemns this practice.

This is what Islam does as well the same deceptive spirit they bow to a graven image in the Islamic religion the Star and Moon of Islam, it's on top of Mosques, it's on the Jihadi Bismilla/Shahada arm and head bands and flags. They bow in prayer to Mecca 5 times a day (Salah) in the east to a black building and stone called the Kabba in Mecca Saudi Arabia, the holiest pilgrimage site in Islam.

“THE BOOK OF REVELATION UNSEALED”

Chapter 41C

In Ezekiel 8 God took Ezekiel into His temple to show him what the temple priests were doing they were bowing down to graven images idols. Then God took Ezekiel to an even greater sin where they were worshipping the sun in the east. Idolatry is the root cause of the **“abomination of desolation”** connected to the **“Mark of the beast”** in the last days (Mathew 24:15) that will stand in the Holy Place.

Idolatry is the root to the Rev 13:11-18 and its devastation destruction in the end times. Idolatry is the root to the **“Mark of the beast law”** where man makes himself as god with his own laws disregarding Gods laws His Ten Commandments canceling God given freedom of speech for all mankind. When you invert and turn aside from Gods universal Ten Commandments breaking them, you have iniquity, perversion and idolatry the abomination of sin the fallen beast nature you have the **“Mark of the Beast”**.

Exo 20:3 "You shall have no other gods before Me.

Exo 20:4 "You shall not make for yourself a carved image—any likeness of anything that is in heaven above, or that is in the earth beneath, or that is in the water under the earth;

Exo 20:5 you shall not bow down to them nor serve them. For I, the LORD your God, am a jealous God, visiting the iniquity of the fathers upon the children to the third and fourth generations of those who hate Me,

Exo 20:6 but showing mercy to thousands, to those who love Me and keep My commandments.

Exo 20:7 "You shall not take the name of the LORD your God in vain, for the LORD will not hold him guiltless who takes His name in vain.

Exo 20:8 "Remember the Sabbath day, to keep it holy.

Exo 20:9 Six days you shall labor and do all your work,

Exo 20:10 but the seventh day is the Sabbath of the LORD your God. In it you shall do no work: you, nor your son, nor your daughter, nor your male servant, nor your female servant, nor your cattle, nor your stranger who is within your gates.

Exo 20:11 For in six days the LORD made the heavens and the earth, the sea, and all that is in them, and rested the seventh day. Therefore the LORD blessed the Sabbath day and hallowed it.

Exo 20:12 "Honor your father and your mother, that your days may be long upon the land which the LORD your God is giving you.

Exo 20:13 "You shall not murder.
