## The Interconnected “Holy Roman Empire”

I have included here 3 articles that give an insight to the powers to be that run the worldwide modern day “Holy Roman Empire” whom control and dominate the world from behind closed doors. The elite controlled integration of these 3 cities is the final part of the transformed fourth and last Empire of the Dan 2 statute. Some known organizations owned and run by these 3 secret elite (*Dragon/Satan influenced*) controlled cities are the Illuminati/Freemasons, Jesuits, World banks/Federal Reserves, UN, EU, Bilderberg Group, NAFTA, NATO, G7, G20, Global police force and nearly all large corporations that sell countries their consumable products from weapons and technology to medications to cars to food. These 3 cities cover the economics, military power and religious influences of the world as we know it.

## Three Corporations run the world: City of London, Washington DC and Vatican City

Posted by Shenali D Waduge On May 31, 2014

World events most of which are ‘engineered’ leave a trail that leads to the architects. We next discover that there are 3 cities on earth that come under no national authority, they have separate laws, they pay no taxes, they have their own police force and even possess their own flag of ‘independence’. These 3 cities control the economy, military onslaughts and the spiritual beings of those in powers. The 3 cities are actually corporations they are the City of London, District of Columbia and the Vatican. Together they control politicians, the courts, educational institutions, food supply, natural resources, foreign policies, economies, media, and the money flow of most nations as well as 80% of the world’s entire wealth. Their ultimate aim is to build a totalitarian

rule on a global scale where people will be divided into rulers and the ruled after they have depopulated the world to numbers they wish to rule over. What we need to understand is that the world does not work according to what we have been led to believe. We are drowning in misinformation.

**At the center of each city state are giant phallic shaped stone monuments called obelisks.**

London Obelisk

**London obelisk** (Cleopatra’s Needle): Located on the banks of the River Thames, this obelisk was transported to London and erected in 1878 under the reign of Queen Victoria. The obelisk originally stood in the Egyptian city of On, or Heliopolis (the City of the Sun). The Knights Templars’ land extended to this area of the Thames, where the Templars’ had their own docks. Either side of the obelisk is surrounded by a sphinx, more symbolism dating back to the ancient world.

In **D.C.** the obelisk is known as the Washington monument was dedicated to George Washington by the secretive brotherhood of Freemason Grand Lodge of the District of Columbia in 1848. They also contributed 22 Masonic memorial stones. 250 Masonic lodges financed the Washington monument obelisk including the knights templar Masonic order.

**Vatican obelisk:** Located in St. Peter’s Square, was moved from Egypt to its current location, in 1586. The circle on the ground represents the female vagina, while the obelisk itself is the penis. This is commonly known as occult symbolism.

### 1. CITY OF LONDON INC

The City of London was formed when the Romans arrived in Great Britain 2000 years ago and started a trading post on the River Thames. Exactly 1000 years later William the Conqueror (King William III) gave sovereign status to the City of Londoners in 1694 allowing them to continue enjoying separate rights and privileges so long as they recognized him as King. The Kings that succeeded William however, decided to build a new capital city and named it Westminster. There have been numerous instances of the King and the City’s Mayor at loggerheads with each other.

What is peculiar is that laws passed by the British Parliament, does not apply to the City of London. However the City of London is not an independent nation like the Vatican.

Today the City of London is a one-square mile city. The 2 London’s have separate city halls and elect separate mayors, who collect separate taxes to fund separate police who enforce separate laws. City of London has its own separate flag and crest while London city does not. The Mayor of the City of London has a fancy title ‘The Right Honorable the Lord Mayor of London’ rides a golden carriage to Guildhall while the Mayor of London wears a suit and takes a bus. The Mayor of London has no power over the Right Honorable Lord Mayor of London (City of London). What’s unique is that the City of London is a Corporation older than the United Kingdom but has a representative in the UK Parliament through a person known as the ‘Remembrancer’ who is present to protect the ‘City’s’ interests.

## Chapter 19B

- **Fleet Streets Newspaper and Publishing Monopolies**
- **Headquarters for Worldwide Freemasonry**
- **Headquarters for the worldwide money cartel known as 'THE CROWN'**

The City of London is controlled by the Bank of England, a private corporation owned by the Rothschild family after Nathan Rothschild crashed the English stock market in 1812 then took control of the Bank of England. The Queen refers to the City of London Corporation as the 'Firm' but it is known as The CROWN (not representing the Royalty of Britain). Buckingham Palace is in London but not in the City of London the City is not part of England.

City of London directly and indirectly controls all mayors, councils, regional councils, multi-national and trans-national banks, corporations, judicial systems (through Old Bailey, Temple Bar and the Royal Courts of Justice in London), the IMF, World Bank, Vatican Bank (through N. M. Rothschild & Sons London Italian subsidiary Torlonia), European Central Bank, United States Federal Reserve (which is privately owned and secretly controlled by eight British controlled shareholding banks), the Bank for International Settlements in Switzerland (which is also British-controlled and oversees all of the Reserve Banks around the world including our own) and the European Union and the United Nations Organization.

The Crown controls the global financial system it runs the governments of all Commonwealth countries, and many non Commonwealth 'Western' nations as well (like Greece). The Crown traces back to the Vatican, which is headed by the Pope (who owns American Express). In essence the City of London Corporation would become the "One World Earth Corporation" and would privately own the world.

## 2. WASHINGTON DC (District of Columbia)

Washington DC is not part of the USA. District of Columbia is located on 10sq miles of land. DC has its own flag and own independent constitution. This constitution operates under a tyrannical Roman law known as Lex Fori. DC constitution has nothing to do with the American Constitution. The Act of 1871 passed by Congress created a separate corporation known as THE UNITED STATES & corporate government for the District of Columbia. Thus DC acts as a Corporation through the Act. The flag of Washington's District of Columbia has 3 red stars (the 3 stars denoting DC, Vatican City and City of London).

A look at the various Treaties raises the question of whether US remains a British Crown colony. The basis of this goes back to the first Charter of Virginia in 1606 that granted Britain the right to colonize America and gave the British King/Queen to hold sovereign authority over colonized America and its citizens. Colonized America was created after stealing America from the Native Indians. If America was colonized with British subjects these people are subjects of the British Government.

To negate this was the Treaty of 1783 declaring independence from Great Britain. However, this Treaty identifies the King/Queen of England as the Prince of the United States. (please refer: [www.treatyofparis.com](http://www.treatyofparis.com)) Nevertheless, according to the Bouviers Law dictionary in 'monarchical governments' a subject owes permanent allegiance to the monarch in which case the British subjects in colonized America owed permanent allegiance to the monarch. The reverse is applicable under Constitutional law where allegiance is owed to the sovereign and to the laws of a sovereign government and natives are both subjects and citizens.

# “THE BOOK OF REVELATION UNSEALED”

## Chapter 19B

The issue is if a war was fought in 1781 and America became victor why would Britain need to sign a Treaty in 1783? When the US has won a war, America should not require the British monarch to cede land to refer to himself as Prince of the Holy Roman Empire and of the United States? There is also the issue of the use of the term ‘Esquire’ given that it is a title of nobility again showing allegiance to the Queen/King when Benjamin Franklin, John Jay Esquire and John Adams signing on behalf of the US use the name ‘Esquire’ it is raising the question of how valid the 1783 Treaty is. John Jay went on to sign the 1794 Treaty between England and the US raising again why 13 years after the Paris Treaty the US needs to sign a Treaty with England if the US was really ‘independent’.

What needs to be further investigated is why the US still continues to pay tax to the City if it is a free nation? The 1794 Treaty signed between England and the US was negotiated by John Jay Esquire who negotiated the 1783 Treaty. The question is why would the US need to sign Treaty’s with England 13 years after the Paris Treaty of 1783 declaring US independent? Why would Article 6 and Article 12 continue to dictate terms to an ‘independent’ America?

Further reading of US history would reveal what happened to America when it cancelled the Charter of the First National Bank in 1811 then immediately afterwards 4500 British troops arrived they burnt down the White House, both Houses of Congress, the War Office, the US State Department and Treasury and destroyed the ratification records (signed by 12 US states) of the US Constitution wherein the 13<sup>th</sup> Amendment was to stop anyone receiving a Title of nobility or honor from serving the US Government. The 1812 war lasted 3 years the Bank Charter was re-established in 1816 after the ratification of the Treaty of Ghent in 1815. Note: The 13th amendment which was ratified in 1810 no longer appears in current copies of the U.S. constitution. In 1913 the Federal Reserve was passed by US Congress handing over America’s gold and silver reserves the total control of America’s economy to the Rothschild banksters. The Federal Reserve is a privately owned banking system that does not belong to America or Americans.

It is no better a time to question whether the US is a country or a corporation, the US President and officials at the Congress are working for that Corporation and not for the American people. It appears that the US Corporation is owned by the same country that owns Canada, Australia and New Zealand whose leaders are all serving the Queen in her Crown Land the US has been and remains a crown colony that belongs to the Empire of the 3 City States the City of London, Vatican City and Washington DC. The US president is nothing more than a figurehead for the central bankers and the transnational corporations, both of which are controlled by High Ecclesiastic Freemasonry from the City of London the home of the global financial system.

### 3. VATICAN CITY

The Vatican City is not part of Italy or Rome. The Vatican is the last true remnant of the Roman Empire. The State of Israel is also said to be a Roman outpost. The Vatican’s wealth includes investments with the Rothschild’s in Britain, France the US along with oil and weapons corporations as well. The Vatican’s billions are said to be in the Rothschild controlled ‘Bank of England’ and the US Federal Reserve Bank. The money possessed by the Vatican is more than banks, corporations or even some Governments it questions why the wealth is not used to elevate at least the Christian poor when it preaches about giving?

Vatican wealth has been accumulated over the centuries by taxing indulgences, some Popes have sold tickets to heaven. Today, they are harvesting souls in Asia as a 3<sup>rd</sup> millennium goal. Together the 3 Cities have under their wing various societies and groups placed globally with their own so that no one contests their global plan, those that do well all the assassinations explains what happens.

## Chapter 19B

The Fabian Society is one such entity which written in 1887 is a mixture of fascism, Nazism, Marxism and communism. It is not hard to now imagine that all these ‘ideologies’ would have also been engineered by the same people. It should come as no surprise then to discover that the Fabian Society is accredited with creating Communist China, Fascism in Italy, Germany and Socialism globally. How far people have been fooled explains the role played by the Fabian Society in formulating policies for the decolonized British Empire. It would also mean that quite a number of British educated natives given the mantle of leading the newly independent nations would have also been members of the Fabian society. The communist takeover of Russia is said to be the work of the British Fabian Society financed by the City of London banking families.

A closer look at entities like the Bank Of International Settlements (BIS), International Monetary Fund (IMF), Club Of Rome, The Committee Of 300, the Central ‘Intelligence’ Agency (CIA), the Council On Foreign Relations, The Tri-Lateral Commission, The Bilderberg Groups, the ‘Federal’ Reserve System, the Internal Revenue Service(s), Goldman Sachs, Israel and the Israeli lobby, the Vatican, the City of London, Brussels, the United Nations, the Israeli Mossad, and Associated Press (AP) will reveal that they are all part of the Fabian Society which controls the European Union.

A noteworthy quote is that of Australian Senator Chris Schacht who said in 2001 “You probably were not aware that us Fabians have taken over the CIA, KGB, M15, ASIO (Australian Security Intelligence Organization), IMF, the World Bank and many other organizations.” From all this we should realize that NOTHING HAPPENS IN ISOLATION. Therefore, every event however small is engineered then orchestrated by a handful of people who control the world and what goes on in the world.

Together they have been responsible for

1. Global Warming/Climate change by creating an environmental catastrophe winning the Nobel Prize, they have created a public awareness for a ‘global government’ that gives them the right to take action over national governments. Known as UN Agenda 21 a closer look at its clauses will reveal how people will need to get permission for everything they do, in other words it is being used to control people.
2. Federal Banking system – The Fabian Society created the Federal Reserve Act in 1913 handing over the US economy to a cartel of international financiers.
3. Big Pharma – is responsible for drugging the Third World
4. System of local government – promoting devolution a new concept of regional councils in a bid to increase a revenue generating system. It is within an overall plan to abolish independent sovereign national governments. Britain is divided into 9 separate regions of the EU. The British will be shocked to discover that EU laws take precedence over British laws, if they have doubts they need to ask why the Queen along with British PMs have signed Treaties handing over power.
5. Abolition of property rights – in 1974 at the Habitat Conference private property was identified as a threat to peace and equality of the environment. Using ‘environmentalism’ as a ploy the quest was to take over earth’s resources to place it under a central authority (UN), and issue licenses for payment. Who own the UN the are the same banking families. In 1987 the World Wilderness Congress was held organized by the Rothschild’s World Conservation Bank which was set up the same year.

The World Bank is likely to be replaced by the World Conservation Bank – the aim is to break down national banks their assets will be diverted to the new bank which is why there is an aim to merge currencies into 2 or 3 major currency groups to replace them with a new electronic currency which is said

# “THE BOOK OF REVELATION UNSEALED”

## Chapter 19B

to be called the ‘earth dollar’. New Zealand has apparently transferred over 34% of its land area into UN Heritage Areas and Conservation Parks these will all be owned by the same banking families. In 1992 the UN Conference on Environment and Development in Brazil was chaired by Mikhail Gorbachev responsible for dividing the Soviet Union along with Maurice Strong, the Rothschild London agent. The topic was Agenda 21 which gave man rights superior to animals, fish, plants, trees and forests.

6. The Patriots Act, the Human Rights Bill, the European Union Constitution, the Security and Prosperity Partnership are all being manipulated to place power in the control of a few hands. Their plans are plotted annually through the Bilderberg Group, their agents run numerous think tanks that steer Government policy funded by the bankers who in real terms run the world. Thus the 13 banking families that run the world control the central banks of the world that print money, give loans on interest this explains how national debt never decreases. Economic crises, oil crisis (simply to increase prices), the Arab Spring uprising are all manufactured wars. There is a saying that all wars are banker wars. The danger is when it comes to food as the control is placed under Monsanto and GMOs. Monsanto is the same company that introduced Agent Orange therefore it is worthwhile reading UN’s Codex Alimentarius and the impending dangers.

An article by John Christian on THE BANKSTER’S ‘WORLD CONSERVATION BANK’ and their electronic global currency, the ‘Earth Dollar’ is worth while reading.

### Article 2:

## The Top of the Pyramid: The Rothschild’s, the Vatican and the British Crown Rule the World

There are two operant Crowns in England, one being Queen Elizabeth II. Although extremely wealthy, the Queen functions largely in a ceremonial capacity and serves to deflect attention away from the other Crown, who issues her marching orders through their control of the English Parliament. This other Crown is comprised of a committee of 12 banks headed by the Bank of England (House of Rothschild). They rule the world from the 677-acre, independent sovereign state known as The City of London, or simply 'The City.' The City is not a part of England, just as Washington D.C., is not a part of the USA.

The City is referred to as the wealthiest square mile on earth and is presided over by a Lord Mayor who is appointed annually. When the Queen wishes to conduct business within the City, she is met by the Lord Mayor at Temple (Templar) Bar where she requests permission to enter this private, sovereign state. She then proceeds into the City walking several paces behind the Mayor. Her entourage may not be clothed in anything other than service uniforms. In the nineteenth century, 90% of the world's trade was carried by British ships controlled by the Crown. The other 10% of ships had to pay commissions to the Crown simply for the privilege of using the world's oceans. The Crown reaped billions in profits while operating under the protection of the British armed forces. This was not British commerce or British wealth, but the Crown's commerce and the Crown's wealth. As of 1850, author **Frederic Morton** estimated the Rothschild fortune to be in excess of \$10 billion (today, the combined wealth of the banking dynasties is estimated at around \$500 trillion).

I care not what puppet is placed upon the throne of England to rule the Empire on which the sun never sets.

The man who controls Britain's money supply controls the British Empire, and I control the British money supply.

-Nathan Rothschild

# “THE BOOK OF REVELATION UNSEALED”

## Chapter 19B

Today, the bonded indebtedness of the world is held by the Crown. The aforementioned Temple Bar is the juristic arm of the Crown and holds an exclusive monopoly on global legal fraud through their Bar Association franchises. The Temple Bar is comprised of four Inns of Court. They are: the Middle Temple, Inner Temple, Lincoln's Inn and Gray's Inn. The entry point to these closed secret societies is only to be found when one is called to their Bar. The Bar attorneys in the United States owe their allegiance and pledge their oaths to the Crown. All Bar Associations throughout the world are signatories and franchises to the International Bar Association located at the Inns of Court of the Crown Temple.

The Inner Temple holds the legal system franchise by license that bleeds Canada and Great Britain white, while the Middle Temple has license to steal from America. To have the Declaration of Independence recognized internationally, Middle Templar King George III agreed in the Treaty of Paris of 1783 to establish the legal Crown entity of the incorporated United States, referred to internally as the Crown Temple States (Colonies). States spelled with a capital letter 'S,' denotes a legal entity of the Crown. At least five Templar Bar Attorneys under solemn oath to the Crown, signed the American Declaration of Independence. This means that both parties were agents of the Crown.

There is no lawful effect when a party signs as both the first and second parties. The Declaration was simply an internal memo circulating among private members of the Crown. Most Americans believe that they own their own land, but they have merely purchased real estate by contract. Upon fulfillment of the contract, control of the land is transferred by Warranty Deed. The Warranty Deed is only a 'color of title.' Color of Title is a semblance or appearance of title, but not title in fact or in law. The Warranty Deed cannot stand against the Land Patent. The Crown was granted Land Patents in North America by the King of England. Colonials rebelled at the usurious Crown taxes, and thus the Declaration of Independence was created to pacify the populace. Another ruse used to hoodwink natural persons is by enfranchisement. Those cards in your wallet bearing your name spelled in all capital letters means that you have been enfranchised and have the status of a corporation.

A 'juristic personality' has been created, and you have entered into multi-variant agreements that place you in an equity relationship with the Crown. These invisible contracts include, birth certificates, citizenship records, employment agreements, driver's licenses and bank accounts. It is perhaps helpful to note here that contracts do not now, nor have they ever had to be stated in writing in order to be enforceable by American judges. If it is written down, it is merely a written statement of the contract. Tax protestors and (the coming) draft resistors trying to renounce the parts of these contracts that they now disagree with will not profit by resorting to tort law (fairness) arguments as justification. Judges will reject these lines of defense as they have no bearing on contract law jurisprudence. Tort law governs grievances where no contract law is in effect.

# “THE BOOK OF REVELATION UNSEALED”

## Chapter 19B

These private agreements/contracts that bind us will always overrule the broad general clauses of the Constitution and Bill of Rights (the Constitution being essentially a renamed enactment of English common law). The Bill of Rights is viewed by the Crown as a 'bill of benefits,' conferred on us by them in anticipation of reciprocity (taxes). Protestors and resisters will also lose their cases by boasting of citizenship status. Citizenship is another equity agreement that we have with the Crown. And this is the very juristic contract that Federal judges will use to incarcerate them. In the words of former Supreme Court Justice Felix Frankfurter, "Equity is brutal, but we are merely enforcing agreements."

"The balance of Title 42, section 1981 of the Civil Rights Code states," citizens shall be subject to like punishment, pains, penalties, taxes, licenses, and exactions of every kind" What we view as citizenship, the Crown views as a juristic enrichment instrumentality. It also should be borne in mind that even cursory circulation or commercial use of Federal Reserve Notes effects an attachment of liability for the payment of the Crown's debt to the FED. This is measured by your taxable income. And to facilitate future asset-stripping, the end of the 14th amendment includes a state of debt hypothecation of the United States, wherein all enfranchised persons (that's you) can be held personally liable for the Crown's debt.

The Crown views our participation in these contracts of commercial equity as being voluntary and that any gain accrued is taxable, as the gain wouldn't have been possible were it not for the Crown. They view the system of interstate banks as their own property. Any profit or gain experienced by anyone with a bank account (or loan, mortgage or credit card) carries with it - as an operation of law - the identical same full force and effect as if the Crown had created the gain. Bank accounts fall outside the umbrella of Fourth Amendment protection because a commercial contract is in effect and the Bill of Rights cannot be held to interfere with the execution of commercial contracts. The Crown also views bank account records as their own private property, pursuant to the bank contract that each of us signed and that none of us ever read.

The rare individual who actually reads the bank contract will find that they agreed to be bound by Title 26 and under section 7202 agreed not to disseminate any fraudulent tax advice. This written contract with the Crown also acknowledges that bank notes are taxable instruments of commerce. When we initially opened a bank account, another juristic personality was created. It is this personality (income and assets) that IRS agents are excising back to the Crown through taxation. A lot of ink is being spilled currently over Social Security.

Possession of a Social Security Number is known in the Crown's lex as 'conclusive evidence' of our having accepted federal commercial benefits. This is another example of an equity relationship with the Crown. Presenting one's Social Security Number to an employer seals our status as taxpayers, and gives rise to liability for a reciprocal quid pro quo payment of taxes to the Crown.

# “THE BOOK OF REVELATION UNSEALED”

## Chapter 19B

Through the Social Security Number we are accepting future retirement endowment benefits. Social Security is a strange animal. If you die, your spouse gets nothing, but rather, what would have gone to you is divided (forfeited) among other premium payers who haven't died yet. But the Crown views failure to reciprocate in any of these equity attachments as an act of defilement and will proceed against us with all due prejudice. For a person to escape the tentacles of the Crown octopus, a thoroughgoing study of American jurisprudence is required. One would have to be deemed a 'stranger to the public trust,' forfeit all enfranchisement benefits and close all bank accounts, among other things. Citizenship would have to be made null and forfeit and the status of 'denizen' enacted. If there are any persons extant who have passed through this fire, I would certainly appreciate hearing from them.

**The United States of America is a corporation, ruled by the British Crown and the Vatican**

The USA is, and always has been, a huge corporation ruled from abroad. Its initial name was the Virginia Company and it is owned by the British Crown and the Vatican, who receive their yearly share of the profits. The US presidents are appointed CEO's, and their allegiance is to the "board of directors," not to the American citizens. We are seen as employees of the company and voting is designed as a distraction meant to offer us the illusion that we have a say in all this.

"In 1606 [King] James set up the Virginia Company which was granted Royal authority to begin settlements in the province of Virginia, named after Elizabeth I, who had been popularly called the Virgin Queen. The Union Jack first flew on American soil at Jamestown in Virginia as a permanent fixture in the spring of 1607... "The early members of the Virginia Company were aristocrats who supported the Church of England and the Royalist cause. They included Lord Southampton, the Earl of Pembroke, the Earl of Montgomery, the Earl of Salisbury, the Earl of Northampton, and Sir Francis Bacon... "As chancellor of England, Bacon was able to persuade the king to issue the charters which enabled the new colonies to proliferate in the new world... "The Virginia Company members who actually settled in America included several members of the Bacon family, and friends of his who were initiates of the Rosy Cross." -- Michael Howard - Occult Conspiracy (quoted by Michael Tsarion)

"I understand from contacts in America that it is through organizations like the London Metal Exchange that profits from the Virginia Company (United States of America) are channeled back to London."-- **David Icke - The Biggest Secret**; "The House of Burgesses was formed in Jamestown in 1619. It was

# “THE BOOK OF REVELATION UNSEALED”

## Chapter 19B

the first representative legislative body in the American Colonies. The House passed measures designed to help the company prosper. But a serious Indian uprising in Jamestown in 1622 caused the adventurers to lose what little interest they had left. In 1623, King James decided that the company was being managed poorly. He took over the association in 1624 and dissolved the company." -- **World Book Encyclopedia**; "Its shareholders were Londoners, and it was distinguished from the Plymouth Company, which was chartered at the same time and composed largely of men from Plymouth.

"In 1619 the company established continental America's first true legislature, the General Assembly, which was organized bicamerally. It consisted of the governor and his council, named by the company in England, and the House of Burgesses, made up of two burgesses from each of the four boroughs and seven plantations. "...The court ruled against the Virginia Company, which was then dissolved, with the result that Virginia was transformed into a royal colony."-- **Encyclopedia Britannica**; "This means that all the rights which applied to the owners of the Virginia Company to the gold, silver, minerals and duties, mined and paid in America, still apply to the British families who own the United States of America and the lands of the united states of America.

"Those same percentages have been paid since 'independence' and are still being paid by the American people via their federal officials who are, in fact, officials of the Virginia Company - yes, including the President. "...But here's yet another twist. Who owns the assets apparently owned by the Virginia Company? Answer: the Vatican."-- **David Icke - The Biggest Secret**; "After the original 13 (again!) American colonies won their 'independence' and an 'independent' country was formed after 1783, the Virginia Company simply changed its name to... the United States of America. "You see there are two USAs, or rather a USA and a uSA. The united states of America with a lower case 'u' and 's' are the lands of the various states. These lands, as we have seen, are still owned by the British Crown as the head of the old Virginia Company, although there is something to add about this in a moment.

"Then there is the United States of America, capital 'U' and 'S', which is the 68 square miles of land west of the Potomac River on which is built the federal capital, Washington DC and the District of Columbia. It also includes the US protectorates of Guam and Puerto Rico. "The United States of America is not a country, it is a corporation owned by the same Brotherhood bloodlines who owned the Virginia Company, because the USA is the Virginia Company!"-- **David Icke - The Biggest Secret**;

"In 1604, a group of leading politicians, businessmen, merchants, manufacturers and bankers, met in Greenwich, then in the English county of Kent, and formed a corporation called the Virginia Company in anticipation of the imminent influx of white Europeans, mostly British at first, into the North American continent. "Its main stockholder was King James I, and the original charter for the company was completed by April 10th 1606. This and later updates to the charter established the following: "...The Virginia Company comprised of two branches, the London Company and the Plymouth or New England Company...The 'Pilgrims' of American historical myth were, in fact, members of the second Virginia Company branch called the New England Company. The Pilgrim Society is still a major elite grouping within the Illuminati. "The Virginia Company owned most of the land of what we now call the USA, and any lands up to 900 miles offshore. This included Bermuda and most of what is now known as the Caribbean Islands.

"The Virginia Company (the British Crown and the bloodline families) had rights to 50%, yes 50%, of the ore of all gold and silver mined on its lands, plus percentages of other minerals and raw materials, and 5% of all profits from other ventures. "These rights, the charters detailed, were to be passed on to all heirs of the owners of the Virginia Company and therefore continue to apply... forever! "The controlling members of the Virginia Company who were to enjoy these rights became known as the Treasurer and Company of Adventurers and Planters of the City of London.

# “THE BOOK OF REVELATION UNSEALED”

## Chapter 19B

"After the first 21 years from the formation of the Virginia Company, all ‘duties, imposts, and excises’ paid on trading activities in the colonies had to be paid directly to the British Crown through the Crown treasurer... "The lands of the Virginia Company were granted to the colonies under a Deed of Trust (on lease) and therefore they could not claim ownership of the land... "The monarch, through his Council for the Colonies, insisted that members of the colonies impose the Christian religion on all the people, including the Native Americans... "The criminal courts on the lands of the Virginia Company were to be operated under Admiralty Law, the law of the sea, and the civil courts under common law, the law of the land... Now, get this. All of the above still applies today!"-- **David Icke - The Biggest Secret;**

The United States Inc.

England, Canada, Australia and many other countries are led politically by “Prime Ministers” to the Queen. In fact she is the official head of 123 commonwealth countries. America, Russia, and other countries, however, have a “President” and “Vice-President.” Usually corporations have Presidents and Vice-Presidents. What does this mean? The US Presidents rule from the “White House.” The Russian Presidents also rule from the White House. The Jesuits, a large force behind the Illuminati, have their own White House as well. England is ruled from “Whitehall.” "The United States government is being ruled from the ‘White House,’ the government of England is being ruled from what is called ‘Whitehall,’ and Whitehall, like our White House, is the symbol of power because the hall is like the Masonic hall, the lodge hall, the union hall.” -- **Jordan Maxwell - Matrix of Power;**

"For those who think America controls the roost it would do well to consider that the Queen of England is still the official head of Commonwealth (123 countries) and the official monarch of Australia and Canada along with the United Kingdom... add to that the fact that all Bush Sr. got for his two terms as president of USA is a mere knighthood of the British Empire." -- **Prash Trivedi;** The original 13 colonies were actually called companies. Military units are also called companies. We sing patriotic songs like “the Star-Spangled Banner” but a banner is a corporate advertisement, not a flag. You surrender with a white

flag, no colors. When you get mad you show your true colors. If you just won independence in a bloody revolution with Britain would you choose the same three colors for your new US flag? Why does “every heart ring true for the red, white, and blue?” What about the gold-fringed flag used by the military, hung at all courts, schools, and government buildings? It all has to do with the British Maritime Admiralty Law of Flags.

Barack Obama was the (2008 - 2016) CEO of the USA Corporation the gold-fringed flags in the background stand for "ruled from abroad." Many other presidents have also been “ruled from abroad”.

“This is also known as British Maritime (military) Law and this is why the American flag always has a gold fringe when displayed in the courts of the United States. You find the same in government buildings and federally funded schools. "The gold fringe is a legal symbol indicating that the court is sitting under British Maritime Law and the Uniform Commercial Code - military and merchant law not common or constitutional law, under the Admiralty Law of Flags, the flag displayed gives notice of the law under which the ship (in this case the court) is regulated. "Anyone entering that ship (court) accepts by doing so that they are submitting to the law indicated by that flag. Judges refuse to replace the flag with one without a fringe when asked by defendants who know the score because that changes the law under which the court is sitting.

"If you appear in a court with a gold fringed flag your constitutional rights are suspended and you are being tried under British Maritime (military /merchant) Law.” -- **David Icke - Tales from the Time Loop**; International Maritime Admiralty law, the law of the high seas, began in Sumeria, was perfected in Rome and continues to this day. Jordan Maxwell has explained that the way we trade commerce today is modeled after the Masons’/Templar Knights’ 1,000 year old system. Notice how regardless of whether you send a product by air, water, or land - you “ship” it. The ship pulls into its “berth” and ties to the “dock.” The Captain has to provide the port authorities with a “certificate of manifest” declaring the products he has brought.

Through a legal loophole the royals have created, US citizens are considered property of the queen under British Maritime law. Since we are born of our mother’s water, from her “birth canal,” we are thereby a maritime product, a “shipped” commodity. Our mothers were delivering a product under maritime law and that’s why we are born in a “delivery room.” That’s why the “doc” signs your “berth” certificate, your “certificate of manifest.” You’re kept in the Maternity “Ward.” Why a ward? No other hospital areas are called wards. Prisons have wards and wardens. The United States Corporation came about just after the civil war. The Act of 1871 was passed by congress creating a separate form of government for DC, essentially turning it into a corporation. It was decided that employees would be called “citizens.” So when you say in court or on paper, that you are a citizen of the United States, you are not a free American, but an employee of US Inc. When you get a fine, a ticket, a bill, or get sued, you must sign in

all capital letters. When you die your Masonic tombstone by law will have all capital letters to show their employee has died.

The entity that is your name in all caps is your maritime admiralty product code. Upper and lower case legally represents you, your body. “The Uniform Commercial Code was approved by the American Bar Association, which is a franchise, a subordinate branch, of the British legal system and its hierarchy based in London's Temple Bar (named after the Illuminati Knights Templar secret society). As I have been writing for many years, the power that controls America is based in Britain and Europe because that is where the power is located that owns the United States Corporation. By the way, if you think it is strange that a court on dry land could be administered under Maritime Law, look at US Code, Title 18 B 7. It says that Admiralty Jurisdiction is applicable in the following locations: (1) the high seas; (2) any American ship; (3) any lands reserved or acquired for the use of the United States, and under the exclusive or concurrent jurisdiction thereof, or any place purchased or otherwise acquired by the United States by consent of the legislature of the state.

In other words, mainland America. All this is founded on Roman law because the Illuminati have been playing this same game throughout the centuries wherever they have gone. The major politicians know that this is how things are and so do the government administrators, judges, lawyers and insider 'journalists'. Those who realize what is happening and ask the court for the name of the true creditor or recipients of the fines imposed by the 'legal system' are always refused this information by the judge. The true creditors in such cases, and the ultimate recipient of the fines, are the bankers to which the corporation 'country' is bankrupt.” -- **David Icke - Tales from the Time Loop;**

Lawyers or “barristers” have to take the Bar Association “bar” exam just as alcoholics go to the “bar,” sugar-junkies eat candy “bars,” and gamblers hope to get 3 “bars” on the slot machine. These all derive from the Templar’s turn of the 13th century “Temple Bar” in England. Originally the Temple Bar was literally just a bar or chain between two posts next to the Temple law courts. This soon became a huge stone gate and there were eventually eight of these gates built so the elites could restrict / control trade within the city of London. They were taken down during 19th century, but then each stone was numbered and kept in storage until 2004 when they just re-built the Temple Bar in London.

“The United States corporation was created behind the screen of a 'Federal Government' when, after the manufactured 'victory' in the American War of 'Independence', the British colonies exchanged overt dictatorship from London with the far more effective covert dictatorship that has been in place ever since. In effect, the Virginia Company, the corporation headed by the British Crown that controlled the 'former' colonies, simply changed its name to the United States and other related pseudonyms. These include the US, USA, United States of America, Washington DC, District of Columbia, Federal Government and 'Feds'. The United States Corporation is based in the District of Columbia and has a corporation president sitting in the White House.

He is not the president of the people or the country as they are led to believe, that's just the smokescreen. This means that Bush launched a 'war on terrorism' on behalf of a private corporation to further the goals of that corporation. It had nothing to do with 'America' or 'Americans' because these are very different legal entities. It is the United States Corporation that owns the United States military and everything else that comes under the term 'federal'. This includes the Federal Reserve, the 'central bank' of the United States, which is, in reality, a private bank owned by controlling stockholders (and controllers of the US Corporation) that are not even American. This is the bank from which the United States Corporation borrows 'money'.” -- **David Icke - Tales from the Time Loop;**

## The Shocking Truth about Your Birth Certificate

“If you notice on the bottom of your birth certificate it says Department of Commerce. It is a property of the Department of Commerce because you are nothing more than a piece of commercial material. That’s why if you’re out of work you don’t go to the unemployment office, you go to the Office of Human Resources, because you’re just a human resource.” -- **Jordan Maxwell**, 1990 Slideshow Presentation on Hidden Symbols; The Judge sits on the bench for the bank. Banks are on both sides of a river. A river bank directs the flow of the current/sea - the currency, the cash flow. The current-sea is “deposited” from bank to bank down the river. We’re just “consumers” to advertise to, just “human resources” to be used up like batteries, and they are the “social engineers,” molding us “useless eaters” into wage slavery.

### Is the Vatican behind the Mortgage mess?

Transcript by David E. Robinson

“Ye are able upon earth to give and take away empires, kingdoms, principalities, marquises, duchies, courtships, and the possessions of all men . . .” — Pope Gregory VII speaking of the papacy (1073).

The Vatican is the strongest push for banking anywhere in the world. When it comes to moving money, or not moving money, they are the Key. The Bank of England, that’s where they came from. Everything is a promissory note to the Bank of England. The Federal Reserve doesn’t come close. Let’s take a moment to follow the “money” allegedly in your jeans. Where do U.S. banks get their marching orders? From the Federal Reserve that is constantly in the news setting the interest rates that charge or cripple economies. Often seen as a government agency, the “Fed” is actually a privately held, for profit bank that supposedly stands ready to make good on even the dodgiest loans made by U.S. banks that must hold in reserve only 10% of the money they loan.

This “fractional reserve banking” means banks can create mortgages and other loans out of thin air? [Promissory Notes]. Another word for this is fraud. In usurping the Constitution, which reserves the sole right to mint U.S. currency at zero interest, the illegal Federal Reserve Act passed during Congressional recess for Christmas in 1913 essentially enslaved Americans and their successive government under a mountain of compounding war debts before being exported as a model worldwide. The Federal Reserve Act was created in London by Baron Alfred Rothschild. Its final draft was decided at a secret meeting of heavy financial hitters held at J.P. Morgan’s Jekyll Island estate in Georgia. Among those present were Senator Nelson Aldrich, Assistant Secretary of the Treasury, Paul Warburg, and several senior officials of J.P. Morgan’s banks. [Secrets of the Federal Reserve’s The Creature from Jekyll Island].

Hold on, advises G. Edward Griffin, author of the Creature From Jekyll Island. We had The Morgans; The Rockefellers; Kuhn, Loeb & Company; The Rothschild’s; and the Warburg’s. They were the major competitors in the field of investment and banking in those days; these were the giants. Prior to this period they were beating their heads against each other, blood all over the battlefield, fighting for dominance in the financial markets of the world. And here they are sitting around a table coming to an agreement of some kind. What is going on here? They came together completely and decided not to compete — They formed a cartel, to print money, collect taxes, and charge interest to the U.S. Government and other borrowing banks on loans made from nothing [Promissory Notes].

With his extensive European banking savvy, Warburg was one of the more knowledgeable bankers in the group. Voicing the Jesuit agenda, this non-ordained “cohort” will later tell the Senate: “We shall have World Government, whether or not we like it. The only question is whether World Government will be achieved by conquest or consent.” The main problem, as Paul Warburg informed his colleagues, was to avoid the name “Central Bank”. For that reason, he had decided upon the designation of “Federal Reserve System”. This would deceive the people. This patent removal of the system from Congressional control meant that the Federal Reserve proposal was unconstitutional from its inception.

And Morgan? John Pierpoint Morgan was born in 1837 during the first money panic in the United States, said to have been caused by the House of Rothschild. It was this family who later bailed out Morgan’s bank, uniting both houses. [Secrets of the Federal Reserve]. By June 1932, Congressman Louis McFadden was fed up with the Fed: “We have in this country one of the most corrupt institutions the world has ever known. I refer to the Federal Reserve Board and the Federal Reserve Banks . . . private credit monopolies which prey upon the people of the United States for the benefit of themselves.”

## Chapter 19B

The Chair of the House Committee on Banking and Currency told the House of Representatives: “The United States has been ransacked and pillaged . . . The truth is the Federal Reserve Board has usurped the Government of the United States. It controls everything to supply financial power to an international super state, a superstate controlled by international bankers and international industrialists acting together to enslave the world. Meeting in private with the presidents of the 12 Federal Reserve Banks, the Federal Reserve Board of Governors controls all economic activity throughout the United States, creating money out of nothing [Promissory Notes] and manipulating money markets and employment by setting interest rates for the billions of dollars in government bonds floated daily to keep a seriously bankrupt economy afloat.

Since those 12 Federal Reserve Banks are meant to be “unknown to the public” lets name them: Rothschild Bank of London; Warburg Bank of Hamburg; Rothschild Bank of Berlin; Lehman Bank of New York; Lazard Brothers of Paris; Kuhn Loeb Bank of New York; Israel Moses Seif Banks of Italy; Goldman Sachs of New York; Warburg Bank of Amsterdam; Chase Manhattan Bank of New York.

Those dollars in your wallet are actually “Federal Reserve Notes”. These “promises to pay” are not “money”. Regardless of denomination, each bill printed by the Bureau of Printing and Engraving in D.C., on contract from the privately held Federal Reserve, is actually worth exactly three-tenths of one penny. No wonder the Fed’s founder Nathan Rothschild, once boasted: “Permit me to issue and control the money of a nation, and I care not who makes the laws.” The privately printed thousand dollar bills streaming in sheets off the presses become “liabilities and obligations” of the United States Government, and are added to its present [\$19] trillion dollar debt. The government had no debt when the Federal Reserve Act was passed in 1913.” [Secrets of the Federal Reserve].

In case you are wondering, the never properly ratified U.S. Income Tax was also introduced by busy bankers in 1913 as the only means to finance the war and ensure perpetual profits from providing public and corporate debt. The U.S. “Federal Income Tax” is not “federal” either. According to attorney, author and federal witness, Paul Andrew Mitchell: “After much diligent research, several investigators have concluded that there is no known Act of Congress, nor any Executive Order, giving the IRS lawful jurisdiction to operate within any of the 50 States of the Union. When all evidence is examined objectively, the IRS appears to be a money laundering extortion racket, and conspiracy to engage in a pattern of racketeering activity in violation of 18 U.S.C. 1951 and 1961, et seq.

In other words, it is an organized crime syndicate operating under false and fraudulent pretenses. As Eustace Mullins helpfully explains: “The IRS is actually a private collection agency for the Federal Reserve System. It originated as the Black Hand in medieval Italy, collectors of debt by force and extortion for the ruling Italian mob families. All personal income taxes collected by the IRS are required by law to be deposited in the nearest Federal Reserve Bank. In other words, into the pockets of the Rothschilds, Warburgs, Schiffs, Rockefellers, Harrimans, Morgans, and other elite families. But don’t try to buy any of this hot Fed stock. The Federal Reserve Act stipulates that the stock of the Federal Reserve Banks cannot be bought or sold on any stock exchange.

It is passed only by inheritance as the fortune of the “big rich”; Mullins states “Almost half of the owners of Federal Reserve Bank stock are not Americans.” These “foreign” owners include the Fed’s originators, the Vatican Jesuits. “In a country where there are Jesuits, they must either rule or the country must go to ruin... it is they who rule the world.” Luigi Desanctis, official Censor of the Inquisition, Protestant Reformation pastor (1852). The Great Depression put all the smaller banks out of business and made the Federal Reserve Bank “Lord of all.” Eric Phelps documents.

## Chapter 19B

Guess who helped trigger the Great Depression? According to FDR’s son-in-law, it was a Knight of Malta named Joseph Kennedy. As Curtis Dall relates: “The feeling around the Street, in succeeding months, was that there were, in particular, three large short sells of stock, allegedly, Tom Bragg, Ben Smith, and Joe Kennedy. Of the three mentioned well-known short sellers, Joe Kennedy was allegedly the most important, the most powerful and the most successful. Was Joe Kennedy carefully selected by world money leaders to sell short? Today the largest bank in the world today, the Federal Reserve “is one of the greatest contributors, or players, in international trading” Mullins observes.

The Fed gets its orders from the Queen Mum of all Banks, the Bank of England, the Bank of Rothschild considered by many to be the world’s most powerful institution. The power behind all presidencies, dictatorships, and thrones. Does the Bank of England answer to any other bank? Well, yes, actually. The Bank of Rome began opening branch offices in Venice in 1587.

Bank of Rome = Vatican Bank controlled by the Jesuit General, the “Black Pope”.

The Jesuit Bank of Rome opened its Bank of England branch in 1694. The first bank to be named after a country, the Bank of England has nothing to do with the British Government except to own it through privately held, interest-compounded debt. Unaccountable to either the Queen or Parliament, the misleadingly labeled “Bank of England” finances the throne, the British prime minister, Parliament and much of the planet out of “The City” located in central London. All major British banks have their main offices in this “Square Mile” as well as 70 U.S. Banks. Throw in the London Stock Exchange, Lloyds of London, the Baltic Exchange (shipping), Fleet Street (publishing and Newspapers), the London Commodity and Metal exchanges and you are looking at Earth’s financial axis. [Descent into Slavery].

The City operates as a sovereign state, just like the Vatican. Since 1820, the Rothschild’s have traditionally chosen The City’s Lord Mayor. Back in the U.S.A., as author Eric Phelps explained in an interview just before publication of his secrecy-shredding “Vatican Assassins”. The Vatican’s Black Robes “own and control” the Federal Reserve Bank “by proxy” through the Knights of Malta, with their various trusts and so on. They never own anything outright; they always own it through a trusted third party including the Vatican home mortgage connection.

### **All Roads lead to Rome.**

We have the Federal Reserve begat by the Bank of England begat by the Bank of Rome. Similarly, the Bank of Canada is an offspring of the Bank of England, which in turn is a child of the Bank of Rome, the Vatican Bank. And the Vatican, as everyone “knows” is run by the Pope.
